

KIN MINING AND PNX METALS MERGER TO CREATE EXCEPTIONAL PLATFORM FOR GROWTH

Combination set to create a diversified resource group with high-quality development and exploration assets in WA and the NT spanning gold & silver, base metals and uranium.

15 April 2024

HIGHLIGHTS

- Kin Mining (KIN) and PNX Metals (PNX) have agreed to merge by way of a Scheme of Arrangement, under which KIN will acquire 100% of the PNX shares on issue.
- The Merged Group, capitalised at A\$123.0m¹, offers compelling value and an exceptional platform for growth with a balance sheet consisting of A\$89.6m in cash and liquid investments and no debt².
- The merger will create a diversified portfolio of quality mineral assets in Tier-1 jurisdictions across Australia hosting total Mineral Resources in excess of 1.4 Moz gold, 16.2 Moz silver and 177 Kt zinc³ with significant near-term expansion potential, and multiple highly prospective gold, base metal and uranium prospects.
- PNX shareholders will receive 1 fully paid ordinary share in KIN for every 13 fully paid ordinary PNX shares held on the Scheme record date. On a like-for-like basis, this represents:
 - a 6.2% premium using the 30-day VWAP of KIN shares and PNX shares respectively.
- Upon implementation of the Scheme, KIN and PNX shareholders will hold approximately 72% and 28% of the Merged Group respectively.⁴
- The Independent PNX Directors unanimously recommend the Scheme and intend to vote all their PNX shares in favour of the Scheme in the absence of a superior proposal, and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of PNX shareholders.
- The Independent KIN Directors unanimously recommend the Scheme and intend to vote all their KIN shares in favour of the resolution to be put to KIN shareholders for the purposes of ASX Listing Rule 10.1 in respect of the acquisition of the PNX shares from certain substantial shareholders of PNX pursuant to the Scheme, in the absence of a superior proposal.

Kin Mining NL ("**KIN**") (ASX: KIN) and PNX Metals Limited ("**PNX**") (ASX: PNX) are pleased to announce they have entered into a binding scheme implementation deed ("**SID**") under which KIN will, subject to the satisfaction of various conditions, acquire all of the fully paid ordinary shares in PNX by way of a Scheme of Arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) ("**Scheme**").

¹ Pro-forma market capitalisation, on a fully diluted basis (assuming 474,590,037 PNX shares are issued with regards the Silver Streaming Agreements and including the 115,000,000 PNX shares issued on 12 April 2024), is based on the 10-day VWAP of KIN, \$0.0751, as at 11 April 2024, being the last trading day prior to this announcement.

² Based on the cash position of PNX of A\$0.7m as at 31 March 2024, the market value of KIN's investment in Genesis Minerals (ASX: GMD) of A\$22.9m as at 12 April 2024, being the last trading day prior to this announcement, and KIN's cash position of A\$66.1m at 12 April 2024.

³ Refer Annexure A and Annexure B of this announcement.

⁴ Assumes 474,590,037 PNX shares are issued with regards the Silver Streaming Agreements and includes the 115,000,000 PNX shares issued on 12 April 2024.

Under the terms of the Scheme, each PNX shareholder will receive 1 ordinary fully paid share in KIN for every 13 ordinary fully paid PNX shares held on the Scheme record date. On a like for like basis this represents;

- a 23.9% premium using the 10-day VWAP of KIN shares and PNX shares respectively; and
- a 6.2% premium using the 30-day VWAP of KIN shares and PNX shares respectively.

If the Scheme is approved and implemented, KIN and PNX will form a merged group ("**Merged Group**") whereby KIN shareholders will hold approximately 72% and PNX shareholders will hold 28% of the Merged Group.⁵

The independent board committee of PNX ("**PNX IBC**"), comprising Graham Ascough, James Fox and Hans-jörg Schmidt (each an "**Independent PNX Director**"), **unanimously recommends** the Scheme to PNX shareholders and recommends that all PNX shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a superior proposal, and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of PNX shareholders.

Subject to those same qualifications, each Independent PNX Director intends to vote, or cause to be voted, all PNX shares in which they have a relevant interest in favour of the Scheme at the Scheme Meeting.

The independent board committee of KIN ("**KIN IBC**"), comprising Guiseppe Graziano and Nicholas Anderson (each an "**Independent KIN Director**"), **unanimously recommends** the Scheme and intend to vote all their KIN shares in favour of the resolution to be put to KIN shareholders for the purposes of ASX Listing Rule 10.1 in respect of the acquisition of the PNX shares from certain substantial shareholders of PNX pursuant to the Scheme, in the absence of a superior proposal.

Neither Rowan Johnston nor Hansjoerg Plaggemars make any recommendation in connection with the Scheme as each of them does not consider it appropriate for them to do so given that they are each Directors of both KIN and PNX.

