EXPLANATORY STATEMENT

Financial report, directors' report and auditor's report

Purpose of consideration

The financial report, directors' report and the auditor's report of the Company for the financial year ended 30 June 2024 are contained in the Company's 2024 Annual Report, available at <https://syntaratx.com.au/investors/>.

Shareholders will be provided with a reasonable opportunity to ask questions about and to make comments on the reports, and the business and management of the Company. Shareholders are not required to approve these reports so there will be no formal resolution put to the shareholders at the Meeting.

Shareholders will also be given a reasonable opportunity to ask questions of the Company's external auditor in relation to the conduct of the audit of the Company, the preparation and content of the auditor's report, the accounting policies adopted and the independence of the auditor.

Resolution 1 - Remuneration Report

Purpose of approval

Section 250R(2) of the Corporations Act 2001 (*Cth*) (**Corporations Act**) requires that shareholders vote in respect of the adoption of the Company's remuneration report at each annual general meeting of the Company. The remuneration report is set out in section 2 of the Company's 2024 Annual Report, available at <https://syntaratx.com.au/investors/>.

Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Company's board of directors (**Board**) or the Company. The Board will continue to consider and take into account the outcome of the vote and feedback from shareholders on the remuneration report when reviewing the Company's remuneration policies. The Chair of the Meeting will allow a reasonable opportunity for shareholders as a whole to ask questions about, and make comments on, the remuneration report at the Meeting before calling for a vote.

Board recommendation

The Board unanimously recommends that shareholders vote in favour of resolution 1.

Resolution 2 - Re-election of Dr Kathleen Metters as a non-executive director

Dr Metters was appointed to the Board of Directors in June 2017 and Chair of the Board from 3 October 2023. Dr Metters has over 25 years of experience in the discovery and development of novel therapies for treatment of serious diseases. She is currently working as an independent biopharma consultant and board member. From 2011-2014 Dr Metters was President and Chief Executive officer for Lycera Corp., a biopharmaceutical company pioneering innovative approaches to novel oral medicines for treatment of autoimmune diseases and cancer.

From 1988 to 2011 Dr Metters was employed by Merck & Co. In 2009 she was appointed to head External Discovery and Preclinical Sciences, created to expand Merck's scientific network to the greater research community in academia, biotechnology, and government, building partnerships in life sciences, medicine, engineering, and information technology. From 2005 to 2009 Dr Metters was head of Worldwide Basic Research for Merck & Co. with oversight of research activities at major sites around the globe; across all therapeutic modalities and therapeutic areas. From 2002 to 2005 Dr Metters was head of research at Merck Frosst, Canada. During this time, she was the Basic Research Therapeutic Area Head for the Respiratory Franchise and from 2003-2005 was Chair of the Respiratory Worldwide Business Strategy Team, reporting directing to the CEO, with responsibility for the discovery, development and commercialization strategy for respiratory products. Prior to that Dr Metters worked in research focused on the arachidonic acid cascade which resulted in the development of SINGULAIR® , a once-daily oral therapy for asthma and allergic rhinitis. For her work on SINGULAIR® , she was one of the team of scientists who won the Prix Galien Canada 2000 for excellence in innovative research.

Dr Metters graduated with a B.S. in biochemistry from the University of Manchester Institute for Science and Technology, and a Ph.D. from Imperial College of Science and Technology in London. She completed post-doctoral training at the Centre National de la Recherche Scientifique in France and at the Clinical Research Institute of Montreal. Dr Metters is a member of the Remuneration and Nomination Committee and the Audit Committee

In considering Dr Metters suitability for re-election, the Board has considered the specific time commitments of Dr Metters' other responsibilities and has determined that those other responsibilities do not conflict with Dr Metters commitments to the Company. Additionally, the Board considers that Dr Metters prior extensive experience in the discovery and development of novel therapies and biopharma consulting complements the Board's existing skills and experience.

Purpose of approval

In accordance with the requirements of the ASX Listing Rules and the Company's constitution, Dr Metters will retire and offer herself for re-election at the Meeting. If re-elected, Dr Metters term of appointment will be until the end of the third annual general meeting following her re-election or three years (whichever is longer), subject to the constitution of the Company, the ASX Listing Rules and the Corporations Act.

