Special Dividend

In view of the EBITDA result and associated cash position for FY24, the Board has resolved to declare a special dividend of one cent per share (franked to 100%) and payable on 27 September 2024. This dividend reflects the Company's continued financial strength and confidence in the business.

The record date is 13 September 2024, with a payment date of 27 September 2024.

The Board has not formulated a dividend policy due to the inherent uncertainties of aquaculture, the need to fund future operating costs between sales events, and the cyclical swings typical in the luxury goods market. The Board will continue to evaluate the payment of dividends, as and when favourable market circumstances allow.