Mr Graham Ascough, Executive Chairman of PNX, commented: *"The merger of Kin and PNX is set to create one of the most exciting growth stocks in the junior resource sector on the ASX. The combined entity will have unparalleled balance sheet strength, a dynamic management team comprising like-minded individuals from each company, and a fantastic exploration and growth pipeline in WA and the NT."*

"PNX shareholders will gain exposure to Kin's high-quality gold projects in the Leonora region, where it has a proven track record of value-creation through its recent transactions with Genesis Minerals. Kin's retained gold inventory in this district offers outstanding optionality and growth potential, particularly in a rising gold market, along with the upside of its recent VHMS base metal discovery and other recent exploration breakthroughs."

"The combined entity's strong funding position and enhanced liquidity will allow us to accelerate exploration of PNX's exciting Thunderball Uranium Project and the development of our gold, silver and polymetallic resources at Fountain Head and Hayes Creek."

Mr Nicholas Anderson, Executive Director of KIN, commented: *"The proposed merger with PNX is consistent with Kin's recently articulated strategy of leveraging its strong balance sheet position and expertise to pursue value-adding M&A and corporate opportunities Australia-wide."*

"PNX has an extensive and high-quality tenement portfolio in the Pine Creek region of the Northern Territory, one of Australia's most prolific resource provinces. This portfolio includes a unique mix of development-level zinc, gold and silver assets and an exciting uranium deposit at Thunderball that has sat dormant for over a decade."

"Kin's strong balance sheet position gives us the capability to evaluate and fast-track the exploration of these projects, in parallel with our ongoing gold and base metal exploration at Cardinia in WA. This is a great example of sensible consolidation in the junior resource sector in what remains a challenging market for small companies. We are looking forward to working with the PNX team to complete this transaction."

⁵ Assumes 474,590,037 PNX shares are issued with regards the Silver Streaming Agreements and includes the 115,000,000 PNX shares issued on 12 April 2024.

TRANSACTION SUMMARY

The Scheme will be implemented by way of a Scheme of Arrangement pursuant to Part 5.1 of the *Corporations Act 2001* (Cth) ("**Corporations Act**") whereby KIN is to provide 1 KIN share for every 13 PNX shares, for all PNX shares on issue as at the record date of the Scheme.

Implementation of the Scheme is subject to various conditions, including:

- The Independent Expert's Report concluding that the Scheme is in the best interests of PNX shareholders and not withdrawing or adversely changing that conclusion;
- Australian Foreign Investment Review Board ("**FIRB**") approval of the Scheme;
- PNX shareholders approving the Scheme by the requisite majorities under the Corporations Act at a Scheme Meeting expected to be held in the coming months;
- KIN shareholders approving the acquisition of Delphi's shares in PNX pursuant to the terms of the Scheme, for the purposes of ASX Listing Rule 10.1;
- Court approval of the Scheme;
- The existing Silver Streaming Agreements with PNX having been terminated, and PNX having issued PNX shares in accordance with the terms of those agreements;
- No PNX or KIN Material Adverse Change or Prescribed Event occurring (each as defined in the SID);
- PNX and KIN representations and warranties being true and correct in all material respects;
- All PNX performance rights having lapsed, been exercised, or cancelled; and
- Various regulatory approvals required to implement the Scheme.

The SID contains customary exclusivity and deal protection provisions, including reciprocal no shop obligations, no talk, and no due diligence conditions (subject to exceptions to enable the Independent PNX Directors and Independent KIN Directors to comply with their fiduciary duties), notification and matching rights for KIN in the event of a competing proposal.

Full details of the terms and conditions of the Scheme are described in the SID, a copy of which is attached to this announcement.

INDEPENDENT PNX DIRECTORS' RECOMMENDATION

The Scheme has the unanimous support of the Independent PNX Directors.

Each member of the PNX IBC considers the Scheme to be in the best interests of PNX shareholders and unanimously recommends the Scheme to PNX shareholders and recommends that PNX shareholders vote in favour of the Scheme¹¹:

- In the absence of a superior proposal; and
- Subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of PNX shareholders.

Each member of the PNX IBC intends to vote (or cause to be voted) all PNX shares in which they have a relevant interest in favour of the Scheme (representing approximately 0.6% of the undiluted PNX shares on issue¹²), subject to the qualifications described above.

MEETING OF PNX SHAREHOLDERS

PNX shareholders do not need to take any action at this time.

PNX will seek Court approval to convene a meeting of PNX shareholders to approve the Scheme ("**Scheme Meeting**") in the coming months.

PNX shareholders will receive notice of the Scheme Meeting and a thorough explanatory statement of details of the proposed Scheme, the basis for the Independent PNX Directors' recommendation and the Independent Expert's report ("**Scheme Booklet**") in advance of the Scheme Meeting.

