3. Details of the Buy-Back

3.1 What is the Buy-Back?

The Buy-Back is an equal access buy-back for the purposes of the *Corporations Act 2001* (Cth) (**Corporations Act**).

Under the Buy-Back, the Company offers to buy its own Shares back from Shareholders who elect to participate in the Buy-Back for the Buy-Back Price. Any Shares bought back are cancelled, and the total number of Shares on issue is reduced by the number of Shares bought back.

3.2 What is an equal access scheme?

An equal access scheme is a type of buy-back. Section 257B(2) of the *Corporations Act* prescribes that, in an equal access scheme:

- (a) the offers under the scheme must relate only to ordinary shares;
- (b) the offers must be made to every person who holds ordinary shares to buy back the same percentage of their ordinary shares;
- (c) all of those persons must have a reasonable opportunity to accept the offers made to them;
- (d) buy-back agreements must not be entered into until a specified time for acceptances of offers has closed; and
- (e) the terms of all the offers must be the same.

The Buy-Back complies with these conditions and is an equal access scheme for the purposes of the *Corporations Act*.

3.3 What is the size of the Buy-Back?

The Company currently has 313,263,608 Shares on issue. The Company is seeking to buy back up to 63,263,608 Shares in aggregate, representing approximately 20.20% of the total Shares on issue as at the date of this Buy-Back Booklet, from Shareholders.

Pacific Merchants Group Pty Ltd (**PMG**), as the Company's only substantial Shareholder holding 250,000,000 Shares (representing approximately 79.80% of Shares) has undertaken not to participate in the Buy-Back.

If all other Shareholders participate in the Buy-Back in full, 63,263,608 Shares will be bought back and cancelled, following which the Company will have 250,000,000 Shares remaining on issue.

3.4 Who can participate in the Buy-Back?

The Buy-Back is an equal access buy-back under the Corporations Act and is therefore open to all Shareholders as at the Record Date, being Thursday, 20 June 2024.

Participation in the Buy-Back is not compulsory. If you are a Shareholder and you do not wish to participate in the Buy-Back, you do not need to do anything.

3.5 Overview of Buy-Back procedure

The Buy-Back will be implemented as follows:

- (a) Shareholders who hold Shares on the Record Date for the Buy-Back (expected to be Thursday, 20 June 2024) will be sent a personalised Buy-Back Election Form to participate in the Buy-Back. The Buy-Back Election Form will be despatched to Shareholders by post on the Opening Date (expected to be Wednesday, 26 June 2024).
- (b) The Buy-Back will be open to Shareholders from the Opening Date until the Closing Date (expected to be Friday, 12 July 2024) (**Offer Period**). The Company may extend the Offer Period, but does not presently intend to do so. If the Closing Date is changed, the change will be announced to the ASX.
- (c) At any time during the Offer Period, a Shareholder can submit a Buy-Back Election Form to accept the Buy-Back in respect of some or all of their Shares.
- (d) Trustees or nominees who hold a parcel of Shares on account of more than one beneficial holder will be able to accept the Buy-Back in whole or in part on behalf of some or all underlying beneficial holders on whose behalf they hold Shares. Arrangements relating to instructions between registered Shareholders and underlying beneficiaries on whose behalf Shares are held are matters to be determined between the relevant trustee/nominees and beneficiaries.
- (e) The Company will only accept and process Buy-Back Election Forms lodged by registered Shareholders and will not engage in correspondence with underlying beneficial owners. A Buy-Back Election Form can be revoked by lodging a Withdrawal Form.
- (f) Notwithstanding the submission of a Buy-Back Election Form prior to the Closing Date, no agreement to buy back Shares under the Buy-Back is formed and Applications are conditional in all respects until 5:00pm (Sydney time) on the Closing Date.
- (g) All Shares for which a valid Buy-Back Election Form has been received and accepted by the Company before the Closing Date (and in respect of which no Withdrawal Form has been lodged) will be cancelled on the Completion Date (expected to be Monday, 15 July 2024).

- (h) Proceeds of the Buy-Back are expected to be distributed to participants on the Settlement Date (expected to be on or as close as practicable to Monday, 22 July 2024).

3.6 How many Shares can I sell?

Each eligible Shareholder can elect to sell all or some of their Shares held as at 7.00 pm on the Record Date, being Thursday, 20 June 2024.