Board recommendation

The Board (with Dr Metters abstaining) unanimously recommends that shareholders vote in favour of this resolution 2.

Resolution 3 – Approval of the grant of Performance Rights to Mr Gary Phillips

Background

The Company is proposing to grant Mr Gary Phillips 2,771,000 zero grant price and zero exercise price options (**Performance Rights**) pursuant to the terms and conditions of the Company's performance rights plan, which is governed by the Company's existing employee option plan (**Performance Rights Plan**). Further information about our remuneration framework for executive officers, including the use of performance rights, is set out in the remuneration report contained in the 2024 Annual Report.

Purpose of approval

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme: (i) a director of the company; (ii) an associate of a director of the company; or (iii) a person whose relationship with the company or a person referred to under (i) or (ii) is such that, in ASX's opinion, the acquisition should be approved by shareholders, in each case, unless it obtains the approval of its shareholders.

Additionally, in general terms, ASX Listing Rule 7.1 provides that a listed company must not issue or agree to issue equity securities that total more than 15% of its fully paid ordinary shares in a 12 month period without the approval of its shareholders (**15% Capacity**), subject to certain exceptions. ASX Listing Rule 7.2 Exception 14 provides that ASX Listing Rule 7.1 does not apply to an issue of securities made with the approval of holders of the Company's ordinary shares under ASX Listing Rule 10.11 or 10.14. Exception 13(b) of ASX Listing Rule 7.2 also provides that Listing Rule 7.1 does not apply in relation to, among other things, an issue of securities under an employee incentive scheme if within 3 years before the date of the issue the holders of the entity's ordinary securities approved the issue of securities under the scheme as an exception to Listing Rule 7.1, to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the notice of meeting. The Company's Option Plan (the same plan also known as the Performance Rights Plan when used to grant Performance Rights) was most recently approved by shareholders at the Company's 2021 annual general meeting and resolution 4 again seeks shareholder approval of the Company's employee incentive scheme.

The grant of Performance Rights to Mr Phillips, falls within ASX Listing Rule 10.14 and accordingly requires approval of shareholders. With respect to the 15% Capacity, the grant of Performance Rights falls within Exception 14 of ASX Listing Rule 7.2 and, if resolution 4 is approved would also fall within Exception 13(b) of ASX Listing Rule 7.2.

If shareholder approval for resolution 3 is obtained, the Company will be able to proceed with the grant of the Performance Rights to Mr Phillips as outlined in this Explanatory Statement. If shareholder approval is not obtained, the Performance Rights proposed to be granted to Mr Phillips will not be granted and the Board may need to consider alternative long-term deferred incentives for Mr Phillips (such as cash-based incentives).

Details of the proposed grant

The name of the person: Mr Gary Phillips or his nominee(s).

For personal use only

Category the person falls into: Mr Gary Phillips is the Company's Chief Executive Officer and Managing Director and falls in the category set out in ASX Listing Rule 10.14.1 as he is a director of the Company and his nominee(s) would be his associate and would fall in the category set out in ASX Listing Rule 10.14.2.

The number and class of securities proposed to be issued for which approval is being sought: 2,771,000 Performance Rights. The quantum of Performance Rights granted to participants in the Performance Rights Plan is calculated by the Board with reference to a percentage of the participant's salary based on responsibility within the Company, and the Company's share price. The number of Performance Rights proposed to be granted is the same as the number granted in 2023.

Details (including the amount) of the director's current total remuneration package: Mr Phillips' total remuneration package is detailed in the financial statements of the Company. Mr Phillips' current total remuneration package consists of: (i) an annual base salary of \$475,730 plus superannuation of 11.5% of the annual base salary per year (which was \$54,709 for the year ended 30 June 2024); (ii) a variable cash incentive up to 30% of annual base salary; and (iii) equity remuneration in the form of Performance Rights (as approved by shareholders).