A detailed timetable for the Scheme will be included in the Scheme Booklet.

MEETING OF KIN SHAREHOLDERS

KIN shareholders do not need to take any action at this time.

As a result of Delphi's substantial shareholding in both KIN and PNX, KIN will convene a General Meeting ("**KIN General Meeting**") at which it will seek KIN shareholder approval for the acquisition of Delphi's shares in PNX pursuant to the terms of the Scheme, for the purposes of ASX Listing Rule 10.1.

The KIN General Meeting is expected to be held immediately before the Scheme Meeting.

KIN shareholders will receive notice of the KIN General Meeting and a thorough explanation of the proposed Scheme, the basis of the Independent KIN Directors' recommendation and an Independent Expert's Report in advance of the General Meeting.

The Scheme is conditional on the receipt of this KIN shareholder approval.

¹¹ You should note when considering this recommendation that:

- Graham Ascough (Non-Executive Chairman) and his associates have an interest in 21,498,192 fully paid ordinary shares.
- James Fox (Technical Director) and his associates have an interest in 12,000,000 fully paid ordinary shares and 30,800,000 performance rights (which, subject to the Scheme becoming Effective, are expected to be cancelled in consideration for \$60,025, based on an independent valuation procured by KIN).

Despite the Independent PNX Directors' personal interests in the outcome of the Scheme, each Independent PNX Director considers that, given the importance of the Scheme and their obligations as directors of PNX, it is important and appropriate for them to provide a recommendation to PNX shareholders in relation to the Scheme. These arrangements and the amounts payable on implementation of the Scheme to each of the directors, will be described in more details in the Scheme Booklet.

¹² Assumes 474,590,037 PNX shares are issued with regards the Silver Streaming Agreements and includes the 115,000,000 PNX shares issued on 12 April 2024.

INTERIM FUNDING ARRANGEMENTS

PNX and KIN have entered into an unsecured term loan agreement pursuant to which KIN has agreed to provide PNX with up to A\$1.5 million to assist with PNX's transaction costs and working capital during the transaction implementation.

The material terms of the interim funding arrangements are as follows:

- Draw-down: The A\$1,500,000 is to be provided in tranches over the term of the transaction, with the first tranche of A\$500,000 being payable within 5 business days of the date of the agreement.
- The draw-downs are subject to usual conditions for a loan of this sort, including:
 - The SID not having been terminated;
 - No change of control event occurring in respect of PNX; and

 - 120 days after the termination of the SID.
- Security: The loan is unsecured, but subject to normal commercial terms.

Further detail on the interim funding arrangement, including the term and repayment terms, will be included in the Scheme Booklet provided to PNX shareholders.

About Kin Mining NL

Kin Mining NL (ASX: KIN) is a West Australian based gold development and exploration company. Kin's key focus is its 100% owned Cardinia Gold Project (CGP) located in the highly prospective North-Eastern Goldfields region of Western Australia. The CGP has a 0.9Moz gold Mineral Resource defined in both oxide and deeper primary mineralisation with considerable potential to grow this resource with further drilling.

Kin's exploration effort is the systematic program of exploration across the Cardinia Mining Centre that seeks to advance a number of targets in parallel while developing a pipeline of exploration targets for ongoing Mineral Resource expansion.

About PNX Metals Limited

PNX Metals Ltd (ASX: PNX) is a minerals exploration company that holds significant mineral resources containing 0.5Moz gold, 16.2Moz silver and 177,000t zinc, at its 100% owned Hayes Creek zinc-gold-silver, and Fountain Head gold projects, both located in the Pine Creek region of the Northern Territory.

PNX owns the Thunderball Uranium deposit where very high-grade uranium results were reported from the Lower Lode, including; 15.0 m @ 1.35% U₃O₈ from 210.0 m in RHCD005 including: 1.5 m @ 10.2% U₃O₈ from 215.0 m (refer PNX ASX release 8 February).

The Company has also been progressing development studies at its Fountain Head gold project, and in 2023 received Environmental approvals, with mining approvals expected to be granted imminently.

Recent regional exploration has also been successful and uncovered high-grade gold at surface at multiple targets, with the potential to host economically significant gold mineralisation within prospective kilometre-scale gold corridors across its Northern Burnside exploration Leases (refer ASX release 13 February 2023). The Northern Burnside Leases are located approximately 100 km south of Darwin, and 30 km NW of Fountain Head.

- Due to effects of rounding, the total may not represent the sum of all components. No material changes in the estimates of the Mineral Resources at Mt Bonnie and Iron Blow have occurred since they were originally reported.
- Metallurgical recoveries and metal prices (Table 4) have been applied in calculating zinc equivalent (ZnEq) and gold equivalent (AuEq) grades.
- Iron Blow – A mineralisation envelope was interpreted for each of the two main lodes, the East Lode (Zn-Au-Ag-Pb) and West Lode (Zn-Au), and four subsidiary lodes with a 1 g/t AuEq cut-off used to interpret and report these lodes.
- Mt Bonnie – Zinc domains are reported above a cut-off grade of 1% zinc, gold domains are reported above a cut-off grade of 0.5 g/t gold and silver domains are reported above a cut-off grade of 50 g/t silver.

