ASX ANNOUNCEMENT

Aligned strategy of using Poseidon's Black Swan infrastructure to fast-track gold production

- Refurbishment of the front end of the Black Swan processing plant and conversion of the back end to facilitate gold production presents a significantly faster, lower capital pathway to gold production compared to building a new gold processing plant in the region.
- Horizon's 465koz Burbanks and 428koz Boorara gold deposits form the cornerstone assets in a project pipeline aiming to deliver a 5-year mine plan to fill the Black Swan processing plant.
- Conversion of the Black Swan processing plant to a gold plant with throughput optionality will unlock latent value in Horizon's portfolio and open up the region for toll milling and further consolidation.⁴

Shared focus and ambition to become the next mid-tier gold producer

- Horizon aims to become a sustainable, 100kozpa standalone producer following the merger and conversion & recommissioning of the Black Swan processing plant.

Strategically positioned and permitted infrastructure

- In addition to the combined entity's Kalgoorlie-Coolgardie gold assets, Lake Johnston and Windarra present highly strategic assets that have the ability to deliver further shareholder value.
- Situated in the southern Goldfields, the permitted Lake Johnston 1.5Mtpa processing plant and associated infrastructure presents an opportunity to develop a lithium processing hub in this emerging lithium province.
- Located in Laverton, Windarra's water resource and gold tailings present highly strategic assets

Potential for re-rating based on enhanced scale and market relevance

- Enhanced trading liquidity and scale to drive increased market relevance, grow investor appeal and improved access to capital.
- Lower combined corporate overheads to enable greater focus on asset investment.

OVERVIEW

Pursuant to the terms of the Scheme Implementation Deed:

- each Poseidon shareholder will receive 0.1156 Horizon shares for every 1 Poseidon Share held (the **Share Scheme**);

⁴ See Forward Looking and Cautionary Statements on Page 11.

ASX ANNOUNCEMENT

- each holder of Poseidon options (other than a POS Incentive Option⁵ – see below) (**Poseidon Options**) will receive 0.1156 new Horizon options for every 1 Poseidon Option held (the **Option Scheme** and, together with the Share Scheme, the **Schemes**); and
- Poseidon, Horizon and each holder of POS Incentive Options will enter into a deed under which all of the relevant POS Incentive Options will be cancelled (or transferred to Horizon or its nominee) for cash consideration, with effect from the Implementation Date and conditional on the Scheme becoming effective (**POS Incentive Option Deed**). The POS Incentive Options are not subject to the Option Scheme.

The exchange ratio under the Share Scheme was based on a 40% premium to the 30-day volume weighted average price (VWAP) of \$0.0042 per Poseidon share for the period up to 22 October 2024 that is \$0.006. Based on the last trading price of Poseidon shares as at 22 October 2024, which was \$0.006 and represents a 0% premium to the last traded price.

Following implementation of the Schemes, Horizon shareholders will own 69.8% of the Combined Group (defined below) while Poseidon shareholders will own the remaining 30.2%.

The Schemes are unanimously recommended by the POS Independent Board.⁶ Each member of the POS Independent Board intends to vote all Poseidon Shares they control in favour of the Share Scheme and all Poseidon Options they control in favour of the Option Scheme, subject to no Superior Proposal⁷ emerging and the Independent Expert concluding (and continuing to conclude) that the Schemes are in the best interests of Poseidon shareholders and holders of Poseidon Options, respectively.

Under the proposed transaction the combined group will have a global JORC Mineral Resource of ~1.8Moz of gold and ~422.7kt of nickel, as well as 1,309km² of attractive exploration tenure and two strategically located processing facilities in Black Swan and Lake Johnston.

The Black Swan processing plant has a 2.2Mtpa nickel sulphide concentrator and associated infrastructure and is ideally located as a central processing hub for Horizon's gold projects as well as for regional toll treatment opportunities. The Black Swan concentrator will also unlock value for Horizon's high-grade Nimbus silver, zinc and gold project which contains 20.2Moz of silver, 78koz gold and 104kt of zinc.

The proposed transaction brings together complementary assets. A Feasibility Study on the refurbishment and conversion of the Black Swan processing plant to gold production from Horizon's

⁵ Means an option to acquire a Poseidon Share under the codes POSAH, POSAI, POSAJ, POSAE and POSAF.

⁶ As defined in the Scheme Implementation Deed, the POS Independent Board means the board of Poseidon, other than Warren Hallam. Warren Hallam is a Non-Executive Director of both Poseidon and Horizon and has excluded himself from discussions about the Schemes, and abstains from making a recommendation in relation to the Schemes.

⁷As defined in the Scheme Implementation Deed.

ASX ANNOUNCEMENT

large baseload and satellite gold deposits will be undertaken. The Feasibility Study is expected to be completed in the second half of 2025 with first gold production from Black Swan currently targeted for mid-2026.

The conversion of the Black Swan processing plant for gold processing would utilise the existing crushing and grinding circuit and likely involve the addition of a carbon in leach (**CIL**) circuit, elution plant and gold room. The Black Swan plant is currently on care and maintenance and will require some refurbishment. Horizon's Feasibility Study will provide an up-to-date estimate of the cost of completing this work.

The combined group of Horizon and Poseidon (the **Combined Group**) will be pursuing its growth strategy from a position of greater market scale, underpinned by an estimated pro-forma cash and listed investments balance of ~\$19 million (inclusive of the Placement) and lower consolidated cost base. Following implementation of the Schemes, Poseidon will be delisted from the ASX and become a subsidiary of Horizon, and the Combined Group will continue to trade as Horizon Minerals Ltd under the ticker ASX: HRZ.

Completion of the Schemes is targeted for late January / early February 2025. The Schemes remain subject to various customary closing conditions, including the approval of Poseidon shareholders, holders of Poseidon Options, and the Court, which are summarised below.

Commenting on the proposed merger, Horizon Managing Director Mr Grant Haywood said:

"We believe this proposed merger represents a unique opportunity to unlock the value of our significant gold resource in the WA Goldfields and leverage strategically located processing infrastructure.

This really is a logical consolidation of complementary assets, delivering a near term and cost-effective processing pathway and creates greater potential for both sets of shareholders to create value from the cashflow generation potential of a long project pipeline and wholly owned processing infrastructure.

Outside gold, the merged nickel and silver assets enhances the respective asset values of both parties and retains full exposure for the combined shareholder group to crystallise value in any future sustained price upturn for these commodities."

Poseidon Nickel CEO Mr Brendan Shalders commented:

"The Schemes announced today are a pivotal step towards establishing a significant gold business and provides Poseidon shareholders and holders of Poseidon Options with an exciting opportunity to become part of an emerging gold producer at a time when the gold price is at all-time highs.

"There is strong alignment between Poseidon's strategy and that of Horizon, which is one of the core pillars underpinning this regional consolidation. Together we have greater capability to deliver on longer term cashflow generation from cornerstone operations fitting for an emerging mid-tier gold producer."

PLACEMENT

Horizon has received firm commitments from investors to raise \$14.0M at \$0.045 per share (before costs) via a two-tranche placement (**Placement**). The Placement comprises:

- the unconditional placement to raise ~\$7.0M through the issue of ~155.7M new fully paid ordinary shares in Horizon (**New Shares**) using Horizon's existing placement capacity under ASX Listing Rule 7.1 (**Tranche 1**); and
- the conditional placement to raise ~\$7.0M through the issue of ~155.4M New Shares subject to shareholder approval that will be sought at a General Meeting of Horizon shareholders expected to be held in late November or early December 2024 (**Tranche 2**)

Proceeds from the Placement will be used to fund 50,000m of extensional & resource definition drilling, mining studies and working capital (including costs of the Schemes), and Feasibility Study workstreams for the Black Swan refurbishment and gold conversion (subject to implementation of the Schemes).