The number of securities that have previously been issued to the person under the scheme and the average acquisition price (if any) paid by the person for those securities: Excluding the Performance Rights for which the Company is seeking approval at this Meeting, since commencing as an employee of the Company in 2003, Mr Phillips has been granted an aggregate total of 17,143,000 options over ordinary shares of which 4,148,750 have lapsed and 6,148,450 have been exercised into ordinary shares in the capital of the Company. The options previously granted to Mr Phillips consist of 15,888,000 Performance Rights with a zero grant price and zero exercise price and 1,255,000 market priced options with a zero grant price and an average exercise price of \$1.65.

A summary of the material terms of the securities: The Performance Rights will not be listed on ASX (i.e. the Performance Rights are unquoted). The Performance Rights have a life of 10 years and will vest in two equal tranches at each of 30 June 2026 and 2027 subject to Mr Phillips being an eligible person on those dates. If Mr Phillips ceases to be an eligible person, all of his Performance Rights which have not yet vested, lapse. Any Performance Rights which Mr Phillips does not exercise prior to their expiry date (10 years from the date of grant), lapse on the expiry date. An "eligible person" for the purposes of the Performance Rights Plan means any person considered by the Board to be employed by the Company or any subsidiaries of the Company whether full time, part time or on a long term casual basis and includes all executive and non-executive directors. While Mr Phillips is the Company's Chief Executive Officer, restrictions will apply to the shares issued on exercise of Performance Rights, including that the shares may only be traded following Board approval. Additionally, any shares acquired on exercise of the Performance Rights which are capable of vesting on 30 June 2026 are not able to be traded until 30 June 2027, and then only after Board approval. Any shares acquired on exercise of the Performance Rights which are capable of vesting on 30 June 2027 may only be traded after Board approval.

The Performance Rights are granted under the Company's Option Plan/ Performance Rights Plan. For additional information concerning the terms of the Performance Rights, refer to the summary in resolution 4 in this Explanatory Statement.

Why that type of security is being used and the value the Company attributes to that security and its basis: The Board considers that Performance Rights are widely accepted in the Australian context to provide equity remuneration to management and employees. Performance rights typically provide lower potential rewards to managers and employees when compared to traditional options, but by also reducing the risk for employees they provide a stable equity remuneration instrument to retain and reward employees over the longer term, and as such, are an appropriate type of security to be used for the purpose of incentivising Mr Phillips. The Company attributes a value of \$0.032 per Performance Right (\$88,672 in the aggregate for the 2,771,000 Performance Rights) for which approval is sought, which is calculated based on the 30 calendar day VWAP prior to the day of the Board resolution to grant the Performance Rights (being 15 August 2024), and assuming that they fully vest.

The date or dates on or by which the entity will issue the securities: The Performance Rights would be granted on 28 November 2024 or as soon as practicable after the Meeting (unless the Meeting is deferred, in which case they will be granted on the date of the deferred Meeting or as

soon as practicable after the Meeting), but in any case, no later than 3 years after the date of the Meeting.

The price at which the entity will issue the securities to the person: The Performance Rights have a zero grant and zero exercise price.

A summary of the material terms of the scheme: Refer to the summary in resolution 4 in this Explanatory Statement.

A summary of the material terms of any loan that will be made to the person in relation to the acquisition: The Company will not provide any loans in connection with the grant or exercise of Performance Rights.

Disclosure in annual report and future issues: Details of any securities issued under the Company's Option Plan/Performance Rights Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Option Plan/Performance Rights Plan after this resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule.

Voting exclusion statement: A voting exclusion statement for resolution 3 is set out in the Notes and Important Information section of the Notice of Meeting.

Board recommendation

The Board (with Mr Phillips abstaining) unanimously recommends that shareholders vote in favour of resolution 3.

Resolution 4 – Approval of the Company's Employee Option Plan/Performance Rights Plan

Equity remuneration is an important component of attracting, incentivising and retaining talented individuals for the Company.

The Company's primary plan to provide for the long term reward, incentive and retention of all employees is the Syntara Employee Option Plan (also known as the Performance Rights Plan). The Employee Option Plan enables the grant of employee options to eligible employees of the Group, including options with a zero grant price and a zero exercise price known commonly as "Performance Rights". Senior Executive Officers and other eligible employees are invited by the Remuneration and Nomination Committee to participate in this plan.

