Ramelius enters into new A\$175M Revolving Debt Facility

Ramelius Resources Limited (ASX: RMS) (“Ramelius”, the “Company”) is pleased to announce that it has executed a Syndicated Facility Agreement (SFA) with Australia and New Zealand Banking Group, Commonwealth Bank of Australia, National Australia Bank, Natixis CIB, and Westpac Banking Corporation.

The SFA and associated documents provide Ramelius with a revolving corporate facility of A\$175 million for a four-year term with the option to extend by a further year. The new facility is an upsized replacement to the previous A\$100M facility that expired upon execution of this SFA.

Managing Director, Mark Zeptner, today said:

“We are very pleased to enter into this facility with our syndicate of lenders who are also considered to be our business partners. While Ramelius has a strong balance sheet and we generate significant operating cash flow, we feel it is important to have the added financial flexibility which this low cost revolving debt facility provides us.”

For the three months ending 30 June 2024, the Company generated underlying free cash flow¹ of approximately A\$137 million. As at 2 July 2024, Ramelius had A\$352.5 million in cash and gold on hand, which is after our recent strategic investment in Spartan Resources Limited of A\$180.4 million, leaving Ramelius with over A\$500 million in liquidity.”

The facility is currently undrawn, and the Company remains debt free.

Leeuwin Capital Partners acted as the financial advisors to Ramelius.