Completion of Tranche 1 and Tranche 2 of the Placement will leave Horizon with a strong pro-forma cash and equivalents position of \$19M to fund meaningful growth of the Combined Group. The Placement has been supported by existing shareholders in Horizon, together with new institutional and professional investors.

The Placement is not conditional on the completion of the Schemes.

- 100% of the Poseidon Options, and holders of Poseidon Options will receive 0.1156 new Horizon options (with an exercise price of A\$0.0519 each on or before 3 September 2026) for every 1 Poseidon Option held on the record date.

Additionally, and pursuant to the terms of the Scheme Implementation Deed, Poseidon, Horizon and each POS Incentive Optionholder will enter into a deed under which all of the relevant POS Incentive Options will be cancelled (or transferred to Horizon or its nominee) for cash consideration, with effect from the Implementation Date and conditional on the Schemes becoming effective. Details of the POS Incentive Options and the cash consideration payable by Horizon to the POS Incentive Optionholders is set out in the Scheme Implementation Deed. ASX ANNOUNCEMENT

About Horizon

Horizon is a gold exploration, development and mining company focussed on the Kalgoorlie and Coolgardie areas in the heart of the Western Australian Goldfields, a region which hosts some of Australia's richest gold deposits. Horizon is developing a pipeline of mining projects to generate cash and fund exploration, mine developments and further acquisitions. Horizon is aiming to achieve sustainable gold production to create long-term value for its shareholders.

Horizon has a significant portfolio of high quality JORC-Compliant Mineral Resources, inclusive of 1.8Moz of gold as well as multicommodity resources at the Nimbus silver-zinc project and the Mt Thirsty nickel-cobalt-manganese project.

Horizon is currently mining at its Boorara Gold Project, 15km east of the city of Kalgoorlie-Boulder with a plan to mine 1.24Mt of ore to produce 45.8koz and is establishing its Phillips Find gold project, 45km north-west of Coolgardie in WA.

About Poseidon Nickel Limited

Poseidon Nickel Limited (ASX: POS) is a multi-commodity exploration and development company with three projects located within a radius of 300km from Kalgoorlie in the Goldfields region of Western Australia and a resource base of over 420,000 tonnes of nickel and 180,000 ounces of gold.

Poseidon's strategy is focused on targeted exploration and business development to grow reserves and resources for the eventual restart of its established processing operations in Western Australia with the aim of being a profitable and sustainable producer.

Poseidon owns the Black Swan, Windarra Nickel and Lake Johnston Projects. The mines and infrastructure across all projects, including concentrators at Black Swan and Lake Johnston, present near term development options for Poseidon and peer companies that have mineral resources without established processing infrastructure.

In addition to processing capabilities, Poseidon has significant nickel exploration opportunities demonstrated by the discovery of the Golden Swan Resource at Black Swan, Maggie Hays West prospect at Lake Johnston and more recently the NW05 and NW04 targets at Windarra. Assessment of other commodities across Poseidon's project portfolio has noted strong lithium prospectivity at Lake Johnston and developing gold exploration targets at all three projects.

Poseidon completed a Bankable Feasibility Study on Black Swan in November 2022 which is planned to be the first project to restart, subject to appropriate project financing structures being achieved, the outlook for the nickel price improving and all necessary approvals being obtained.

A Definitive Feasibility Study on retreating the gold tailings at Windarra and Lancefield was completed in mid-2022. During July 2024, Encore Minerals entered into an agreement with Poseidon to develop the Windarra tailings project.

Note: totals may not sum exactly due to rounding. NA = Information Not Available from reported resource model.

Windarra Gold Tailings North and South Dams Resource: no cut-off grade has been used to report the resource, as potential mining method dictates removal of the entire dams a dry bulk in situ density of 1.6 t/m³ has been used to derive tonnages. resource numbers in Table 3A may not sum exactly due to rounding.

Windarra Gold Tailings central Dam Resource: No cut-off grade has been used to report the resource, as the potential mining method dictates removal of the entire dam down to a specified elevation. The mineralisation has been reported above a flat elevation of 446 mRL; there are tailings below this level but these have been shown by drilling to contain no gold, and it is anticipated that the proposed mining method will not treat material below this elevation. A dry bulk in situ density of 1.6 t/m³ has been used to derive tonnages. Resource totals may not sum exactly due to rounding.

Central Dam Resource as at 22 June 2020 (see ASX announcement "Gold Tailings Resource at Windarra updated to JORC 2012 Indicated" 22 Jun 2020).

North and South Dam Resource as at 23 July 2021 (see ASX announcement "Windarra Gold Tailings Feasibility Study Highlights Robust Project" 23 Jul 2021).

- (b) **(if both parties benefiting, both must waive)** If a Condition has been included for the benefit of both parties (as specified in relation to a Condition in the second column of the table in clause 2.1), the breach or non-fulfilment of the Condition may be waived only by the consent of both parties.
- (c) **(cannot be waived)** If a Condition has been included for the benefit of neither party (as specified in relation to a Condition in the second column of the table in clause 2.1 as 'N/A'), the breach or non-fulfilment of the Condition cannot be waived.
- (d) **(conditional waiver)** If a waiver by a party of a Condition is itself made subject to a condition and the other party accepts that condition, the terms of that condition apply accordingly. If the other party does not accept a conditional waiver of a Condition, that Condition has not been waived.
- (e) **(waiver precludes litigation)** If a party waives the breach or non-fulfilment of a Condition, that waiver precludes the party from suing another party for any breach of this Deed that resulted in the breach or non-fulfilment of the Condition.
- (f) **(waiver restricted)** Unless specified in the waiver, a waiver of the breach or non-fulfilment of any Condition will not constitute:
- (i) a waiver of breach or non-fulfilment of any other Condition resulting from events or circumstances giving rise to the breach or non-fulfilment of the first Condition; or
 - (ii) a waiver of breach or non-fulfilment of that Condition resulting from any other event or circumstance.
- (g) **(waiver in writing)** Any waiver must be in writing.

- (c) **(not prevent satisfaction of Condition)** not take any action (except as required by law including, for the avoidance of doubt, an action taken to avoid a potential breach of directors' fiduciary duties or statutory obligations) which is designed or is likely to prevent the Conditions being satisfied, without the prior consent of the other party; and

- (d) **(promptly notify)** promptly notify the other party of the fulfilment or waiver of a Condition and must keep the other party informed of any material developments of which it becomes aware in relation to a Condition.

2.4 When a Condition is fulfilled

2.5 If a Condition is not fulfilled or waived

If a Condition to the Schemes has not been fulfilled or waived by the Relevant Date, or the Effective Date has not occurred or is incapable of occurring by the End Date, the parties:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Share Scheme or the Option Scheme (as applicable) under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and

 - (A) the Competing Proposal is or may reasonably be expected to become a Superior Proposal; and
 - (B) having taken written advice from its external legal advisers, failing to take the action or refusing to take the action (as the case may be) with respect to the Competing Proposal would be reasonably likely to constitute a breach of the fiduciary or statutory obligations of the POS Board or the HRZ Board (as applicable).
- (b) POS or HRZ (as applicable) must immediately notify the other party of each action or inaction by it, or its representatives, in reliance on this clause 12.8.

