¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

The Company has contracted with the Manager and the Administration Manager to provide investment management and administration services. These entities provide investment management and administration personnel who undertake the Company's executive operations.</p> <p>The role, responsibilities and services to be provided by the Manager are disclosed in the summary of the management agreement in section 10 (Material Contracts) of the Prospectus disclosed on the Company's website (www.glennonsmallcompanies.com.au).</p> <p>The Company Secretaries are appointed and accountable directly to the Board, through the Chairman, on all matters relating to the proper functioning of the Board. The Company Secretaries are responsible for carrying out the administrative and legislative requirements of the Board.</p>

Corporate Governance Council recommendation		Response to recommendation
1.2	<p>A listed entity should:</p> <p>(a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and</p> <p>(b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.</p>	<p>The Board Charter sets out the process for the appointment of new directors or senior executives, as well as the process of re-election of a director. These are located in the Corporate Governance section of the Company's website (www.glennonsmallcompanies.com.au).</p> <p>Performance reviews for existing directors are conducted on an annual basis, before being put forward for re-election as a director. These are assessed by the Chairman and the Board.</p> <p>Suliman Ravell was re-elected as a director of the Company at the 2023 annual general meeting, having retired under the director rotation requirements in the Company's constitution. Security holders were provided with all material information on the re-election decision in the Explanatory Statement attached to the Notice of Meeting.</p>
1.3	<p>A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.</p>	<p>The Company complies with this recommendation by having signed letters of appointment for current directors setting out the terms of their appointment.</p> <p>The Company has no senior executives as the Company's executive operations are conducted by the Manager and the Administration Manager. A written agreement has been entered into by the Company with each of the Manager and the Administration Manager.</p> <p>Michael Glennon's title is Executive Chairman, as he is integrally involved in the operations of the Company. However, he is not an employee of the Company. His services are provided by the Manager to the Company under a management agreement.</p>

<p>1.5 A listed entity should:</p> <ul style="list-style-type: none"> (a) have a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: <ul style="list-style-type: none"> 1) the measurable objectives set for that period to achieve gender diversity; 2) the entity's progress towards achieving those objectives; and 3) either: <ul style="list-style-type: none"> A. the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or B. if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. <p>If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.</p>	<p>The Company has a Diversity Policy in the Corporate Governance section of its website (www.glennonsmallcompanies.com.au).</p> <p>The Company has adopted this Policy and commits to fostering a corporate culture that embraces diversity. The Policy focuses on the composition of Board members and its officers, and the commitment to maintaining an inclusive culture, providing equal opportunities to all current and prospective directors and officers. The Company acknowledges that a diverse workforce is a competitive advantage as a result of the quality and skills of its people.</p> <p>Given the nature of the Company as a listed investment company (with many of its functions outsourced to the Manager and Administration Manager), the size of the Company, and the low turnover, the Board does not believe it would be practical to set measurable objectives to achieve diversity.</p> <p>The Board does note that its various corporate governance documents (including Board Charter) provide for requirements to assess the composition and functioning of the Board, which the Board considers appropriate for a listed investment company.</p> <p>The Board will continuously work towards promoting diversity where it can be done equitably, and in a manner that improves the abilities of the Company so that stakeholders can continue to derive benefits of a stable and diverse organisation.</p> <p>Currently the Board is comprised of 3 male directors, one of whom is also acting in the capacity of the Company Secretary. The Company also has a female Joint Company Secretary effective 31 December 2020.</p> <p>This does not apply to the Company.</p>

3.2	<p>A listed entity should:</p> <ul style="list-style-type: none"> (a) have and disclose a code of conduct for its directors, senior executives and employees; and (b) ensure that the board or a committee of the board is informed of any material breaches of that code by a director or senior executive; and (c) any other material breaches of that code call into question the culture of the organization. 	<p>The Company has a Code of Conduct in the Corporate Governance section of its website (www.glennonsmallcompanies.com.au). The Code applies to all directors of the Company. The Code of Conduct does not apply to employees as the Company does not have any employees given that its investment management and administration functions are outsourced to third parties.</p> <p>Any breaches of the law or unethical behaviour which becomes known to a Director is reported to the Chairman or the Board as a whole. Any breaches will be properly investigated and appropriate action will be taken.</p>

4.	Safeguard the integrity of corporate reports	
4.1	<p>The board of a listed entity should:</p> <p>(a) have an audit committee which:</p> <ul style="list-style-type: none"> (1) has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and (2) is chaired by an independent director, who is not the chair of the board, <p>and disclose:</p> <ul style="list-style-type: none"> (3) the charter of the committee; (4) the relevant qualifications and experience of the members of the committee; and (5) in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; OR <p>(b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.</p>	<p>The Company has not fully complied with this recommendation during the Relevant Period.</p> <p>The Board has an audit and risk committee. The committee is comprised of John Larsen (Chair until his resignation on 5 April 2024), Sulieman Ravell (Chair since 16 May 2024), and Craig Stranger (upon his appointment on 5 April 2024). All other material announcements are approved by the Directors of the Company, or the Chairman of the Company after a two-eye review, being the Company Secretary and Directors.

5.	Make timely and balanced disclosure	
5.1	A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under the Listing Rule 3.1.	<p>The Company has adopted a Disclosure and Communication Policy (under which a Disclosure Committee is established) which establishes procedures which are aimed at ensuring that directors and company personnel are aware of and fulfil their obligations in relation to the timely disclosure of material price-sensitive information. The role of the Disclosure Committee is to meet its oversight responsibilities in relation to the Company's disclosure obligations and to ensure compliance with the Disclosure and Communication Policy. The Committee is responsible for considering disclosures of potentially market sensitive information to be made by the Company and providing assurance to the Board that all potentially market sensitive information has been assessed for compliance with the Company's continuous disclosure obligations.</p> <p>The policy sets out principles relating to disclosure of material information, including that the Company:</p> <ul style="list-style-type: none"> • will not provide analysts or other select groups of market participants with any material price sensitive non-public information at any time before it is disclosed to ASX; and • will not generally respond to market rumours and speculation, except when ASX formally requests disclosure on the matter.