 - (ii) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or

 - (A) any matter or thing giving PNX the right to terminate this Deed in accordance with clause 11.1(d);
 - (B) any member of the PNX IBC abstaining from making a recommendation to PNX Shareholders in accordance with clause 4.13(e); or

- (b) KIN duly executing and delivering the Scheme Transfer back to PNX.

4.3 Transfer documentation

As soon as practicable after receipt by PNX of the Scheme Transfer duly executed by KIN as transferee pursuant to clause 4.2(b) and subject to the Scheme Consideration being issued by KIN in accordance with clause 5, but in any event on the Implementation Date, PNX must register KIN in the PNX Share Register as the holder of all of the Scheme Shares.

4.4 Provision of Scheme Consideration

In consideration for the transfer of each Scheme Share to KIN, KIN must, on the Implementation Date, issue to each Scheme Participant the number of KIN Shares due to that Scheme Participant as Scheme Consideration in accordance with, and subject to, the terms of this Scheme and the Deed Poll.

4.5 Beneficial entitlement by KIN

From the time of the provision of the Scheme Consideration to Scheme Participants in accordance with clause 4.4, KIN will be beneficially entitled to the Scheme Shares (together with all rights and entitlements attached to the Scheme Shares as at the Implementation Date) to be transferred to it under the Scheme pending the registration of KIN in the PNX Share Register as the holder of the Scheme Shares.

4.6 Enforcement of Deed Poll

PNX undertakes in favour of each Scheme Participant to enforce the Deed Poll against KIN on behalf of and as agent for the Scheme Participants.

5. Scheme Consideration

5.1 Entitlement to Scheme Consideration

On the Implementation Date, in consideration for the transfer to KIN of the Scheme Shares, each Scheme Participant will be entitled to receive the Scheme Consideration in accordance with, and subject to the terms of this Scheme and the Deed Poll.

5.2 Provision of Scheme Consideration

KIN will issue to each Scheme Participant the number of KIN Shares due to that Scheme Participant as consideration under the Scheme by:

- (a) on the Implementation Date, issuing each Scheme Participant the Scheme Consideration for every Scheme Share registered in the Scheme Participant's name in the PNX Share Register at the Record Date, which obligation will be satisfied by causing the name and Registered Address (at the Record Date) of the Scheme Participant to be entered into KIN's Share Register as the holder of KIN Shares issued to that Scheme Participant; and
- (b) within 10 Business Days after the Implementation Date, procuring the dispatch to that Scheme Participant, if their KIN Shares are held on the issuer sponsored sub-register of KIN, to their Registered Address (as at the Record Date), an uncertified holding statement in the name of the Scheme Participant relating to the number of KIN Shares issued to that Scheme Participant.

5.3 Status of KIN Shares

The KIN Shares to be issued in accordance with this Scheme will:

- (a) be validly and duly issued in accordance with all applicable laws and KIN's certificate of incorporation, by-laws and other constituent documents;
- (b) be fully paid;
- (c) be free from all Encumbrances;
- (d) rank equally in all respects with all other KIN Shares then on issue (other than in respect of any dividend already declared and not yet paid by KIN, where the record date for entitlement to that dividend occurred prior to the Implementation Date); and
- (e) be entitled to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of KIN Shares on and from the Implementation Date.

5.4 Quotation of KIN Shares

KIN will use its best endeavours to procure that the KIN Shares issued as Scheme Consideration to Scheme Participants are quoted on ASX as soon as reasonably practicable after the Implementation Date.

5.5 Joint holders

In the case of Scheme Shares held in joint names:

- (a) the KIN Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders and any uncertificated holding statements for KIN Shares to be issued to Scheme Participants will be issued in the names of the joint holders and will be forwarded to the holder whose name appears first in the PNX Share Register on the Record Date;
- (b) any cheque required to be sent under this Scheme will be made payable to the joint holders and forwarded to the holder whose name appears first in the PNX Share Register on the Record Date; and
- (c) any other document required to be sent under this Scheme will be forwarded to the holder whose name appears first in the PNX Share Register on the Record Date.

5.6 Scheme Participants bound

Each Scheme Participant who is to receive KIN Shares under this Scheme agrees (for all purposes, including section 231 of the Corporations Act) to:

- (a) become a shareholder of KIN and to accept the KIN Shares issued to them under this Scheme subject to, and to be bound by, KIN's constitution and other constituent documents; and
- (b) have their name and Registered Address entered into the KIN Share Register.

