PILBARA MINERALS TO ACQUIRE LATIN RESOURCES

Pilbara Minerals Limited (ASX: PLS) (**Pilbara Minerals**) and Latin Resources Limited (ASX:LRS) (**Latin Resources**) are pleased to announce that they have entered into a binding Scheme Implementation Agreement (**SIA**) under which it is proposed that Pilbara Minerals will acquire 100% of the shares in Latin Resources by way of a Court-approved scheme of arrangement under Part 5.1 of the Corporations Act 2001 (Cth) (**Scheme**).

HIGHLIGHTS

- All-share consideration from Pilbara Minerals is highly compelling and mutually beneficial:
 - Pilbara Minerals secures Latin Resources' flagship Salinas Lithium Project (**Salinas**) which has potential to become a top 10 hard rock lithium operation by production globally (excluding Africa), located in the world class mining jurisdiction of Minas Gerais, Brazil, with development flexibility (subject to market conditions) to supply new markets.
 - Latin Resources shareholders benefit from an immediate premium and unlocking of Salinas' value by de-risking funding and development through leveraging Pilbara Minerals' proven experience in developing and operating hard rock lithium projects, all while receiving immediate exposure to lithium production from Pilbara Minerals' Tier 1 Pilgangoora operation.
- On-strategy, counter-cyclical transaction which delivers both a premium to Latin Resources shareholders and is expected to be accretive to Pilbara Minerals across a range of key metrics including net asset value (**NAV**), Mineral Resources and future production.^{1, 2}
- Salinas has the potential to make a significant contribution to the pro-forma Pilbara Minerals by:
 - immediately adding ~20% to Pilbara Minerals' Mineral Resources;²
 - contributing up to ~30% of pro-forma steady state production upon Salinas achieving steady state production at a cost base that is expected to be competitive with Pilgangoora;¹ and
 - providing new supply opportunities into the North American and European battery markets.
- Latin Resources shareholders will receive 0.07 new Pilbara Minerals shares for each Latin Resources share held and will own ~6.4% of Pilbara Minerals' shares upon implementation of the Scheme.³
 - For Latin Resources shareholders, exchanging their shares for Pilbara Minerals shares will also deliver a range of diversification and other benefits including enhanced market positioning, a

¹ Salinas target steady state production rate of 405ktpa SC5.5 plus 123ktpa SC3.0 (combined average of 499ktpa SC5.2 equivalent). Actual production rates and cost position are subject to Salinas DFS outcomes and FID which are also dependent on market conditions. For more information see Latin Resources' ASX announcement "Robust results for Colina Lithium Project PEA" released to the ASX on 28 September 2023. For Pilbara Minerals, based on P1000 10-year average production rate, excluding potential P2000 expansion, of 1,060ktpa SC5.2. larger free float with significantly increased liquidity, enhanced access to capital markets and inclusion in relevant ASX & global indices.

- Based on Pilbara Minerals' closing price of A\$2.85 per share on 14 August 2024, the transaction implies a value of ~A\$0.20 per Latin Resources share (**Implied Offer Price**)³ which represents a:
 - 57% premium to Latin Resources' 10-day volume-weighted average price (**VWAP**) of A\$0.127 per share; and
 - 32% premium to Latin Resources' 30-day VWAP of A\$0.151 per share.
- The Latin Resources Board has unanimously recommended the Scheme in the absence of a Superior Proposal (as defined in the SIA) emerging and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Latin Resources shareholders.
- All of the directors of Latin Resources' Board (who together hold 4.8% of Latin Resources' total issued shares) have confirmed their intention to vote in favour of the Scheme, subject to those same qualifications.
- Latin Resources' largest shareholder José Luis Manzano (7.9%) has confirmed his intention to vote his Latin Resources shares in favour of the Scheme in the absence of a Superior Proposal emerging and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Latin Resources shareholders.
- Latin Resources' Managing Director, Chris Gale, has agreed to join Pilbara Minerals as a consultant for a period of 12 months to provide leadership continuity with key stakeholders, including the Latin Resources in-country team, senior government officials and local community representatives to progress key activities at Salinas.

Commenting on the Scheme, Pilbara Minerals' Managing Director and CEO, Dale Henderson, said:

"We are excited to announce the acquisition of Latin Resources. This acquisition is on-strategy, diversifying the business with what we believe is a counter-cyclical, accretive extension that further builds out Pilbara Minerals' position as one of the leading lithium materials suppliers globally.

The acquisition will deliver our second 100% owned, Tier 1, hard rock lithium asset, which is expected to be low-cost and accretive for our shareholders. It provides Pilbara Minerals with optionality to sequence new supply and diversify into new growth markets for lithium such as Europe and North America.

The acquisition follows an extensive period of project assessment globally in which we rank Latin Resources' Salinas project at the top of our list when benchmarked holistically across a range of key criteria. Further, a comprehensive due diligence period has been conducted over the past six months which has built-out our understanding of the asset and the region's potential. Importantly, the acquisition leverages Pilbara Minerals' capability in hard rock lithium resource delineation, project development, operations and marketing experience.

We would like to acknowledge the success of Chris and all the Latin Resources team on the remarkable work completed in advancing the Salinas project to date. The group have successfully stewarded the development of the Salinas project to a meaningful scale in what has been a short period since the asset's discovery in 2022.

We also thank the State of Minas Gerais and the local Salinas community for their continued support for the Salinas project. One of the reasons Pilbara Minerals was attracted to Latin Resources was the strong foundation of community support that has been established to date. We look forward to working alongside the Latin Resources team, and other key stakeholders, as we develop Salinas to its full potential and we are delighted Chris will be joining our team to continue the development journey of the project.

We expect the combination of the Latin Resources and Pilbara Minerals teams will unlock the significant value of the Salinas project over time, de-risking its development and timing the project delivery appropriately in lock-step with the lithium market's growth.

We are also pleased to welcome Latin Resources shareholders onto the Pilbara Minerals share register. The all-share transaction structure enables Latin Resources shareholders to continue to participate in the Salinas project and broader lithium market growth journey through the Pilbara Minerals business. Further, the structure also ensures Pilbara Minerals preserves its strong balance sheet capacity enabling the business to support current growth commitments and consider additional opportunities in the future."

Latin Resources' Managing Director, Chris Gale, added:

"I am extremely excited and proud that our achievements in Brazil have attracted such a high quality company in Pilbara Minerals to Salinas. I have spent time at Pilbara Minerals' Pilgangoora mine, met with the Pilbara Minerals team and I'm in no doubt that Pilbara Minerals' expertise' in lithium mining will be an enormous benefit not only to Latin Resources and its 100%-owned Brazilian subsidiary, Belo Lithium, but to Brazil itself. Brazil's Lithium Valley will now well and truly be on the world's global lithium map as one of the best lithium mining jurisdictions in the world.

The Scheme announced today provides Latin Resources shareholders with an exciting opportunity to become shareholders in the world's largest pure play hard rock lithium producer, diversified across Tier 1 projects in Australia and Brazil.

In addition to delivering an attractive premium, this transaction allows Latin Resources shareholders to retain ongoing, but significantly de-risked, exposure to the development of Salinas as part of a larger, more diversified enterprise with a strong balance sheet, cashflow generation and technical expertise, all of which will support the successful development and operation of Salinas.

The Latin Resources Board is extremely proud of the hard work and achievements of the Latin Resources team and the significant progress made in advancing Salinas to its current pre-development status.

Along with members of my executive management team, I was very pleased to be asked to commit to continue to work with Pilbara Minerals to advance the Salinas project towards production and I'm excited about the future prospects for our project in Brazil when combined with Pilbara Minerals' existing asset base.

Along with my fellow directors, I had no hesitation in supporting this Scheme and I am very much looking forward to working with Dale and the Pilbara Minerals team to unlock the full potential of Salinas."

OVERVIEW OF PILBARA MINERALS

Pilbara Minerals is the leading ASX-listed lithium company, owning 100% of the world's largest, independent hard rock lithium operation. Located in Western Australia's resource rich Pilbara region, the Pilgangoora operation produces spodumene and tantalite concentrates. The significant scale and quality of the operation has attracted a consortium of high quality, global partners including POSCO, Ganfeng Lithium, General Lithium, Yahua, Yibin Tianyi and Chengxin Lithium.

OVERVIEW OF LATIN RESOURCES AND THE SALINAS PROJECT

Latin Resources is an ASX-listed, Perth-headquartered company with a primary focus on the development of its flagship, 100%-owned Salinas lithium project located in Minas Gerais, a pro-mining State of Brazil. Minas Gerais is home to over 300 operating mines including projects owned by BHP, Anglo American and Vale.

A Preliminary Economic Assessment (**PEA**) announced by Latin Resources on 28 September 2023 outlined the potential for Salinas to be developed in two stages to deliver combined average annual spodumene concentrate (**SC**) production of ~499kt on a 5.2% Li₂O basis over an initial mine life of 11 years (based on the Mineral Resource Estimate of 45.2Mt @ 1.32% Li₂O as at the date of the PEA which

has subsequently been materially expanded as outlined below).¹ Latin Resources has also been progressing a Definitive Feasibility Study (DFS) for Salinas with an update provided in “Development Pathway” below.

On 30 May 2024, Latin Resources announced a material upgrade to its global Mineral Resource Estimate to 77.7Mt @ 1.24% Li₂O (reported above a cut-off of 0.5% Li₂O) with greater than 85% in the Measured & Indicated categories,² which reinforced Salinas’ potential to become a large-scale and long-life operation.

STRATEGIC RATIONALE

The Scheme is expected to deliver significant value for Pilbara Minerals shareholders including:

- on-strategy, counter-cyclical transaction expected to be accretive across a range of key metrics including NAV, Mineral Resources and future production;^{1,2}
- diversification of current operations by potentially adding a second operating platform in an emerging lithium region, with Salinas expected to contribute up to ~30% to pro-forma steady state production at Salinas’ target production levels, once developed;¹
- continued exposure to Tier 1 assets through the addition of a high quality, expected low cost project of meaningful scale in an attractive mining jurisdiction;
- near-term production optionality from Salinas driven by eligibility for fast-tracked permitting process and the pro-mining stance of the Minas Gerais State. Pilbara Minerals will consider any project timing against the prevailing lithium market conditions as undertaken historically with previous production expansions;
- enables Pilbara Minerals to leverage its strong balance sheet and proven technical expertise to de-risk and further optimise Salinas project execution;
- provides enhanced access to the North American and European battery markets, including the opportunity to explore further strategic partnerships using production from Salinas; and
- all-share transaction structure preserves Pilbara Minerals’ strong net cash and liquidity position and ensures it remains well capitalised to fund both organic growth at Pilgangoora and the development of Salinas.

