#### **REVIEW OF OPERATIONS AND ACTIVITIES**

The Company is a gold and mineral resources exploration company. Its focus has been pursuing success at its 100% owned Redcastle Gold Project. The Redcastle Gold Project covers a prospective area of 1,088ha, surrounding the locality of the historical Redcastle Mining Centre within the Mt Morgans District of the Mt Margaret Mineral Field of WA, approximately 60km east of Leonora and 60km west of Laverton in the Northeastern Goldfields. Gold was originally discovered at the Redcastle Mining Centre in 1897.

On October 16, 2023, the Company announced that a reverse circulation (RC) drill campaign at the highly prospective Queen Alexandra (QA) prospect had commenced.

A total of 37 holes for 1,937m were completed (reported 30th October 2023). Holes were drilled on a 60 degree dip to an average depth of 52m. The RC program involved drilling 34 holes in an approximate north to south orientation (bearing 205°).

The programme was completed successfully, within budget and with no safety incidents. It followed an extensive technical review of historical exploration activity together with multiple site visits by geological consultants Carras Mining Pty Ltd (CMPL).

Following the initial results reported on 7 December 2023, the individual 1m components of the 2m to 4m composite samples (above a nominated mineralised grade) were assayed and the results were reported on 22nd December 2023.

### **DIRECTORS' REPORT**

#### LIKELY DEVELOPMENTS AND EXPECTED RESULTS

On 20 February 2024 the Company announced its maiden JORC Resource estimate at QA with a mineral resource estimate of 10.6 koz.

The Company's strategic focus will now focus on further drilling programs planned to investigate deeper highgrade structures and mineralisation within existing reverse circulation drillholes.

Planning is also underway to investigate other high priority gold targets identified during additional field work.

### INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Redcastle Resources Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of Redcastle Resources Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the Group's financial position as at 31 December 2023 and of its financial performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

### Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