The Company has historically also operated an Employee Share Plan to make grants up to \$1,000 of fully paid Syntara ordinary shares to eligible employees of the Group. However, the Board does not intend to make any grants under this plan in the near term and accordingly does not seek approval for that plan.

As noted above, ASX Listing Rule 7.1 provides that a listed company must not issue or agree to issue equity securities that total more than its 15% Capacity in a 12 month period without the approval of its shareholders, subject to certain exceptions.

Exception 13(b) of ASX Listing Rule 7.2 provides that Listing Rule 7.1 does not apply in relation to, among other things, an issue of securities under an employee incentive scheme if within 3 years before the date of the issue the holders of the entity's ordinary securities approved the issue of securities under the scheme as an exception to Listing Rule 7.1. Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the notice of meeting approving the scheme.

If this approval is not granted, the issue of any options (including Performance Rights) under the Employee Option Plan/Performance Rights Plan would need to be counted to the 15% Capacity. If this approval is given, the issue of options (including Performance Rights) under the Employee Option Plan/Performance Rights Plan will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

The Company most recently obtained approval for the employee incentive schemes at the 2021 Annual General Meeting, held on 3 November 2021. The following information is provided for the purposes of Listing Rule 7.2 Exception 13(b):

- **A summary of the terms of the Employee Option Plan/Performance Rights Plan:** Set out below.

- **The number of securities issued under the Employee Option Plan/Performance Rights Plan since the Company was listed:** The Company has granted approximately 126 million options / Performance Rights since the Company was listed on ASX in 2003 of which approximately 41 million have lapsed and approximately 41 million are still outstanding.
- **The maximum number of securities proposed to be issued following approval:** The maximum number of options/Performance Rights and options that may be granted under the Employee Option Plan/ Performance Rights Plan is limited to: (a) 15% of the total number of shares on issue in the capital of the Company (calculated as if all securities convertible into shares had been converted into shares); (b) such number as is consistent with any applicable ASX Listing Rules requirements; and (c) such number having regard to regulatory constraints under the Corporations Act or any other applicable law. Accordingly, the aggregate maximum number of options/ Performance Rights for which the Company seeks approval to be capable of granting in the three years following the Meeting under Exception 13(b) of ASX Listing Rule 7.2 is 163,740,518 options/ Performance Rights (representing the 15% limit referred to above minus the total number of options/ Performance Rights currently on issue). In the event of a reconstruction of the Company's share capital, this maximum number will be likewise reconstructed. Other than the grant of Performance Rights to Mr Gary Phillips described above, as at the date of this Explanatory Statement, the Board has not approved any grant of options/ Performance Rights. Option/ Performance Rights are granted in the manner described in the Company's remuneration report in the Annual Report, typically with annual grants to eligible employees.
- **Voting exclusion statement:** A voting exclusion statement for resolution 4 is set out in the Notes and Important Information section of the Notice of Meeting.

Summary of Employee Option Plan/ Performance Rights Plan

Options, including Performance Rights, are issued under the Company's Employee Option Plan (also known as the Performance Rights Plan), which was first approved by shareholders in 1999. The Employee Option Plan is administered by the Board.

Eligibility

Any person considered to be an employee by our Board is eligible to participate in the Performance Rights Plan, but does so at the invitation of our Board. Under the Performance Rights Plan, the Board may issue options (including performance rights) over ordinary shares on such terms, including the issue price, the exercise price and the vesting conditions, as it determines.