 - (ii) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or

- then, to that extent (and only to that extent) POS or HRZ (as applicable) will not be obliged to comply with that provision of this clause 12.

- (i) any matter or thing giving POS the right to terminate under clause 14.1(f)(ii) (material breach);
 - (ii) failure of a Condition which is for the benefit of POS or both parties, other than as a result of a breach by POS of its obligations under clause 2.3; or
 - (iii) the Independent Expert concludes in the Independent Expert's Report (including any update of, or revision, amendment or supplement to, that report) that:
 - (A) the Share Scheme is not in the best interests of POS Shareholders (other than Excluded Shareholders); and/or
 - (B) the Option Scheme is not in the best interests of POS Optionholders (other than Excluded Optionholders),other than where that conclusion is due wholly or partly due to the existence of a Competing Proposal;
- (b) **(Competing Proposal completes)** during the Exclusivity Period, POS or any of its Representatives, directly or indirectly, was aware of, becomes aware of or receives from a Third Party an approach in relation to an actual, proposed or potential Competing Proposal and that Competing Proposal (or any related Competing Proposal or Competing Proposal arising out of that Competing Proposal) is completed at any time prior to the first anniversary of the date of the public announcement of such Competing Proposal;
- (c) **(Superior Proposal)** at any time during the Exclusivity Period, POS receives or publicly announces a Superior Proposal and POS terminated this Deed in accordance with clause 14.1(e);
- (d) **(Exclusivity obligations)** there is a breach of clause 12 by POS; or
- (e) **(POS material breach)** HRZ is entitled to terminate this Deed in accordance with clause 14.1(f)(i) (material breach) and has given the appropriate notice.

13.3 Payment of the Reimbursement Fee by HRZ

- (a) Subject to clause 13.6, HRZ must pay the Reimbursement Fee to POS, without set-off or withholding, if:

- (iii) **(HRZ material breach)** POS is entitled to terminate this Deed in accordance with clause 14.1 (f)(ii) (material breach) and has given the appropriate notice.

13.4 Written demand by HRZ or POS

A party must pay the Reimbursement Fee to the other party without withholding or set-off within 10 Business Days after receiving a written demand from HRZ or POS (as applicable). The demand for payment of the Reimbursement Fee can only be made after the occurrence of an event referred to in clause 13.2 or 13.3 (as applicable). The written notice must state the circumstances which give rise to the demand and nominate an account for payment. A party is only liable to pay the Reimbursement Fee once.

13.5 Nature of payment

The amount payable by a party under clause 13.2 or 13.3 (as applicable) is an amount to compensate the other party for:

- (a) advisory costs (including costs of advisors other than success fees);
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) reasonable opportunity costs incurred by the other party in pursuing the Schemes or in not pursuing other alternative acquisitions or strategic initiatives which the other party could have developed to further its business and objectives.

13.6 Compliance with law

- (a) No amount shall be payable by a party under clause 13.2 or 13.3 (as applicable) if the Schemes become Effective, notwithstanding the occurrence of any event in clause 13.2. To the extent that any amount has already been paid under clause 13.2 or 13.3 (as applicable) and the Schemes becomes Effective, such amount shall be immediately refunded to POS or HRZ (as applicable).
- (b) This clause 13 does not impose an obligation on a party to pay all or any part of the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the fee:
- (i) constitutes unacceptable circumstances as declared by the Takeovers Panel; or
- (ii) is held to be unenforceable by one party against another as determined by a court,

after all proper avenues of appeal and review, whether judicial or otherwise, have been exhausted. The parties must take all reasonable steps to ensure that any such determination applies to the minimum extent possible.

- (c) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in clause 13.6(b).

13.7 Other Claims

Where an amount becomes payable to a party under clause 13.2 or 13.3 (as applicable) and is actually paid, the amount of any loss or damage caused in relation to any breach by the other party shall be reduced by the amount paid under clause 13.2 or 13.3 (as applicable) to HRZ or POS (as applicable).

13.8 Limitation of liability

- (a) Subject to clause 13.8(b), but otherwise despite anything else in this Deed, the maximum aggregate amount which a party is required to pay in relation to a breach of this Deed by a party is the Reimbursement Fee, and in no event will the aggregate liability of a party under or in connection with a breach of this Deed exceed the Reimbursement Fee.
- (b) The limit in clause 13.8(a) will not prevent HRZ from:
- (i) seeking orders from a court of competent jurisdiction for the specific performance by POS of any obligations under this Deed; or
 - (ii) recovering the actual costs it incurs in connection with:
 - (A) this Deed and the Schemes (to the extent such costs exceed the Reimbursement Fee) if POS has breached its obligations to register all transfers of Scheme Shares to HRZ in accordance with clause 4.2 or register all transfers of Scheme Options to HRZ or cancel all Scheme Options in accordance with clause 4.3;
 - (B) liability for fraud or intentional or wilful breach of this Deed; or
 - (C) liability in connection with a breach by POS of clause 12.

- (d) The limit in clause 13.8(c) will not prevent POS from:
- (i) seeking orders from a court of competent jurisdiction for the specific performance by HRZ of any obligations under this Deed; or
 - (ii) recovering the actual costs it incurs in connection with:
 - (A) this Deed and the Schemes (to the extent such costs exceed the Reimbursement Fee) if HRZ has breached its obligations to provide the Scheme Consideration in accordance with clauses 5.1 and 5.2;
 - (B) liability for fraud or intentional or wilful breach of this Deed; or
 - (C) liability in connection with a breach by HRZ of clause 12.

- (b) a Competing Proposal in respect of POS is received or announced and the Competing Proposal requires as a condition that this Transaction not be implemented, and any member of the POS Independent Board makes a public statement to the effect that they no longer support this Transaction or that they recommend the Competing Proposal; or
- (c) a Third Party that does not have a 20% or more Relevant Interest in POS at the date of this Deed obtains a Relevant Interest in POS of 20% or more (or if a Third Party that has a Relevant Interest of 20% or more in POS at the date of this Deed increases their Relevant Interest in POS by more than 1%).

- (c) a Third Party that does not have a 20% or more Relevant Interest in HRZ at the date of this Deed obtains a Relevant Interest in HRZ of 20% or more (or if a Third Party that has a Relevant Interest of 20% or more in HRZ at the date of this Deed increases their Relevant Interest in HRZ by more than 1%).

14.4 Terminable in writing

This Deed is terminable if agreed to in writing by HRZ and POS.

14.5 Effect of termination

If this Deed is terminated by either party in accordance with this Deed, except if the termination results from a breach by either party of its obligations under this Deed, this Deed will become void and have no effect, without any liability or obligation on the part of any party, other than in relation to rights and obligations that accrued prior to termination and other than in relation to the provisions of this clause 14 and of clauses 8.2 (qualifications on HRZ Representations and Warranties), 8.3 (awareness of HRZ Representations and Warranties) and 8.5 to 8.7 (qualifications on POS Representations and Warranties, awareness of POS Representations and Warranties and timing of representation and warranties), 13 (reimbursement of costs), 15 (duty, costs and expenses), 16 (GST), 17.2 (no merger), 17.4 (notices) and 17.5 (governing law), which will remain in force after termination.

14.6 Termination

Where a party has a right to terminate this Deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this Deed and the provision under which it is terminating the Deed.

