EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolution.

Shareholders should read this statement and the Notice in full before deciding how to vote on the Resolution set out in the Notice. All resolutions to be considered at the Meeting will be decided by poll based on both proxy votes received prior to the commencement of the Meeting and votes cast via the online voting facility during the Meeting. Shareholders are encouraged to cast their vote by proxy prior to the Meeting in accordance with the instructions set out on page 2 of this Notice.

2. RESOLUTION 1 – CANCELLATION OF PERFORMANCE SHARES

2.1 General

In December 2020, the Company issued 45,000,000 Performance Shares pursuant to, and on the terms set out in, its Notice of Meeting dated 3 December 2020. All of the Performance Shares were issued to, and remain held by, Delta Drone SA.

The Performance Shares were issued as part of the listing of the Company's business on ASX, as detailed in the Company's Prospectus dated 10 November 2020. The Performance Shares do not carry any voting rights at general meetings or dividend entitlements, are nontransferable, and do not convey any rights upon a winding up of the Company. The Performance Shares are not quoted on any securities exchange. Under their terms of issue, the Performance Shares would have converted into 45,000,000 Shares as follows:

- (a) upon Delta Drone South Africa (Pty) Ltd (**DDSA**) achieving consolidated revenue (for the avoidance of doubt, only DDSA and not the Company) for any full financial year (being 1 January to 31 December) of not less than US\$3.2 million, Class A Performance Shares would have converted into 20,000,000 Shares;
- (b) upon DDSA entering into at least two binding contracts with Australian based mining companies (being companies that conduct mining, exploration or extraction activities) for the provision of drone survey or mapping solutions services to those mining companies in Australia and DDSA receives not less than US\$1,000,000 (based on audited accounts) of verified revenue in aggregate for those services, Class B Performance Shares would have converted into 15,000,000 Shares; and
- (c) upon the Company announcing to the ASX that DDSA has expanded the services of its business offering (being the provision of drone survey and mapping solutions) into a new geographic location outside of Australia, Israel, South Africa, Ghana and Namibia and achieved a revenue in that new geographic location of not less than US\$1,000,000 (based on audited accounts), Class C Performance Shares would have converted into 10,000,000 Shares,

during the three-year terms of the Performance Shares (**Performance Milestones**). The Performance Milestones expired on or about 22 December 2023 (**Expiry Date**).

Given the above, the Performance Shares effectively carry no rights and have nominal or nil value.

2.2 Proposed cancellation of Performance Shares

Following on from the expiry of the Performance Milestones, the Company proposes to cancel and extinguish all of the Performance Shares for nil consideration (**Proposal**).

2.3 Effect of the Proposal

If the Proposal is implemented then the capital structure of the Company will be simplified as there will be only class of share on issue, namely ordinary shares (ie. Shares). The Proposal will not have any effect on the number of Shares on issue.

The Company will not provide any consideration to Delta Drone SA for the cancellation and extinguishment of the Performance Shares. Accordingly, the Proposal will not have any financial impact on the Company. As the Performance Shares do not carry any voting rights at general meetings of the Company, the Proposal will not have any impact on the control of the Company.

The Directors do not believe there are any disadvantages associated with the Proposal. The Performance Shares were originally ascribed a \$nil value as a share-based payment in the Company's accounts for the period ending 31 December 2020, as part of the acquisition accounting. Whether or not the Proposal is implemented, there will be no change in the Company's accounts.

2.4 Corporations Act requirements

Section 256B(1) of the Corporations Act provides that a company, such as the Company, may reduce its share capital (in the manner contemplated by the Proposal) if the reduction:

- (a) is fair and reasonable to the company's shareholders as a whole;
- (b) does not materially prejudice the company's ability to pay its creditors (but this requirement does not apply if the reduction is a cancellation of a share for no consideration); and
- (c) is approved by shareholders under section 256C of the Corporations Act.

In relation to paragraph (a), the Board considers that the Proposal is fair and reasonable to the Company shareholders as a whole because the Performance Shares will be cancelled for no consideration and because they currently have nominal or nil value.

Paragraph (b) does not apply because the Performance Shares will be cancelled for no consideration.

For the purposes of paragraph (c), the Company is seeking the required approvals under section 256C(2) of the Corporations Act. In order for the Proposal to be implemented, the following shareholder approvals are required under section 256C(2):

- (a) a special resolution (ie. approved by at least 75% of votes cast) passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person who is to receive consideration as part of the reduction or by their associates (nb. as no consideration will be provided under the Proposal, there are no voting exclusions, however the Performance Shares do not in any event carry any voting rights at any general meeting of the Company); and
- (b) a special resolution (ie. approved by at least 75% of votes cast) passed at a meeting of only those shareholders whose Performance Shares are to be cancelled (ie. Delta Drone SA only), (together the Cancellation Resolutions).

In respect of the Cancellation Resolutions, the Company has convened two separate meetings – one for each Resolution - and issued two separate notices of meeting.

This Notice relates to the Cancellation Resolution described in paragraph (b) above.

2.5 Timetable

The Corporations Act requires that the cancellation of the Performance Shares not be made until 14 days after the Company lodges with ASIC the required notifications that the Cancellation Resolutions have been passed. Assuming that the Cancellation Resolutions are passed, the Company proposes to lodge copies of the Cancellation Resolutions with ASIC on the date they are passed as well as notify ASX that the

Cancellation Resolutions have been passed, and then to implement the Proposal shortly after the expiration of the 14 day waiting period.

2.6 Directors Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution 1. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 1.

INSTRUCTIONS FOR COMPLETING 'APPOINTMENT OF PROXY' FORM

APPOINTING A PROXY

A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. The appointed proxy may be an individual or body corporate.

If a Body Corporate is appointed to act as your proxy then a representative of that Body Corporate must be appointed to act as its representative. When attending the meeting, the representative must bring a formal notice of appointment as per section 250D of the Corporations Act. Such notice must be signed as required by section 127 of the Corporations Act or the Body Corporate's Constitution.

If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll.

The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.

Note: If you wish to appoint a second proxy, you may copy this form but you must return both forms together.

VOTING ON BUSINESS OF MEETING

A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the number of votes that the proxy may exercise by writing the number of Shares next to the box marked for the relevant item of business.

Where a box is not marked the proxy may vote as they choose subject to the relevant laws.

Where more than one box is marked on an item the vote will be invalid on that item.

ATTENDING THE MEETING

Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.

LODGEMENT OF VOTES
