Liontown releases full-year 2024 results

Liontown Resources Limited (ASX: **LTR**) (**Liontown** or the **Company**) announces the release of its full-year financial results for the year ended 30 June 2024 (**FY24**), a year that was marked by the completion of critical path construction items for the Kathleen Valley Lithium Project, which announced first production on 31 July 2024¹.

FY24 Achievements:

- Safety performance: 5.99 TRIFR and LTIR of 0.33;
- Completion of major construction and commissioning of the Kathleen Valley Lithium Project on schedule, enabling first production on 31 July 2024;
- Commencement of underground development, achieving 3,500 metres during the year;
- Commissioning of the dry plant and first ore crushed;
- Construction and commissioning of a 95MW Hybrid power station;
- Key contracts awarded for mining, construction and operations;
- Pre-feasibility downstream agreement with Sumitomo Corporation executed; and
- \$389.6 million equity raise completed (excluding fees) along with the post balance date² long term strategic funding announced with LG Energy Solution, Ltd.

Liontown's Managing Director and CEO, Tony Ottaviano, said:

"It has been a year of transformative growth and achievement. I am immensely proud of the team who have demonstrated great focus and resilience during this year. We have not only delivered on our commitments, but also built a company around our world class Kathleen Valley Lithium Project which sets the foundation for future continued success."

Financial Results Summary

The Company's total assets increased from \$655.1 million as at 30 June 2023 to \$1,384.9 million as at 30 June 2024, with this increase primarily relating to the construction of the Kathleen Valley Lithium Project which commenced production on 31 July 2024.

The Company's interest-bearing loans and borrowings increased by \$202.5 million during FY24 which primarily related to the Company's \$300 million debt facility with Ford which was fully drawn during the year.

Given the Company was pre-revenue, Liontown reported a Net Loss after Tax of A\$64.9 million for FY24, which included several exceptional items. These items comprised transaction costs³ related to the withdrawn non-binding indicative proposal from Albemarle Corporation to acquire all the shares in Liontown⁴, and borrowing costs⁵ that were expensed due to the cancellation of various debt facilities associated with the

Kathleen Valley Lithium Project. These debt facilities included the \$760 million debt funding package announced in October 2023⁶ which was subsequently replaced with a \$550 million debt facility announced in March 2024⁷. This debt facility was ultimately cancelled as the Company secured, post balance date, a more compelling long term strategic funding with LG Energy Solution, Ltd through the issue of US\$250 million in convertible notes. After adjusting for these exceptional (and non-recurring) items, the Company's underlying Net Loss after Tax for FY24 is A\$39.6 million. Refer to Appendix 1 to this announcement for a reconciliation of the Company's statutory Net Loss after tax for FY24 to the underlying Net Loss after Tax.
