ASX RELEASE I Synergy Group Limited (ASX: IS3)

**CLARIFICATION ANNOUNCEMENT – DRAWDOWNS UNDER THE
CONVERTIBLE NOTE AGREEMENT APPROVED BY SHAREHOLDERS AT THE
GENERAL MEETING HELD 6 MARCH 2024**

The Board of I Synergy Group Limited (**IS3** or the **Company**) refers to the announcement dated 6 March 2024 of the results of the General Meeting of the Company held the same day that approved the Convertible Note Agreement (**Agreement**)¹.

Whilst the term of the Agreement is for 12-months, the summary table of the Agreement's key terms did not include the requirement that drawdowns under the Agreement are able to be made within 3-months of approval at the General Meeting.

To clarify, should the Company seek to issue Convertible Notes under the Agreement after the initial 3-month period, further shareholder approval for each additional 3-month period will be required prior to doing so.

An updated summary table of key terms of the Agreement is contained below:

Facility Limit	\$10,000,000
Term	12-months from approval by shareholders at the General Meeting, subject to further shareholder approval which is valid for 3-months each time
Drawdown	Within 3-months from the date of shareholder approval at a General Meeting
Note Value	\$100,000 per Convertible Note
Interest	2% per annum on each Drawdown
Conversion	Convert into Ordinary Shares of the Company (Shares) based on the 15-day VWAP of the Shares immediately prior to conversion
Escrow	Shares issued upon conversion will be subject to voluntary escrow for 90-days following allotment

The Company apologises for any confusion caused by this oversight.

This announcement was authorised by the Board and released by the Company Secretary.
