Gratificii Limited (ASX:GTI) (**Gratificii**), the enterprise loyalty and rewards company, is pleased to announce another strong quarter for cash receipts growth and cash flow.

Cash receipts for the quarter were \$8.798 million, up 50% on 2Q FY23, with demand for rewards and savings growing in the face of rising cost of living pressures.

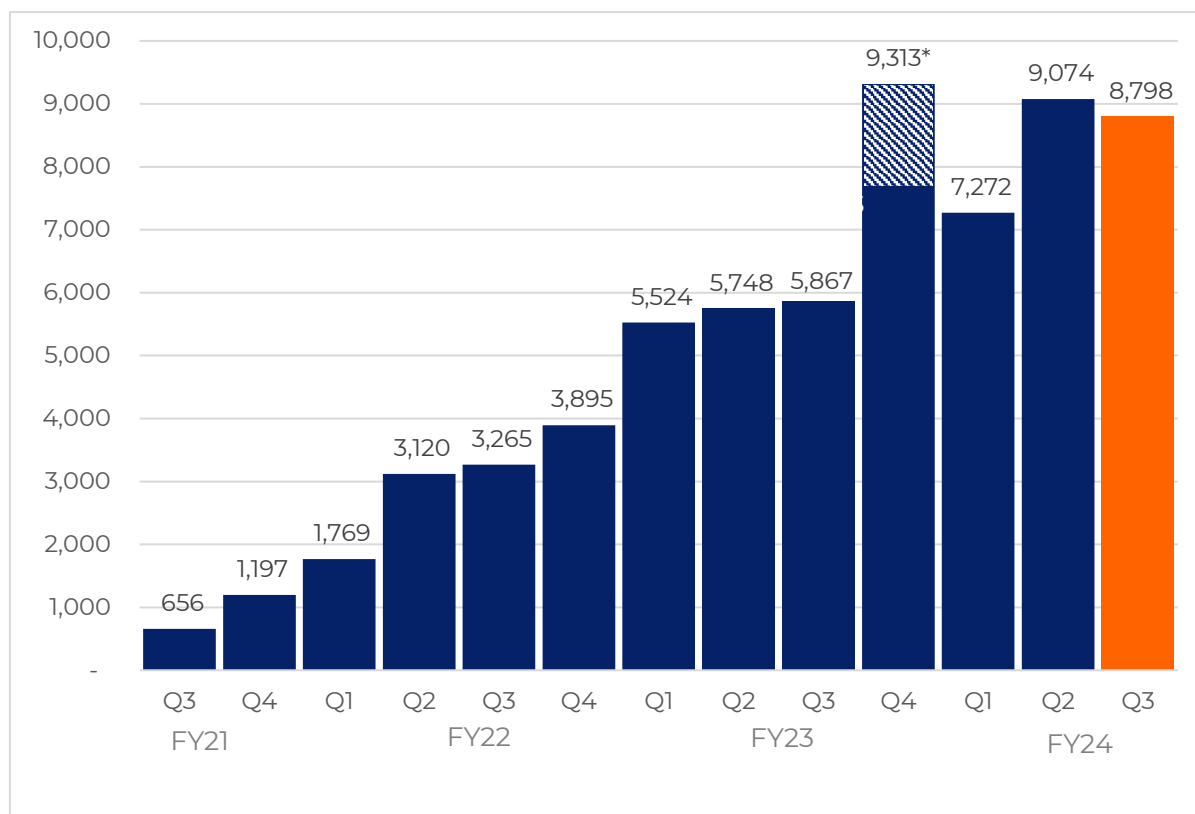

Operational cash flow was positive by \$402k for the quarter and \$315k for the financial year to-date. The Company's cash position was \$1.144m as at 31 March 2024.

Commenting on the quarterly report, Gratificii CEO and Managing Director, Iain Dunstan, said:

"As Australia's largest loyalty and rewards business¹, we are very pleased to have achieved results well above our budget given 3Q is a seasonally slower quarter. These results highlight the

continued demand for our suite of loyalty services and technologies. It was also pleasing to see such strong support from professional and sophisticated investors for our capital raise."

Quarterly Cash Receipts (\$'000) show 2-year CAGR to 3Q FY24 of 64%

*Q4 FY23 included a special EOFY ~\$1.7 million rewards program with major client Mitsubishi.