The Manager also releases investment presentations to the market from time to time, makes available relevant videos and articles to the Company's investors and others on the website (www.glennonsmallcompanies.com.au) and releases periodic newsletters by email to subscribers.

Corporate Governance Council recommendation		Response to recommendation
6.3	A listed entity should disclose how it facilitates and encourages participation at meetings of security holders.	<p>The Company's meetings are intended to give shareholders an opportunity to consider and vote on the resolutions before the meeting and ask questions of the Board, management and auditor (if relevant) generally on the items of business before the meeting, the management of the Company or the conduct of the audit and the auditor's report (for an annual general meeting).</p> <p>The Company's policies to facilitate and encourage participation at meetings include to provide a reasonable opportunity for shareholders, as a whole at the meeting, to ask questions of the Board, answer shareholders' questions honestly and fairly and inform shareholders as to the proxy position with respect to the resolutions to be considered by the meeting and the manner in which the chairman of the meeting intends to vote available proxies.</p>
6.4	A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.	Commencing from the 2020 AGM, all substantive resolutions had been conducted via a poll.
6.5	A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.	The Company gives security holders the option to receive communications from, and send communications to, the Company and its security registry electronically.

7.	Recognise and manage risk	
7.1	<p>The board of a listed entity should:</p> <p>(a) have a committee or committees to oversee risk, each of which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director, and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; OR</p> <p>(b) if it does not have a risk committee or committees that satisfy (a) above, disclose that fact and the processes it employs for overseeing the entity's risk management framework.</p>	<p>The Company has not fully complied with this recommendation during the Relevant Period.</p> <p>The Board has an audit and risk committee. The committee is comprised of John Larsen (Chair until his resignation on 5 April 2024), Sulieman Ravell (Chair since 16 May 2024), and Craig Stranger (upon his appointment on 5 April 2024). It has only two members, both of which are independent directors. The committee is chaired by an independent director.</p> <p>The Board believes that the current committee membership is able to appropriately perform the role of the risk committee to oversee the Company's risk management framework. The Company considers that it is appropriate that the Executive Chairman is not a member of the audit and risk committee. Given this, as the Company has three directors only, it is not possible for the audit and risk committee to have three members.</p> <p>The audit and risk committee has a charter disclosed on the Company's website (www.glennonsmallcompanies.com.au) under "Audit and Risk Committee Charter" in the Corporate Governance section. The Company's Risk Management Statement is also disclosed in the Corporate Governance section.</p> <p>The audit and risk committee met two times during the Relevant Period with both members attending those meetings.</p>
7.2	<p>The board or a committee of the board should:</p> <p>(a) review the entity's risk management framework at least annually to satisfy itself that it continues to be sound and that the entity is operating with due regard to the risk appetite set by the board; and</p> <p>(b) disclose, in relation to each reporting period, whether such a review has taken place.</p>	<p>The Board and/or audit and risk committee review the Company's risk management framework at least annually to satisfy itself that it continues to be sound.</p> <p>Each of the Board and the audit and risk committee performed a review of the Company's risk management framework during the Relevant Period to satisfy itself that the framework continues to be sound.</p>

Corporate Governance Council recommendation		Response to recommendation
7.3	<p>A listed entity should disclose:</p> <p>(a) if it has an internal audit function, how the function is structured and what role it performs; OR</p> <p>(b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.</p>	<p>The Company does not have an internal audit function due to the relatively small size of the Company and the nature of the Company as a listed investment company.</p> <p>The Company has outsourced its administrative functions to service providers, MUFG Corporate Markets (formerly Link Fund Solutions Pty Limited) (custody and accounting) and Glennon Capital Pty Ltd (Investment management). To some extent, risk issues associated with these activities are handled in accordance with the service providers' policies and procedures.</p> <p>MUFG Corporate Markets (formerly Link Fund Solutions Pty Limited) undertakes an annual GS007, the results of which are distributed to the Company.</p> <p>A summary of the Company's procedures for evaluating and improving the effectiveness of its risk management and internal control processes are set out in its "Risk Management Statement". This is disclosed in the Corporate Governance section of the Company's website at www.glennonsmallcompanies.com.au.</p>
7.4	<p>A listed entity should disclose whether it has any material exposure to environmental or social risks and, if it does, how it manages or intends to manage those risks.</p>	<p>As the Company is a listed investment company, the Board recognises that the Company has material exposure to economic risks which could substantively impact the Company's ability to create or preserve value for security holders over the short, medium or long term. It therefore has systems in place to identify, assess, monitor and manage these risks to the Company (See sections 7.1 to 7.3 above).</p> <p>Investment returns are influenced by general market factors both in Australia and internationally. In particular, the market prices of the securities of many listed entities experience fluctuations which in many cases reflect a diverse range of non-entity specific influences including general economic conditions and changes in investor confidence generally, and in relation to specific sectors of the market.</p> <p>The Company will always carry investment risk because it must invest its capital in securities which are not risk-free. However, the Company seeks to reduce this investment risk by a policy of diversification of investments across industries and companies operating in various sectors of the market. The Manager is required to act in accordance with the Board-approved investment mandate.</p> <p>In assessing the Company's risk tolerance level, the Board considers any instance which may materially affect the Company's monthly Net Tangible Asset backing announcement released to the ASX.</p> <p>It is not considered that the Company has material exposure to environmental and social sustainability risks.</p>