The benefits of the Scheme to Latin Resources shareholders include:

- immediate upside through the delivery of an attractive premium to recent trading prices in Latin Resources;
- ongoing exposure to the development of Salinas through holding shares in Pilbara Minerals, with Latin Resources shareholders representing ~6.4% of the pro-forma entity;³
- Salinas funding and development risk significantly mitigated and value unlocked given access to Pilbara Minerals’:
 - strong balance sheet;
 - ongoing cashflows from Pilgangoora to support development of Salinas and pursuit of other opportunities in Brazil;
 - proven technical expertise and project development, operating and marketing capabilities, which will complement Latin Resources’ existing senior management team and Salinas project expertise; and
- material diversification and broader benefits from exchanging Latin Resources shares for Pilbara

Minerals shares, including:

- enhanced market positioning and inclusion in relevant ASX and global indices;
- larger free float, significantly increased liquidity and enhanced access to capital markets, with Pilbara Minerals being an ASX-50 company;
- immediate exposure to lithium production via the world's largest pure play lithium producer with a Tier 1 project in a highly attractive jurisdiction; and
- exposure to Pilbara Minerals' lithium mining and processing intellectual property and know-how, including the potential to leverage its midstream electric calcination technology to potentially produce lithium chemicals from Salinas.

DEVELOPMENT PATHWAY

Latin Resources has been progressing a DFS for Salinas which had been anticipated to be completed by the end of the September Quarter 2024 based on a standalone development of Salinas. Under the SIA, Latin Resources and Pilbara Minerals have agreed to form an integration committee which provides (amongst other things) a forum for Pilbara Minerals to share its project development, mining and processing expertise to assist in optimising the DFS and the potential of Salinas to unlock value for both Latin Resources and Pilbara Minerals shareholders on the assumption that the Scheme is implemented.

Upon implementation of the Scheme, Pilbara Minerals will continue to progress and optimise the DFS towards completion, building on the work undertaken by the two companies between now and then. Based on due diligence completed, Pilbara Minerals plans to further optimise the mine plan, project flowsheet and design incorporating the learnings from Pilgangoora and other producers in the region using a combination of Pilbara Minerals' projects engineering team and the in-country Latin Resources study team. Timing of the optimised DFS will be advised to shareholders as soon as practicable.

Once the DFS is completed and ongoing Stage 1 fast-tracked permitting is finalised, Pilbara Minerals has the optionality to consider a final investment decision (**FID**). Pilbara Minerals will consider any project development and FID timing against the prevailing lithium market conditions and customer requirements, consistent with previous Pilbara Minerals production expansions.

FUNDING

The all-share Scheme consideration preserves Pilbara Minerals' strong existing balance sheet and liquidity position to ensure it remains well capitalised to fund its growth strategy, including organic growth at Pilgangoora and the future development of Salinas.

Pilbara Minerals intends to explore a range of funding options to support the future development of Salinas including project finance, corporate debt facilities, strategic partnership opportunities, funding sources tied to Salinas' uncommitted offtake, Pilbara Minerals' current cash on balance sheet and cash generated from existing operations. Pilbara Minerals will only make a FID on development of Salinas if and when market conditions are supportive, noting that Salinas is anticipated to be a low cost and low capital intensity project.

In connection with the implementation of the Scheme, Pilbara Minerals has agreed in principle to provide a A\$10 million loan facility to Latin Resources, which will be available for drawdown towards the end of the anticipated Scheme implementation process and would be used for general working capital purposes and the early works program. Timing of repayment of the facility will be a function of the circumstances in which the Scheme process concludes. The parties will take steps to enter into definitive documentation in the short term and details of the facility will be included in the Scheme Booklet.

LATIN RESOURCES BOARD AND SHAREHOLDER SUPPORT

The Board of Latin Resources unanimously supports the Scheme and has unanimously recommended that Latin Resources shareholders vote in favour of the Scheme, in the absence of a Superior Proposal

emerging and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Latin Resources shareholders. Subject to those same qualifications, each member of the Latin Resources Board (representing 4.8% of Latin Resources' total issued shares) intends to vote all Latin Resources shares held or controlled by them in favour of the Scheme.

Latin Resources' largest shareholder José Luis Manzano (7.9%) has also indicated his intention to vote his Latin Resources shares in favour of the Scheme in the absence of a Superior Proposal emerging and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Latin Resources shareholders.

OVERVIEW OF THE SCHEME

Under the terms of the Scheme, Pilbara Minerals will acquire 100% of the issued shares in Latin Resources at a fixed exchange ratio of 0.07 new Pilbara Minerals shares for each Latin Resources share.

Upon implementation of the Scheme, Latin Resources shareholders will own approximately ~6.4% of all issued Pilbara Minerals' shares.³

The Scheme is subject to certain conditions, including:

- an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Latin Resources shareholders;
- customary conditions, including receipt of regulatory approvals⁴ and no material adverse change or prescribed events occurring in respect of either Pilbara Minerals or Latin Resources;

For the Scheme to proceed, the resolutions at the Scheme Meeting must be approved by at least 75% of all votes cast by Latin Resources shareholders and a majority by number of all Latin Resources shareholders present and voting (in person or by proxy) at the Scheme Meeting;
- the completion of a Latin Resources shareholder-approved in-specie distribution of all of Latin Resources' non-core assets (which predominantly consist of immaterial tenement interests in Peru, Argentina and Australia); and
- the requisite Court approvals.

The SIA contains customary exclusivity obligations, including "no shop, no talk" provisions, notification obligations and a matching right regime in the event any Superior Proposal emerges for Latin Resources.

The SIA also details circumstances under which a break fee may be required to be paid by both parties.

Full details of the terms and conditions of Scheme are set out in the SIA, a copy of which is attached as Appendix B to this announcement.

LATIN RESOURCES OPTIONS AND PERFORMANCE RIGHTS

Latin Resources performance rights will be vested in connection with the Scheme, with the resulting Latin Resources shares to be subject to the Scheme.

Latin Resources options will be subject to a stand-alone scheme of arrangement (**Option Scheme**), pursuant to which Latin Resources options will be exchanged for shares in Pilbara Minerals. Full particulars of the Option Scheme will be disclosed in Option Scheme documentation which will be prepared in the coming weeks.

The Option Scheme is conditional on the Scheme for Latin Resources shares taking effect, but the Scheme is not conditional on the approval of the Option Scheme. Other customary conditions apply to

the Option Scheme, full details of which are set out in the SIA.

The Latin Resources Board has unanimously recommended that Latin Resources optionholders vote in favour of the Option Scheme in the absence of a Superior Proposal emerging and subject to an independent expert concluding (and continuing to conclude) that the Option Scheme is in the best interests of Latin Resources optionholders.

LATIN RESOURCES NON-CORE ASSETS

Prior to the Scheme being implemented, Latin Resources will undertake a program of divesting its non-core assets which comprise immaterial tenement interests in Peru, Argentina and Australia. Further information about the disposal of these non-core assets will be provided in due course.

Each of Target and Bidder agree to use reasonable endeavours to procure that:

 - (i) provide the other party with drafts of any material written communications to be sent to a Regulatory Authority and make any amendments as the other party reasonably requires; and

- (ii) provide copies of any material written communications sent to or received from a Regulatory Authority to the other party promptly upon despatch or receipt (as the case may be),

in each case to the extent it is reasonable to do so; and

- (e) **(Regulatory Authority)** must promptly offer to the relevant Regulatory Authority, and agree or accept, all undertakings, commitments and conditions necessary or appropriate in order to obtain the approval or consent (as the case may be) as soon as possible, unless it would be unreasonable to do so.

3.5 Third party consents

- (a) Target agrees that it will provide notifications and seek consents, waivers or releases from relevant third parties in connection with the announcement and/or implementation of the Scheme and the Option Scheme as described below:
- (i) as soon as practicable after the date of this document, Target must ensure that all notifications are made to, or consents, waivers or releases are sought from, all third parties, as agreed between the parties in order to satisfy the Condition Precedent set out in clause 3.1(g);

- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.6 may do so in its absolute discretion.
- (c) If either Target or Bidder waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.6, then:

- (i) subject to clause 3.6(c)(ii), that waiver precludes that party from suing the other for any breach of this document arising as a result of the breach or non-fulfilment of that Condition Precedent or arising from the same event which gave rise to the breach or non-fulfilment of that Condition Precedent; but
- (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.6(c)(i); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:

3.7 Notices in relation to Conditions Precedent

3.8 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent in clause 3.1 which is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent;
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent in clause 3.1 being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document); or
- (c) the Scheme has not become Effective by the End Date,

the parties must consult in good faith and act reasonably with a view to determine whether:

- (d) the Scheme may proceed by way of alternative means or methods;

- (b) A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that party.

3.10 Scheme or Option Scheme voted down because of the Headcount Test

If the Scheme is not approved by Scheme Shareholders at the Scheme Meeting or the Option Scheme is not approved by Target Optionholders at the Option Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Target or Bidder considers, acting reasonably, that Security Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied then Target must:

- (a) in respect of the Scheme:
 - (i) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and

3.11 End Date

If the Condition Precedent in clause 3.1(d) has not been satisfied or waived by the date that is 5 Business Days prior to the End Date, either party may extend the End Date by a further 3 months by written notice to the other. If a party so extends the End Date under this clause 3.11, the parties will work together in good faith to agree any necessary or appropriate amendments to this document. Once a party has exercised the right to extend the End Date pursuant to this clause 3.11, the rights in this clause cannot be exercised again and they will cease to apply to permit further extensions of the End Date.

