Green Light for Plant #1 at the Chatree Gold Mine

Kingsgate Consolidated Limited ASX:KCN (“Kingsgate” or the “Company”) is pleased to advise that Plant #1 at the Chatree Gold Mine has now been permitted to operate.

Following a successful inspection by the Department of Primary Industries and Mines, the operating permit for Plant #1 was granted. Full commissioning of Plant #1 will commence immediately, followed by a ramp up to full operations.

Kingsgate’s Managing Director and CEO, Jamie Gibson said, “This is an incredibly important milestone for our company and represents the final piece in the puzzle in the journey to rebuild the Chatree Gold Mine. With both plants now operational, we are excited about unlocking Chatree’s full potential.”