The maximum number of Shares that you can elect to sell pursuant to the Buy-Back is specified in the Buy-Back Election Form, and is the total number of Shares for that particular registered holding at the Record Date.

3.7 When does the Buy-Back close?

The Buy-Back opens on **Wednesday, 26 June 2024** and closes at 5.00 pm on **Friday, 12 July 2024 (Closing Date)**, unless extended by the Company.

3.8 How can I participate in the Buy-Back?

How you participate in the Buy-Back depends on whether your Shares are held as an Issuer Sponsored Holding or as a CHESS Holding. Please refer to sections 3.9 and 3.10 below as applicable.

Instructions on how to complete and return the Buy-Back Election Form are included on the Buy-Back Election Form. The Buy-Back Election Form is personalised to you, including whether you have an Issuer Sponsored Holding or CHESS Holding.

If you wish to participate in the Buy-Back, you will need to:

- determine how many Shares you wish to sell pursuant to the Buy-Back; and
- complete and return a Buy-Back Election Form by no later than 5.00pm on the Closing Date.

You can participate in the Buy-Back:

- in full, for the maximum number of Shares (being 100% of your Shares); or
- for a lesser number of Shares nominated by you in the Buy-Back Election Form.

You cannot participate in the Buy-Back in respect of more than the maximum number of Shares indicated in your personalised Buy-Back Election Form. If you purport to participate in the Buy-Back for more than this number of Shares, you will be deemed to have elected to participate in the Buy-Back for the maximum number of Shares indicated in your personalised Buy-Back Election Form.

If you do not wish to participate in the Buy-Back, you do not need to take any action.

A Buy-Back Election Form will not be effective unless received prior to 5.00pm (Sydney time) on the Closing Date.

3.11 Can I withdraw a submitted Buy-Back Election Form?

Your Buy-Back acceptance can be withdrawn or amended, provided that you complete and sign a Withdrawal Form and return it to the address shown on the Withdrawal Form, so that it arrives before 5.00 pm (Sydney time) on the Closing Date.

3.12 What is the Buy-Back Price and when will it be paid?

The Buy-Back Price is \$0.013 per Share.

If you participate in the Buy-Back, the Company will pay you the Buy-Back Price for each of your Shares that are bought back. The Buy-Back Price is expected to be distributed to participants on the Settlement Date (expected to be on or as close as practicable to Monday, 22 July 2024).

The Buy-Back Price will be paid by electronic funds transfer to the account held on the member's register or otherwise by cheque to the postal address as per the member's register maintained by the Company.

3.13 Effect of submitting a Buy-Back Election Form under the Buy-Back

The effect of signing and submitting a Buy-Back Election Form before 5.00pm (Sydney time) on the Closing Date is as follows:

- (a) Submission of a duly completed Buy-Back Election Form constitutes acceptance of the Company's invitation to buy back the number of Shares you have nominated in your Buy-Back Election Form under the Buy-Back on the terms set out in the Buy-Back Documents.
- (b) Submission of an Application does not, of itself, constitute a binding contract for the sale of Shares. Notwithstanding the submission of an Application prior to the Closing Date, no agreement to buy back Shares under the Buy-Back is formed and Applications are conditional in all respects until 5.00pm (Sydney time) on the Closing Date.
- (c) If you have lodged a duly completed Application prior to 5.00pm (Sydney time) on the Closing Date, and you also have not, before 5.00pm (Sydney time) on the Closing Date, withdrawn your Buy-Back Election Form, then, at 5.00pm (Sydney time) on the Closing Date, then a binding contract is formed between you and the Company for you to sell, and the Company to buy back, the number of Shares you have nominated in your Application on the terms and conditions set out in the Buy-Back Documents, including the terms and conditions set out in this section.
- (d) By submitting an Application, and provided that you do not withdraw that Application before 5.00pm on the Closing Date, you are taken to:
 - i. agree to the terms and conditions set out in the Buy-Back Documents, including any scale back determined by the Company;
 - ii. agree to sell to the Company on the Settlement Date all Shares you have nominated in your Application;
 - iii. agree that, provided no duly completed Withdrawal Form has been received in respect of those Shares prior to the Closing Date, at 5.00pm (Sydney time) a binding contract would be formed between you and the Company for you to sell, and the Company to buy back, all the Shares which you have nominated in your Buy-Back Election Form on the terms and conditions set out in the Buy-Back Documents, including the terms and conditions set out in this section;
 - iv. agree that the Company may amend the timetable for the Buy-Back (including the Closing Date and/or Settlement Date) as permitted by law and as described in this Buy-Back Booklet;
 - v. waive any requirement to receive further notice or communication from the Company of its acceptance or rejection of any Application submitted by you;
 - vi. warrant to the Company that:
 - at all times after your Application is made, you are the registered holder of not less than the number of Shares you have nominated in your Buy-Back Election Form and that all such Shares are fully paid up, free from any mortgage, charge, lien or other encumbrance (whether legal or equitable) and from any third-party rights and otherwise able to be sold freely by you;
 - you have read and understood this Buy-Back Booklet;

