- **Multi Year Term Contracts secured in the energy and resources sectors**
- **Renewable energy project for structural remediation works with existing client**
- **Specialist design and construct contract in the resources sector for concrete tanks**

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce it has been awarded multiple contracts with existing clients in the renewable energy, resources and energy sectors across Australia. The value of the new works secured is \$125m, which includes:

- A six-year term contract for asset integrity and rope access services with Rio Tinto at their Yarwun Refinery in Gladstone, QLD. The contract works will commence in June 2024 and is expected to be completed in 2030;
- Asset integrity services contract extension with Origin Energy at their upstream infrastructure network across Queensland (QLD). The contract has commenced and is expected to be completed in 2025;
- Specialist structural design and construct contract to replace the existing roof support, walkway and water shedding system at the Tumut 1 Power Station site for Snowy Hydro Limited in Cabramurra, New South Wales. The contract has commenced and is expected to be complete within 18 months; and
- Initial infrastructure contract for the design and construction of concrete tanks for BHP Iron Ore in Newman, Western Australia (WA). The contract has commenced and is expected to be complete within 24 months.

David Macgeorge, SRG Global Managing Director commented:

"We are pleased to secure these diverse range of contracts across Australia through established relationships with Tier 1 clients across Australia. I am particularly pleased that the combined offering of our up-front capabilities of our Asset Care business combined with the back-end execution of our Asset Maintenance team continues to gain traction with our clients.

"SRG Global continues to go from strength to strength, underpinned by our strong growth profile and recurring earnings base approaching 80% of our overall earnings which is in line with our long-term strategy."