15. DUTY, COSTS AND EXPENSES

15.1 Stamp duty

HRZ must pay all stamp duties and any fines and penalties with respect to stamp duty in respect of this Deed, the Schemes or the steps to be taken under this Deed or the Schemes.

15.2 Costs and expenses

Except as otherwise provided in this Deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution and performance

of this Deed and the proposed, attempted or actual implementation of this Deed and the Transaction.

16. GST

- (a) Any consideration or amount payable under this Deed, including any non-monetary consideration (as reduced in accordance with clause 16(e) if required) (**Consideration**) is exclusive of GST.
- (b) If GST is or becomes payable on a Supply made under or in connection with this Deed, an additional amount (**Additional Amount**) is payable by the party providing consideration for the Supply (**Recipient**) equal to the amount of GST payable on that Supply as calculated by the party making the Supply (**Supplier**) in accordance with the GST laws.
- (c) The Additional Amount payable under clause 16(b) is payable at the same time and in the same manner as the Consideration for the Supply, and the Supplier must provide the Recipient with a Tax Invoice. However, the Additional Amount is only payable on receipt of a valid Tax Invoice.
- (d) If for any reason (including the occurrence of an Adjustment Event) the amount of GST payable on a Supply (taking into account any Decreasing or Increasing Adjustments in relation to the Supply) varies from the Additional Amount payable by the Recipient under clause 16(b):
- (i) the Supplier must provide a refund or credit to the Recipient, or the Recipient must pay a further amount to the Supplier, as appropriate;
 - (ii) the refund, credit or further amount (as the case may be) will be calculated by the Supplier in accordance with the GST Law; and
 - (iii) the Supplier must notify the Recipient of the refund, credit or further amount within 14 days after becoming aware of the variation to the amount of GST payable. Any refund or credit must accompany such notification or the Recipient must pay any further amount within 7 days after receiving such notification, as appropriate. If there is an Adjustment Event in relation to the Supply, the requirement for the Supplier to notify the Recipient will be satisfied by the Supplier issuing to the Recipient an Adjustment Note within 14 days after becoming aware of the occurrence of the Adjustment Event.
- (e) Despite any other provision in this Deed if an amount payable under or in connection with this Deed (whether by way of reimbursement or otherwise) is calculated by reference to an amount incurred by a party, whether by way of cost, expense, outlay, disbursement or otherwise (Amount Incurred), the amount payable must be reduced by the amount of any Input Tax Credit to which that party is entitled in respect of that Amount Incurred.
- (f) Any reference in this clause to an Input Tax Credit to which a party is entitled includes an Input Tax Credit arising from a Creditable Acquisition by that party but to which the Representative Member of a GST Group of which the party is a member is entitled.
- (g) Any term starting with a capital letter that is not defined in this Deed has the same meaning as the term has in the *A New Tax System (Goods & Services Tax) Act 1999* (Cth).

4.3 Transfer documentation

As soon as practicable after receipt by POS of the Share Scheme Transfer duly executed by HRZ as transferee pursuant to clause 4.2(b), but in any event on the Implementation Date, POS must register HRZ in the POS Share Register as the holder of all of the Scheme Shares.

4.4 Provision of Share Scheme Consideration

In consideration for the transfer of each Scheme Share to HRZ, HRZ must, on the Implementation Date, issue to each Scheme Shareholder the number of New HRZ Shares due to that Scheme Shareholder as Share Scheme Consideration in accordance with, and subject to, the terms of this Share Scheme and the Share Scheme Deed Poll.

4.5 Beneficial entitlement by HRZ

From the time of the provision of the Share Scheme Consideration to Scheme Shareholders in accordance with clause 4.4, HRZ will be beneficially entitled to the Scheme Shares (together with all rights and entitlements attached to the Scheme Shares) to be transferred to it under the Share Scheme pending the registration of HRZ in the POS Share Register as the holder of the Scheme Shares.

4.6 Transfer free from Encumbrances

To the extent permitted by law, all Scheme Shares (including any rights and entitlements attaching to those shares) which are transferred to HRZ under this Scheme will, at the date of the transfer of them to HRZ, vest in HRZ free from all Encumbrances and interests of third parties of any kind, whether legal or otherwise, and free from any restrictions on transfer of any kind not referred to in this Scheme.

4.7 Enforcement of Share Scheme Deed Poll

POS undertakes in favour of each Scheme Shareholder to enforce the Share Scheme Deed Poll against HRZ on behalf of and as agent for the Scheme Shareholders.

5. SHARE SCHEME CONSIDERATION

5.1 Entitlement to Share Scheme Consideration

On the Implementation Date, in consideration of the transfer to HRZ of the Scheme Shares, each Scheme Shareholder will be entitled to receive the Share Scheme Consideration in respect of each of their Scheme Shares in accordance with, and subject to the terms of this Share Scheme and the Share Scheme Deed Poll.

5.2 Provision of Share Scheme Consideration (other than Ineligible Shareholders)

- (a) HRZ will issue to each Scheme Shareholder (other than to Ineligible Shareholders) the number of New HRZ Shares due to that Scheme Shareholder (other than to Ineligible shareholders) as consideration under the Share Scheme by:
- (i) on the Implementation Date, issuing each Scheme Shareholder (other than to Ineligible Shareholders) 0.1156 New HRZ Shares for every 1 Scheme Share registered in the Scheme Shareholder's name (with any fractional entitlement of less than 0.5 being rounded down to the nearest whole number of New HRZ Shares and any fractional entitlement equal to or above 0.5 to be rounded up to the nearest whole number of New HRZ Shares), which obligation will be satisfied by causing the name and Registered Address (at the Record Date) of that Scheme Shareholder to be entered into HRZ's Share Register as the holder of New HRZ Shares issued to that Scheme Shareholder; and
 - (ii) within 10 Business Days after the Implementation Date, procuring the dispatch to that Scheme Shareholder, if their New HRZ Shares are held on the issuer sponsored sub-register of HRZ, to their Registered Address (as at the Record Date), an uncertified holding statement in the name of that Scheme Shareholder relating to the number of New HRZ Shares issued to that Scheme Shareholder.

5.3 Status of New HRZ Shares

The New HRZ Shares to be issued in accordance with this Share Scheme will:

- (a) be validly issued;
- (b) be fully paid; and
- (c) rank equally in all respects with all other HRZ Shares then on issue (other than in respect of any dividend already declared and not yet paid by HRZ, where the record date for entitlement to that dividend occurred prior to the Implementation Date).

5.4 Quotation of New HRZ Shares

HRZ will use its best endeavours to procure that the New HRZ Shares are quoted on ASX as soon as reasonably practicable after the Implementation Date.

5.5 Joint holders

In the case of Scheme Shares held in joint names, any uncertificated holding statements for New HRZ Shares to be issued to Scheme Shareholders will be issued in the names of the

joint holders and will be forwarded to the holder whose name appears first in the POS Share Register on the Record Date.

5.6 Scheme Shareholders bound

Each Scheme Shareholder who is to receive New HRZ Shares under this Share Scheme agrees (for all purposes, including section 231 of the Corporations Act) to:

- (b) have their name and Registered Address entered into the HRZ Share Register.

