1. LETTER TO SHAREHOLDERS

Dear Shareholder

Share Purchase Plan

On behalf of the Directors, I am pleased to offer you the opportunity to participate in the Element 25 Limited (Element 25, E25 or the Company) ACN 119 711 929 Share Purchase Plan (SPP).

The SPP entitles Eligible Shareholders (as defined in section 3 of the Share Purchase Plan Booklet) to subscribe for up to \$30,000 worth of new Shares in E25 (SPP Shares) without incurring brokerage or other transaction costs at an Issue Price (rounded to the nearest cent) of \$0.27, which represents a 14% discount to the volume weighted average price (VWAP) of E25 shares traded on the ASX over the last five trading days prior to the date that the SPP was announced (Tuesday, 21 May 2024).

The SPP is targeting to raise up to \$5 million (before costs) and is not underwritten. The Company may decide to accept applications (in whole or in part) that result in the SPP raising more or less than this amount in its absolute discretion.

Use of Proceeds

In January 2024, the Company announced that it had completed a Feasibility Study (Study) to investigate the potential to expand the production of manganese concentrate at the Company's 100% owned Butcherbird Project (Project), located in the southern Pilbara region of Western Australia. The Study demonstrated strong economics with robust economic returns and rapid capital payback. Expansion of the processing facility at Butcherbird aligns with Element 25's strategy for its planned battery grade high purity manganese sulphate monohydrate (HPMSM) project to be built in Louisiana, USA in partnership with General Motors LLC and Stellantis NV.

Funds raised from the SPP will enable the Company to progress its current prime projects at the Butcherbird mine site (located in the southern Pilbara region of Western Australia), as part of the Butcherbird Stage 2 Expansion Project, as well as continuing to support the high purity manganese sulphate monohydrate (HPMSM) project to be built in Louisiana, USA in partnership with General Motors LLC and Stellantis NV.

Butcherbird Stage 2 expansion activities include initial engineering, procurement and project management activities prior to the completion of project financing and final investment decision (FID).

The activities for Louisiana include pre-commitment engineering activities to progress the planned HPMSM facility, where the Company recently announced commercial terms in relation to a development site for the HPMSM Project and general working capital.

Details about the SPP are included in E25's ASX announcement released on 21 May 2024, which you are encouraged to read. You can view this ASX announcement at E25's website: (<https://www.element25.com.au>) or from ASX's website (www.asx.com.au).

Participation in the SPP

Participation in the SPP is optional and is only offered to Eligible Shareholders of the Company i.e. Shareholders whose registered address is in Australia, New Zealand, Hong Kong and Germany who are registered on the Company's register of shareholders on the Record Date (5.00pm Australian Western Standard

Time, Monday, 20 May 2024), on the terms and conditions set out in the Share Purchase Plan Booklet and the Application Form.

Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the SPP. If you hold Shares on behalf of persons who reside outside Australia, New Zealand, Hong Kong and Germany or are in the United States, you are not an Eligible Shareholder and are unfortunately not entitled to participate in the SPP.

Before you decide whether to participate in the SPP, Eligible Shareholders are encouraged to seek financial, legal and taxation or other advice in relation to the SPP.

Each Eligible Shareholder has the opportunity to purchase up to \$30,000 worth of new, fully paid, ordinary shares in the Company (subject to discretionary scale back).

How to Apply for SPP Shares

To apply for SPP Shares, please refer to the instructions in the Application Form. Your Personalised Application Form can be accessed <https://investor.automic.com.au/#/home>.

In accordance with the instructions in your personalised Application Form, you must either:

- make a payment directly via BPAY® (noting that Eligible Shareholders in New Zealand cannot apply using BPAY unless they have an Australian bank account); or
- if you are unable to pay by BPAY, you may pay for SPP Shares via electronic funds transfer (EFT).

Eligible Shareholders wishing to apply for SPP Shares must ensure that their payment is received by no later than 5.00pm (Australian Western Standard Time) on Monday, 17 June 2024.

