REVIEW OF OPERATIONS

About Hudson Investment Group Ltd

Hudson Investment Group Limited (**the Company**) is an ASX-listed company (**ASX code HGL**) focusing on industrial, residential and commercial property development in New South Wales and Queensland. The Company currently owns the following properties:

- Unit 2, 171-175 Sparks Road, Halloran, New South Wales (Western side)
- 59 Mountain Road, Halloran, New South Wales (Eastern side)
(both collectively the **Warnervale Properties**);
- 47 Brookes Street, Bowen Hills, Queensland
- 41-43 Brookes Street, Bowen Hills Queensland
(both collectively the **Bowen Hills Properties**)
- 43 Regent Street, Woolloongabba Queensland (the **Regent Street Property**) (See Subsequent events)

The Warnervale Properties are located approximately 100 kilometres north of Sydney CBD and the Bowen Hills Properties and the Regent Street Property are located close to Brisbane CBD.

As at 30 June 2024, the Warnervale Properties, the Bowen Hills Properties and the Regent Street Property, are recorded in the Company's Consolidated Statement of Financial Position as \$35.236 million, representing the Company's auditors' assessed portfolio fair value amount despite independent valuations of \$42.4 million.

The Company remains focused on assessing the highest and best use for its current property portfolio, to optimise cashflow, reduce costs, take advantage of opportunities to strengthen its strategic positioning for future growth and enhanced returns to shareholders. The Warnervale Property Western side is currently leased to Bunnings Group Limited on a 3-year lease expiring in 2026 with 2 additional 5 year options.

An analysis of the business risks associated with the Company shows the business risks are largely financial as the Warnervale Properties, the Bowen Hills Properties and the Regent Street Property are subject to non-current interest bearing financial facilities totalling \$11.725 million as at 30 June 2024. These financial facilities include annual review financial covenants. Currently the Company complies with these financial covenants reviewed annually.

Accordingly, the major business risks are rising interest rates, inflation and the Australian economy. The Company's financial liabilities are on variable interest rates. Recent announcements by the Reserve Bank of Australia (**RBA**) indicate that it is the view of the RBA that there will be no interest rate reductions throughout the rest of 2024 and inflation, based on the Consumer Price Index is approaching the RBA targeted level of 2-3%.

The Consolidated Statement of Profit or Loss and Other Comprehensive Income for the half year ended 30 June 2024 shows an operating loss of \$1.13 million, an increase over the loss in the prior half year ended 30 June 2023 of \$161,000 mainly attributable to the Company's auditors required impairment of assets charge.

CORPORATE HIGHLIGHTS

Hudson Investment Group remains focused on assessing the highest and best use for its current property portfolio, to optimise cashflow, reduce costs, take advantage of opportunities to strengthen its strategic positioning for future growth and enhanced returns to shareholders.

- Exploring the submission of a potential Residential Development Application (**DA**) for the Bowen Hills QLD properties in addition to the current mix use DA approved in 2021, to provide the Company with additional options with regard to the best use development of the property. This may result in a Joint Venture, Sale or continued hold for the properties.
- The Company has also been approached by several parties seeking either sale or Joint Venture, for the Warnervale Western side property. Those discussions are at an early stage and it is not envisaged that there will be any major developments in the next half year.

Accordingly, we do not express an audit opinion.