5.7 Provision of Share Scheme Consideration to Ineligible Shareholders

- (a) HRZ has no obligation under the Share Scheme to issue, and will not issue, any New HRZ Shares to any Ineligible Shareholder. Instead, HRZ must:
 - (i) on the Implementation Date, issue to the Sale Agent the New HRZ Shares to which any Ineligible Shareholder would otherwise have been entitled;
 - (ii) procure that as soon as reasonably practicable after the Implementation Date (and in any event within 20 days of the date on which the HRZ Shares are capable of being traded on ASX), the Sale Agent sells the New HRZ Shares issued to it in such manner, at such price and on such other terms as the Sale Agent determines in good faith;
 - (iii) procure that the Sale Agent, as soon as reasonably practicable after settlement of the sale of the Sale Shares (and in any event within 10 Business Days of such settlement) remits the Share Sale Proceeds to HRZ; and
 - (iv) promptly after all of the Share Sale Proceeds have been remitted to HRZ by the Sale Agent in accordance with clause 5.7(a)(iii) (following the last sale of such New HRZ Shares), pay each Ineligible Shareholder an amount in Australian dollars equal to the proportion of the Share Sale Proceeds received by HRZ pursuant to clause 5.7(a)(iii) to which that Ineligible Shareholder is entitled to receive in full satisfaction of their entitlement to receive Share Scheme Consideration.
- (b) HRZ must appoint the Sale Agent on terms reasonably acceptable to POS at least 5 Business Days prior to the Scheme Meeting.
- (c) None of POS, HRZ or the Sale Agent give any assurance as to the price that will be achieved for the sale of New HRZ Shares in accordance with this clause 5.7 and the sale of New HRZ Shares will be at the risk of the Ineligible Shareholder.
- (d) Each Ineligible Shareholder appoints POS as its agent to receive on its behalf any financial services guide or other notices (including any updates of those documents) that the Sale Agent is required to provide to Ineligible Shareholders under the Corporations Act.

6. SCHEME SHAREHOLDERS

6.1 Authority given to POS

Each Scheme Shareholder will be deemed (without the need for any further act) to have irrevocably authorised POS (and each of its directors and officers, jointly and severally) as agent and attorney to do and execute all acts, matters, things and documents on the part of each Scheme Shareholder necessary to implement and give full effect to this Share Scheme and the transactions contemplated by it, including (without limitation):

- (a) executing a proper instrument of transfer (including for the purposes of section 1071B of the Corporations Act) of their Scheme Shares in favour of HRZ, which may be a master transfer of some or all Scheme Shares; and

- (b) where Scheme Shares are held in a CHESS holding, causing a message to be transmitted to ASX Settlement in accordance with the ASX Settlement Operating Rules to transfer the Scheme Shares held by the Scheme Shareholder from the CHESS sub-register to the issuer sponsored sub-register operated by POS and subsequently completing a proper instrument of transfer under paragraph 6.1(a) above.

6.2 Appointment of sole proxy

Upon the Share Scheme Consideration being issued by HRZ, and until HRZ is registered as the holder of all Scheme Shares in the POS Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed HRZ as attorney and agent (and directed HRZ in such capacity) to appoint any director, officer, secretary or agent nominated by HRZ as its sole proxy and, where applicable, corporate representative, to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution, and no Scheme Shareholder may itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 6.2(a)); and
- (b) must take all other actions in the capacity of a registered holder of Scheme Shares as HRZ reasonably directs.

6.3 Appointment of POS as sole attorney and agent

Each Scheme Shareholder, without the need for any further act, irrevocably appoints POS and each of the directors and officers of POS, jointly and severally, as the Scheme Shareholder's attorney and agent for the purpose of executing any document necessary or expedient to give effect to the Share Scheme (including executing a Share Scheme Transfer and any instrument appointing HRZ as sole proxy for or, where applicable, corporate representative of each Scheme Shareholder as contemplated by clause 6.2) or doing any other act necessary or desirable to give full effect to the Share Scheme and the transactions contemplated by it.

6.4 Scheme Shareholder's consent

Each Scheme Shareholder:

- (a) consents to POS doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of the Share Scheme and POS, as agent of each Scheme Shareholder, may sub-delegate its functions under this clause 6.4 to any of its directors and officers, severally; and
- (b) agrees to the transfer of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares to HRZ, in accordance with the Share Scheme.

6.5 Agreements and warranties by Scheme Shareholders

- (a) Each Scheme Shareholder acknowledges and agrees that this Share Scheme binds POS and all Scheme Shareholders (including those who do not attend the Share Scheme Meeting and those who do not vote, or vote against this Share Scheme, at the Share Scheme Meeting).
- (b) Each Scheme Shareholder is deemed to have warranted to POS, in its own right and for the benefit of HRZ, that:
- (i) all of their Scheme Shares (including any rights and entitlements attaching to those shares as at the Implementation Date) which are transferred to HRZ under the Share Scheme will be transferred to HRZ fully paid and free from Encumbrances or other interests of third parties of any kind, whether legal or otherwise and from all other restrictions on transfer; and

- (ii) they have full power and capacity to sell and transfer their Scheme Shares to HRZ (including all rights and entitlements attaching to their Scheme Shares as at the Implementation Date).
- (c) POS undertakes that it will provide the warranties in clause 6.5(a) to HRZ as agent and attorney of each Scheme Shareholder.

7. DEALINGS IN POS SHARES

7.1 Determination of Scheme Shareholders

- (a) For the purpose of establishing the persons who are Scheme Shareholders, dealings in Scheme Shares will only be recognised if:
- (i) in the case of dealings of the type to be effected using CHES, the transferee is registered in the POS Share Register as the holder of the relevant POS Shares at the Record Date; and
- (ii) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received at or before the Record Date at the place where the POS Share Register is kept.
- (b) POS must register registrable transmission applications or transfers of the kind referred to in clause 7.1(a)(ii) by the Record Date.
- (c) POS will not accept for registration or recognise for any purpose any transmission applications or transfers in respect of POS Shares received after the Record Date, other than a transfer to HRZ in accordance with the Share Scheme and any subsequent transfer by HRZ, or its successors in title.
- (d) If the Share Scheme becomes Effective, a holder of POS Shares (and any person claiming through that holder) must not dispose of or purport to agree to dispose of any POS Shares or any interest in them after the Effective Date and any such disposal will be void and of no legal effect whatsoever.

7.2 Maintenance of POS Share Register

- (a) For the purpose of determining entitlements to the Share Scheme Consideration, POS will, until the Share Scheme Consideration has been provided, maintain the POS Share Register in accordance with the provisions of this clause 7 and the POS Share Register in this form will solely determine entitlements to the Share Scheme Consideration.
- (b) All certificates and holding statements for Scheme Shares (other than holding statements in favour of HRZ and its successors in title after the Implementation Date) will cease to have any effect from the Record Date as documents of title in respect of those Scheme Shares. Subject to provision of the Share Scheme Consideration by HRZ and registration of the transfer to HRZ of the Scheme Shares as contemplated by clauses 5.1 and 5.2, after the Record Date, each entry current at that date on the POS Share Register relating to Scheme Shares will cease to be of any effect other than as evidence of entitlement to the Share Scheme Consideration in respect of the Scheme Shares relating to that entry.

7.3 Information to be made available to HRZ

POS will procure that, as soon as reasonably practicable after the Record Date, details of the names, Registered Addresses and holdings of Scheme Shares of every Scheme Shareholder as shown in the POS Share Register as at the Record Date are made available to HRZ in such form as HRZ reasonably requires.

