**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE HALF-YEAR ENDED 31 DECEMBER 2023****NOTE 1: BASIS OF PREPARATION**

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standards including AASB 134: Interim Financial Reporting. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Great Western Exploration Limited and its controlled entities ("the Group"). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2023, together with any public announcements made during the half-year.

***Adoption of new and revised Accounting Standards*****New, revised or amending Accounting Standards and Interpretations adopted**

The Group has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. It has been determined by the Group that the adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company during the financial year.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**a. *Going Concern***

The financial report has been prepared on the going concern basis, which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The Group incurred a loss for the half-year of \$1,697,788 (31 December 2022: loss \$476,702) and net cash outflows from operating activities of \$494,510 (31 December 2022: \$336,403 outflow). At 31 December 2023, the Group has working capital surplus of \$1,430,463 (30 June 2023: \$3,128,294). The Group has ongoing expenditures in respect of administration costs and exploration and evaluation expenditure on its Australian exploration projects.

The directors have prepared a cash flow forecast, which indicates that the Group will have sufficient cash flows to meet all commitments (including those at Note 7) and working capital requirements for the 12-month period from the date of signing this financial report. Subsequent to 31 December 2023, the Group has raised a total of \$2.05m before costs.

The Directors believe that at the date of signing of the financial statements that the Group has sufficient funds to meet its obligations as and when they fall due and continue to proceed with the Group's objectives beyond the currently committed expenditure for the 12-month period from the date of signing this financial report.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

### Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
