Summary:

- PSC will join The Ardonagh Group pending shareholder and court approval of a Scheme of Arrangement
- PSC believes the complementary fit of its businesses with Ardonagh means this is a transformational step in contributing to the creation of an impactful global broking group:
 - PSC and Ardonagh are two like-minded, client focused and ambitious businesses
 - Both businesses drive value by focusing on growth through the retention and development of great people
 - The strengths of PSC are areas identified as strategically important as growth opportunities by Ardonagh
- PSC significant shareholders and key executives, Paul Dwyer, John Dwyer, Brian Austin, Tara Falk and James Kalbassi, are rolling approximately 26% of their aggregate PSC shares (approximately 10% of total PSC shares on issue) into Ardonagh equity and each will play an important ongoing role in the combined group
- The Ardonagh Group is one of the world's leading independent insurance broking groups. Since founding in 2017 it has grown rapidly to become a Top 20 global broker with over 10,000 people, across 30 countries and revenue of £1.6bn in 2023
- PSC shareholders will receive A\$6.19 per PSC share in cash¹, which represents a 32.7% premium to PSC's undisturbed three-month VWAP
- PSC's Independent Board Committee and the PSC Board unanimously recommend shareholders vote in favour of the Scheme²

Management Commentary:

Paul Dwyer, Non-Executive Chairman of PSC, said:

"Today marks an important day in PSC's history. This transaction recognises the quality and strength of PSC's people and business that has developed over the last 18 years. We believe this transaction maximises value for PSC shareholders while also providing an excellent platform for growth for PSC employees and clients."

David Ross, Chief Executive Officer of The Ardonagh Group, said:

¹ Excluding the Rolling PSC Shareholders who will receive scrip consideration in respect of a portion of their shares as detailed in this announcement. The A\$6.19 per share consideration will be reduced by the amount per share of any future dividend or capital return declared or paid by PSC. No further dividends are contemplated.

² In the absence of a superior proposal and subject to the Independent Expert concluding and continuing to conclude that the proposed transaction is in the best interests of PSC's shareholders.

“The acquisition, which has secured the unanimous recommendation of PSC’s board, is a significant milestone in the global growth of Ardonagh and underlines our strong commitment to the markets we serve. Ardonagh has been assembled as a bastion of independence and scale, aligning high calibre businesses and management teams around quality advice for clients and entrepreneurial connectivity within the group. PSC’s journey and values align with our own and its portfolio of highly complementary businesses provides an abundance of opportunity to strengthen our positions in Australia and wholesale and specialty markets.”

Transaction Overview:

PSC Insurance Group Limited (ASX:PSI) (**PSC**) has entered into a binding Scheme Implementation Deed (**SID**) with Rosedale Bidco Pty Ltd (**Ardonagh**), an entity wholly owned by The Ardonagh Group (**Ardonagh Group**), and other entities within The Ardonagh Group, for the acquisition by Ardonagh of all of the issued ordinary shares in PSC (**PSC Shares**) for A\$6.19 in cash per PSC Share (**Scheme Cash Consideration**) and, in respect of a portion of the PSC Shares held by certain Director shareholders as set out below, shares in The Ardonagh Group, pursuant to a scheme of arrangement (**Scheme**). Whilst no further dividends are contemplated, any such declaration by the Board would result in a reduction of the Scheme Cash Consideration.

Entities controlled by each of Paul Dwyer, John Dwyer, Brian Austin, Tara Falk and James Kalbassi have also entered into co-operation deeds with Ardonagh in connection with the Scheme. The co-operation deeds include call options over part of their respective shareholdings representing in aggregate approximately 19.99% of the total issued shares in PSC, which are exercisable in the event of a competing proposal for PSC. The details of the co-operations deeds will be disclosed in a substantial holder notice to be lodged with the ASX by Ardonagh.

Overview of the Scheme Cash Consideration

The Scheme Cash Consideration represents a:

- 27.6% premium to PSC’s undisturbed closing price of A\$4.85 per share on 12 March 2024 (being the last trading day before market speculation about a potential control transaction was published); and
- 32.7% premium to PSC’s undisturbed three-month VWAP of A\$4.66 per share up to and including 12 March 2024.

