Innlanz Limited
Notes to the consolidated financial statements
For the half year ended 31 December 2023

Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The half year consolidated financial statements is a general purpose financial report for the half-year ended 31 December 2023, have been prepared in accordance with requirements of *Corporations Act 2001* and Australian Accounting Standards AASB 134: Interim Financial Reporting. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

The half year report does not include all the notes of the type normally included in an annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as the annual report.

Accordingly, it is recommended that this financial report be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by Innlanz Limited during the half year in accordance with continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with those of the previous financial year and corresponding half year reporting period.

Going Concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Group incurred a loss after income tax of \$304,080 and had net cash outflows from operating activities of \$353,200 for the half-year ended 31 December 2023. As at that date the Group had net current liabilities of \$1,537,057 and net assets of \$2,403,256.

The Directors believe that it is reasonably foreseeable that the Group will continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report after consideration of the following factors:

- The Group has cash balance of \$607,466 as at 31 December 2023 which the directors believe will be adequate to fund operations for the 12 months following the date of the half-year report.
- On 6 May 2022, the Group has a loan facility of NZD\$2.48m with Bank of New Zealand to 30 July 2027 and the balance yet to be draw down as of 31 December 2023 was NZD\$655,000.
- Included in current liabilities is \$1,283,446 of deferred consideration payable to Premier Hospitality Management Pty Ltd (PHM) in relation to the acquisition of the Heartland Ambassador Hamilton Hotel. Mr Jhon Shen, significant shareholder of Innlanz Limited, is the beneficial owner of PHM. Mr Shen, on behalf of PHM has indicated that he does not intend to call for repayment.
- The Board has been exploring potential transactions to provide liquidity, reduce expenditure, and potentially source capital or reduce debt.

Should a potential transaction not be executed, or the loan is recalled, these factors will create significant uncertainty as to whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Group does not continue as a going concern.

New and amended standards adopted by the Group

A number of new or amended standards became applicable for the current reporting period. The Group did not have to change its accounting policies or make retrospective adjustments as a result of adopting these standards. The accounting policies adopted are consistent with those of the previous financial year and corresponding half-year period.

INDEPENDENT AUDITOR'S REVIEW REPORT**TO THE MEMBERS OF INNLANZ LIMITED****Report on the Half-Year Financial Report***Conclusion*

We have reviewed the accompanying half-year financial report of Innlanz Limited which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Innlanz Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Innlanz Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the half-year financial report, which indicates that the consolidated entity incurred a loss after income tax of \$304,080 and had net cash outflows from operating activities of \$353,200 for the half-year ended 31 December 2023. As at that date the consolidated entity had net current liabilities of \$1,537,057 and net assets of \$2,403,256. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the consolidated entity's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
