20 May 2024

Appointment of new director

NeuRizer Ltd (the "Company") is pleased to announce that Mr Manyoo Han has been appointed as a Non-Executive Director of the Company, effective 17 May 2024. This follows the resignation of Mr Sunghun Ryu from the Board of NRZ. Mr Ryu joined the Board in July 2023 and has resigned due to a change in Mr Ryu's role at DL E&C Co., Ltd (DL E&C).

Mr Han currently serves as the Acting Vice President of DL E&C. He holds a Bachelor's degree in engineering from University College London in the UK. Following his military service as an army officer, Mr. Han joined DL E&C in 2007, where he spearheaded global business development in the hydrocarbon sector. Mr. Han previously served as the General Manager of DL E&C's Abu Dhabi and Muscat branch offices before transitioning into corporate management group. Currently, he is responsible for overseeing corporate planning and new business development at DL E&C.

Executive Chairman Justyn Peters stated:

"On behalf of the Board I would like to thank the contribution Mr Ryu made to the Company in his time as a Director. We look forward to working with Mr Han now that he is on the Board. Like Mr Ryu, Mr Han's broad range of executive and international experience will be invaluable".