The Scheme Cash Consideration represents an implied equity value of A\$2,256 million and enterprise value of A\$2,429 million³. This implies transaction multiples of underlying earnings⁴:

- 20.8x⁵ LTM EV/EBITDA and 18.7x – 19.4x⁶ on FY24 guidance; and
- 28.1x⁶ LTM P/E and 25.9x – 27.2x⁷ on FY24 guidance.

Rolling PSC Shareholders

As part of the Scheme, Directors Paul Dwyer, John Dwyer, Brian Austin, Tara Falk and James Kalbassi (or entities they control) who are each significant shareholders and/or key executives of PSC will be required (as a condition to the Scheme) to elect to receive scrip in The Ardonagh Group as consideration for approximately 26% of their aggregate shareholdings in PSC (in aggregate equal to approximately 36.9 million PSC Shares, approximately 10% of total PSC shares on issue), in the form of non-voting shares in the holding company or sub-holding company of The Ardonagh Group (**Scrip Consideration**). The Scrip Consideration will have the same value as the Scheme Cash

³ Enterprise value calculation includes net debt of A\$173.1m comprised of A\$212.0m borrowings and A\$27.9m vendor obligations (contingent consideration), less cash A\$66.8m, as at 31 December 2023.

⁴ EBITDA defined as Underlying EBITDA (pre AASB 16 ie: cash rent basis) and NPATA defined as Underlying NPATA.

⁵ Based on underlying 31 December 2023 LTM EBITDA of A\$116.5m, and FY24 underlying EBITDA guidance of A\$125-130m.

⁶ Based on underlying 31 December 2023 LTM NPATA of A\$80.3m and FY24 underlying NPATA guidance of A\$83-87m.

Consideration. Certain other key management shareholders of PSC (as agreed between PSC and Ardonagh) will also be offered the opportunity to elect to receive part of their consideration under the Scheme in the form of Scrip Consideration. The PSC Shareholders who are offered Scrip Consideration are together referred to as the **Rolling PSC Shareholders**.

PSC Independent Board Committee and PSC Board unanimously recommend the Scheme

PSC's Independent Board Committee (**IBC**), comprised of PSC's Independent Non-Executive Directors and Tony Robinson has considered the proposed Scheme and both the IBC and the full PSC Board unanimously recommend that PSC shareholders vote in favour of the Scheme in the absence of a superior proposal and subject to an Independent Expert concluding and continuing to conclude that the Scheme is in the best interests of shareholders. Subject to these same qualifications, each member of the IBC and the full PSC Board intends to vote, or procure the voting of, all PSC shares that they hold or control in favour of the Scheme.

The Rolling PSC Shareholders in their capacity as Directors make their recommendation and declare their intention to vote in favour of the Scheme in the context of their PSC Shares being expected to form a different class for the purposes of the Scheme and therefore voting separately as described below⁷.

Key terms and conditions of the SID

The SID contains customary terms and conditions with respect to the implementation of the Scheme. Conditions precedent include:

- Court approval;
- Foreign Investment Review Board (**FIRB**) approval;
- Financial Conduct Authority (**FCA**) approval;
- Australian Competition and Consumer Commission (**ACCC**) approval;
- PSC shareholders approving the Scheme by the required majorities (see further below);
- an Independent Expert concluding (and not changing or withdrawing that conclusion) that the Scheme is in the best interests of PSC shareholders;
- the Rolling PSC Shareholders having made a valid election to receive Scrip Consideration in relation to the required proportion of their PSC shareholdings; and
- other customary conditions, including no prescribed occurrence and no material adverse change in respect of PSC.

The Scheme is not subject to any financing condition.

The SID contains customary exclusivity obligations on PSC, including "no shop", "no talk" and "no due diligence" obligations, with the "no talk" and "no due diligence" obligations subject to a fiduciary carve-out. PSC is also bound by other customary provisions including a notification and matching right regime in the event of a competing proposal.

The SID includes certain circumstances in which a break fee of A\$22.6 million⁸ would be payable to Ardonagh, or a reverse break fee of A\$22.6 million⁸ would be payable to PSC.

A full copy of the SID, which sets out all the conditions and other terms relating to the Scheme, is attached to this announcement.

