Referring to the new clients, Dr Hupert commented, "They are a diverse group, two children's hospitals, two physician led private radiology groups and a cancer center. This reinforces our belief that our product is ideally suited to virtually all segments of the market from smaller groups all the way through to some of the largest IDN's and academic medical centers in the US".

Dr Hupert concluded, "Despite record new contract signings this year, our pipeline remains strong with a broad range of opportunities both in terms of size and market segments".