- For personal use only
- you are a person to whom the Buy-Back invitation may lawfully be made, are not a US Person and can receive the proceeds of the sale of the Shares you have nominated in your Application;
 - you have not distributed or sent this Buy-Back Booklet or other document referring to the Buy-Back into any jurisdiction where it would not be lawful to do so; and
 - if you are a trustee or nominee having applied for the Buy-Back on behalf of some or all underlying beneficial holders on whose behalf you hold Shares, you warrant that such applications have been duly made in accordance with the instructions of the beneficial holder and/or the applicable trust or nominee arrangements and that applications for the Buy-Back on behalf of underlying beneficial holders does not constitute a breach of trust, contract or any applicable law;
- vii. accept responsibility for observing the laws and regulatory requirements of any relevant jurisdictions that apply to you in connection with this Buy-Back Booklet, the Buy-Back, including obtaining any governmental, exchange control or other consents, the making of any filings that may be required, the compliance with other necessary formalities and the payment of any taxes or other requisite payments due in such jurisdictions;
 - viii. authorise the Company (and its officers, agents, contractors or advisers) to correct any error in or omission from your Buy-Back Election Form and/or Withdrawal Form, and to insert any missing details therein;
 - ix. undertake not to sell or offer to sell any Shares in respect of which you have submitted an Application to any other person if, as a result, you will at any time after you submit your Application until the Closing Date hold fewer Shares than you have nominated to be bought back on your Buy-Back Election Form;
 - x. acknowledge that neither the Company nor any other party involved in the Buy-Back has provided you with financial product advice, or any securities recommendation, or has any obligation to provide this advice or recommendation, concerning your decision to participate in the Buy-Back;
 - xi. authorise the Company to make payment to you in respect of the buy-back of the Shares you have nominated on your Buy-Back Election Form under the Buy-Back;
 - xii. agree that damages is not an adequate remedy for breach of the covenants, undertakings, agreements, representations and warranties given by you in favour of the Company under the Buy-Back Documents;
 - xiii. undertake that if you breach any of the covenants, undertakings, agreements, representations or warranties under the Buy-Back Documents you will indemnify the Company for all its costs or losses arising from the breach; and
 - xiv. agree that any obligation of the Company to buy back Shares nominated by you in your Buy-Back Election Form is conditional on your compliance with the covenants, undertakings, agreements, representations and warranties in and otherwise subject to the Buy-Back Documents.
- (e) You will be taken to have submitted an Application when the Company receives your validly signed and completed Buy-Back Election Form.

3.14 Scale backs and/or amendments

The Company will purchase a maximum of 63,263,608 Shares under the Buy-Back offer, representing approximately 20.20% of the total Shares on issue as at 14 June 2024.

PMG, as the Company's only substantial Shareholder with voting power of approximately 79.80% of the total issued capital of the Company, has undertaken not to participate in the Buy-Back.

In the unlikely event that the Company receives acceptances for more than 63,263,608 Shares under the Buy-Back, then the Company will apply a scale back on a pro-rata basis. Details of any scale back will be announced on the ASX as soon as practicable after the Closing Date.

3.15 Can I sell my Shares after submitting a Buy-Back Election Form?

By submitting a Buy-Back Election Form, you are warranting to the Company that at all times after your Application is made, you are the registered holder of not less than the number of Shares which you have nominated in your Buy-Back Election Form to sell back to the Company and that all such Shares are fully paid up, free from any mortgage, charge, lien or other encumbrance (whether legal or equitable) and from any third party rights and otherwise able to be sold freely by you.