- (i) after consultation with its financial advisors, such a genuine Competing Transaction is, or could reasonably be considered to become, a Superior Proposal; and
- (ii) after receiving written legal advice from its external legal advisers, failing to respond to such a genuine Competing Transaction would be reasonably likely to constitute a breach of the Target Board's fiduciary or statutory obligations,

- (b) must use its best endeavours to procure that none of its directors:
 - (i) change their Recommendation or Voting Intention in favour of the Scheme and Option Scheme; or
 - (ii) publicly recommend or support an actual, proposed or potential Competing Transaction (or recommend against the Scheme or Option Scheme),

unless:

- (c) the Target Board acting in good faith, determines:

- (i) after taking written advice from its external legal adviser and financial adviser, that the Competing Transaction is a Superior Proposal; and
- (ii) after receiving such legal advice from its external legal advisers, that the failure to take such actions specified in clause 10.8(a) and/or 10.8(b) would be reasonably likely to constitute a breach of the Target Board's fiduciary or statutory duties;
- (d) Target has provided Bidder with the material terms and conditions of the actual, proposed or potential Competing Transaction to the extent required by clause 10.7(b);

If Bidder proposes to Target, or announces amendments to the Scheme (and/or the Option Scheme) or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Competing Transaction (**Bidder Counterproposal**) by the expiry of the 5 Business Day period referred to in clause 10.8(e), Target must procure that the Target Board considers the Bidder Counterproposal and if the Target Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Scheme Shareholders as a whole compared with the Competing Transaction, taking into account all of the terms and conditions of the Bidder Counterproposal, then:

- (a) Target and Bidder must use their best endeavours to agree the amendments to this document and, if applicable, the Scheme and Deed Poll, the Option Scheme and Option Scheme Deed Poll that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable; and
- (b) Target must use its best endeavours to procure that each of the Target Directors continues to recommend the Scheme and the Option Scheme (as modified by the Bidder Counterproposal) to Scheme Shareholders and Target Optionholders on the basis set out in clause 6.1.

If the Target Board, acting reasonably and in good faith, determines that the Bidder Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Target Shareholders as a whole compared with the actual, proposed or potential Competing Transaction, then Target must promptly (and in any event within 24 hours of the Target Board making such determination) notify Bidder in writing of the determination.

10.10 Legal advice

Target acknowledges that it has received legal advice on this document and the operation of this clause.

11 Break Fee

11.1 Background

This clause has been agreed in circumstances where:

- (a) Bidder and Target believe that the Scheme and Option Scheme will provide significant benefits to Bidder, Target and their respective shareholders, and Bidder and Target acknowledge that, if they enter into this document and the Scheme and Option Scheme are subsequently not implemented, Bidder will incur significant costs, including those set out in clause 11.5;
- (b) Bidder requested that provision be made for the Break Fee, without which Bidder would not have entered into this document;

- (d) both parties have received legal advice on this document and the operation of this clause.

11.2 Payment by Target to Bidder

Target agrees to pay the Break Fee to Bidder without withholding or set off if:

- (a) **(Competing Transaction)** on or before the End Date a Competing Transaction is announced (whether or not such proposal is stated to be subject to any pre-conditions) and within 12 months of the End Date the third party who announced or made the Competing Transaction (or any of its Associates) completes a Competing Transaction of a kind referred to paragraph (a) of the definition of Competing Transaction;
- (b) **(change of Recommendation)** any Target Director:
 - (i) fails to make the Recommendation or give the Voting Intention; or
 - (ii) withdraws their Recommendation or Voting Intention, adversely changes, modifies or qualifies their Recommendation or Voting Intention or otherwise makes a public statement indicating that they no longer support the Scheme or the Option Scheme,except where:
 - (iii) the change of Recommendation or Voting Intention:
 - (A) relates to the Scheme and is made after the Independent Expert concludes that in the opinion of the Independent Expert the Scheme is not in the best interests of Scheme Shareholders; or
 - (B) relates to the Option Scheme and is made after Independent Expert concludes that in the opinion of the

Independent Expert the Option Scheme is not in the best interests of Target Optionholders,

in either case other than where the reason for such opinion is due wholly or partly to the existence, announcement or publication of a Competing Transaction; or

- (iv) the Court makes an Abstain Order in relation to the relevant Target Director;
- (c) **(Superior Proposal)** Target validly terminates this document in accordance with clause 14.1(g);
- (d) **(termination)** Bidder validly terminates this document in accordance with:
 - (i) clause 14.1(d);
 - (ii) clause 14.1(e); or
 - (iii) clause 14.1(h)(i) or clause 14.1(h)(ii) and the failure to satisfy the relevant Condition Precedent resulted from a breach of this document by Target or a deliberate act or omission of Target (which for the avoidance of doubt, includes the occurrence of a Target Prescribed Event).

11.3 No amount payable in certain circumstances

Notwithstanding the occurrence of any event in clause 11.2, no amount is payable by Target under clause 11.2, and if any amount has already been paid under clause 11.2 it must be refunded by Bidder, if:

- (a) the Scheme becomes Effective;
- (b) prior to or at the time that the Break Fee becomes (otherwise) payable under clause 11.2, one or both of the following apply:
 - (i) Target was entitled to terminate this document under clause 14.1(d); or
 - (ii) Target was entitled to terminate this document under clause 3.9.

11.4 Timing of payment

- (a) A demand by Bidder for payment of the Break Fee under clause 11.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Bidder into which Target must pay the Break Fee.
- (b) Target must pay the Break Fee to Bidder under clause 11.2 without withholding or set off within 5 Business Days of receipt by Target of a valid demand for payment from Bidder under clause 11.4(a).

- (c) The Break Fee is only payable to Bidder once.

11.5 Nature of payment

The Break Fee is an amount to compensate Bidder for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Bidder's management from conducting Bidder's business as usual caused by pursuing the Scheme and the Option Scheme;
- (e) reasonable opportunity costs incurred by Bidder in pursuing the Scheme and the Option Scheme or in not pursuing alternative acquisitions or strategic initiatives which Bidder could have developed to further its business and objectives; and
- (f) damage to Bidder's reputation associated with a failed transaction and the implications of that damage to Bidder's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the amount payable under clause 11.2.

11.6 Target's limitation of liability

- (a) Subject to clause 11.6(b), 11.6(c) and 11.7, but otherwise notwithstanding any other provision of this document:
 - (i) the maximum aggregate liability of Target to Bidder under or in connection with this document including in respect of any breach or repudiation of this document will be an amount equal to the Break Fee; and
 - (ii) the payment by Target of the Break Fee represents the sole, maximum and absolute amount of liability of Target and the Target Indemnified Parties in aggregate under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by Target or the Target Indemnified Parties in connection with this document.
- (b) Nothing in clause 11.6(a) affects Bidder's right to specific performance, injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this document by any party.
- (c) The limitation in clause 11.6(a) will not:
 - (i) prevent Bidder from recovering the actual costs it incurs in connection with this document, the Scheme and the Option Scheme (to the extent such costs exceed the Break Fee) if Target has breached its obligations to register all transfers of Target Shares and Target Options to Bidder in accordance with clauses 5.2(v) and 5.2(w);
 - (ii) apply (A) in connection with a deliberate or reckless breach by Target of clause 10 (which for the avoidance of doubt, does not

include any action taken by Target in accordance with the exception in clause 10.5) or (B) where Target has (in breach of clause 10) agreed, prior to the termination of this document, to pay a third party a break fee or similar cost reimbursement commitment in connection with any actual, proposed or potential Competing Transaction; or

- (iii) apply to extinguish or limit the liability of Target for any fraud, wilful misconduct or wilful breach on the part of Target.

11.7 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal or review to the Takeovers Panel or a court (or the period for lodging such appeals or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced) that all or any part of the amount payable under clause 11.2:

- (i) is unlawful or would, if performed, be unlawful; or
- (ii) constitutes unacceptable circumstances within the meaning of the Corporations Act,

then Target's obligation to pay the applicable amount or part of the amount payable under clause 11.2 does not apply and if Bidder has received any such part of the payment due under clause 11.2 it must refund it within 5 Business Days of such final determination.

- (b) The parties must not make or cause or permit to be made any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in this clause 11.7.

12 Reverse Break Fee

12.1 Background

This clause has been agreed in circumstances where:

- (a) Bidder and Target believe that the Scheme and the Option Scheme will provide significant benefits to Bidder, Target and their respective shareholders, and Bidder and Target acknowledge that, if they enter into this document and the Scheme and Option Scheme are subsequently not implemented, Target and Target Shareholders will incur significant costs including those set out in clause 12.5;
- (b) Target requested that provision be made for the payment of the Reverse Break Fee, without which Target would not have entered into this document;
- (c) both the Bidder Board and Target Board believe that it is appropriate for both parties to agree to the payment referred to in this clause to secure Target's participation in the Scheme and the Option Scheme; and
- (d) both parties have received legal advice on this document and the operation of this clause.

12.2 Payment by Bidder to Target

Bidder agrees to pay the Reverse Break Fee to Target without withholding or set off if Target validly terminates this document in accordance with clause 14.1(d).

12.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 12.2, if the Scheme becomes Effective:

- (a) no amount is payable by Bidder under clause 12.2; and
- (b) if any amount has already been paid under clause 12.2 it must be refunded by Target.

12.4 Timing of payment

- (a) A demand by Target for payment of the Reverse Break Fee under clause 12.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Target into which Bidder must pay the Reverse Break Fee.
- (b) Bidder must pay the Reverse Break Fee to Target without withholding or set off within 5 Business Days of receipt by Bidder of a valid demand for payment from Target under clause 12.4(a).
- (c) The Reverse Break Fee is only payable to Target once.

12.5 Nature of payment

The Reverse Break Fee is an amount to compensate Target for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Target's management from conducting Target's business as usual caused by pursuing the Scheme and the Option Scheme;
- (e) reasonable opportunity costs incurred by Target in pursuing the Scheme and the Option Scheme or in not pursuing strategic initiatives which Target could have developed to further its business and objectives; and
- (f) damage to Target's reputation associated with a failed transaction and the implications of that damage to Target's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the amount payable under clause 12.2.