Vesting, exercise and lapse of employee options

Unless otherwise determined by the Board, any vesting conditions must be satisfied before the employee options vest and become exercisable. Upon the occurrence of a defined liquidity event (including a takeover or other company sale), all options which have not yet vested, vest. When exercisable, each option issued under the Performance Rights Plan entitles the holder to subscribe for one fully paid ordinary share in the Company. An option may be exercised by an optionholder at such time(s) as the Board determines at the time of grant. An optionholder may exercise options by lodging with the Company a notice of exercise in a form approved or accepted by the Board along with any exercise consideration for the options. The employee options lapse on such date as determined by the Board at the time of grant. Unless otherwise determined by the Board, if an optionholder ceases to be regarded as an employee by our Board, all of his or her options which have not yet vested lapse and all options which have already vested lapse after 30 days. If an employee is terminated for cause, his or her options lapse immediately on ceasing to be an employee. If an employee dies, all options which have not vested lapse and all options which have vested, lapse on the expiry of 12 months after the death of the employee.

Rights attaching employee options

The employee options will not be listed on any securities exchange. The employee options do not confer a right to notices of general meetings (except as may be required by law) or a right to attend, speak or vote at general meeting. A holder of employee options may only participate in new issues of securities in respect of options which have been exercised and ordinary shares issued prior to the record date for the entitlements to the new issue.

Changes to issued capital

In the event of a consolidation, subdivision or similar reconstruction of our issued share capital, the number of shares to which a holder of options is entitled on exercise of an option will be adjusted

in the same proportion as our issued share capital is consolidated, subdivided or reconstructed (as applicable) and an appropriate adjustment will be made to the exercise price with the effect that the total amount payable on an exercise of all options by each holder will not change. If any pro-rata offer is made by the Company to at least all holders of shares, the exercise price of the relevant employee options will be reduced according to a formula set out in the Performance Rights Plan. If the Company makes a bonus issue of shares to ordinary shareholders, the number of shares over which the employee options are exercisable may be increased by the Board by the number of shares the relevant option holder would have received if the option had been exercised prior to the record date of the bonus issue. If the Company makes a return of capital to its shareholders generally, the exercise price of the employee options will be proportionately reduced by the amount of the return of capital.

Restrictions on employee options

Except by transmission on death or with the prior written consent of our Board, employee options may not be transferred, encumbered, assigned or otherwise disposed of by the relevant holder. The Company seeks quotation of any shares issued on exercise of an option on the Australian Securities Exchange. The Performance Rights Plan may be amended by the Board, subject to any necessary approvals under the Corporations Act and ASX Listing Rules. The Corporations Act and the ASX Listing Rules prevail over the Performance Rights Plan to the extent of any inconsistency.

Administration of the Employee Option Plan

The Employee Option Plan is administered by the Board and any determination by the Board in respect of the operation of the Employee Option Plan is binding.

Board recommendation

The Board unanimously recommends that shareholders vote in favour of resolution 4.

Resolution 5 – Appointment of Auditor

PricewaterhouseCoopers (**PwC**), one of the largest global audit firms, has been the auditor of the Company for in excess of 22 years. PwC has provided excellent services to the Company over this period that has seen significant changes for the Company. Since the sale of the mannitol respiratory business unit by the Company in October 2023, the Company's size, complexity, scope and nature of operations, has significantly reduced. As a result, PwC has tendered a notice of resignation to the Australian Securities and Investments Commission (**ASIC**) under section 329(5) of the Corporations Act to enable the Company to engage a smaller accounting firm.

The Company has received a notice from McGarvey Investments Pty Ltd aff the McGarvey Family Trust, being a shareholder, nominating William Buck Audit (Vic) Pty Ltd (**William Buck**) as the new auditor of the Company. In accordance with section 328B of the Corporations Act, a copy of this notice of nomination of William Buck is attached to the Notice of Meeting.

William Buck has provided their consent in writing to act as auditor of the Company. William Buck confirms that it does not provide any services to the Company and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act, in relation to the Company.

William Buck is registered as an auditor under section 1280 of the Corporations Act and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. Consequently, nominated and selected to become the new auditor of the Company.

Resignation of an auditor requires ASIC consent. ASIC provided its consent to the resignation of PwC on 17 October 2024. Accordingly, the change of auditor will take effect upon the conclusion of the Meeting.

Board recommendation

Having received ASIC's consent of the current auditor's resignation, the Directors unanimously recommend that shareholders vote in favour of this resolution to appoint William Buck as the Company's new auditor.