5.7 Rounding

Where the calculation of the number of KIN Shares to be issued to a particular Scheme Participant (other than an Ineligible Foreign Shareholder) would result in the Scheme Participant becoming entitled to a fraction of a KIN Share, the entitlement will be rounded as follows:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down; and
 - (b) if the fractional entitlement is equal to or more than 0.5, it will be rounded up,
- to the nearest whole number of KIN Shares.

5.8 Ineligible Foreign Shareholders

- (a) KIN will be under no obligation under this Scheme to issue, and will not issue, KIN Shares to Ineligible Foreign Shareholders, and instead:
 - (i) KIN must appoint a Sale Agent acceptable to PNX (acting reasonably) at least two weeks prior to the Scheme Meeting (and if required by ASIC, such Sale Agent is to be approved by ASIC);
 - (ii) all KIN Shares which would otherwise be required to be issued to any Ineligible Foreign Shareholder under the Scheme, if they were eligible to receive them, will be issued to the Sale Agent;
 - (iii) KIN will procure that, as soon as reasonably practicable (and in any event not more than 20 Trading Days after the Implementation Date), the Sale Agent sells on ASX all KIN Shares issued to the Sale Agent pursuant to clause 5.8(a)(ii) in such manner, at such price and on such other terms as the Sale Agent determines in good faith (and at the risk of the Ineligible Foreign

Shareholders), and remits to KIN the proceeds of sale (after deducting any applicable brokerage and other selling costs, taxes and charges) (**Proceeds**); and

- (iv) KIN will pay to each Ineligible Foreign Shareholder such fraction of the Proceeds as is equal to the number of KIN Shares which would have been issued to that Ineligible Foreign Shareholder (if they were eligible to receive KIN Shares) divided by the total number of KIN Shares issued to the Sale Agent under clause 5.8(a)(i), promptly after the last sale of the KIN Shares by the Sale Agent,

in full satisfaction of KIN's obligations to those Ineligible Foreign Shareholders under the Scheme in respect of the Scheme Consideration.

- (b) KIN will pay the relevant fraction of the Proceeds to each Ineligible Foreign Shareholder by either:
 - (i) dispatching, or procuring the dispatch, to that Ineligible Foreign Shareholder by prepaid post to that Ineligible Foreign Shareholder's Registered Address (at the Record Date), a cheque in the name of that Ineligible Foreign Shareholder; or
 - (ii) making a deposit in an account with any ADI (as defined in the *Banking Act 1959* (Cth)) in Australia notified by that Ineligible Foreign Shareholder to PNX (or the PNX Registry) and recorded in or for the purposes of the PNX Share Register at the Record Date,

for the relevant amount, with that amount being denominated in Australian dollars.

- (c) Each Ineligible Foreign Shareholder appoints PNX as its agent to receive on its behalf any financial services guide or other notices (including any updates of those documents) that the Sale Agent is required to provide to Ineligible Foreign Shareholders under the Corporations Act.

5.9 Unclaimed monies

- (a) KIN may cancel a cheque issued under clause 5.8(b)(i) if the cheque:
 - (i) is returned to KIN; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 18 months commencing on the Implementation Date, on request in writing from a Scheme Participant to KIN (or the KIN Share Registry) (which request may not be made until the date that is 20 Business Days after the Implementation Date), KIN must reissue a cheque that was previously cancelled under clause 5.9(a).
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration that becomes "unclaimed money" (as defined in section 3 of the Unclaimed Money Act), but any interest or other benefit accrued from the unclaimed Scheme Consideration will be for the benefit of KIN.

6. Scheme Participants

6.1 Authority given to PNX

Each Scheme Participant will be deemed (without the need for any further act) to have:

- (a) with effect on and from the Effective Date, irrevocably authorised PNX (and each of its directors and officers, jointly and each of them severally) as agent and attorney to do and execute all acts, matters, things and documents on the part of each Scheme Participant for the purposes of enforcing the Deed Poll against KIN on behalf of and as agent and attorney for each Scheme Participant; and
- (b) with effect on and from the Scheme Consideration being issued by KIN, irrevocably authorised PNX (and each of its directors and officers, jointly and each of them severally) as agent and attorney to do and execute all acts, matters, things and documents on the part of each Scheme Participant necessary to implement and give full effect to this Scheme and the transactions contemplated by it, including (without limitation):
 - (i) executing a proper instrument of transfer (including for the purposes of section 1071B of the Corporations Act) of their Scheme Shares in favour of KIN, which may be a master transfer of some or all Scheme Shares;
 - (ii) where Scheme Shares are held in a CHESS holding, causing a message to be transmitted to ASX Settlement in accordance with the ASX Settlement Operating Rules to transfer the Scheme Shares held by the Scheme Participant from the CHESS sub-register to the issuer sponsored sub-register operated by PNX and subsequently completing a proper instrument of transfer under paragraph 6.1(b)(i) above,

and PNX accepts each such appointment.