⁷ In addition to receiving Ardonagh shares for part of the consideration, certain of the directors are also expected to receive retention payments from Ardonagh on implementation of the scheme with respect to their continued involvement in the business.

⁸ Calculated as approximately 1% of the equity value of PSC based on the scheme consideration that would be payable for all PSC shares on issue if all shareholders received the Scheme Cash Consideration.

Shareholder approval of the Scheme

The Scheme is subject to approval by PSC Shareholders as well as by the Court. It is expected that the Rolling PSC Shareholders will form a separate class of shareholders for the purposes of the Scheme and there will therefore be two scheme meetings – one for the Rolling PSC Shareholders and the other for all other PSC shareholders. The Rolling PSC Shareholders will not be permitted to vote at the Scheme meeting of the other PSC shareholders, and vice versa. Both classes of shareholders will need to pass a resolution approving the Scheme for the Scheme to become effective.

Indicative timetable and next steps

PSC shareholders do not need to take any action at this stage.

An Independent Expert will be appointed to prepare a report on whether, in the Independent Expert's opinion, the Scheme is in the best interests of PSC shareholders. The Independent Expert's Report together with additional information relating to PSC, Ardonagh and the proposed transaction will be included in a Scheme booklet which will be sent to PSC shareholders in due course. The PSC shareholders will then have an opportunity to vote on the Scheme at the Scheme meetings, which are currently expected to be held in September 2024.

If the Scheme is approved by PSC shareholders and all other conditions precedent are satisfied or waived, the Scheme is currently expected to be implemented in late September 2024. The actual timing of the shareholder meetings and implementation of the Scheme will depend on when regulatory approvals are obtained.

Advisers

PSC has engaged Goldman Sachs as exclusive financial adviser and Maddocks as legal adviser in relation to the transaction.

- ## 15. Reimbursement Fee

15.1.1 Bidder and PSC acknowledge that, if they enter into this Deed and the Scheme is subsequently not implemented, Bidder will incur significant costs, including those set out in clause 15.4.

- 15.1.3 The PSC Board believes, having taken advice from its external legal advisers and financial advisers, that the implementation of the Scheme will provide benefits to PSC and its Shareholders and that it is appropriate for PSC to agree to the payments referred to in clause 15.2 in order to secure Bidder's participation in the Transaction.

Subject to this clause 15, PSC must pay the Reimbursement Fee to Bidder if:

- page 53

Associate of that Third Party completes a Competing Proposal of a kind referred to in any of paragraphs (c), (d) or (e) of the definition of Competing Proposal; or

- 15.2.4 Bidder has terminated this Deed pursuant to clause 18.2.1 and the Transaction does not complete.

15.3 **Payment of Reimbursement Fee**

- 15.3.1 A demand by Bidder for payment of the Reimbursement Fee under clause 15.2 must:
- (a) be in writing;
 - (b) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (c) state the circumstances which give rise to the demand; and
 - (d) nominate an account in the name of Bidder into which PSC is to pay the Reimbursement Fee.
- 15.3.2 PSC must pay the Reimbursement Fee into the account nominated by Bidder, without set-off or withholding, within five Business Days after receiving a demand for payment where Bidder is entitled under clause 15.2 to the Reimbursement Fee.

15.4 **Basis of Reimbursement Fee**

The Reimbursement Fee has been calculated to reimburse Bidder for costs including the following:

- 15.4.1 fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- 15.4.2 reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- 15.4.3 costs of management and directors' time in planning and implementing the Transaction; and
- 15.4.4 out of pocket expenses incurred by Bidder and Bidder's employees, advisers and agents in planning and implementing the Transaction,

and PSC and Bidder agree that:

- 15.4.5 the costs actually incurred by Bidder will be of such a nature that they cannot all be accurately ascertained; and
- 15.4.6 the Reimbursement Fee is a genuine and reasonable pre-estimate of those costs,

and PSC represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 15.

15.5 **Compliance with law**

- 15.5.1 This clause 15 does not impose an obligation on PSC to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:

- (a) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
- (b) is determined to be unenforceable or unlawful by a court,

provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted. For the avoidance of doubt, any part of the Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by PSC.

- 15.5.2 PSC and Bidder must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 15.5.1.

