

Renewal of Banking Facility

BauMart Holdings Limited (ASX: **BMH**; **BauMart** or the **Company**) is pleased to advise that National Australia Bank has provided confirmation on the annual renewal of its \$250,000 trade facility.

In consideration of the expiry deadline, a short-term extension of the trade facility to August 2024 has also been provided by National Australia Bank to facilitate the completion of the renewal documents.

The Directors remain of the opinion that there are reasonable grounds to believe the Company will be able to pay its debts as and when they become due and payable, and therefore continue as a going concern after consideration of the following factors:

- The Directors are confident that the trade receivables are fully recoverable; and
- The Company has the ability to raise additional equity capital if required, to fund its operations.

BMH confirms that it continues to comply with the listing rules and in particular, Listing Rule 3.1.