7.4 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to POS that are binding or deemed binding between the Scheme Shareholder and POS relating to POS or POS Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;

- (b) payments of dividends on POS Shares; and
- (c) notices or other communications from POS (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by HRZ in its sole discretion), by reason of the Share Scheme, to be made by the Scheme Shareholder to HRZ and to be a binding instruction, notification or election to, and accepted by, HRZ in respect of the New HRZ Shares issued to that Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to HRZ at its registry.

8. NOTICES

8.1 General

Any notice, transfer, transmission, application, direction, demand, consent or other communication (**Notice**) given or made under this document must be in writing in English and signed by the sender or a person duly authorised by the sender.

8.2 Communications by post

Subject to clause 8.3, where a Notice referred to in this document is sent by post to POS, it will not be deemed to have been received in the ordinary course of post or on a date other than the date (if any) on which it is actually received at POS's registered office or at the POS Registry.

8.3 After hours communications

If a Notice is given:

- (a) after 5:00pm in the place of receipt; or
- (b) on a day which is a Saturday, Sunday or bank or public holiday in the place of receipt,

it is taken as having been given at 9:00am on the next day which is not a Saturday, Sunday or bank or public holiday in that place.

8.4 Omission to give notice

The accidental omission to give notice of the Share Scheme Meeting or the non-receipt of such notice by any POS Shareholder will not invalidate the Share Scheme Meeting or the proceedings of the Share Scheme Meeting, unless the Court makes an order to the contrary.

9. GENERAL

9.1 No liability when acting in good faith

Without prejudice to either party's rights under the Scheme Implementation Deed, neither HRZ nor POS nor any director, officer, secretary or employee of any of those companies will be liable for anything done or omitted to be done in the performance of this Share Scheme or the Share Scheme Deed Poll when the relevant entity or person has acted in good faith.

9.2 POS and Scheme Shareholders bound

The Share Scheme binds POS and all Scheme Shareholders (including Scheme Shareholders who do not attend the Share Scheme Meeting, do not vote at that meeting or vote against the Share Scheme) and will, for all purposes, to the extent of any inconsistencies and permitted by law, have effect notwithstanding any provision in the constitution of POS.

9.3 Further assurances

Subject to clause 9.4, POS will execute all documents and do all acts and things (on its own behalf and on behalf of each POS Shareholder) necessary or expedient for the implementation of, and performance of its obligations under, the Share Scheme and the

Scheme Shareholders consent to POS executing all such documents and doing all such acts or things.

9.4 Alterations and conditions

POS may, with the consent of HRZ, by its counsel consent on behalf of all Scheme Shareholders to any modifications or conditions which the Court thinks fit to impose.

9.5 GST

POS must pay to the Scheme Shareholders an amount equal to any GST for which the Scheme Shareholders are liable on any supply by the Scheme Shareholders under or in connection with the Share Scheme, without deduction or set off of any other amount.

9.6 Costs

Any costs, and any stamp duty and any related fines, interest or penalties, which are payable on or in respect of this document or on any document referred to in this document will be paid as provided for in the Scheme Implementation Deed. For the avoidance of doubt, Scheme Shareholders do not have to pay any stamp duty, related fines, interest or penalties which are payable on or in respect of this document or any document referred to in this document.

9.7 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

3.1 Conditions of the Option Scheme

The Option Scheme is conditional and will not come into effect unless and until each of the following conditions is satisfied:

- (a) all of the conditions precedent in clause 2.1 of the Scheme Implementation Deed (other than the conditions precedent to the Court having approved the Option Scheme in accordance with section 411(4)(b) of the Corporations Act set out in clause 2.1(j) of the Scheme Implementation Deed) having been satisfied or waived in accordance with the terms of the Scheme Implementation Deed as at 8:00am on the Second Court Date;
- (b) neither the Scheme Implementation Deed nor the Option Scheme Deed Poll having been terminated in accordance with their terms;
- (c) the Option Scheme having been approved at the Option Scheme Meeting, with or without modification, by the requisite majority of POS Optionholders in accordance with section 411(4)(a) of the Corporations Act or, if the Option Scheme is not agreed to by the requisite majority of POS Optionholders, the Court orders otherwise in accordance with section 411(4)(a) of the Corporations Act;
- (d) the Court having approved the Option Scheme pursuant to section 411(4)(b) of the Corporations Act, without modification or with modifications which are acceptable to both POS and HRZ, or required by the Court under section 411(6) of the Corporations Act; and

(and, if applicable, section 411(6) of the Corporations Act) in relation to the Option Scheme.

3.2 Effect of conditions

The fulfilment of the conditions in clause 3.1 is a condition precedent to the operation of the provisions of clauses 2.5, 4, 5, 6 and 7 of this Option Scheme.

3.3 Certificate

POS must provide to the Court on the Second Court Date a certificate which is signed by at least one director of POS (or such other evidence as the Court may request) confirming whether or not the conditions precedent to the Option Scheme have been satisfied or waived, subject to the terms of the Scheme Implementation Deed as at 8:00am on the Second Court Date.

3.4 Conclusive evidence

The giving of a certificate by POS in accordance with clause 3.3 will, in the absence of manifest error, be conclusive evidence of the matters referred to in the certificate.

3.5 Termination of Scheme Implementation Deed or Option Scheme Deed Poll

Without limiting any rights under the Scheme Implementation Deed, if the Scheme Implementation Deed or Option Scheme Deed Poll is terminated in accordance with its respective terms before 8:00am on the Second Court Date, POS and HRZ are each released from:

- (a) any further obligation to take steps to implement the Option Scheme; and
- (b) any liability with respect to the Option Scheme,

provided that POS and HRZ retain the rights they have against each other in respect of any prior breach of the Scheme Implementation Deed.

3.6 Effective Date

The Option Scheme will take effect on the Effective Date.

3.7 End Date

The Option Scheme will lapse and be of no further force or effect if the Effective Date has not occurred on or before the End Date.

4. OPTION SCHEME

4.1 Lodgement of Court order

Following the approval of the Option Scheme by the Court in accordance with section 411(4)(b) of the Corporations Act, POS will, as soon as possible after the Option Scheme Order is made, and in any event by 12.00 pm on the first Business Day after the date which the Option Scheme Order is made or such later date as POS and HRZ may agree in writing, lodge with ASIC an office copy of the Option Scheme Order in accordance with section 411(10) of the Corporations Act.

4.2 Cancellation and extinguishment of Scheme Options

(a) On the Implementation Date, in consideration of and subject to the provision by HRZ of the Option Scheme Consideration, all of the Scheme Options, together with all rights and entitlements attaching to them as at the Implementation Date, must be cancelled and extinguished, without the need for any further act by any Scheme Optionholders (other than acts performed by POS as attorney and agent for Scheme Optionholders under clause 6.3), and each Scheme Optionholder:

- (i) releases POS from all obligations in relation to those Scheme Options;
- (ii) releases and waives any and all rights they may have had (including to be issued POS Shares) in relation to those Scheme Options in accordance with the terms of the relevant Scheme Options; and

- (iii) authorises POS to update the POS Option Register recording the cancellation and extinguishment of the Scheme Options,

and, in consideration for the cancellation and extinguishment of their Scheme Options, each Scheme Optionholder will be entitled to receive the Option Scheme Consideration in accordance with clause 5.

- (b) Pursuant to clause 4.2(a), POS must ensure the cancellation and extinguishment of the Scheme Options.

4.3 Provision of Option Scheme Consideration

In consideration for the cancellation and extinguishment of each Scheme Option, HRZ must, on the Implementation Date, issue to each Scheme Optionholder the number of New HRZ Options due to that Scheme Optionholder as Option Scheme Consideration in accordance with, and subject to, the terms of this Option Scheme and the Option Scheme Deed Poll.

