Operating Review

The Calmer Co.'s strategy is underpinned by leveraging the sustainable competitive advantage embedded through our supply chain, with full vertical integration from farm to shelf into driving growth across key sales pillars, with the below a summary of highlights achieved during the half year to 31 December 2023.

Leverage assets, IP & our sustainable, fairtrade supply chain

- Modernisation of supply chain has been completed and our sourcing model now spans across the 8 major kava producing provinces of Fiji and encompasses both community based and commercial farming operations, and a growing network of collection centres.
- Digitisation of supply chain is now completed with Traseable Solutions Fiji. This system has begun to be rolled out with our sourcing team and will add consumer functionality over the course of 2024.
- The company has fully relocated in our 40,000ft² processing centre in Navua, on Fiji's main island of Viti Levu, and is collocated with KaiMing Agro Processing, a leading ginger and kava processor.
- Factory upgrades are underway to duplicate drying capacity, increase milling and sieving capacity and to automate key steps in the packaging and labelling process. Taken together the upgrades underway should increase output from the facility by 4-5 times by mid-2024.
- The company has completed the audit process for the Navua site with the USFDA in November 2023 and with HACCP Australia in December 2023, ensuring that regulatory approvals required for the two major markets of USA and Australia were in place for the coming years.

DIRECTORS' REPORT

Focus on eCommerce

- The company has focussed on building a sustainable and growing base of sales through eCommerce with investments in online advertising spend funded through growing sales.
- The Calmer Co. is now the number 1 instant kava brand selling on Amazon.com where sales exceed \$3,000/day and from H2 an additional eCommerce channel Walmart.com will complement this.
- Global ecommerce sales grew to over \$8,000 per day over the period to 31 December and this was driven by a bespoke strategy through social media targeting in the Australia market.
- The company is now leveraging this expertise to begin working on building a similar sales channel through direct to consumers in the USA in H2; which will have synergies with both Amazon and Walmart eCommerce sales by driving consumer awareness across digital channels.

Drive Profitable Retail Markets

- Sales of 50g pouches of powdered drinking kava grew strongly in 2023 and peaked at around \$30,000 in late September, driven by social media activity and synergies with eCommerce.
- Coles has now listed the Taki Mai 50mL kava-shot in more than 500 stores around Australia and has added the larger 150g Drinking Kava SKU to around half of all stores, with strongest sales recorded.
- Distribution in the Pacific through CJ Patel group targeting \$11m over initial 3-year term with one of the Pacific region's most recognised distribution partners across 17 countries commenced in the period with first sales orders valued at FJD \$300k (\$210k) received and shipped in July.
- The global distribution partnership with Leilo commenced with the launch into Fiji resorts and tourist retail stores.

Build B2B Opportunities in Kava Bars and through IMCD's Kavaton®

- 1.5MT of Fiji Kava bulk kava has arrived in the USA to support the launch of Fiji Kava branded bulk kava powder into the USA kava bar channel. The team visited close to one hundred kava bars in October and November as part of Sales and Marketing activation. First orders are now being taken from kava bar clients and new products including bulk Cold Pressed Kava will launch soon.
- Through our partnership with IMCD's Network Nutrition we saw renewed interest in the kava ingredient sales channel, and Metagenics USA launched the first practitioner targeted product using our kava extract, MetaSleep.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

for the six months ended 31 December 2023

1. Reporting Entity

The Calmer Co International Limited (“**Calmer Co.**” or the “**Company**”) is a company domiciled in Australia. These condensed consolidated interim financial statements (“interim financial statements”) as at and for the six months ended 31 December 2023 comprise the Company and its subsidiaries (together referred to as the “**Group**”). The Group is primarily involved in research, development and sale of kava and kava related product.

The consolidated annual financial statements of the Group as at and for the year ended 30 June 2023 are available upon request from the Company’s registered office at 96 Victoria Street, West End QLD 4101 or at <https://cdn-api.markitdigital.com/apiman-gateway/ASX/asx-research/1.0/file/2924-02706345-6A1166109>

2. Basis Of Preparation

These interim financial statements are general purpose financial statements prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*, and with IAS 34 *Interim Financial Reporting*.

They do not include all the information required for a complete set of annual financial statements. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group’s financial position and performance since the last annual consolidated financial statements as at and for the year ended 30 June 2023.

These interim financial statements were authorised for issue by the Company’s Board of Directors on 28 February 2024.