12.6 Bidder's limitation of liability

- (a) Notwithstanding any other provision of this document but subject to clause 12.6(b), 12.6(c) and 12.7:
 - (i) the maximum aggregate liability of Bidder to Target under or in connection with this document including in respect of any breach or repudiation of this document will be an amount equal to the Reverse Break Fee; and
 - (ii) the payment by Bidder of the Reverse Break Fee represents the sole, maximum and absolute liability of Bidder and the Bidder Indemnified Parties in aggregate under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by Bidder or the Bidder Indemnified Parties under or in connection with this document.
- (b) Nothing in clause 12.6(a):
 - (i) limits Bidder's liability under the Deed Poll; or
 - (ii) affects Target's or a Scheme Participant's right to specific performance or injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this document by any party.
- (c) The limitation in clause 12.6(a) will not apply to extinguish or limit the liability of Bidder for any fraud, wilful misconduct or wilful breach on the part of Bidder.

12.7 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal or review to the Takeovers Panel or a court (or the period for lodging such appeals or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced) that all or any part of the amount payable under clause 12.2:
 - (i) is unlawful or would, if performed, be unlawful; or
 - (ii) constitutes unacceptable circumstances within the meaning of the Corporations Act,then Bidder's obligation to pay the applicable amount or part of the amount payable under clause 12.2 does not apply and if Target has received any such part of the payment due under clause 12.2 it must refund it within 5 Business Days of such final determination.
- (b) The parties must not make or cause or permit to be made any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in this clause 12.7.

- (d) if the Scheme Participant is not an Ineligible Foreign Shareholder or an Electing Small Scheme Participant, agrees to become a member of Bidder, to have their name entered in the Bidder Register, accepts the New Bidder Shares issued to them and agrees to be bound by Bidder's constitution;
- (e) agrees and acknowledges that the issue of New Bidder Shares in accordance with clause 6.2 or the provision of the Proceeds in accordance with clause 6.6(c) constitutes satisfaction of all their entitlements to Scheme Consideration under this Scheme;
- (f) acknowledges that this Scheme binds Target and all of the Scheme Participants from time to time (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Target;
- (g) appoints Target, and each director and officer of Target, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) that the Sale Nominee is required to provide to Ineligible Foreign Shareholders or Electing Small Scheme Participants under the Corporations Act or any other applicable law; and
- (h) consents to Target and Bidder doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it.

5.6 Warranty by Scheme Participants

- (a) Each Scheme Participant warrants to Bidder and is deemed to have authorised Target to warrant to Bidder as agent and attorney for the Scheme Participant by virtue of this clause 5.6, that:
- (i) on the Implementation Date, all their Scheme Shares (including any rights and entitlements attaching to those shares) transferred to Bidder under this Scheme will, as at the date of the transfer, be fully paid and free from all Encumbrances and interests of third parties of any kind, whether legal or otherwise, and free from any restrictions on transfer of any kind; and
- (ii) on the Implementation Date, they have full power and capacity to sell and to transfer their Scheme Shares (including any rights and entitlements attaching to those shares) to Bidder under the Scheme; and
- (iii) on the Record Date, they have no existing right to be issued any other Scheme Shares or any other form of securities in Target.
- (b) Target undertakes that it will provide such warranty in clause 5.6(a) to Bidder as agent and attorney of each Scheme Participant.

5.7 Appointment of Bidder as sole proxy

- (a) Subject to the provision of the Scheme Consideration for the Scheme Shares held by Scheme Participants as contemplated by clause 6, on and from the Implementation Date until Target registers Bidder as the holder of all of the Scheme Shares held by Scheme Participants in the Register, each Scheme Participant:

- (i) is deemed to have irrevocably appointed Target as attorney and agent, and directs Target (in such capacity) to appoint Bidder and each of its directors from time to time (jointly and each of them individually) as its sole proxy (and where applicable, corporate representative), to attend shareholders' meetings, exercise the votes attaching to Scheme Shares registered in its name and sign any shareholders' resolution or document (whether in person, by proxy or corporate representative);
 - (ii) must not attend or vote at any Target shareholders' meetings, exercise the votes attaching to Scheme Shares registered in its name or sign any Target shareholders' resolution, whether in person, by proxy or by corporate representative (other than pursuant to clause 5.7(a)(i));
 - (iii) must take all other actions in the capacity of the registered holder of Scheme Shares as Bidder reasonably directs; and
 - (iv) acknowledges and agrees that in exercising the powers referred to in clause 5.7(a)(i), Bidder and any director may act in the best interests of Bidder as the intended registered holder of the Scheme Shares.
- (b) Target undertakes in favour of each Scheme Participant that it will appoint Bidder and each of its directors from time to time (jointly and each of them individually) as that Scheme Participant's proxy or, where applicable, corporate representative in accordance with clause 5.7(a)(i).

5.8 Appointment of Target as attorney for implementation of Scheme

Each Scheme Participant, without the need for any further act by any Scheme Participant, irrevocably appoints Target and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of:

- (a) on the Implementation Date, executing any document or doing or taking any other act necessary, desirable or expedient, or incidental to give effect to this Scheme and the transactions contemplated by it including executing and delivering any executed Transfer and any other deed or document reasonably required by Bidder, that causes each Scheme Participant (or the Sale Nominee, if applicable) to become a shareholder of Bidder or holder of New Bidder Shares and to be bound by the terms of the constitution of Bidder; and

- (b) on and from the Effective Date, enforcing the Deed Poll against Bidder,

and Target accepts such appointment and undertakes in favour of each Scheme Participant to enforce the Deed Poll against Bidder on behalf of and as agent and attorney for the Scheme Participants. Target as attorney and agent of each Scheme Participant may sub-delegate its functions, authorities or powers under this clause 5.8 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

6 Scheme Consideration

6.1 Consideration under this Scheme

On the Implementation Date, Bidder must provide, or procure the provision of, the Scheme Consideration to the Scheme Participants (or to the Sale Nominee) in accordance with this clause 6.

6.2 Provision of Scheme Consideration

- (a) Subject to the other provisions of this clause 6, the obligations of Bidder to provide, or procure the provision of, the Scheme Consideration to the Scheme Participants will be satisfied by Bidder:
 - (i) on the Implementation Date, issuing to, or procuring the issuance to, each Scheme Participant (other than the Ineligible Foreign Shareholders and Electing Small Scheme Participants) the Scheme Consideration for each Scheme Share transferred to Bidder on the Implementation Date by that Scheme Participant; and
 - (ii) procuring that the name and address of each such Scheme Participant (other than the Ineligible Foreign Shareholders and Electing Small Scheme Participants) is entered into the Bidder Register on the Implementation Date in respect of the New Bidder Shares to which it is entitled under this clause 6.
- (b) Bidder must procure that, as soon as practicable after the Implementation Date (and in any event within the time period required by the Listing Rules), a holding statement (or equivalent document) is sent to the Registered Address of each Scheme Participant who is not an Ineligible Foreign Shareholder or Electing Small Scheme Participant, representing the number of New Bidder Shares issued to such Scheme Participant pursuant to this Scheme.

6.3 Fractional entitlements

- (a) If the number of Scheme Shares held by a Scheme Participant at the Record Date is such that the aggregate entitlement of the Scheme Participant to New Bidder Shares includes a fractional entitlement to a New Bidder Share, the entitlement will be rounded as follows:
 - (i) if the fractional entitlement is less than 0.5, the entitlement will be rounded down to the nearest whole number of New Bidder Shares; and
 - (ii) if the fractional entitlement is equal to or more than 0.5, the entitlement will be rounded up to the nearest whole number of New Bidder Shares.
- (b) If a Nominee Holder holds more than one parcel of Scheme Shares as trustee or nominee for, or otherwise on account of, another person, then for the purposes of this clause 6.3, the Scheme Consideration for the Nominee Holder will be calculated and rounded based on the aggregate number of Scheme Shares held by the Nominee Holder in those parcels as trustee or nominee for, or otherwise on account of, other persons.
- (c) If Bidder or Target is of the opinion that two or more Scheme Participants (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 6.3(a) or each of whom holds less than or equal to the number of Target Shares required to classify as a Small Scheme Participant) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to such rounding, Target must provide the relevant details of the relevant Scheme Participants to Bidder, and if reasonably requested by Bidder, Target must give notice to those Scheme Participants:
 - (i) setting out their names and Registered Addresses;

- (ii) stating that opinion; and
- (iii) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Participant specifically identified in the notice as the deemed holder of the specified Scheme Shares will, for the purpose of the provisions of this Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Participants whose names and Registered Addresses are set out in the notice will, for the purposes of the provisions of this Scheme, be taken to hold no Scheme Shares. Bidder, in complying with the other provisions of this Scheme relating to it in respect of the Scheme Participant specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to other Scheme Participants named under the notice under the terms of this Scheme.

6.4 Election by Small Scheme Participant

- (a) Target must provide each Small Scheme Participant with, or procure the provision to each Small Scheme Participant of, an Opt-in Notice.
- (b) If a Small Scheme Participant has provided Target with a duly completed Opt-in Notice prior to 5.00pm on the Business Day prior to the Record Date, Bidder will be under no obligation under this Scheme or the Deed Poll to issue, and will not issue, any New Bidder Shares to that Small Scheme Participant, and instead Bidder must procure that the New Bidder Shares to which that Small Scheme Participant would otherwise be entitled are dealt with in accordance with clause 6.6.

6.5 Ineligible Foreign Shareholders

Bidder will be under no obligation under this Scheme or the Deed Poll to issue, and will not issue, any New Bidder Shares to any Ineligible Foreign Shareholder, and instead Bidder must procure that the New Bidder Shares to which that Ineligible Foreign Shareholder would otherwise be entitled are dealt with in accordance with clause 6.6.