Questions and Further Information

The term and conditions of the SPP will be set out in the SPP Booklet which will be lodged with the ASX on Monday, 27 May 2024. The Company will also release an Investor Presentation in regard to the SPP on Monday, 27 May 2024 via the ASX. These releases contain important information about the SPP. You must carefully read and consider this information before deciding whether to participate in the voluntary SPP and apply for any SPP Shares.

If you have any questions in relation to how to participate in the SPP or apply for the SPP Shares, please contact the Registry, Automic Group on 1300 288 664 (callers within Australia) or +61 2 9698 5414 (callers outside Australia) or consult your financial or other professional adviser. - b) Subject to these terms and conditions, Eligible Shareholders who are Custodians or nominees may participate in the SPP on behalf of each Eligible Beneficiary on whose behalf the Custodian or nominee is holding Shares. Due to legal restrictions, Custodians and nominees may not distribute the Booklet

to any person in, and may not participate in the SPP on behalf of any Beneficiary in the United States. In the event that a Custodian or nominee is acting for the account or benefit of a person in the United States, it is not permitted to participate in the SPP in respect of that person.

4.5 Application for SPP Shares

- a) Eligible Shareholders may apply for SPP Shares in parcels valued at \$1,000, \$2,500, \$5,000, \$7,500, \$10,000, \$12,500, \$15,000, \$20,000, \$25,000 or \$30,000.
- b) No brokerage or other transaction costs will apply to the acquisition of SPP Shares.
- c) Eligible Shareholders who wish to apply for SPP Shares must follow the instructions set out in section 3 of this Booklet under 'How to apply'.
- d) Eligible Shareholders who receive more than one offer under the SPP (for example, because they hold Shares in more than one capacity or in different registered holdings) may apply on different Application Forms for SPP Shares but may not apply for SPP Shares with an aggregate value of more than \$30,000.
- e) If you wish to subscribe for SPP Shares as a Custodian or nominee for one or more Eligible Beneficiaries, you must also complete and submit an additional Custodian Certificate that contains further certifications and details required by the ASIC Instrument before your application will be accepted.  - (ii) it appears you are not an Eligible Shareholder;
 - (iii) your EFT payment or BPAY payment, is not received by the Registry by Closing Date;
 - (iv) it appears that you are applying to purchase more than \$30,000 of SPP Shares in aggregate (including as a result of Shares you hold directly, jointly or through a custodian or nominee arrangement) or your application is not for an amount of \$1,000, \$2,500, \$5,000, \$7,500, \$10,000, \$12,500, \$15,000, \$20,000, \$25,000 or \$30,000;

If no bank account details have been provided by that Eligible Shareholder, any refund will be held until such payment instructions have been provided.

4.6 Issue Price

- a) The Issue Price of the SPP Shares (rounded to the nearest cent) is \$0.27, which represents a 14% discount to the volume weighted average price (VWAP) of E25 shares traded on ASX during the five trading days prior to the SPP announcement.
- b) The current Share price can be obtained from ASX at www.asx.com.au.
- c) You agree to pay the Issue Price per SPP Share for the number of SPP Shares calculated under clause 4.7(a) or, if there is a scale back, the number of SPP Shares calculated under clause 4.10.

4.7 Number of SPP Shares to be Issued

- a) If you apply for SPP Shares, you will apply for a certain value, rather than a certain number, of SPP Shares. If your application is accepted, Element 25 will divide the value of your application monies by the Issue Price in order to determine the number of SPP Shares which, subject to scale back, will be issued to you.
- b) If this calculation produces a fractional number, the number of SPP Shares issued will be rounded up to the nearest whole SPP Share.
- c) Element 25 will not issue SPP Shares to an applicant if the issue of those SPP Shares, either alone or in conjunction with the issue of Shares under any other application, would contravene any law, the Corporations Act, the Listing Rules, or the ASIC Instrument

4.8 Issue of SPP Shares

- a) SPP Shares will be issued on the Issue Date.
- b) SPP Shares will rank equally with existing Shares as at the Issue Date.
- c) Element 25 will apply to ASX for the quotation of SPP Shares. It is anticipated that SPP Shares will be quoted on ASX on or around Monday, 24 June 2024
