HMC CAPITAL ANNOUNCES STRATEGIC ACQUISITIONS TO SEED GLOBAL DigiCo PLATFORM AND EQUITY RAISING

HMC Capital Limited (**ASX: HMC**) today announces key initiatives to establish a global digital infrastructure platform (**Global DigiCo Platform**) comprising the global DigiCo Infrastructure REIT (**DigiCo REIT**)¹ intended to be listed on the ASX alongside a new institutional Unlisted Fund (**Unlisted Fund**). HMC has agreed terms to acquire Global Switch Australia (**Acquisition**) for \$1.937bn² as a seed asset for the Global DigiCo Platform³. To underwrite the Acquisition, HMC is undertaking a \$300m fully underwritten institutional placement (**Placement**). This is consistent with HMC's strategy to maintain a strong and flexible balance sheet and actively recycle capital to over time achieve group wide ROE of 20%+.

KEY HIGHLIGHTS

- Acquisition of Global Switch Australia
 - HMC is acquiring Global Switch Australia, a highly strategic 26MW colocation data centre located in the Sydney CBD, for \$1.937bn as a seed asset for the Global DigiCo Platform
 - Significant growth opportunity with large scale development pipeline identified within existing Global Switch campus to expand the existing IT capacity to 88MW⁴
- HMC to establish Global DigiCo Platform across ASX listed and unlisted funds
 - DigiCo REIT intended to be listed on the ASX alongside a new institutional Unlisted Fund
 - HMC has assembled a best-in-class global management team with an average of >20 years' experience in the data centre sector
 - HMC has received positive early feedback from potential third-party investors seeking exposure to high quality digital infrastructure assets at scale
- Additional assets secured or under exclusive due diligence
 - HMC has identified multiple seed assets, predominately based in the United States, which are currently under exclusive due diligence
 - These assets include Tier 1 hyperscale and enterprise data centres, colocation facilities and higher returning development opportunities
- Equity raising to underwrite the Global Switch Australia acquisition
 - To underwrite the Global Switch acquisition, HMC is undertaking a \$300m fully underwritten institutional placement (**Placement**) at an issue price of \$8.75 (**Issue price**)
 - Immediately following the equity raising, HMC will have ~\$3bn⁵ of balance sheet underwriting capacity to support the Acquisition and establishment of DigiCo REIT⁶

TRADING UPDATE

- Based on HMC performance YTD, annualised FY25 Operating EPS (pre-tax) is 46 cents, representing growth of 24% on FY24⁷
- FY25 DPS guidance of 12 cents is reaffirmed
- Placement proceeds are intended to deliver 20%+ ROIC target from new funds management and co-investment income in the medium term

¹ Once it is established, it is proposed that DigiCo REIT will be a stapled entity consisting of a company and a registered managed investment scheme. Shares in the company will be stapled to units in the managed investment scheme on a one for one basis to form stapled securities.

² Net of \$184m cash as at 18-Oct-24.

³ HMC may nominate another entity (such as DigiCo REIT) to acquire Global Switch Australia.

⁴ Target IT power and utility power supply post completion of densification & optimisation program.

⁵ Comprising \$1.1bn DigiCo REIT asset debt facilities, \$535m HMC debt facilities (upsized), \$1.1bn net tangible assets and \$300m equity raising proceeds.

⁶ Proceeds from the proposed IPO of DigiCo REIT, capital from the Unlisted Fund and proceeds from the DigiCo REIT Acquisition debt facilities are expected to be used to fund the Acquisition. If this occurs, then proceeds from the Placement will be applied to cash at bank and continue to be used for funds management establishment.

⁷ Adopts the gross fair value movement of HMCCP and financial assets as at 23-Oct-24 plus the annualised operating earnings YTD Oct-24 (excl. HMCCP / Equity investment fair value movements). 44 cents on a diluted basis for the Placement and assuming Placement proceeds are placed in an interest-bearing account.

HMC Managing Director and CEO, David Di Pilla, said “We are excited to today announce a major acquisition to seed our global digital infrastructure platform. Global Switch Australia is a strategically located Tier 1 asset with significant repositioning and expansion upside. This is consistent with our strategy to build a world-class global platform providing investors with exposure to institutional grade digital infrastructure assets underpinned by attractive megatrends”.

“Digital infrastructure represents a major funds management growth opportunity for HMC and we believe the establishment of both a listed and unlisted vehicle will enable HMC to take advantage of high quality acquisition opportunities across the value chain to generate attractive risk adjusted returns. We have a number of additional exciting and complementary acquisition opportunities under advanced exclusive due diligence which are predominantly based in the United States”.

GLOBAL SWITCH AUSTRALIA ACQUISITION

HMC has agreed terms to acquire 100% of Global Switch Australia for upfront consideration of \$1.937bn. Subject to the satisfaction of certain conditions precedent, the transaction is expected to reach financial close in 1Q CY25 with Global Switch Australia being acquired by DigiCo REIT.

Global Switch Australia currently comprises two adjoining data centre sites in Sydney, representing the only large-scale data centre campus in the densely-connected Sydney CBD and one of the largest data centre campuses in Australia.

The Sydney campus’ CBD location, in close proximity to telecommunications exchanges, submarine cable Points of Presence (**PoPs**) and Sydney’s financial and commercial districts, has enabled it to establish a position as one of the premier carrier hotels in Sydney. The connectivity ecosystem, which includes 110 Tier 1 and Tier 2 service providers, 3 cloud on-ramps and access to key inter and intra city fibre networks is highly attractive to connectivity and latency-sensitive customers.