2.1. Use Of Judgements and Estimates

In preparing these interim financial statements, Management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of the assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgments made by Management in applying the Group’s accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual financial statements.

2.2. Going Concern

The Financial Report has been prepared on the going concern basis that contemplates the continuity of normal business activities and the realisation of assets and extinguishment of liabilities in the ordinary course of business. During the six months ended 31 December 2023, the Group made a loss before tax of \$1,634,204 and has accumulated losses of \$27,300,229. As at 31 December 2023, the Group has a net current liabilities position of \$77,571 including a cash position of \$612,882. Based on the Group’s cash flow forecast, the Group has approximately 6 months of funding, without including the benefit of continued revenue improvement which is expected to increase during FY 2024.

The Group’s cash flow forecast shows that despite the projected growth in sales, it is likely that the Group will need to access additional working capital in the next few months to support and implement the Group’s goals and objectives. The directors are confident that the Group will be successful in raising additional funds through the issue of new equity and/or debt as they have been successful in raising equity in previous periods.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

for the six months ended 31 December 2023

Based on these facts, the directors consider the going concern basis of preparation to be appropriate for this financial report. Should the projected growth in sales not eventuate, and/or should the Group be unsuccessful in raising additional funds through the issue of new equity, there is a material uncertainty which may cast significant doubt upon whether the Group will be able to continue as a going concern and therefore, whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The financial statements do not include any adjustments relative to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the Group not continue as a Going Concern.

3. Revenue

The Group's operations and main revenue streams are those described in the last annual financial statements. The Group's revenue is derived from contracts with customers.

18 Significant Accounting Policies

The accounting policies applied in these interim financial statements are the same as those applied in the Group's consolidated financial statements as at and for the year ended 30 June 2023.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

for the six months ended 31 December 2023

19 Prior year error adjustments

At the General Meetings dated 12th April 2023, 22nd June 2023 and Annual General Meeting dated 20th November 2023, the shareholders voted in favour of issuing shares to Directors in lieu of Directors fees valued at \$130,792 relating to services performed in the 2023 FY. The issuance of these shares was not captured in the financial statements for the year ended 30 June 2023.

During the 30 June 2023 financial year, the Group recognised capital raising costs of \$20,413 as investor relations expenses. These costs were associated with direct share issuances and should have been recognised in Share Capital.

On the 19th April 2023, the Group announced a \$500,000 placement with a proposed issue date of 6th June 2023. A number of these shares were not formally issued until 5th July 2023. An amount of \$310,510 relating to these unissued shares should have been classified as subscription funds received in advance as at 30 June 2023.

The impact of these adjustments are set out below:

Accounts Impacted	30 June 2023 Audited	Adjustment	30 June 2023 Restated
Consolidated Statement of Financial Position

Total Liabilities	3,323,398	362,512	3,685,910
Net Liabilities	87,527	362,512	450,039

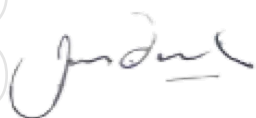

The adjustments outlined in the above table have no impact on the 31 December 2022 comparative figures in this interim financial report.

DIRECTORS' DECLARATION

In the opinion of the directors of The Calmer Co International Limited:

1. the condensed consolidated financial statements and notes set out on pages 7 to 18, are in accordance with the Corporations Act 2001 including:
 - a. giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the six month period ended on that date and
 - b. complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the Corporations Regulations 2001 and
2. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors:

James Dack
Chairman

Dated at Brisbane this 28th day of February 2024

Independent Auditor's Review Report

To the members of The Calmer Co International Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of The Calmer Co International Limited (the Company) and its controlled entities (collectively the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the Corporations Act 2001 including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material Uncertainty Related to Going Concern

We draw attention to Note 2.2 of the financial statements which indicates that the group incurred a loss before tax of \$1,634,204, has accumulated losses of \$27,300,229 and retained a net current liability position of \$77,571. As stated in Note 2.2, these events or conditions, along with other matters set forth in Note 2.2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibility of the Directors for the Financial Report

The directors of the Group are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the

Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

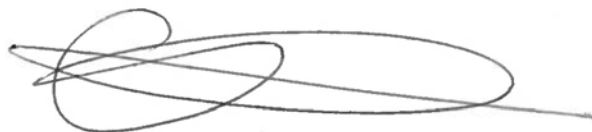

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the Company's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