Accordingly, once you have submitted an Application in respect of some or all of your Shares, you should not sell or offer to sell those Shares before the Closing Date. If you have submitted an Application, your Shares will be placed in a "subposition" in the Company's Share register. You will not be able to deal with those Shares until they have been released from the subposition. For the Shares to be released from that subposition you must withdraw your Application by lodging a Withdrawal Form. Accordingly, if you wish to sell any of the Shares in respect of which you have submitted an Application, you must withdraw your Application before so doing.

Lodgement of a Withdrawal Form may not take immediate effect. You should take this into consideration if you wish to sell any of your Shares in respect of which you have submitted an Application. If you agree to sell any Shares the subject of your Application after you submit an Application, the Company may, in its absolute discretion:

- reject your Application in its entirety; or
- treat the Application either as if it had not been lodged or as if you had offered the number of Shares held by you at the Closing Date.

3.16 Shares held by trustees and nominees

Trustees and nominees who hold Shares should inform the beneficial owners of the Shares about the Buy-Back, subject to any legal restrictions in the countries where such beneficial owners are resident, and then aggregate all requests to participate in the Buy-Back received from beneficial owners and lodge one Buy-Back Election Form in respect of those applications.

It is the responsibility of the trustee or nominee to aggregate requests to participate from underlying beneficial owners. The Company will not engage in correspondence with underlying beneficial owners.

Trustees or nominees who hold Shares on behalf, or for the account, of a US Person or a person located in the United States, or a resident of Canada, must not inform any such person of the Buy-Back. It is the responsibility of the trustee or nominee to ensure that when

completing an aggregated Buy-Back Election Form, it does not include any Application on behalf of such persons.

It is the responsibility of the trustee or nominee to aggregate all instructions received from any underlying beneficial owners, and submit one combined Buy-Back Election Form (if any) so that it is received by the Share Registry no later than 5.00pm (Sydney time) on the Closing Date.

3.17 The Company's right to accept or reject Buy-Back Election Forms

At any time, the Company may, in its discretion and to the extent permitted by law:

- accept or reject any Application or Buy-Back Election Form, whether or not it complies with the Buy-Back Documents;
- accept or reject an Application not made on the terms and conditions set out in or submitted in accordance with the Buy-Back Documents.

3.18 No obligation to sell

Shareholders are not required to participate in the Buy-Back. Participation is entirely voluntary. The Board advises that all Shareholders read the Buy-Back Documents in full and seek legal and financial advice in connection with the impact of participation in the Buy-Back on their personal circumstances.

4. Approvals

4.1 Shareholder approval

Although the Buy-Back is an equal access buy-back for the purposes of the Corporations Act, as the total number of Shares to be bought back exceeds the 10/12 limit, Shareholder approval is required.

Shareholder approval for the Buy-Back was obtained by way of ordinary resolution at the general meeting of the Company held on Friday, 14 June 2024.

4.2 ASX Listing Rules

ASX Listing Rule 7.18 provides that if an entity seeks to reorganise its capital in any way, it must consult with the ASX to ensure an orderly market is maintained in its securities. The Company has consulted with the ASX in connection with the Buy-Back as required by the ASX Listing Rules.

5. Additional Information

5.1 Why is the Company conducting the Buy-Back?

The Company is conducting the Buy-Back as a mechanism to provide Shareholders the opportunity to realise some or all of their investment in the Company before the Company is removed from the Official List of the Australian Securities Exchange (**ASX**).

As announced on Wednesday, 15 May 2024, the Board has been concurrently pursuing the removal of the Company from the Official List of the ASX pursuant to ASX Listing Rule 17.11 (**Delisting**). Shareholder approval for the Delisting was obtained by way of special resolution at the general meeting of the Company held on Friday, 14 June 2024.

Although the Board considers that the Delisting is in the best interests of Shareholders, a potential disadvantage of Delisting is that following the Company's removal from the Official List of the ASX, Shares will no longer be traded on ASX and will only be capable of sale by

private transaction. Therefore, the liquidity of shares will be directly affected and is likely to be further diminished. For this reason and in accordance with ASX Guidance Note 33, the Company is offering Shareholders an opportunity to sell their Shares prior to the removal of the Company from the Official List of the ASX.