15.6 Reimbursement Fee payable only once

Where the Reimbursement Fee becomes payable to Bidder under clause 15.2 and is actually paid to Bidder, Bidder cannot make any claim against PSC for payment of any subsequent Reimbursement Fee.

15.7 Other Claims

- 15.7.1 Where the Reimbursement Fee becomes payable by PSC to Bidder under clause 15.2 and is actually paid to Bidder (or is payable, but no demand has been made under clause 15.2) Bidder must not make any Claim (other than a Claim under this clause 15) against PSC which relates to the event that resulted in the Reimbursement Fee becoming payable.

- 15.7.2 Other than in the case of fraud by PSC:

- (a) the maximum aggregate liability of PSC under or in connection with this Deed, including in respect of any breach of this Deed, is the amount of the Reimbursement Fee and in no event will the aggregate liability of PSC to Bidder for all Claims under or in connection with this Deed exceed the Reimbursement Fee;
- (b) payment by PSC to Bidder of the Reimbursement Fee in accordance with this clause 15 will constitute the sole and absolute liability of PSC to Bidder and remedy for Bidder (other than specific performance, or declaratory, or injunctive relief), under or in connection with this Deed and no further damages, fees, expenses or reimbursement of any kind will be payable by PSC to Bidder; and
- (c) the amount of the Reimbursement Fee payable to Bidder under this clause 15 will be reduced by the amount of any loss recovered by Bidder from PSC in relation to a breach of any other clause of this Deed (**Recovered Amount**) and to the extent all or any of the Reimbursement Fee has been paid to Bidder by PSC, Bidder must promptly refund to PSC the Recovered Amount.

- 15.7.3 Nothing in this clause 15 affects Bidder's right to specific performance, or declaratory or injunctive relief as a remedy for a breach or threatened breach of this Deed or the Scheme by any party.

15.8 No Reimbursement Fee if Scheme terminated by PSC

PSC cannot be required to pay the Reimbursement Fee where PSC has issued a valid termination notice to Bidder pursuant to clause 18.3.2.

16.1 Background to Reverse Reimbursement Fee

- ## 16.2 Reverse Reimbursement Fee triggers

16.4.5 the costs actually incurred by PSC will be of such a nature that they cannot all be accurately ascertained; and

16.4.6 the Reverse Reimbursement Fee is a genuine and reasonable pre-estimate of those costs,

and Bidder represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 16.

16.5 **Compliance with law**

16.5.1 This clause 16 does not impose an obligation on Bidder to pay the Reverse Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reverse Reimbursement Fee:

(a) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or

(b) is determined to be unenforceable or unlawful by a court,

provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted. For the avoidance of doubt, any part of the Reverse Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by Bidder.

16.5.2 PSC and Bidder must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 16.5.1.

16.6 **Reverse Reimbursement Fee payable only once**

16.7 **Other Claims**

Subject to clause 16.8, other than Bidder's liability to pay the Reverse Reimbursement Fee to PSC in the circumstances referred to in clause 16.2, Bidder has no liability to PSC for any Claim.

16.8 **Claims under the Deed Poll**

Nothing in clause 16.7 or otherwise in this Deed will limit Bidder's liability under or in connection with a breach of clause 5.1 or 5.4 of this Deed or the Deed Poll.

17. Bidder Guarantor Guarantee

17.1 Guarantee and indemnity

Bidder Guarantor:

- 17.1.1 unconditionally and irrevocably guarantees to PSC on demand, the due and punctual performance of Bidder's obligations under this Deed; and
- 17.1.2 as a separate and additional liability, indemnifies PSC against all losses, actions, proceedings and judgments of any nature, incurred by, brought, made or recovered against PSC arising from any default or delay in the due and punctual performance of Bidder's obligations under this deed.

17.2 Deed Poll

Without limiting clause 17.1, Bidder Guarantor must procure that Bidder satisfies its obligations under the Deed Poll and indemnifies each Shareholder who is entitled to recover loss or damage against Bidder under the Deed Poll against all losses arising from any default by Bidder. PSC holds Bidder Guarantor's obligations under this clause as trustee or nominee for each Shareholder.