6.6 Sale facility

Each Ineligible Foreign Shareholder and Electing Small Scheme Participant authorises Bidder to, and Bidder must, subject to clauses 6.3 and 6.10:

- (a) issue or procure the issue of any New Bidder Shares to which an Ineligible Foreign Shareholder or an Electing Small Scheme Participant would otherwise be entitled to receive (**Relevant Bidder Shares**) to the Sale Nominee;
- (b) procure that the Sale Nominee:
 - (i) as soon as reasonably practicable and in any event not more than 30 Business Days after the Implementation Date, sells or procures the sale of all of the Relevant Bidder Shares issued to the Sale Nominee pursuant to clause 6.6(a) (including on an aggregated or partially aggregated basis), in the ordinary course of trading on ASX, at such price and in the manner and on such terms as the Sale Nominee reasonably determines in good faith (and at the risk of the Ineligible Foreign Shareholders and the Small Scheme Participants); and

- (ii) as soon as reasonably practicable after settlement remits to Bidder the proceeds of such sale (net of any applicable brokerage, stamp duty and other selling costs, taxes and charges) (**Proceeds**); and
- (c) promptly after the last sale of the Relevant Bidder Shares in accordance with clause 6.6(b)(i), and receiving the Proceeds of such sale, pays or procures the payment to each Ineligible Foreign Shareholder and Electing Small Scheme Participant an amount in Australian dollars equal to the proportion of the Proceeds received by Bidder under clause 6.6(b)(ii) to which that Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) is entitled in full satisfaction of their entitlement to the Scheme Consideration, in accordance with the following formula and rounded down to the nearest cent:

$$A = (B/C) \times D$$

Where:

A is the amount in A\$ to be paid to the Ineligible Foreign Shareholder or the Electing Small Scheme Participant (as applicable);

B is the number of Relevant Bidder Shares attributable to, and that would otherwise have been issued to, that Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) if they had not been an Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) and which are instead issued to the Sale Nominee;

C is the total number of Relevant Bidder Shares attributable to, and which would otherwise have been issued to, all Ineligible Foreign Shareholders and all Electing Small Scheme Participants collectively and which are instead issued to the Sale Nominee; and

D is the Proceeds.

- (d) Each Ineligible Foreign Shareholder and Electing Small Scheme Participant acknowledges and agrees that:
 - (i) none of Target, Bidder or the Sale Nominee make any assurances or representation as to the price that will be achieved for the sale of the Relevant Bidder Shares under clause 6.6(b)(i) or the amount of Proceeds to be received by Ineligible Foreign Shareholders and Electing Small Scheme Participants under clause 6.6(c); and
 - (ii) each of Target, Bidder and the Sale Nominee expressly disclaim any fiduciary duty to the Ineligible Foreign Shareholders and Electing Small Scheme Participants which may otherwise arise in connection with this clause 6.6.
- (e) Bidder must make, or procure the making of, payments to Ineligible Foreign Shareholders and Electing Small Scheme Participants under clause 6.6(c) by either (in the absolute discretion of Bidder, and despite any election referred to in clause 6.6(e)(ii) or authority referred to in clause 6.6(e)(i) made or given by the Scheme Participant):
 - (i) paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means to a bank account

nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) (**Bank Account**) by an appropriate authority from the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) to Bidder; or

- (ii) if a Bank Account has not been nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) in accordance with clause 6.6(e)(i):
 - (A) if an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable) has, before the Record Date, made a valid election in accordance with the requirements of the Registry to receive dividend payments from Target by electronic funds transfer to a Bank Account nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable), paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means in accordance with that election; or
 - (B) otherwise dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian dollars to the Ineligible Foreign Shareholder or Electing Small Scheme Participant by prepaid post to their Registered Address, such cheque being drawn in the name of the Ineligible Foreign Shareholder or the Electing Small Scheme Participant (as applicable) (or in the case of joint holders, in accordance with the procedures set out in clause 6.12).
- (f) Each Ineligible Foreign Shareholder and Electing Small Scheme Participant appoints Target as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and other notices (including any updates of those documents) that the Sale Nominee is required to provide to Ineligible Foreign Shareholders and Electing Small Scheme Participants under the Corporations Act or any other applicable law.
- (g) Payment of the amount 'A' calculated in accordance with clause 6.6(c) to an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable) in accordance with this clause 6.4 satisfies in full the Ineligible Foreign Shareholder's or the Electing Small Scheme Participant's (as applicable) right to Scheme Consideration and interest will not be paid on any Proceeds.

6.7 Other ineligible Scheme Shareholders

Where the issue of New Bidder Shares to which a Scheme Participant (other than an Ineligible Foreign Shareholder or an Electing Small Scheme Participant) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) Bidder will issue the maximum possible number of New Bidder Shares to the Scheme Participant without giving rise to such a breach; and
- (b) any further New Bidder Shares to which that Scheme Participant is entitled, but the issue of which to the Scheme Participant would give rise to such a breach of law, will instead be issued to the Sale Nominee and dealt with under clause 6.6, as if:
 - (i) references to Ineligible Foreign Shareholders also included that Scheme Participant; and

- (ii) references to Relevant Bidder Shares also included any of that Scheme Participant's New Bidder Shares that have been issued to the Sale Nominee.

6.8 Withholding

Bidder acknowledges and agrees that it will not deduct any amounts from the payment of the Scheme Consideration or pay any amounts to the Commissioner under or on account of Subdivision 14-D of Schedule 1 to the TAA with respect to a Scheme Shareholder unless Bidder is required by law to do so under Subdivision 14-D of Schedule 1 to the TAA (the **Withholding Amount**) in which case Bidder will be able to take the required steps to withhold (which may include holding back sufficient Scheme Consideration to sell under the sale facility, referred to at clause 6.6, to fund the Withholding Amount).

6.9 Unclaimed monies

- (a) Bidder may cancel a cheque issued under this clause 6 if the cheque:
 - (i) is returned to Bidder; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Participant to Target, the Registry or Bidder, Bidder must as soon as practicable reissue a cheque that was previously cancelled under 6.9(a).
- (c) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Scheme Consideration or Proceeds that becomes "unclaimed money" (as defined in section 6 of the *Unclaimed Money Act 1990* (WA)), but any interest or other benefit accrued from the unclaimed Scheme Consideration or Proceeds will be for the benefit of Bidder.

6.10 Orders of a court or Regulatory Authority

- (a) Target or Bidder may deduct and withhold from any consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6, provided that Target or Bidder has obtained advice from an appropriately qualified professional adviser to the effect that the relevant amount is required to be deducted and withheld from the Scheme Consideration under applicable laws, including any order, direction or notice made or given by a court of competent jurisdiction or by another Regulatory Authority.
- (b) If written notice is given to Target (or the Registry) or Bidder (or the Bidder Registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Regulatory Authority that:
 - (i) requires consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6 to instead be provided to a Regulatory Authority or other third party (either through payment of a sum or the issuance of a security), or which requires any amount to be deducted or withheld from any consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6, then Target or Bidder (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of, or the deduction or withholding from, that consideration in accordance with that

order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Participant); or

- (ii) prevents consideration being provided to any particular Scheme Participant in accordance with this clause 6, or the payment or provision of such consideration is otherwise prohibited by applicable law, Target or Bidder shall be entitled to (as applicable):
 - (A) in the case of an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable), retain an amount, in Australian dollars, equal to the relevant Ineligible Foreign Shareholder's or Electing Small Scheme Participant's (as applicable) share of the Proceeds; or
 - (B) not issue (or procure the issue of), or to issue (or procure the issue) to a trustee or nominee, such number of New Bidder Shares as that Scheme Participant would otherwise be entitled to under this clause 6,

until such time as payment or provision of the consideration in accordance with this clause 6 is permitted by that order or direction or otherwise by law.

- (c) To the extent that amounts are deducted or withheld under or in accordance with this clause 6.10, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction or withholding was made.

6.11 Status of New Bidder Shares

- (a) Bidder covenants in favour of Target (in its own right and on behalf of the Scheme Participants) that, subject to the Scheme becoming Effective, the New Bidder Shares required to be issued under this Scheme will, upon their issue:
 - (i) rank equally in all respects with all other Bidder Shares then on issue;
 - (ii) be duly and validly issued in accordance with applicable laws and Bidder's constitution; and
 - (iii) be fully paid and free from any Encumbrance.
- (b) Bidder will use its best endeavours to ensure that the New Bidder Shares issued in connection with the Scheme Consideration will commence trading on a normal settlement basis on the ASX as soon as reasonably practicable after the Implementation Date (or such later date as ASX may require).

6.12 Joint holders

In the case of Scheme Shares held by Scheme Participants in joint names:

- (a) any New Bidder Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders and entry in the Bidder Register must take place in the same order as the holders' names appear in the Register as at the Record Date;

- (b) any cheque required to be sent under this Scheme must be payable to the joint holders and be forwarded to the Registered Address of the holder whose name appears first in the Register as at the Record Date or to the joint holders; and
- (c) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Target, the Registered Address of the holder whose name appears first in the Register as at the Record Date or to the joint holders.

7 Dealings in Scheme Shares

7.1 Determination of Scheme Participants

To establish the identity of the Scheme Participants, dealings in Scheme Shares or other alterations to the Register will only be recognised by Target if:

- (a) in the case of dealings of the type to be effected using CHES, the transferee is registered in the Register as the holder of the relevant Scheme Shares on or before the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Register is kept,

and, subject to clause 7.3(b), Target must not accept for registration, nor recognise for any purpose any transfer or transmission application or other request received after such time, or received prior to such time but not in registrable or actionable form, as appropriate.

7.2 Register

Target must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(b) on or before the Record Date.

7.3 No disposals after Record Date

- (a) If this Scheme becomes Effective, a Scheme Participant (and any person claiming through that Scheme Participant) must not dispose of or deal with or purport or agree to dispose of or deal with any Scheme Shares or any interest in them after the Record Date in any way except as set out in this Scheme and any such disposal will be void and of no legal effect whatsoever, and Target shall be entitled to disregard any such disposals or dealings.
- (b) Target will not accept for registration or recognise for any purpose any transmission, application or transfer in respect of Scheme Shares received after the Record Date (except a transfer to Bidder pursuant to this Scheme and any subsequent transfer by Bidder or its successors in title).

7.4 Maintenance of Target Register

For the purpose of determining entitlements to the Scheme Consideration, Target will maintain the Register in accordance with the provisions of clause 7 until the Scheme Consideration has been issued to the Scheme Participants and Bidder has been entered in the Register as the holder of all the Scheme Shares. The

Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to Bidder contemplated in clauses 5.2 and 7.4, any statements of holding or share certificates (or equivalent document) in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of Bidder and its successors in title). After the Record Date, each entry current on the Register as at the Record Date (other than entries in respect of Bidder or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Participants

As soon as possible on or after the Record Date, and in any event by 5.00pm on the first Business Day after the Record Date, Target will ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Participant, as shown in the Register at the Record Date, are available to Bidder in such form as Bidder reasonably requires.