Corporate Update

As announced on 25 March 2024, the Company received binding commitments to raise \$1.6 million through the issue of 320 million new fully paid ordinary shares at an issue price of \$0.005 per share (**Placement**) to professional and sophisticated investors, including \$0.2 million participation by the Directors.

The Placement will be undertaken in two tranches:

- Tranche 1 raised \$1.2 million via the issue of 242.8 million new shares on 2 April 2024. The Company used its existing Listing Rule 7.1 and 7.1A placement capacity and therefore did not require shareholder approval to issue these shares.
- Tranche 2 is expected to raise \$0.4 million via the issue of 77.2 million new shares, subject to shareholder approval at an Extraordinary General Meeting to be held on or around Wednesday, 29th May 2024. Each new share issued under Tranche 2 will issue one new option, with an

exercise price of \$0.008 and an expiry date of 18 months after their date of issue, subject to shareholder approval.

Funds raised under the Placement will be allocated to additional technology development, inventory and working capital.

New Client and Partner Wins

Gratificii signed up **new client** FMP Group (Australia) Pty Ltd (**Bendix**) during the quarter:

- Bendix is Australia's largest automotive brake pad manufacturer, producing a large range of disc brake pads from its manufacturing plant in Ballarat, Victoria, with offices across Australia as well as Thailand and Malaysia.
- Bendix signed an initial contract for 12 months, with rolling 12-month extensions, for Gratificii to provide a complete digital loyalty solution, earning platform licence fees and loyalty service fees following development of an extensive program launch and marketing services.
- The Bendix Rewards Plus program went live within 2 months of project scoping, demonstrating Gratificii's speed to market. The contract represents Gratificii's second full-service sale in the Australian aftermarket automotive sector which consists of over 36,000 businesses and 76,000 workers.²

During the quarter, Gratificii also announced **new partnerships to strengthen its loyalty offerings:**

- Gratificii signed two new agreements with EML Payments Solutions Limited (**EML**), as announced on 20 March 2024, incorporating:
 - 1. Gift Card Agreement:**
 - 3.5-year Stored Value Cards Agreement to deliver digital prepaid gift cards to Gratificii's Australian clients from April 2024.
 - The deal with EML unlocks the potential of Gratificii's gift card opportunity, enhancing the margin on each card issued.
 - Significantly enhances Gratificii's competitiveness in market in a ~\$6.3bn market.³
 - 2. Salary Sacrifice Rewards Agreement**
 - 12-month agreement for EML to access Gratificii's rewards content in order to extend the range of rewards available to EML's clients from May 2024.
 - EML has over 400,000 card holders on its Salary Packaging Employee Benefits platform who will be able to access Gratificii's rewards content by the end of April.
 - The Agreements with EML require minimal technical integration time and cost, and both have the potential to unlock significant upside.
- Gratificii appointed **Stripe** as its preferred payment gateway, incorporating Stripe's Elements and Checkout, to build completely customisable experiences for loyalty program members.

Operations Update

As announced on 13 June 2023, Gratificii signed a three-year agreement with key client Royal Automobile Club of Victoria Limited (**RACV**) to deploy its SaaS platform with an extended range of services and rewards. The third and final phase of the project is on track to be delivered within 4QFY24 and Gratificii is contracted to receive \$360k in annual licence fees plus incremental revenue for curated content.

The “Advantage All Stars” program, owned by client The Distributors and powered by Gratificii, was awarded the “Best Overall Loyalty Program Business to Employee” category at the 2024 Asia Pacific Loyalty Awards. The program targets 245 sales representatives who service more than 15,000 petrol outlets, convenience and corner stores, pharmacies, newsagents, schools across Australia.

Outlook

FY24 is on track to be a record year for Gratificii, given the number of new client implementations that have gone live during the year resulting in increased transaction volumes and revenues. Further, the Company continues to have a 100% client retention rate over the last 4 years. It remains confident that its strong foundation of clients will facilitate the transition to profitability within the first quarter of FY25.

Commenting on the Company’s outlook, Gratificii CEO and Managing Director, Iain Dunstan, said:

“Given we achieved better than forecast revenue growth this quarter without the expected additional revenue from the delayed RACV Phase Three project, the expectation is for continued growth in quarterly receipts during 4Q FY24.”

Gratificii continues to assess various corporate initiatives that have the potential to generate and deliver notable shareholder value.

ASX Additional Information

During the quarter, the Company paid remuneration of \$67k to the CEO & Managing Director.
