ASX ANNOUNCEMENT

Lumos Receives US\$400K Phase 1 Milestone Payment from Hologic

MELBOURNE, Australia (19 Jun 2024) – Lumos Diagnostics (ASX: LDX), (“Lumos” or the “Company”) a leader in rapid, point-of-care (POC) diagnostic technologies, has today received a US\$0.4 million payment from Hologic for completion of the Phase 1 milestone under the Hologic Development Agreement, announced on 11 January 2024.

On 6 May 2024, Lumos announced it had achieved completion of milestones relating to Phase 1 under the Development Agreement. This revenue will be recognized in the current financial year, FY2024, with US\$0.2 million recognized in Q3 and the remaining US\$0.2 million booked into Q4.

Lumos CEO and Managing Director, Doug Ward commented, *“We were happy to report completion of this milestone in May, highlighting that all was moving in the right direction under this important agreement with Hologic. The associated payment further strengthens our cash position.”*

The Hologic Development Agreement is a three-phase program with a total value of US\$4.7 million. Phase 2 of the Development Agreement has commenced and is designed to demonstrate that the assay can detect the biomarkers associated with the next generation fFN test. Successful completion of Phase 2 will trigger a US\$0.6 million milestone payment. The balance of the Development Agreement, of US\$3.7 million, is payable following the successful completion of the Phase 3 milestones.