7.7 Quotation of Target Shares

Target must apply to ASX to suspend trading on ASX of Target Shares with effect from the close of trading on the Effective Date.

7.8 Termination of quotation of Target Shares

After this Scheme has been fully implemented, on a date determined by Bidder, Target will apply:

- (a) for termination of the official quotation of Target Shares on ASX; and
- (b) to have itself removed from the official list of the ASX.

8 Instructions and notifications

If not prohibited by law (and including where permitted or facilitated by relief granted by a Regulatory Authority), all instructions, notifications or elections by a Scheme Participant to Target that are binding or deemed binding between the Scheme Participant and Target relating to Target or Target Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Target Shares; and
- (c) notices or other communications from Target (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Bidder in its sole discretion), by reason of this Scheme, to be made by the Scheme Participant to Bidder and to be a binding instruction, notification or election to, and accepted by, Bidder until that instruction, notification or election is revoked or amended in writing addressed to Bidder at its registry.

9 Notices

9.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Target, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Target's registered office or at the office of the Registry.

9.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Target Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10 General

10.1 Variations, alterations and conditions

- (a) Target may, with the prior consent of Bidder, by its counsel or solicitor, consent on behalf of all persons concerned to any variations, alterations or conditions to this Scheme which the Court thinks fit to impose; and
- (b) each Scheme Participant agrees to any such variations, alterations or conditions which Target has consented to.

10.2 Further action by Target

Target will execute all documents and do all things (on its own behalf and on behalf of each Scheme Participant) necessary or expedient to implement, and perform its obligations under, this Scheme.

10.3 Authority and acknowledgement

Each Scheme Participant irrevocably consents to Target and Bidder doing all things necessary or expedient for or incidental to the implementation of this Scheme and the transactions contemplated by it.

10.4 No liability when acting in good faith

Each Scheme Participant agrees that, without prejudice to Target's or Bidder's rights and obligations under the Scheme Implementation Agreement, neither Target nor Bidder, nor any of their respective officers or employees, will be liable to a Scheme Participant for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

10.5 Stamp duty

Bidder:

- (a) must pay all stamp duty (including any fines, penalties and interest) payable in connection with this Scheme or the transactions effected by or made under the Scheme; and
- (b) indemnifies each Scheme Participant against any liability arising from failure to comply with clause 10.5(a),

subject to and in accordance with clause 6 of the Deed Poll.

11 Governing law

11.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. The parties submit to the non-exclusive jurisdiction of the courts of that place.

First Court Date means the first day on which an application made to the Court for an order under subsection 411(1) of the Corporations Act convening the Scheme Meeting is heard or, if the application is adjourned or subject to appeal for any reason, the day on which the adjourned application is heard.

Scheme means the proposed scheme of arrangement under Part 5.1 of the Corporations Act under which all the Scheme Shares held by Scheme Participants will be transferred to Bidder, substantially in the form of Annexure A to this document, together with any amendment or modification made pursuant to section 411(6) of the Corporations Act to the extent they are approved in writing by Target and Bidder in accordance with clause 10 of the Scheme.

Scheme Implementation Agreement means the scheme implementation agreement dated 14 August 2024 between Target and Bidder as amended from time to time and under which, amongst other things, Target has agreed to propose the Scheme to Scheme Shareholders, and each of Target and Bidder has agreed to take certain steps to give effect to the Scheme.

All other words and phrases used in this document have the same meaning as given to them in the Scheme, unless otherwise stated.

1.2 General interpretation

Clause 1.2 of the Scheme applies to this document except that references to “this Scheme” are to be read as references to “this document”.

1.3 Nature of deed poll

Bidder acknowledges that:

- (a) this document is entered into and has effect as a deed poll and may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not a party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints Target and each of its directors, officers and secretaries (jointly and individually) as its agent and attorney to enforce this document against Bidder in accordance with its terms.

2 Conditions precedent and termination

2.1 Conditions precedent

Bidder's obligations under clause 3 are subject to the Scheme becoming Effective.

2.2 Termination

Bidder's obligations under this document will automatically terminate and the terms of this document will be of no further force or effect if:

- (a) the Scheme has not become Effective on or before the End Date, unless Target and Bidder otherwise agree in writing; or
- (b) the Scheme Implementation Agreement is terminated in accordance with its terms.

2.3 Consequences of termination

If this document is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to Scheme Participants:

- (a) Bidder is released from its obligations to further perform this document; and
- (b) each Scheme Participant retains the rights, powers or remedies they have against Bidder in respect of any breach of this document which occurs before it is terminated.

3 Scheme Consideration

3.1 Scheme Consideration

Subject to clause 2, Bidder undertakes:

Under this Option Scheme, each Option Scheme Participant (and, to the extent relevant, the Sale Nominee) irrevocably and without the need for any further act by the Option Scheme Participant:

- (a) subject to the provision of the Option Scheme Consideration for the Target Options held by Option Scheme Participants in accordance with clause 6:
 - (i) agrees for all purposes to the transfer of their Target Options together with all rights and entitlements attaching to those Target Options in accordance with this Option Scheme;
 - (ii) agrees to the variation, cancellation or modification of the rights attached to their Target Options constituted by or resulting from this Option Scheme; and
 - (iii) agrees to, on the direction of Bidder, destroy any holding statements or option certificates relating to their Target Options;
- (b) agrees, in the case of Target Options held in a CHES Holding, to the conversion of those Target Options to an Issuer Sponsored Holding and irrevocably authorises Target to do anything necessary or expedient (whether required by the Settlement Rules or otherwise) to effect or facilitate such conversion;
- (c) agrees, in the case of Target Options held in an Issuer Sponsored Holding, to complete and sign on behalf of the Option Scheme Participant any required form of Transfer;
- (d) if the Option Scheme Participant is not an Ineligible Foreign Optionholder or an Electing Option Scheme Participant, agrees to become a member of the Bidder, to have their name entered in the Bidder Register, accepts the New Bidder Shares issued to them and agrees to be bound by Bidder's constitution;
- (e) agrees and acknowledges that the issue of New Bidder Shares in accordance with clause 6.2 or the provision of the Proceeds in accordance with clause 6.6(c) constitutes satisfaction of all their entitlements to Option Scheme Consideration under this Option Scheme;
- (f) acknowledges that this Option Scheme binds Target and all of the Option Scheme Participants from time to time (including those who do not attend the Option Scheme Meeting and those who do not vote, or

vote against this Option Scheme, at the Option Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Target;

- (g) appoints Target, and each director and officer of Target, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) that the Sale Nominee is required to provide to Ineligible Foreign Optionholders or Electing Option Scheme Participants under the Corporations Act or any other applicable law; and
- (h) consents to Target and Bidder doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Option Scheme and the transactions contemplated by it.

5.6 Warranty by Option Scheme Participants

- (a) Each Option Scheme Participant warrants to Bidder and is deemed to have authorised Target to warrant to Bidder as agent and attorney for the Option Scheme Participant by virtue of this clause 5.6, that:
 - (i) on the Option Scheme Implementation Date, all their Target Options (including any rights and entitlements attaching to those options) transferred to Bidder under this Option Scheme will, as at the date of the transfer, be fully paid and free from all Encumbrances and interests of third parties of any kind, whether legal or otherwise, and free from any restrictions on transfer of any kind;
 - (ii) on the Option Scheme Implementation Date, they have full power and capacity to sell and to transfer their Target Options (including any rights and entitlements attaching to those options) to Bidder under this Option Scheme; and
 - (iii) on the Option Scheme Record Date, they have no existing right to be issued any other Target Options or any other form of securities in Target.
- (b) Target undertakes that it will provide such warranty in clause 5.6(a) to Bidder as agent and attorney of each Option Scheme Participant.

5.7 Appointment of Bidder as sole proxy

- (a) Subject to the provision of the Option Scheme Consideration for the Target Options held by Option Scheme Participants as contemplated by clause 6, on and from the Option Scheme Implementation Date until Target registers Bidder as the holder of all of the Target Options held by Option Scheme Participants in the Target Option Register, each Option Scheme Participant:
 - (i) is deemed to have irrevocably appointed Target as attorney and agent and directs Target (in such capacity) to appoint Bidder and each of its directors from time to time (jointly and each of them individually) as its sole proxy (and where applicable, corporate representative), to attend optionholders' meetings, exercise the votes attaching to Target Options registered in its name and sign any optionholders' resolution or document (whether in person, by proxy or corporate representative);
 - (ii) must not attend or vote at any Target optionholders' meetings, exercise the votes attaching to Target Options registered in its

name or sign any Target optionholders' resolution, whether in person, by proxy or by corporate representative (other than pursuant to clause 5.7(a)(i));

- (iii) must take all other actions in the capacity of the registered holder of Target Options as Bidder reasonably directs; and
 - (iv) acknowledges and agrees that in exercising the powers referred to in clause 5.7(a)(i), Bidder and any director may act in the best interests of Bidder as the intended registered holder of the Target Options.
- (b) Target undertakes in favour of each Option Scheme Participant that it will appoint Bidder and each of its directors from time to time (jointly and each of them individually) as that Option Scheme Participant's proxy or, where applicable, corporate representative in accordance with clause 5.7(a)(i).

5.8 Appointment of Target as attorney for implementation of Scheme

Each Option Scheme Participant, without the need for any further act by any Option Scheme Participant, irrevocably appoints Target and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of:

- (a) on the Option Scheme Implementation Date, executing any document or doing or taking any other act necessary, desirable or expedient, or incidental to give effect to this Option Scheme and the transactions contemplated by it including executing and delivering any executed Transfer and any other deed or document reasonably required by Bidder, that causes each Option Scheme Participant (or the Sale Nominee, if applicable) to become a shareholder of Bidder or holder of New Bidder Shares and to be bound by the terms of the constitution of Bidder; and
- (b) on and from the Option Scheme Effective Date, enforcing the Option Scheme Deed Poll against Bidder,

and Target accepts such appointment and undertakes in favour of each Option Scheme Participant to enforce the Option Scheme Deed Poll against Bidder on behalf of and as agent and attorney for the Option Scheme Participants. Target as attorney and agent of each Option Scheme Participant may sub-delegate its functions, authorities or powers under this clause 5.8 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

6 Option Scheme Consideration

6.1 Consideration under this Option Scheme

On the Option Scheme Implementation Date, Bidder must provide, or procure the provision of, the Option Scheme Consideration to the Option Scheme Participants (or to the Sale Nominee) in accordance with this clause 6.