6.2 Appointment of sole proxy

Upon the Scheme Consideration being issued by KIN, and until KIN is registered as the holder of all Scheme Shares in the PNX Share Register, each Scheme Participant:

- (a) is deemed to have appointed KIN as attorney and agent (and directed KIN in such capacity) to appoint any director, officer, secretary or agent nominated by KIN as its sole proxy and, where applicable, corporate representative, to attend meetings of PNX shareholders, exercise the votes attaching to the Scheme Shares registered in their name and sign any PNX shareholders' resolution, and no Scheme Participant may itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 6.2(a)); and
- (b) must take all other actions in the capacity of a registered holder of Scheme Shares as KIN reasonably directs.

6.3 Appointment of PNX as sole attorney and agent

Each Scheme Participant, without the need for any further act, irrevocably appoints PNX and each of the directors and officers of PNX, jointly and severally, as the Scheme Participant's attorney and agent for the purpose of executing any document necessary or expedient to give effect to the Scheme (including executing a Scheme Transfer and any instrument appointing KIN as sole proxy for or, where applicable, corporate representative of each Scheme Participant as contemplated by clause 6.2) or doing any other act necessary or desirable to give full effect to the Scheme and the transactions contemplated by it.

6.4 Scheme Participant's consent

Each Scheme Participant:

- (a) consents to PNX doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of the Scheme and PNX, as agent of each Scheme Participant, may sub-delegate its functions under this clause 6.4 to any of its directors and officers, severally; and
- (b) agrees to the transfer of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares to KIN, in accordance with the Scheme.

6.5 Warranties by Scheme Participants

- (a) Each Scheme Participant is deemed to have warranted to PNX, in its own right and for the benefit of KIN, that:
 - (i) to the maximum extent permitted by law, all of their Scheme Shares (including any rights and entitlements attaching to those shares as at the Implementation Date) which are transferred to KIN under the Scheme will, at the date of transfer, be transferred to KIN free from all mortgages, pledges, charges, liens, encumbrances and security interests and other interests of third parties of any kind, whether legal or otherwise (but acknowledging that a security interest holder may potentially have an interest in the Scheme Consideration in accordance with the terms of such security interest); and
 - (ii) they have full power and capacity to sell and transfer their Scheme Shares to KIN (including any rights and entitlements attaching to those shares).
- (b) PNX undertakes that it will provide the warranties in clause 6.5(a) to KIN as agent and attorney of each Scheme Participant. PNX will not be responsible for the accuracy or completeness of the warranties in clause 6.5(a)

7. Dealings in PNX Shares

7.1 Determination of Scheme Participants

- (a) For the purpose of establishing the persons who are Scheme Participants, dealings in the Scheme Shares will only be recognised if:
 - (i) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the PNX Share Register as the holder of the relevant PNX Shares at the Record Date; and
 - (ii) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the PNX Share Register is kept.
- (b) PNX must register registrable transmission applications or transfers of the kind referred to in clause 7.1(a)(ii) by the Record Date.
- (c) PNX will not accept for registration or recognise for any purpose any transmission applications or transfers in respect of PNX Shares received after the Record Date (or received prior to such times but not in registrable or actionable form), other than a transfer to KIN in accordance with the Scheme and any subsequent transfer by KIN, or its successors in title.

- (d) If the Scheme becomes Effective, a holder of PNX Shares (and any person claiming through that holder) must not dispose of or otherwise deal with, or purport to agree to dispose of or otherwise deal with, any PNX Shares or any interest in them after the Effective Date otherwise than pursuant to this Scheme and any such disposal, dealing or agreement will be void and of no legal effect whatsoever.

7.2 Maintenance of PNX Share Register

- (a) For the purpose of determining entitlements to the Scheme Consideration, PNX will, until the Scheme Consideration has been provided, maintain the PNX Share Register in accordance with the provisions of this clause 7.2 and the PNX Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (b) All certificates and holding statements for Scheme Shares (other than holding statements in favour of KIN and its successors in title after the Implementation Date) will cease to have any effect from the Record Date as documents of title in respect of those Scheme Shares. Subject to provision of the Scheme Consideration by KIN and registration of the transfer to KIN of the Scheme Shares contemplated by clauses 5.1 and 5.2, after the Record Date, each entry current at that date on the PNX Share Register relating to Scheme Shares will cease to be of any effect other than as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

7.3 Information to be made available to KIN

- (a) PNX will procure that, as soon as reasonably practicable after the Record Date, details of the names, Registered Addresses and holdings of Scheme Shares of every Scheme Participant as shown in the PNX Share Register as at the Record Date are made available to KIN in such form and manner as KIN reasonably requires.
- (b) Each Scheme Shareholder agrees that the information referred to in clause 7.3(a) may be disclosed to KIN, the KIN Share Registry and KIN's advisers and other service providers to the extent necessary to effect this Scheme.