5.2 Advantages and disadvantages of the Buy-Back

Advantages of the Buy-Back include:

- eligible Shareholders have the opportunity to exit all or part of their investment in the Company prior to the proposed Delisting;
- all eligible Shareholders have an equal opportunity to participate and also have flexibility to tailor the level of their participation to suit their individual circumstances;
- participating Shareholders will not have to pay brokerage or appoint a stockbroker to sell their Shares pursuant to the Buy-Back;
- Shareholders who sell all of their Shares will avoid ongoing exposure to the risks associated with an investment in the Company, including no guarantee of growth, lack of diversification, potentially illiquid investment, equity price risks and general economic risks;
- all other things being equal, eligible Shareholders will have the opportunity to sell some or all of their Shares at a price which is likely to be above the market price that would be available on the ASX (taking into account the likely impact of that selling activity on the prevailing market price). Given the historical illiquidity of the Shares, there is no guarantee that Shareholders could achieve such a return on-market;
- the Buy-Back will enable eligible Shareholders to sell a significant volume of Shares which may otherwise be difficult to do via the ASX in light of recent trading levels in Shares;
- the Independent Expert has determined that having regard to the value of the Shares, the Buy-Back Price, the advantages and disadvantages of the Buy-Back, available alternatives and the consequences of Shareholders not approving the Buy-Back, the Buy-Back is fair and reasonable for Shareholders, in the absence of any superior alternative. See the Independent Expert's Report for the Independent Expert's assessment of the advantages of the Buy-Back; and
- implementation of an off-market buy-back is simple and cost effective when compared with alternative options considered by the Board.

Disadvantages of the Buy-Back include:

- the Buy-Back would, to the extent that Shareholders participate in it, result in the cancellation of Shares in the Company and therefore impact on the control of the Company. If there is significant participation in the Buy-Back, this will lead to an increase in the voting power of any substantial Shareholders who elect not to participate in the Buy-Back. As at the date of this Buy-Back Booklet, PMG (being, the Company's only substantial Shareholder) has voting power of approximately 79.80% of the total issued capital of the Company. PMG has undertaken not to participate in the Buy-Back. Assuming the maximum number of Shares (i.e. 63,263,608 Shares) are bought back after completion of the Buy-Back, the voting power of PMG could increase above its current level to up to 100%;

- Shareholders who sell their Shares under the Buy-Back will forego, to the extent they sell down their shareholding, any benefits of remaining a holder of shares. This includes, for example, the right to benefit from any future value realisation by the Company and the right to exercise any vote on resolutions considered by Shareholders at general meeting; and
- if Shareholders participate in the Buy-Back, there will be a reduction in the number of Shares on issue which may decrease liquidity of the Shares traded on the ASX. Further, assuming that the Delisting proceeds, the Shares will no longer be available for trading on the ASX and will be illiquid.

Refer to the Independent Expert's Report for the Independent Expert's assessment of the disadvantages of the Buy-Back.

5.3 Interests and intentions of Directors

No director has an interest in the Buy-Back other than as a Shareholder. As at the date of this Buy-Back Booklet, the Directors have the following interests in Shares which may participate in the Buy-Back:

Director	Number of ordinary shares
Yeshween Mudaliar	Nil
Peter French	166,666
Theo Renard	166,666
Leo Cui	61,000

For completeness, it is noted that Mr Jhon Shen resigned as a director with effect on and from 27 February 2024. Mr Shen holds a relevant interest of 250,000,000 Shares as the beneficial owner of PMG through family trust.

Directors will be eligible to participate in the Buy-Back subject to complying with the Company's policies and procedures, and subject to the terms of the Buy-Back as described in this Buy-Back Booklet.

As at the date of this Buy-Back Booklet, each of the Directors intend to accept the Buy-Back for all Shares held or controlled by them. No Director will receive any payment or benefit of any kind as a consequence of the Buy-Back other than in their capacity as a Shareholder.

5.4 Effect on Share capital

The Company has 313,263,608 Shares on issue as at the date of this Buy-Back Booklet.

The Buy-Back may reduce the number of Shares on issue from 313,263,608 to a minimum of 250,000,000 Shares. However, the precise number of Shares which are cancelled as part of the Buy-Back will depend on the number of Shares the Company ultimately purchases.

5.5 Financial impact of the Buy-Back on the Company

Assuming the maximum number of Shares are bought back (excluding Shares held by PMG), the total cash consideration payable by the Company in connection with the Buy-Back will be approximately \$822,500.