4.4 Enforcement of Option Scheme Deed Poll

POS undertakes in favour of each Scheme Optionholder to enforce the Option Scheme Deed Poll against HRZ on behalf of and as agent for the Scheme Optionholders.

5. OPTION SCHEME CONSIDERATION

5.1 Entitlement to Option Scheme Consideration

On the Implementation Date, in consideration for the cancellation and extinguishment of each Scheme Option, each Scheme Optionholder will be entitled to receive the Option Scheme Consideration in respect of each of their Scheme Options in accordance with, and subject to the terms of this Option Scheme and the Option Scheme Deed Poll.

5.2 Provision of Option Scheme Consideration

- (a) HRZ will issue to each Scheme Optionholder the number of New HRZ Options due to that Scheme Optionholder as consideration under the Option Scheme by:
- (i) on the Implementation Date, issuing each Scheme Optionholder 0.1156 New HRZ Options for every 1 Scheme Option registered in the Scheme Optionholder's name in the POS Option Register at the Record Date, rounded up or down to the nearest whole number (with any fractional entitlements of less than 0.5 being rounded down to the nearest whole number of New HRZ Options and any fractional entitlement equal to or above 0.5 to be rounded up to the nearest whole number of New HRZ Options), which obligation will be satisfied by causing the name and Registered Address (at the Record Date) of the Scheme Optionholder to be entered into HRZ's Option Register as the holder of New HRZ Options issued to that Scheme Optionholder; and
 - (ii) within 10 Business Days after the Implementation Date, procuring the dispatch to that Scheme Optionholder, if their New HRZ Options are held on the issuer sponsored sub-register of HRZ, to their Registered Address (as at the Record Date), an uncertified holding statement in the name of that Scheme Optionholder relating to the number of New HRZ Options issued to that Scheme Optionholder.

5.3 Status of New HRZ Options

The New HRZ Options to be issued in accordance with this Option Scheme will:

- (a) be validly issued;
- (b) be fully paid (other than any exercise price payable to exercise a New HRZ Option); and
- (c) be free from any mortgage charge, lien, encumbrance or other security interest.

5.4 Joint holders

In the case of Scheme Options held in joint names, any uncertificated holding statements for New HRZ Options to be issued to Scheme Optionholders will be issued in the names of the joint holders and will be forwarded to the holder whose name appears first in the POS Option Register on the Record Date.

5.5 Scheme Optionholders bound

Each Scheme Optionholder who is to receive New HRZ Options under this Option Scheme agrees to:

- (a) accept the New HRZ Options issued to them under this Option Scheme subject to, and to be bound by, HRZ's constitution and other constituent documents upon the issue of any shares on exercise of those New HRZ Options; and
- (b) have their name and Registered Address entered into the HRZ Option Register.

6. SCHEME OPTIONHOLDERS

6.1 Authority given to POS

Each Scheme Optionholder will be deemed (without the need for any further act) to have irrevocably authorised POS (and each of its directors and officers, jointly and severally) as agent and attorney to do and execute all acts, matters, things and documents on the part of each Scheme Optionholder necessary to implement and give full effect to this Option Scheme and the transactions contemplated by it, including (without limitation):

- (a) the cancellation and extinguishment of the Scheme Options; and
- (b) where Scheme Options are held in a CHES holding, causing a message to be transmitted to ASX Settlement in accordance with the ASX Settlement Operating Rules to transfer the Scheme Options held by the Scheme Optionholder from the CHES sub-register to the issuer sponsored sub-register operated by POS and subsequently completing the cancellation and extinguishment of the Scheme Options under paragraph 6.1 (a) above.

6.2 Appointment of sole proxy

Upon the Option Scheme Consideration being issued by HRZ, and until all Scheme Options are cancelled and extinguished, each Scheme Optionholder:

- (a) is deemed to have appointed HRZ as attorney and agent (and directed HRZ in such capacity) to appoint any director, officer, secretary or agent nominated by HRZ as its sole proxy and, where applicable, corporate representative, to attend optionholders' meetings, exercise the votes attaching to the Scheme Options (if any) registered in their name and sign any 'optionholders' resolution;
- (b) must not itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 6.2(a)); and
- (c) must take all other actions in the capacity of a registered holder of Scheme Options as HRZ reasonably directs.

6.3 Appointment of POS as sole attorney and agent

Each Scheme Optionholder, without the need for any further act, irrevocably appoints POS and each of the directors and officers of POS, jointly and severally, as the Scheme Optionholder's attorney and agent for the purpose of executing any document necessary or expedient to give effect to the Option Scheme (including the cancellation and extinguishment of the Scheme Options and any instrument appointing HRZ as sole proxy for or, where applicable, corporate representative of each Scheme Optionholder as contemplated by clause 6.2) or doing any other act necessary or desirable to give full effect to the Option Scheme and the transactions contemplated by it.

6.4 Scheme Optionholder's consent

Each Scheme Optionholder consents to POS doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of the Option Scheme and POS, as agent of each Scheme Optionholder, may sub-delegate its functions under this clause 6.4 to any of its directors and officers, severally.

6.5 Agreements and warranties by Scheme Optionholders

- (a) Each Scheme Optionholder:
- (i) agrees to the cancellation and extinguishment of their Scheme Options together with all rights and entitlements attaching to those Scheme Options, in accordance with the Option Scheme;
 - (ii) agrees to be bound by the terms of the New HRZ Options; and
 - (iii) acknowledges and agrees that this Option Scheme binds POS and all Scheme Optionholders (including those who do not attend the Option Scheme Meeting and those who do not vote, or vote against this Option Scheme, at the Option Scheme Meeting).
- (b) Each Scheme Optionholder is deemed to have warranted to POS, in its own right and for the benefit of HRZ, that:
- (i) all of their Scheme Options (including any rights and entitlements attaching to those options as at the Implementation Date) which are cancelled and extinguished under this Option Scheme will, at the date of cancellation and extinguishment, be free Encumbrances or other interests of third parties of any kind, whether legal or otherwise and from all other restrictions on transfer; and
 - (ii) they have full power and capacity to agree to the cancellation and extinguishment of their Scheme Options together with any rights attaching to those Scheme Options.
- (c) POS undertakes that it will provide the warranties in clause 6.5(b) to HRZ as agent and attorney of each Scheme Optionholder.

7. DEALINGS IN POS OPTIONS

7.1 Exercise prior to Option Scheme Record Date

To establish the identity of the Scheme Optionholders, POS will not accept as valid, nor recognise for any purpose, any notice of exercise of a POS Option registered in the name of a POS Optionholder that is either or both:

- (a) received after 5:00pm on the day which is the Business Day immediately before the Record Date; and
- (b) not in accordance with the terms of grant of the POS Option.

7.2 Registration as holder of POS Options

POS will issue, and register the POS Optionholder as the holder of, a POS Share in respect of any valid exercise of a POS Option registered in the name of the POS Optionholder permitted by, and received by the time specified in, clause 7.1 and in accordance with the terms of grant of the POS Option, and the POS Optionholder acknowledges and agrees that, if the Share Scheme becomes Effective and the POS Optionholder has validly exercised a POS Option in accordance with the foregoing, the POS Optionholder will be bound by the terms of the Share Scheme in respect of each such POS Share and, accordingly, each such POS Share will be transferred to HRZ in accordance with the terms of the Share Scheme on the Implementation Date.

