Initially the new product lines will be available nationally in key retailers and pharmacy wholesalers including Coles, Chemist Warehouse, Symbion and Sigma. Wellnex expects further distribution of the 2 new lines in additional grocery and pharmacy retailers/wholesalers in the coming months. Wellnex will deliver the 2 new products lines to our retail customers in June 2024.

The extension of Wakey Wakey to eight product lines is recognition of the innovative products Wellnex Life is delivering which is continuing to grow our presence in the growing health and pharmaceutical market. This will also drive additional revenue and continue to increase the Company's margin, which has already seen a substantial increase since the completion of the acquisition of Pain Away.

Wellnex Managing Director Zack Bozinovski said: "The launch and acceptance of the 2 new Wakey Wakey lines reflects upon the companies broader vision to offer our retail customers and consumers innovative health and wellness products. The extension of our Wakey Wakey product range and the acceptance by major retailer of the new products further demonstrates that our product range is gaining traction in the market, providing a runway for further growth in our sales base and profitability of our business moving forward". About Wellnex Life

Wellnex Life Limited (ASX: WNX) is a consumer healthcare business with a track record for developing, licensing, and marketing registered products and brands to customers in the growing healthcare market segment. Since listing in 2021, Wellnex Life has successfully launched a host of brands and products now ranged in major retailers in the healthcare market space, pharmacies and supermarkets included. Its distribution arrangements have seen Wellnex Life secure significant licensing arrangements with major pharmaceutical companies in Australia and globally that have given the company's registered products a distribution channel with a steadily increasing global geographic footprint.

Wellnex Life has more recently acquired leading Australian topical pain relief brand Pain Away. Its addition to Wellnex Life's product offering both compliments and accelerates the potential growth of the company's business operations. This transformational acquisition gives added impetus to Wellnex Life's financial growth and scale and reinforces its place as a major and respected participant in the growing healthcare market, both in Australia and overseas.
