Wellnex Life Limited (ASX) ("Wellnex Life" or the "Company") is pleased to release its Annual Report for Financial Year 2024 (**FY24**) and to provide the following operational update.

The FY24 was a period of transformational change for the business with the acquisition of Pain Away in December 2023, and the impact can be seen with the company positing a normalised EBITDA profit for 2HFY24 of \$0.6 million.

Revenue for FY24 was \$16.9 million which was a decrease of 39.3% from FY23 (FY23: \$27.8 million), with the reduction in revenue resulting from the Company pivoting away from low margin brokerage arrangements and delays in finalising the acquisition of Pain Away.

Wellnex Life increased its margins both as a percentage and in dollars despite a 39.3% decline in revenue in FY24 compared to FY23 with margins increasing 76% to 30% in FY24 (FY23: 17%) and in dollar terms increasing 6.5% to \$5 million (FY23: \$4.7 million).

The transformation of the business in 2HFY24 is evidenced by revenue in 2HFY increasing by over 100% compared to 1HFY24 to \$11.3 million (1HFY24: \$5.6 million), margins increasing 256% for the same period to 40% (1HFY24: 11%) and margin contribution in dollars increasing 680% to \$4.4 million (1HFY24: \$0.7 million).

Loss for FY24 was \$13.7 million, which was impacted by non-cash and one-off expenses (in relation to Pain Away) of \$6.8 million, with the normalised EBITA loss for FY24 down 31% to \$4.5 million (FY23: 6.6 million).

The total assets of the entity at 30 June 2024 were \$31.4 million (30 June 2023: \$15.0 million), an increase of 110%, with net assets of the entity were \$6.1 million (30 June 2022: \$0.6 million).

Wellnex Life for FY25 will continue to grow its revenue and maintain its margins but will also focus on strengthening its balance sheet by extinguishing the deferred consideration on the Pain Away acquisition and the convertible notes.