17.3 No release

The liability of Bidder Guarantor under this clause 17 is not affected by anything which, but for this clause 17, might operate to release or exonerate Bidder Guarantor in whole or in part from its obligations, including any of the following, whether with or without the consent of Bidder Guarantor:

This clause 17 is a principal obligation and is not to be treated as ancillary or collateral to any other right or obligation and extends to cover this Deed as amended, varied, supplemented, renewed or replaced.

17.5 Continuing obligation

17.6 No deduction

Bidder Guarantor must make all payments which become due under this clause 17 free and clear and without deduction of all present and future withholdings (including taxes, duties,

levies, imposts, deductions and charges of Australia or any other jurisdiction). If Bidder Guarantor is compelled by law to deduct any withholding, then, in addition to any payment under this clause 17, it must pay to the relevant beneficiary party such amount as is necessary to ensure that the net amount received by that party after withholding equals the amount the party would otherwise be entitled to if not for the withholding.

17.7 **No set off**

Bidder Guarantor has no right to set off, deduct or withhold any moneys which it may be or become liable to pay under this clause 17, against any moneys that any other party may be, or become, liable to pay to Bidder Guarantor or any Related Body Corporate of Bidder Guarantor whether under this Deed or otherwise.

The parties acknowledge that damages may not be a sufficient remedy for breach of this Deed. Specific performance, injunctive relief or any other remedies which would otherwise be available in equity or law are available as a remedy for a breach or threatened breach of this Deed by any party, notwithstanding the ability of another party to terminate this Deed or seek damages for such a breach or threatened breach.

- (a) is returned to PSC; or
 - (b) has not been presented for payment within six months after the date on which the cheque was sent.
- 5.10.2 During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Participant to PSC (or the Share Registry) (which request may not be made until the date which is 5 Business Days after the Implementation Date), a cheque that was previously cancelled under this clause 5.10 must be reissued.

5.11 Fractional entitlements

- 5.11.1 Where the calculation of the Cash Scheme Consideration to be issued to a particular Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.
- 5.11.2 Where the calculation of the Scheme Consideration comprising HoldCo Securities to be issued to a particular Relevant Shareholder would result in the Relevant Shareholder becoming entitled to a fraction of a HoldCo Security, the fractional entitlement will be rounded down to the nearest whole number.

6. Dealings in Scheme Shares

6.1 Determination of Scheme Participants

To establish the identity of the Scheme Participants, dealings in Shares or other alterations to the Register will only be recognised if:

- 6.1.1 in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Shares on or before the Record Date; and
- 6.1.2 in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received on or before 5.00pm on the Record Date at the place where the Register is kept,

and PSC must not accept for registration, nor recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its

successors in title), any transfer or transmission application or other request received after the Record Date, or received prior to the Record Date but not in registrable or actionable form.

6.2 Register

- 6.2.1 PSC must register or procure the registration of registrable transmission applications or transfers of Shares in accordance with clause 6.1 by no later than the Record Date.
- 6.2.2 PSC will not accept for registration or recognise for any purpose any transmission application or transfer in respect of the Shares received after 5.00pm on the Record Date, other than to the Bidder in accordance with this Scheme.
- 6.2.3 If this Scheme becomes Effective, each entry which is current on the Register as at the Record Date is the sole evidence of entitlement to the Scheme Consideration on the terms of this Scheme in respect of the Shares relating to that entry.
- 6.2.4 If this Scheme becomes Effective, a Scheme Participant (and any person claiming through that holder) must not dispose of or otherwise deal with, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them after the Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and PSC will be entitled to disregard any such disposal, purported disposal or agreement or other dealing.
- 6.2.5 For the purpose of determining entitlements to the Scheme Consideration, PSC must procure the maintenance of the Register in accordance with the provisions of this clause 6.2 until the Scheme Consideration has been paid to the Scheme Participants. The Register in this form will solely determine entitlements to the Scheme Consideration.
- 6.2.6 All statements of holding for Shares (other than statements of holding in favour of an Excluded Shareholder) will cease to have effect after the Record Date as documents of title in respect of those Shares and, as from that date, each entry current at that date on the Register (other than entries in respect of an Excluded Shareholder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.
- 6.2.7 As soon as practicable after the Record Date, and in any event at least 3 Business Days before the Implementation Date, PSC will procure that details of the names, Registered Addresses and holdings of Shares for each Scheme Participant as shown in the Register as at the Record Date are made available to the Bidder in the form the Bidder reasonably requires.

