Appendix 3Y Change in Director's Interest Notice – On-market Trade

I refer to the Appendix 3Y to notify the change of director's interest of Neil Young (the Director) for the on-market purchase of 300,000 CHESS Depository Interests (CDIs).

The CDIs were subject to a trade executed on 28 June 2024 and settled on 2 July 2024.

Permission to undertake the trade was requested by the Director and given by the Company's Chair on the morning of 28 June 2024.

This was followed with an email from the Company Secretary to all directors attaching the Company's Share Trading Policy and noting that the black-out periods under the Company's Share Trading Policy include the period of 14 calendar days up to and including the date of the Annual General Meeting, and 14 days prior to the release of the Company's quarterly results (next due for release on or before 31 July 2024).

By notice of meeting dated 3 June 2024, the 2024 Annual General Meeting (AGM) was held on 28 June 2024 at 2pm WST.

The trade order was filled before the Director could cancel it.

The resolutions put to the shareholders at the AGM (all passed on a poll) were standard for the Company, it was procedural, no shareholder attended in person and no presentation was delivered at the meeting.

The Director was not in possession of any inside information.

An update on the Company's proposed exploration program and activities was announced on ASX on 26 June 2024 following the Company's re-instatement to official quotation on ASX on 26 June 2024.

This is an inadvertent isolated occurrence and it is confirmed that the current practices are adequate for compliance with the ASX Listing Rules and the Company's Share Trading Policy.

This letter is authorised for release by the Company Secretary.

Yours sincerely