7.3 Maintenance of POS Options Register

- (a) For the purpose of determining entitlements to the Option Scheme Consideration, POS will, until the Option Scheme Consideration has been

provided, maintain the POS Option Register in accordance with the provisions of this clause 7 and the POS Option Register in this form will solely determine entitlements to the Option Scheme Consideration.

- (b) All certificates and holding statements for Scheme Options will cease to have any effect from the Record Date as documents of title in respect of those Scheme Options. Subject to provision of the Option Scheme Consideration by HRZ and the cancellation and extinguishment of the Scheme Options as contemplated by clauses 5.1 and 5.2, after the Record Date, each entry current at that date on the POS Option Register relating to Scheme Options will cease to be of any effect other than as evidence of entitlement to the Option Scheme Consideration in respect of the Scheme Options relating to that entry.

7.4 Information to be made available to HRZ

POS will procure that, as soon as reasonably practicable after the Record Date, details of the names, Registered Addresses and holdings of Scheme Options of every Scheme Optionholder as shown in the POS Option Register as at the Record Date are made available to HRZ in such form as HRZ reasonably requires.

7.5 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Optionholder to POS that are binding or deemed binding between the Scheme Optionholder and POS relating to POS or POS Options, including instructions, notifications or elections relating to (if applicable):

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on POS Options; and
- (c) notices or other communications from POS (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by HRZ in its sole discretion), by reason of the Option Scheme, to be made by the Scheme Optionholder to HRZ and to be a binding instruction, notification or election to, and accepted by, HRZ in respect of the New HRZ Options issued to that Scheme Optionholder until that instruction, notification or election is revoked or amended in writing addressed to HRZ at its registry.

8. NOTICES

8.1 General

Any notice, transfer, transmission, application, direction, demand, consent or other communication (**Notice**) given or made under this document must be in writing in English and signed by the sender or a person duly authorised by the sender.

8.2 Communications by post

Subject to clause 8.3, where a Notice referred to in this document is sent by post to POS, it will not be deemed to have been received in the ordinary course of post or on a date other than the date (if any) on which it is actually received at POS's registered office or at the POS Registry.

8.3 After hours communications

If a Notice is given:

- (a) after 5:00pm in the place of receipt; or
- (b) on a day which is a Saturday, Sunday or bank or public holiday in the place of receipt,

it is taken as having been given at 9:00am on the next day which is not a Saturday, Sunday or bank or public holiday in that place.

8.4 Omission to give notice

The accidental omission to give notice of the Option Scheme Meeting or the non-receipt of such notice by any POS Optionholder will not invalidate the Option Scheme Meeting or the proceedings of the Option Scheme Meeting, unless the Court makes an order to the contrary.

9. GENERAL

9.1 No liability when acting in good faith

Without prejudice to either party's rights under the Scheme Implementation Deed, neither HRZ nor POS nor any director, officer, secretary or employee of any of those companies will be liable for anything done or omitted to be done in the performance of this Option Scheme or the Option Scheme Deed Poll when the relevant entity or person has acted in good faith.

9.2 POS and Scheme Optionholders bound

The Option Scheme binds POS and all Scheme Optionholders (including Scheme Optionholders who do not attend the Option Scheme Meeting, do not vote at that meeting or vote against the Option Scheme) and will, for all purposes, to the extent of any inconsistencies and permitted by law, have effect notwithstanding any provision in the constitution of POS.

9.3 Further assurances

Subject to clause 9.4, POS will execute all documents and do all acts and things (on its own behalf and on behalf of each POS Optionholder) necessary or expedient for the implementation of, and performance of its obligations under, the Option Scheme and the Scheme Optionholders consent to POS executing all such documents and doing all such acts or things.

9.4 Alterations and conditions

POS may, with the consent of HRZ, by its counsel consent on behalf of all Scheme Optionholders to any modifications or conditions which the Court thinks fit to impose.

9.5 GST

POS must pay to the Scheme Optionholders an amount equal to any GST for which the Scheme Optionholders are liable on any supply by the Scheme Optionholders under or in connection with the Option Scheme, without deduction or set off of any other amount.

9.6 Costs

Any costs, and any stamp duty and any related fines, interest or penalties, which are payable on or in respect of this document or on any document referred to in this document will be paid as provided for in the Scheme Implementation Deed. For the avoidance of doubt, Scheme Optionholders do not have to pay any stamp duty, related fines, interest or penalties which are payable on or in respect of this document or any document referred to in this document.

9.7 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

SCHEDULE 1 – TERMS AND CONDITIONS OF NEW HRZ OPTIONS

The terms of the New HRZ Options are:

1. Each New HRZ Option entitles the holder to one fully paid ordinary share in HRZ (**Share**) upon exercise of the New HRZ Option.
2. The New HRZ Options may be exercised at any time prior to 5:00pm AWST on 3 September 2026 (**Expiry Date**).
3. The exercise price of the New HRZ Options is AU\$0.0519 each.
4. The New HRZ Options are freely tradeable under Australian law.
5. HRZ will provide to each New HRZ Option holder a notice that is to be completed when exercising the New HRZ Options (**Notice of Exercise**). New HRZ Options may be exercised by the New HRZ Option holder in whole or in part by completing the Notice of Exercise and forwarding the same to the Secretary of HRZ to be received prior to the Expiry Date. The Notice of Exercise must, among other things, state the number of New HRZ Options exercised, the consequent number of Shares to be allotted and the identity of the proposed allottee. The Notice of Exercise by a New HRZ Option holder must be accompanied by payment in full for the relevant number of Shares being subscribed, being an amount of the exercise price per Share.
6. Within five Business Days after the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the exercise price for each New HRZ Option being exercised in cleared funds, HRZ will issue the number of Shares required under these terms and conditions in respect of the number of New HRZ Options specified in the Notice of Exercise.
7. All Shares issued upon the exercise of the New HRZ Options will rank equally in all respects with HRZ's then issued Shares. HRZ will apply to the ASX in accordance with the Listing Rules for all Shares issued pursuant to the exercise of New HRZ Options to be admitted to quotation.
8. There are no participating rights or entitlements inherent in the New HRZ Options and the holders will not be entitled to participate in new issues or pro-rata issues of capital to Shareholders during the term of the New HRZ Options. Thereby, the New HRZ Option holder has no rights to a change in the exercise price of the New HRZ Option or a change to the number of underlying securities over which the New HRZ Option can be exercised (except for a bonus issue). HRZ will ensure, for the purposes of determining entitlements to any issue, that New HRZ Option holders will be notified of a proposed issue after the issue is announced. This will give New HRZ Option holders the opportunity to exercise their New HRZ Options prior to the date for determining entitlements to participate in such issues.
9. If there is a bonus issue (**Bonus Issue**) to shareholders, the number of Shares over which a New HRZ Option is exercisable will be increased by the number of Shares which the holder would have received if the New HRZ Option had been exercised before the record date for the Bonus Issue (**Bonus Shares**). The Bonus Shares must be paid up by HRZ out of profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue, and upon issue will rank equally in all respects with the other Shares on issue as at the date of issue of the Bonus Shares.
10. In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of HRZ, all rights of the New HRZ Option holder shall be reconstructed (as appropriate) in accordance with the Listing Rules.
11. The New HRZ Options are transferable subject to any restriction or escrow arrangements imposed by ASX or under applicable Australian securities laws.
