### Review of Operations

During the half-year, Oakajee Corporation Limited ("**Oakajee**", "**OKJ**" or "**the Company**") continued with the regional exploration of its Paynes Find Gold project in Western Australia.

Figure 1 - Project location.

DIRECTORS' REPORT

Paynes Find Project - Western Australia

Following a review of gold exploration previously undertaken in the southern part of the Paynes Find project, a program of air-core (AC) drilling was completed in November 2023 targeting interpreted gold zones under shallow alluvial cover. A total of 23 drill holes for 920 metres were completed on two traverses (Figure 2). Composite 4 metre samples were collected throughout the drill holes and submitted to a commercial laboratory for gold and pathfinder element analysis.

Drill-hole locations coloured by gold results are shown in Figure 2 and the highest results are in Table 2.

All of the highest gold results occur in the lower saprolite part of weathered gabbro just above fresh rock and are associated with anomalous pathfinder elements including arsenic, bismuth, copper and tungsten. The results are interpreted as a weathering dispersion halo from a nearby but not yet intersected bedrock source. The current drill spacing of 50m along 200m spaced lines is considered too wide to intersect the expected narrow quartz vein targets and further in-fill drilling on a 25m x 50m and 100m line spacing will be considered.

**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

FOR THE HALF-YEAR ENDED 31 DECEMBER 2023

**1. Significant Accounting Policies**

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted and methods of computation are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

No material change is required to Group accounting policies.

**Significant accounting judgments and estimates**

In preparing this interim report, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report to the year ended 30 June 2023.

**Going concern**

The financial report has been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities in the ordinary course of business.

As at 31 December 2023, the Company has cash and cash equivalents of \$904,322 (30 June 2023: \$1,466,317) and presented net operating cash outflows of \$389,220 for the half-year ended on that date (31 December 2022: \$271,502). The Company has equity investments with a market value of \$743,000 at 31 December 2023 (30 June 2023: \$785,000). These equity investments represent investments in listed Australian companies which are traded on ASX. The Directors believe that Oakajee Corporation Limited has access to sufficient funding to enable it to continue as a going concern and that it is appropriate to adopt that basis of accounting in the financial report.

**2. Segment Reporting**

AASB 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are reviewed by the chief operating decision maker in order to allocate resources to the segment and assess its performance.

**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

FOR THE HALF-YEAR ENDED 31 DECEMBER 2023

**2. Segment Reporting (continued)**

The chief operating decision maker for the Group reviews internal reports prepared as financial statements and strategic decisions of the Group are determined upon analysis of these internal reports. Based on qualitative thresholds included in AASB 8, there is only one reportable segment, being mineral exploration in Australia, including investing in mineral exploration companies in Australia.

**3. Equity Investments***Fair value Hierarchy*

The three levels are defined based on the observe ability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following tables shows the levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis as at 31 December 2023 and 30 June 2023.

|  | <b>31 December<br/>2023<br/>Fair value<br/>\$</b> | <b>30 June<br/>2023<br/>Fair value<br/>\$</b> | <b>Fair value<br/>hierarchy</b> | <b>Valuation<br/>technique</b>           |

There were no transfers between levels during the financial half-year.

The carrying amounts of trade and other receivables and trade and other payables are assumed to approximate their fair values due to their short-term nature.

The fair value of financial liabilities is estimated by discounting the remaining contractual maturities at the current market interest rate that is available for similar financial liabilities.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of Oakajee Corporation Limited

### Report on the Condensed Half-Year Financial Report

#### *Conclusion*

We have reviewed the half-year financial report of Oakajee Corporation Limited ("the Company") and its controlled entities ("the Group"), which comprises the condensed consolidated statement of financial position as at 31 December 2023, the condensed consolidated statement of profit or loss and other comprehensive income, the condensed consolidated statement of changes in equity and the condensed consolidated statement of cash flows for the half-year ended on that date, selected explanatory notes, and the directors' declaration, for the Group comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Oakajee Corporation Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### *Basis for Conclusion*

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

*Auditor's Responsibility for the Review of the Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Independence*

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
