Condensed notes to the consolidated financial statements

NOTE 1: BASIS OF PREPARATION OF THE HALF-YEARLY FINANCIAL REPORT

The consolidated financial report is a general purpose condensed financial report for the half-year ended 31 December 2023, which has been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001 and this financial report was authorised for issue in accordance with a resolution of the directors on 5 March 2024.

It is recommended that the half-year consolidated financial statements be read in conjunction with the annual financial report for the year ended 30 June 2023 and considered with any public announcements made by Tungsten Mining NL during and subsequent to the half-year ended 31 December 2023 in accordance with continuous disclosure obligations of the *ASX Listing Rules*.

The half-year consolidated financial statements do not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full and understanding of the financial performance, financial position and financing and investing activities of the Group as the full financial report.

The half-year consolidated financial statements have been prepared on the basis of accrual accounting and historical costs.

Changes in accounting standards

The Group has considered the implications of new and amended Accounting Standards effective for annual reporting periods beginning on or after 1 July 2023 but determined that their application to the financial statements is either not relevant or not material.

NOTE 2: SEGMENT REPORTING

The Group has based its operating segments on the internal reports that are reviewed and used by the executive management team in assessing performance and in determining the allocation of resources.

The Group currently does not have production and is only involved in exploration. As a consequence, activities in the operating segment are identified by management based on the manner in which resources are allocated, the nature of the resources provided and the identity of the manager and country of expenditure. Information is reviewed on a whole of entity basis.

Based on these criteria the Group has only one operating segment, being exploration, and the segment operations and results are reported internally based on the accounting policies as described in the annual financial report for the year ended 30 June 2023 on a whole of entity basis.

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the directors of Tungsten Mining NL.

As Audit Director for the review of the financial statements of Tungsten Mining NL for the half-year ended 31 December 2023, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours faithfully

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
TUNGSTEN MINING NL****Report on the Half-Year Financial Report****Conclusion**

We have reviewed the half-year financial report of Tungsten Mining NL ("the Company") and its subsidiaries ("the Group" or "the consolidated entity"), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, condensed notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that causes us to believe that the accompanying half-year financial report of Tungsten Mining NL does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* has been given to the directors of the Company on 5 March 2024.

Responsibility of the Directors for the Financial Report

The directors of Tungsten Mining NL are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