7. Quotation of Shares

- 7.1 PSC must apply to ASX for suspension of trading in Shares on ASX with effect from the close of trading on the Effective Date.
- 7.2 On a date after the Implementation Date to be determined by the Bidder (acting reasonably and subject to the Listing Rules), PSC must apply to ASX for the termination of the official quotation of Shares on ASX and to have PSC removed from the official list of ASX.

8. General Scheme provisions

8.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- 8.1.1 PSC may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which the Bidder has consented in writing; and
- 8.1.2 each Scheme Participant agrees to any such alterations or conditions which counsel for PSC has consented in accordance with clause 8.1.1.

8.2 Scheme Participants' agreements and warranties

8.2.1 Each Scheme Participant:

- (a) agrees to the transfer of their Scheme Shares to Bidder together with all rights and entitlements attaching to those Shares in accordance with this Scheme;
- (b) agrees to the variation, cancellation or modification of the rights attached to their Scheme Shares constituted by or resulting from this Scheme;
- (c) agrees that after the transfer of their Scheme Shares to the Bidder, any statement of holdings for Shares relating to their Scheme Shares will not constitute evidence of title to those Scheme Shares; and
- (d) acknowledges and agrees that this Scheme binds PSC and all Scheme Participants (including those who did not attend the Scheme Meeting and those who did not vote, or voted against this Scheme, at the Scheme Meeting).

8.2.2 Each Scheme Participant is taken to have warranted to the Bidder, and appointed and authorised PSC as its attorney and agent to warrant to the Bidder, on the Implementation Date that, as at the Implementation Date:

- (a) all their Scheme Shares (including any rights and entitlements attaching to their Scheme Shares) which are transferred under this Scheme will, at the time of transfer of them to the Bidder, be fully paid and free from all:
 - (i) mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Properties Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise; and
 - (ii) restrictions on transfer of any kind;
- (b) they have full power and capacity to transfer their Scheme Shares to the Bidder together with any rights attaching to those Scheme Shares; and
- (c) they have no existing right to be issued any Shares or any other securities by PSC.

8.3 Title to and rights in Scheme Shares

8.3.1 To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme will, at the time of transfer of them to the Bidder, vest in the Bidder free from all:

- (a) mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Properties Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise; and
- (b) restrictions on transfer of any kind.

8.3.2 Subject to the provision of the Scheme Consideration to each Scheme Participant in accordance with clauses 5.4 and 5.5, the Bidder will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by PSC of the Bidder in the Register as the holder of the Scheme Shares. The Bidder's entitlement to be registered in the Register as the holder of the Scheme Shares arises on the Implementation Date in accordance with clause 4.2.

8.4 Appointment of sole proxy

From the Implementation Date, subject to the provision of the Scheme Consideration by the Bidder in accordance with clause 5 and until PSC procures the registration of the Bidder as the holder of all Scheme Shares in the Register, each Scheme Participant:

- 8.4.1 is deemed to have irrevocably appointed the Bidder as attorney and agent (and directed the Bidder in each such capacity) to appoint any director, officer, secretary or agent nominated by the Bidder as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any Shareholders' resolution whether in person, by proxy or by corporate representative;
- 8.4.2 undertakes not to attend or vote at any Shareholders' meetings or sign any Shareholders' resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 8.4.1);
- 8.4.3 must take all other actions in the capacity of a registered holder of Scheme Shares as the Bidder reasonably directs; and
- 8.4.4 acknowledges and agrees that in exercising the powers conferred by clause 8.4.1, the Bidder and any director, officer, secretary or agent nominated by the Bidder under that clause may act in the best interests of the Bidder as the intended registered holder of the Scheme Shares.