7.4 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Participant to PNX that are binding or deemed binding between the Scheme Participant and PNX relating to PNX or PNX Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on PNX Shares; and
- (c) notices or other communications from PNX (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by KIN in its sole discretion), by reason of the Scheme, to be made by the Scheme Participant to KIN and to be a binding instruction, notification or election to, and accepted by, KIN in respect of the KIN Shares issued to that Scheme Participant until that instruction, notification or election is revoked or amended in writing addressed to KIN at its registry.

8. Notices

8.1 General

Any notice, transfer, transmission, application, direction, demand, consent or other communication (**Notice**) given or made under this document must be in writing in English and signed by the sender or a person duly authorised by the sender.

8.2 Communications by post

- (a) Subject to clause 8.3, where a Notice referred to in this document is sent by post to PNX, it will not be deemed to have been received in the ordinary course of post or on a date other than the date (if any) on which it is actually received at PNX's registered office or at the PNX Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a PNX Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

8.3 After hours communications

If a Notice is given:

- (a) after 5.00pm in the place of receipt; or
 - (b) on a day which is a Saturday, Sunday or bank or public holiday in the place of receipt,
- it is taken as having been given at 9.00am on the next day which is not a Saturday, Sunday or bank or public holiday in that place.

9. General

9.1 No liability when acting in good faith

Neither KIN nor PNX nor any director, officer, secretary or employee of any of those companies will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll when the relevant entity or person has acted in good faith.

9.2 PNX and Scheme Participants bound

The Scheme binds PNX and all Scheme Participants (including Scheme Participants who do not attend the Scheme Meeting, do not vote at that meeting or vote against the Scheme) and will, for all purposes, to the extent of any inconsistencies and permitted by law, have effect notwithstanding any provision in the constitution of PNX.

9.3 Further assurances

Subject to clause 9.4, PNX will execute all documents and do all acts and things (on its own behalf and on behalf of each PNX Shareholder) necessary or expedient for the implementation of, and performance of its obligations under, the Scheme.

9.4 Alterations and conditions

PNX may, with the consent of KIN, by its counsel consent on behalf of all Scheme Participants to any alterations or conditions which the Court thinks fit to impose and each Scheme Participant agrees, and will be deemed to have agreed, to such alterations or conditions which PNX has consented to on its behalf.

9.5 Costs

- (a) Any costs, and any stamp duty and any related fines, interest or penalties, which are payable on or in respect of this Scheme, the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under or in connection with the Scheme or the Deed Poll will be paid as provided for in the Scheme Implementation Deed.
- (b) KIN indemnifies each Scheme Participant against any liability arising from its failure to comply with clause 9.5(a). For the avoidance of doubt, Scheme Participants do not have to pay any stamp duty, related fines, interest or penalties which are payable on or in respect of this document or any document referred to in this document.

9.6 Governing law and jurisdiction

- (a) This document and the Scheme are governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

1. Definitions and interpretation

1.1 Definitions

In this deed, words defined in the Scheme which are not separately defined in this deed have the same meaning when used in this deed and:

First Court Date means the first day on which an application made to the Court for an order under section 411(1) of the Corporations Act convening the Scheme Meeting is heard.

Insolvency Event means in respect of any person:

- (a) the person becoming unable to or states that it is unable to pay its debts as they fall due or stops or threatens to stop paying its debts as they fall due;
- (b) any indebtedness of the person becoming subject to a moratorium;

- (e) a security interest (within the meaning of section 9 of the Corporations Act) becomes enforceable or is enforced over, or a writ of execution, garnishee order, mareva injunction or similar order has been issued over or affecting, all or a substantial part of the assets of the person; or
- (f) the person has otherwise become, or is otherwise taken to be, insolvent in any jurisdiction or an event occurs in any jurisdiction in relation to the person which is analogous to, or which has a substantially similar effect to, any of the events referred to in paragraphs (a) to (e) above.

Scheme means the scheme of arrangement under Part 5.1 of the Corporations Act between PNX and the Scheme Participants under which Scheme Participants will receive the Scheme Consideration, subject to any alterations or conditions made or required by the Court under section 411(6) of the Corporations Act and agreed to by KIN and PNX.

1.2 Interpretation

Clauses 1.2 and 1.3 of the Scheme apply to the interpretation of this deed poll, except that references to 'this Scheme' are to be read as references to 'this deed poll'.

2. Nature of deed poll

KIN acknowledges that:

- (a) this deed may be relied on and enforced by any Scheme Participant in accordance with its terms, even though Scheme Participants are not party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints PNX and each of the directors and officers of PNX, jointly and severally, as its agent and attorney, inter alia, to enforce this deed against KIN on behalf of that Scheme Participant.