6.2 Provision of Option Scheme Consideration

- (a) Subject to the other provisions of this clause 6, the obligations of Bidder to provide or procure the provision of the Option Scheme Consideration to the Option Scheme Participants will be satisfied by Bidder:

- (i) on the Option Scheme Implementation Date, issuing to or procuring the issuance to, each Option Scheme Participant (other than the Ineligible Foreign Optionholders and Electing Option Scheme Participants) the Option Scheme Consideration for each Target Option transferred to Bidder on the Option Scheme Implementation Date by that Option Scheme Participant; and
 - (ii) procuring that the name and address of each such Option Scheme Participant (other than the Ineligible Foreign Optionholders and Electing Option Scheme Participants) is entered into the Bidder Register on the Option Scheme Implementation Date in respect of the New Bidder Shares to which it is entitled under this clause 6.
- (b) Bidder must procure that, as soon as practicable after the Option Scheme Implementation Date (and in any event within the time period required by the Listing Rules), a holding statement (or equivalent document) is sent to the Registered Address of each Option Scheme Participant who is not an Ineligible Foreign Optionholder or Electing Option Scheme Participant representing the number of New Bidder Shares issued to such Option Scheme Participant pursuant to this Option Scheme.

6.3 Fractional entitlements

- (a) If the number of Target Options held by an Option Scheme Participant at the Option Scheme Record Date is such that the aggregate entitlement of the Option Scheme Participant to New Bidder Shares includes a fractional entitlement to a New Bidder Share, the entitlement will be rounded as follows:
 - (i) if the fractional entitlement is less than 0.5, the entitlement will be rounded down to the nearest whole number of New Bidder Shares; and
 - (ii) if the fractional entitlement is equal to or more than 0.5, the entitlement will be rounded up to the nearest whole number of New Bidder Shares.
- (b) If a Nominee Holder holds more than one parcel of Target Options as trustee or nominee for, or otherwise on account of, another person, then for the purposes of this clause 6.3, the Option Scheme Consideration for the Nominee Holder will be calculated and rounded based on the aggregate number of Target Options held by the Nominee Holder in those parcels as trustee or nominee for, or otherwise on account of, other persons.
- (c) If Bidder or Target is of the opinion that two or more Option Scheme Participants (each of whom holds a number of Target Options which results in rounding in accordance with clause 6.3(a)) have, before the Option Scheme Record Date, been party to an optionholding splitting or division in an attempt to obtain an advantage by reference to such rounding, Target must provide the relevant details of the relevant Option Scheme Participants to Bidder, and if reasonably requested by Bidder, Target must give notice to those Option Scheme Participants:
 - (i) setting out their names and Registered Addresses;
 - (ii) stating that opinion; and

- (iii) attributing to one of them specifically identified in the notice the Target Options held by all of them,

and, after such notice has been given, the Option Scheme Participant specifically identified in the notice as the deemed holder of the specified Target Options will, for the purpose of the provisions of this Option Scheme, be taken to hold all of those Target Options and each of the other Option Scheme Participants whose names and Registered Addresses are set out in the notice will, for the purposes of the provisions of this Option Scheme, be taken to hold no Target Options. Bidder, in complying with the other provisions of this Option Scheme relating to it in respect of the Option Scheme Participant specifically identified in the notice as the deemed holder of the specified Target Options, will be taken to have satisfied and discharged its obligations to other Option Scheme Participants named under the notice under the terms of this Option Scheme.

6.4 Election by Option Scheme Participant

- (a) Target must provide each Option Scheme Participant with, or procure the provision to each Option Scheme Participant of, an Optionholder Opt-in Notice.
- (b) If an Option Scheme Participant has provided Target with a duly completed Optionholder Opt-in Notice prior to 5.00pm on the Business Day prior to the Record Date, Bidder will be under no obligation under this Option Scheme or the Option Scheme Deed Poll to issue, and will not issue, any New Bidder Shares to that Option Scheme Participant, and instead Bidder must procure that the New Bidder Shares to which that Option Scheme Participant would otherwise be entitled are dealt with in accordance with clause 6.6.

6.5 Ineligible Foreign Optionholders

Bidder will be under no obligation under this Option Scheme or the Option Scheme Deed Poll to issue, and will not issue, any New Bidder Shares to any Ineligible Foreign Optionholder, and instead Bidder must procure that the New Bidder Shares to which that Ineligible Foreign Optionholder would otherwise be entitled are dealt with in accordance with clause 6.6.

6.6 Sale facility

Each Ineligible Foreign Optionholder and Electing Option Scheme Participant authorises Bidder to, and Bidder must, subject to clauses 6.3 and 6.10:

- (a) issue or procure the issue of any New Bidder Shares to which an Ineligible Foreign Optionholder or an Electing Option Scheme Participant would otherwise be entitled to receive (**Relevant Bidder Shares**) to the Sale Nominee;
- (b) procure that the Sale Nominee:
 - (i) as soon as reasonably practicable and in any event not more than 30 Business Days after the Option Scheme Implementation Date, sells or procures the sale of all of the Relevant Bidder Shares issued to the Sale Nominee pursuant to clause 6.6(a) (including on an aggregated or partially aggregated basis), in the ordinary course of trading on ASX, at such price and in the manner and on such terms as the Sale Nominee reasonably determines in good faith (and at the risk of the Ineligible Foreign

Optionholders and the Electing Option Scheme Participants);
and

- (ii) as soon as reasonably practicable after settlement remits to Bidder the proceeds of such sale (net of any applicable brokerage, stamp duty and other selling costs, taxes and charges) (**Proceeds**); and
- (c) promptly after the last sale of the Relevant Bidder Shares in accordance with clause 6.6(b)(i), and receiving the Proceeds of such sale, pays or procures the payment to each Ineligible Foreign Optionholder and Electing Option Scheme Participant an amount in Australian dollars equal to the proportion of the Proceeds received by Bidder under clause 6.6(b)(ii) to which that Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) is entitled in full satisfaction of their entitlement to the Option Scheme Consideration, in accordance with the following formula and rounded down to the nearest cent:

$$A = (B/C) \times D$$

Where:

A is the amount in A\$ to be paid to the Ineligible Foreign Optionholder or the Electing Option Scheme Participant (as applicable);

B is the number of Relevant Bidder Shares attributable to, and that would otherwise have been issued to, that Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) if they had not been an Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) and which are instead issued to the Sale Nominee;

C is the total number of Relevant Bidder Shares attributable to, and which would otherwise have been issued to, all Ineligible Foreign Optionholders and all Electing Option Scheme Participants collectively and which are instead issued to the Sale Nominee; and

D is the Proceeds.

- (d) Each Ineligible Foreign Optionholder and Electing Option Scheme Participant acknowledges and agrees that:
 - (i) none of Target, Bidder or the Sale Nominee make any assurances or representation as to the price that will be achieved for the sale of the Relevant Bidder Shares under clause 6.6(b)(i) or the amount of Proceeds to be received by Ineligible Foreign Optionholders and Electing Option Scheme Participants under clause 6.6(c); and
 - (ii) each of Target, Bidder and the Sale Nominee expressly disclaim any fiduciary duty to the Ineligible Foreign Optionholders and Electing Option Scheme Participants which may otherwise arise in connection with this clause 6.6.
- (e) Bidder must make, or procure the making of, payments to Ineligible Foreign Optionholders and Electing Option Scheme Participants under clause 6.6(c) by either (in the absolute discretion of Bidder, and despite any election referred to in clause 6.6(e)(ii) or authority referred to in clause 6.6(e)(i) made or given by the Option Scheme Participant):

- (i) paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means to a bank account nominated by the Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) (**Bank Account**) by an appropriate authority from the Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) to Bidder; or
- (ii) if a Bank Account has not been nominated by the Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable) in accordance with clause 6.6(e)(i):
 - (A) if an Ineligible Foreign Optionholder or an Electing Option Scheme Participant (as applicable) has, before the Option Scheme Record Date, made a valid election in accordance with the requirements of the Registry to receive dividend payments from Target by electronic funds transfer to a Bank Account nominated by the Ineligible Foreign Optionholder or Electing Option Scheme Participant (as applicable), paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means in accordance with that election; or
 - (B) otherwise dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian dollars to the Ineligible Foreign Optionholder or Electing Option Scheme Participant by prepaid post to their Registered Address, such cheque being drawn in the name of the Ineligible Foreign Optionholder or the Electing Option Scheme Participant (as applicable) (or in the case of joint holders, in accordance with the procedures set out in clause 6.12).
- (f) Each Ineligible Foreign Optionholder and Electing Option Scheme Participant appoints Target as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and other notices (including any updates of those documents) that the Sale Nominee is required to provide to Ineligible Foreign Optionholders and Electing Option Scheme Participants under the Corporations Act or any other applicable law.
- (g) Payment of the amount 'A' calculated in accordance with clause 6.6(c) to an Ineligible Foreign Optionholder or an Electing Option Scheme Participant (as applicable) in accordance with this clause 6.6 satisfies in full the Ineligible Foreign Optionholder's or the Electing Option Scheme Participant's (as applicable) right to Option Scheme Consideration and interest will not be paid on any Proceeds.

6.7 Other ineligible Option Scheme Participants

Where the issue of New Bidder Shares to which an Option Scheme Participant (other than an Ineligible Foreign Optionholder or an Electing Option Scheme Participant) would otherwise be entitled under this Option Scheme would result in a breach of law:

- (a) Bidder will issue the maximum possible number of New Bidder Shares to the Option Scheme Participant without giving rise to such a breach; and
- (b) any further New Bidder Shares to which that Option Scheme Participant is entitled, but the issue of which to the Option Scheme Participant would

give rise to such a breach of law, will instead be issued to the Sale Nominee and dealt with under clause 6.6, as if:

- (i) references to Ineligible Foreign Optionholders also included that Option Scheme Participant; and
- (ii) references to Relevant Bidder Shares also included any of that Option Scheme Participant's New Bidder Shares that have been issued to the Sale Nominee.