8.5 Authority given to PSC

Each Scheme Participant, without the need for any further act:

- 8.5.1 on the Effective Date, irrevocably appoints PSC and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of:
 - (a) enforcing the Deed Poll against the Bidder Parties; and
 - (b) executing any document, or doing or taking any other act, necessary, desirable or expedient to give effect to and to implement this Scheme and the transactions contemplated by it, including executing, as agent and attorney of each Scheme Participant, the Scheme Transfer as contemplated by clause 4.2,

and PSC accepts such appointment; and

- 8.5.2 on the Implementation Date, irrevocably appoints PSC and each of its directors, officers and secretaries (jointly and each of them severally) to do and execute all acts, matters, things and documents on the part of each Scheme Participant necessary to implement this Scheme, including (without limitation) executing, as agent and attorney of each Scheme Participant, the Scheme Transfer or transfers in relation to Scheme Shares as contemplated by clause 8.5.1, and PSC accepts such appointment.

PSC, as attorney and agent of each Scheme Participant, may sub-delegate its functions, authorities or powers under this clause 8.5 to all or any of its directors, officers or employees (jointly, severally, or jointly and severally).

8.6 Binding effect of this Scheme

This Scheme binds PSC and all of the Scheme Participants (including those who did not attend the Scheme Meeting and those who did not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of PSC.

1. Definitions and Interpretation

1.1 Defined terms

Unless the context otherwise requires:

- 1.1.1 terms defined in the Scheme (other than words and expressions defined in this deed poll) have the same meaning when used in this deed poll; and
- 1.1.2 terms defined in the Scheme Implementation Deed but not in the Scheme (other than words and expressions defined in this deed poll) have the same meaning when used in this deed poll.

1.2 Interpretation

The rules in clause 9 of the Scheme apply in interpreting this deed poll (unless the context makes it clear that a rule is not intended to apply), save that references to 'Deed' in that clause will be taken to be references to 'deed poll'.

1.3 Nature of deed poll

The Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco each acknowledges and agrees that:

- 1.3.1 this deed poll may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not party to it; and
- 1.3.2 under the Scheme, each Scheme Participant irrevocably appoints PSC and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent to enforce this deed poll against the Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco on behalf of that Scheme Participant.

2. Conditions precedent and termination

2.1 Conditions

The obligations of the Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco under this deed poll are subject to the Scheme becoming Effective.

2.2 Termination

This deed poll and the obligations of the Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco under this deed poll will automatically terminate, and the terms of this deed poll will be of no further force or effect if:

- 2.2.1 the Scheme Implementation Deed is terminated in accordance with its terms; or
- 2.2.2 the Scheme does not become Effective by the End Date,

unless PSC and the Bidder otherwise agree in writing (and, if required, as approved by the Court).

2.3 Consequences of termination

If this deed poll is terminated under clause 2.2 in addition and without prejudice to any other available rights, powers or remedies:

- 2.3.1 the Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco are released from their obligations to further perform this deed poll; and
- 2.3.2 each Scheme Participant retains any rights, powers or remedies they have against the Bidder, the Bidder Guarantor, Tara Topco and Ardonagh Holdco in respect of any breach of this deed poll which occurred before it was terminated.

3. Scheme obligations and actions

- 3.1 Subject to clause 2, each of Bidder, Tara Topco and Ardonagh Holdco undertakes in favour of each Scheme Participant that it will duly and punctually observe and perform all obligations and actions attributed to it under the Scheme as if named as a party to the Scheme, including all obligations and actions attributed to it relating to the provision, or procuring the provision, of the Scheme Consideration, in accordance with the terms of the Scheme.
- 3.2 Subject to clause 2, the Bidder Guarantor undertakes in favour of each Scheme Participant that it will unconditionally and irrevocably procure and guarantee the due and punctual performance by the Bidder of all obligations contemplated of it under clause 3.1.

 - 3.3.4 in the case of the Ardonagh Shares, the Loan Notes and the Tara Shares or Ardonagh Shares ultimately issued pursuant to the Put and Call Option Deed, be issued fully paid and free from any mortgage, charge, lien, encumbrance or other security interest (except for any lien arising under applicable Constituent Documents).
- 3.4 With effect from the Implementation Date, the Bidder agrees to assume the liabilities of each LFS Scheme Participant in respect of their LFS and meet all obligations of each LFS Scheme Participant in respect of their outstanding loans to PSC.
- 3.5 Each of Ardonagh Holdco and Tara Topco may amend the terms of its Constituent Documents following the date of the Scheme Implementation Deed, provided that any material variation or material amendment to any Constituent Document which would affect the rights and obligations attaching to the Tara Shares and/or the Ardonagh Shares