3. Conditions precedent and termination

3.1 Conditions precedent

The obligations of KIN pursuant to this deed are subject to the Scheme becoming Effective.

3.2 Termination of deed

If:

- (a) the Scheme Implementation Deed is terminated in accordance with its terms; or
- (b) the Scheme does not become Effective on or before the End Date,

then KIN's obligations under this deed will automatically terminate and this deed will be of no further force or effect, unless KIN and PNX otherwise agree in writing.

3.3 Consequences of termination

If this deed is terminated under clause 3.2 then, in addition and without prejudice to any other rights, power or remedies available to the Scheme Participants:

- (a) KIN is released from any obligation to further perform this deed, other than clause 8.7; and
- (b) each Scheme Participant retains any rights, power or remedies it has against KIN in respect of any breach of this deed by KIN which occurred before the termination of this deed.

4. Scheme Consideration

4.1 Performance of obligations generally

Subject to clause 3, KIN must comply with its obligations under the Scheme Implementation Deed and must do all things necessary or desirable on its part to implement the Scheme.

4.2 Provision of Scheme Consideration

Subject to clauses 3 and 4.4, in consideration for the transfer of the Scheme Shares to KIN, KIN:

- (a) must acquire all of the Scheme Shares from Scheme Participants, in accordance with the provisions of the Scheme;
- (b) undertakes in favour of each Scheme Participant to issue and allot the Scheme Consideration to each Scheme Participant (other than to Ineligible Foreign Shareholders who will be dealt with in accordance with clause 4.4); and
- (c) undertakes in favour of each Scheme Participant to perform all other actions and obligations attributed to it under the Scheme and otherwise do all things necessary or expedient on its part to implement the Scheme.

4.3 Satisfaction of obligation to provide Scheme Consideration

The obligation of KIN to provide the Scheme Consideration referred to in clause 4.2(b) will be satisfied by KIN, by:

- (a) on the Implementation Date, entering in the register of members of KIN the name of each Scheme Participant, in relation to the KIN Shares issued to each Scheme Participant as Scheme Consideration in accordance with the Scheme; and
- (b) within 10 Business Days of the Implementation Date, dispatching to each Scheme Participant, if their KIN Shares are held on the issuer sponsored sub register of KIN, to his or her address as recorded in the PNX Share Register at the Record Date, an uncertificated holding statement in the name of that Scheme Participant representing the number of KIN Shares issued to that Scheme Participant.

4.4 Ineligible Foreign Shareholders

KIN will be under no obligation under the Scheme to issue, and will not issue, any KIN Shares to an Ineligible Foreign Shareholder, and instead where a Scheme Participant is an Ineligible Foreign Shareholder, the number of KIN Shares to which the Scheme Participant would otherwise be entitled will, on the Implementation Date, be allotted to a nominee appointed by KIN who will sell those KIN Shares as soon as practicable (at the risk of that Ineligible Foreign Shareholder) and pay the proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to that Ineligible Foreign Shareholder in full satisfaction of that Ineligible Foreign Shareholder's rights under the Scheme to Scheme Consideration.

4.5 Joint holders

In the case of Scheme Shares held by Scheme Participants in joint names:

- (a) any entry in the register of members of KIN required to be made must record the names and registered addresses of the joint holders; and
- (b) any uncertificated holding statement for KIN Shares must be issued to Scheme Participants in the names of the joint holders and must be forwarded to the holder whose name first appears in the PNK Share Register at the Record Date.

4.6 New Shares to rank equally

KIN covenants in favour of each Scheme Participant that the KIN Shares which are issued to each Scheme Participant in accordance with the Scheme will:

- (a) rank equally with all existing KIN Shares at the issue date; and
- (b) be issued fully paid and free from any Encumbrance.

5. Quotation of KIN Shares

KIN will use its best endeavours to procure that the KIN Shares are quoted on ASX as soon as reasonably practicable after the Implementation Date.

6. Representations and warranties

KIN represents and warrants in favour of each Scheme Participant, in respect of itself, that:

- (a) it is a company limited by shares and validly existing under the Corporations Act;
- (b) it has full legal capacity and power to enter into this deed and to carry out its obligations that this deed contemplates;
- (c) it has taken all corporate action that is necessary or desirable to authorise its entry into this deed and it carrying out the obligations this deed contemplates; and
- (d) this deed constitutes its legal, valid and binding obligations, enforceable against it in accordance with its terms (except to the extent limited by equitable principles and laws affecting creditor's rights generally) subject to any necessary stamping and will not conflict with or constitute a default under any provision of:
 - (i) any agreement or instrument to which it is a party;
 - (ii) its constitution; or
 - (iii) any law, order, judgment, award, injunction, decree, rule or regulation by which it is bound; and
- (e) it is not subject to an Insolvency Event.
