

30 July 2024

SALE OF SURPLUS PLANT COMMENCED

Antilles Gold Limited ("Antilles Gold" or the "Company") (ASX: AAU, OTCQB: ANTMF) is pleased to advise that the disposal of surplus plant and equipment from its completed tailings retreatment project in the Dominican Republic has commenced with the sale of an oxygen plant and associated spares for US\$500,000 (~A\$760,000). The plant has been sold on an as-is where-is basis, and will be dismantled and exported by the buyer.

Items remaining to be sold include an Isa Mill, ball mill, limestone mill, and two dredges.