The Buy-Back will be funded by an interest free debt facility of approximately A\$822,500 from PMG (**Facility Agreement**), being an amount equal to the total cash consideration payable by the Company in connection with the Buy-Back (**Facility Amount**).

The Facility Agreement is conditional on evidence that approvals and consents for completion of the Delisting and the Buy-Back have been obtained, including Shareholder approval for the Delisting and Buy-Back, and all requisite approvals from ASIC, ASX and other relevant third parties, in each case in a form and substance acceptable to PMG. As noted above, Shareholder approval for the Delisting and Buy-Back was obtained at the general meeting of the Company held on Wednesday, 14 June 2024.

The Facility Agreement is on arms' length terms and contains standard terms and conditions relating but not limited to, events of defaults, indemnities, representations and warranties. In the event of any overdue payments under the Facility Agreement, a default interest rate of 2% will apply. In addition, the Company may request for a 12 month extension of the final repayment date by giving written notice to PMG no less than 90 days before the final repayment date.

Following payment of the Buy-Back Price to participating Shareholders, PMG shall remain entitled, to the exclusion of the Company and its Shareholders, to any portion of the Facility Amount remaining as a result of incomplete participation in the Buy-Back.

Assuming the maximum number of Shares are purchased under the Buy-Back, on implementation of the Buy-Back and upon repayment of the amount under the Facility Agreement, the Company's cash assets will be reduced by up to approximately A\$822,500, noting that no interest is payable under the Facility Agreement (assuming all amounts are paid when due).

The directors consider that the Buy-Back:

- will not prejudice the Company's ability to pay its creditors;
- will not otherwise affect the Company's financial position; and
- will have no material effect on the Company's solvency.

5.6 Intentions of major shareholder and effect on control

The Buy-Back would, to the extent that Shareholders participate in it, result in the cancellation of Shares in the Company and is capable of having an effect on control of the Company. If there is significant participation in the Buy-Back, this will lead to an increase in the voting power of any substantial Shareholders in the Company who elect not to participate in the Buy-Back.

As at the date of this Buy-Back Booklet, PMG, being the Company's only substantial Shareholder, has voting power of approximately 79.80% of the total issued capital of the Company. PMG has undertaken not to participate in the Buy-Back.

Assuming the maximum number of Shares are purchased under the Buy-Back (being, 63,263,608 Shares), the voting power of PMG could increase above its current level to up to 100%. Consequently, implementation of the Buy-Back could increase the voting power of PMG and its control over the Company.

5.7 Tax consequences

Participation in the Buy-Back may have tax consequences for Shareholders, which will vary depending on the individual circumstances of each Shareholder. Shareholders are

encouraged to consult a professional tax advisor in respect of the impact of the Buy-Back in light of their individual circumstances.

5.8 Independent Expert

The Company has engaged the Independent Expert to undertake a valuation of the Shares in connection with the Buy-Back. The Independent Expert has concluded that, in their opinion, the Buy-Back Price is fair and reasonable. A copy of the Independent Expert's Report is attached to Annexure 1 of the Explanatory Statement.

5.9 The Company's right to vary dates or terminate the Buy-Back

- (a) While the Company does not anticipate varying any of the dates or times set out in the Buy-Back Documents, it reserves the right to vary them without prior notice where lawful to do so. Any change will take effect from the time it is authorised by the Board and subject to the Corporations Act, will be publicly announced on ASX as soon as practicable following the Board's authorisation.
- (b) Any such change will be taken to amend this Buy-Back Booklet (and the other Buy-Back Documents) accordingly.
- (c) The Company may also decide not to proceed with the Buy-Back. Without limitation, the Company reserves the right to terminate the Buy-Back at any time prior to the Closing Date by making an ASX announcement to that effect.

5.10 Other material information

There is no other information material to the making of a decision by Shareholders whether or not to accept the Invitation by the Company under the Buy-Back other than as set out in this Buy-Back Booklet which are known to the Directors.

5.11 Lodgement

In accordance with section 257B of the Corporations Act, copies of this Buy-Back Booklet and attachments have been lodged with ASIC.

5.12 Privacy

The Company is carrying out the Buy-Back in accordance with the Corporations Act. This involves the collection of personal information contained in Buy-Back Election Forms to enable the Company to process Shareholders' applications to participate. If Shareholders do not provide this information, the Company may be hindered in, or prevented from, processing such applications.