6.8 Withholding

Bidder acknowledges and agrees that it will not deduct any amounts from the payment of the Option Scheme Consideration or pay any amounts to the Commissioner under or on account of Subdivision 14-D of Schedule 1 to the TAA with respect to an Option Scheme Participant unless Bidder is required by law to do so under Subdivision 14-D of Schedule 1 to the TAA (the **Withholding Amount**) in which case Bidder will be able to take the required steps to withhold (which may include holding back sufficient Option Scheme Consideration to sell under the sale facility, referred to at clause 6.6, to fund the Withholding Amount).

6.9 Unclaimed monies

- (a) Bidder may cancel a cheque issued under this clause 6 if the cheque:
 - (i) is returned to Bidder; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Option Scheme Implementation Date, on request in writing from an Option Scheme Participant to Target, the Registry or Bidder, Bidder must as soon as practicable reissue a cheque that was previously cancelled under 6.9(a).
- (c) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Option Scheme Consideration or Proceeds that becomes "unclaimed money" (as defined in section 6 of the *Unclaimed Money Act 1990* (WA)), but any interest or other benefit accrued from the unclaimed Option Scheme Consideration or Proceeds will be for the benefit of Bidder.

6.10 Orders of a court or Regulatory Authority

- (a) Target or Bidder may deduct and withhold from any consideration which would otherwise be provided to an Option Scheme Participant in accordance with this clause 6, provided that Target or Bidder has obtained advice from an appropriately qualified professional adviser to the effect that the relevant amount is required to be deducted and withheld from the Option Scheme Consideration under applicable laws, including any order, direction or notice made or given by a court of competent jurisdiction or by another Regulatory Authority.
- (b) If written notice is given to Target (or the Registry) or Bidder (or the Bidder Registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Regulatory Authority that:
 - (i) requires consideration which would otherwise be provided to an Option Scheme Participant in accordance with this clause 6 to instead be provided to a Regulatory Authority or other third party (either through payment of a sum or the issuance of a security), or which requires any amount to be deducted or withheld from

any consideration which would otherwise be provided to an Option Scheme Participant in accordance with this clause 6, then Target or Bidder (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of, or the deduction or withholding from, that consideration in accordance with that order, direction or notice will be treated for all purposes under this Option Scheme as having been paid or provided to that Option Scheme Participant); or

- (ii) prevents consideration being provided to any particular Option Scheme Participant in accordance with this clause 6, or the payment or provision of such consideration is otherwise prohibited by applicable law, Target or Bidder shall be entitled to (as applicable):
 - (A) in the case of an Ineligible Foreign Optionholder or an Electing Option Scheme Participant (as applicable), retain an amount, in Australian dollars, equal to the relevant Ineligible Foreign Optionholder's or Electing Option Scheme Participant's (as applicable) share of the Proceeds; or
 - (B) not issue (or procure the issue of), or to issue (or procure the issue) to a trustee or nominee, such number of New Bidder Shares as that Option Scheme Participant would otherwise be entitled to under this clause 6,

until such time as payment or provision of the consideration in accordance with this clause 6 is permitted by that order or direction or otherwise by law.

- (c) To the extent that amounts are deducted or withheld under or in accordance with this clause 6.10, such deducted or withheld amounts will be treated for all purposes under this Option Scheme as having been paid to the person in respect of which such deduction or withholding was made.

6.11 Status of New Bidder Shares

- (a) Bidder covenants in favour of Target (in its own right and on behalf of the Option Scheme Participants) that, subject to the Option Scheme becoming Effective, the New Bidder Shares required to be issued under this Option Scheme will, upon their issue:
 - (i) rank equally in all respects with all other Bidder Shares then on issue;
 - (ii) be duly and validly issued in accordance with applicable laws and Bidder's constitution; and
 - (iii) be fully paid and free from any Encumbrance.
- (b) Bidder will use its best endeavours to ensure that the New Bidder Shares issued in connection with the Option Scheme Consideration will commence trading on a normal settlement basis on the ASX as soon as reasonably practicable after the Option Scheme Implementation Date (or such later date as ASX may require).

6.12 Joint holders

In the case of Target Options held by Option Scheme Participants in joint names:

- (a) any New Bidder Shares to be issued under this Option Scheme must be issued to and registered in the names of the joint holders and entry in the Bidder Register must take place in the same order as the holders' names appear in the Target Option Register as at the Option Scheme Record Date;
- (b) any cheque required to be sent under this Option Scheme must be payable to the joint holders and be forwarded to the Registered Address of the holder whose name appears first in the Target Option Register as at the Record Date or to the joint holders; and
- (c) any other document required to be sent under this Option Scheme, will be forwarded to either, at the sole discretion of Target, the Registered Address of the holder whose name appears first in the Target Option Register as at the Option Scheme Record Date or to the joint holders.

7 Dealings in Target Options

7.1 Determination of Option Scheme Participants

To establish the identity of the Option Scheme Participants, Target will not accept as valid, nor recognise for any purpose, any notice of assignment, transfer, novation (or similar) or exercise of a Target Option that is either or both:

- (a) received after 5.00pm on the day which is the Business Day immediately before the Option Scheme Record Date; and/or
- (b) not in accordance with the terms and conditions of the Target Options.

7.2 Exercise prior to Option Scheme Record Date

Subject to clause 7.4, Target will issue, and register the Target Optionholder as the holder of, a Target Share in respect of any valid exercise of a Target Option registered in the name of the Target permitted by, and received by the time specified in, clause 7.1 and in accordance with the Target Options terms and conditions, and the Target Optionholder acknowledges and agrees that, if the Scheme becomes Effective and the Target Optionholder has validly exercised a Target Option in accordance with the foregoing, the Target Optionholder will be bound by the terms of the Scheme in respect of each such Target Share and accordingly, each such Target Share will be transferred to Bidder in accordance with the terms of the Scheme.

7.3 Target Option Register

Subject to clause 7.4, Target must register any registrable transmission applications or transfers of the Target Options received in accordance with clause 7.1 on or before 5.00pm on the day which is the Business Day immediately before the Option Scheme Record Date.

7.4 Minimum holding

Nothing in clause 7.2 or 7.3 requires Target to register a transfer that would result in a Target Optionholder holding a parcel of Target Options that is less than a 'marketable parcel' (as defined in the operating rules of ASX).

7.5 Maintenance of Target Option Register

For the purpose of determining entitlements to the Option Scheme Consideration, Target will maintain the Target Option Register in accordance with the provisions of clause 7 until the Option Scheme Consideration has been issued to the Option Scheme Participants and Bidder has been entered in the Target Option Register as the holder of all the Target Options. The Target Option Register in this form will solely determine entitlements to the Option Scheme Consideration.

7.6 Effect of certificates and holding statements

Subject to provision of the Option Scheme Consideration and registration of the transfer to Bidder contemplated in clauses 5.2 and 7.5, any statements of holding or option certificates (or equivalent document) in respect of Target Options will cease to have effect after the Option Scheme Record Date as documents of title in respect of those Target Options (other than statements of holding in favour of Bidder and its successors in title). After the Option Scheme Record Date, each entry current on the Target Option Register as at the Option Scheme Record Date (other than entries in respect of Bidder or its successors in title) will cease to have effect except as evidence of entitlement to the Option Scheme Consideration.

7.7 Details of Option Scheme Participants

As soon as possible on or after the Option Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Option Scheme Record Date, Target will ensure that details of the names, Registered Addresses and holdings of Target Options for each Option Scheme Participant, as shown in the Target Option Register at the Option Scheme Record Date, are available to Bidder in such form as Bidder reasonably requires.

8 Instructions and notifications

If not prohibited by law (and including where permitted or facilitated by relief granted by a Regulatory Authority), all instructions, notifications or elections by an Option Scheme Participant to Target that are binding or deemed binding between the Option Scheme Participant and Target relating to Target or Target Options, including instructions, notifications or elections relating to notices or other communications from Target (including by email), will be deemed from the Option Scheme Implementation Date (except to the extent determined otherwise by Bidder in its sole discretion), by reason of this Option Scheme, to be made by the Option Scheme Participant to Bidder and to be a binding instruction, notification or election to, and accepted by, Bidder until that instruction, notification or election is revoked or amended in writing addressed to Bidder at its registry.

9 Notices

9.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Option Scheme is sent by post to Target, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Target's registered office or at the office of the Registry.

9.2 Accidental omission

The accidental omission to give notice of the Option Scheme Meeting or the non-receipt of such a notice by any Target Optionholder will not, unless so ordered by the Court, invalidate the Option Scheme Meeting or the proceedings of the Option Scheme Meeting.

10 General

10.1 Variations, alterations and conditions

- (a) Target may, with the prior consent of Bidder, by its counsel or solicitor, consent on behalf of all persons concerned to any variations, alterations or conditions to this Option Scheme which the Court thinks fit to impose; and
- (b) each Option Scheme Participant agrees to any such variations, alterations or conditions which Target has consented to.

10.2 Further action by Target

Target will execute all documents and do all things (on its own behalf and on behalf of each Option Scheme Participant) necessary or expedient to implement, and perform its obligations under, this Option Scheme.

10.3 Authority and acknowledgement

Each Option Scheme Participant irrevocably consents to Target and Bidder doing all things necessary or expedient for or incidental to the implementation of this Option Scheme and the transactions contemplated by it.

10.4 No liability when acting in good faith

Each Option Scheme Participant agrees that, without prejudice to Target's or Bidder's rights and obligations under the Scheme Implementation Agreement, neither Target nor Bidder, nor any of their respective officers or employees, will be liable to an Option Scheme Participant for anything done or omitted to be done in the performance of this Option Scheme or the Option Scheme Deed Poll in good faith.

10.5 Stamp duty

Bidder:

- (a) must pay all stamp duty (including any fines, penalties and interest) payable in connection with this Option Scheme or the transactions effected by or made under the Option Scheme; and
- (b) indemnifies each Option Scheme Participant against any liability arising from failure to comply with clause 10.5(a),

subject to and in accordance with clause 6 of the Option Scheme Deed Poll.

11.1 Governing law and jurisdiction
