EXPLANATORY STATEMENT

This Explanatory Statement provides information to shareholders for the Annual General Meeting of shareholders of Gas2Grid Limited to be held on **29 November 2024 at 10:30 am** at the **Offices of Piper Alderman, Level 23, Governor Macquarie Tower, 1 Farrer Place, Sydney 2000** and it should be read in conjunction with the accompanying Notice of Annual General Meeting.

Receipt of Financial, Directors' and Auditor's Reports

The first item of business deals with the Financial Report of the Company, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2024. Shareholders are to consider these reports and seek explanations, if required, from the Directors when the reports are presented to the meeting. No resolution is required on these reports and they are only required to be laid at the meeting in accordance with Section 317 of the Corporations Act 2001.

Resolution 1 - Adoption of the Remuneration Report

The Remuneration Report contained in the Directors' Report of the Annual Report must be put to the vote for its adoption in accordance with Section 250R(2) of the Corporations Act 2001. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report can be found on pages 11 to 16 of the 2024 Annual Report.

Resolution 2 – Election of Director - Mr David A Munns

Mr David A Munns is the Non-Executive Chairman. Details of his qualifications and experience are on page 10 of the 2023 Annual Report.

Resolution 3 - Approval for issue of up to 1,500,000,000 new Shares

The Company proposes to issue under Listing Rule 7.1 up to 1,500,000,000 fully paid ordinary shares ("Future Issue") at a price per share that is at least 80% of the volume weighted average market price for the share calculated over the last 5 days on which sales in the shares were recorded before the day on which the issue is made.

Information required under Listing Rule 7.3 of ASX Limited are as follows:

Listing Rule 7.3.1: The Company proposes to offer the shares to professional and sophisticated investors and other investors not requiring a disclosure document under section 708 of the Corporations Act who may have previously participated in private placements or share purchase plans or pro rata offers of shares of the Company or may be in the top 20 shareholders list and/or introduced by stockbrokers who have previously assisted the Company in private placements and/or new stockbrokers who may offer to assist in capital raising. The stockbrokers may select prospective investors from their in-house database of professional and sophisticated clients who have interests in investing in small to medium resources listed entities. The shares will only be issued to those persons that accept an offer, if and when the proposed issue is approved by shareholders at the Annual General Meeting. The shares will not be offered to related parties or key management personnel or substantial shareholders or advisers of the Company or their associates.

Listing Rule 7.3.2: Up to 1,500,000,000 fully paid ordinary shares.

Listing Rule 7.3.3: All shares to be issued will be fully paid ordinary shares and will have the same rights as other fully paid ordinary shares of the Company already on issue.

Listing Rule 7.3.4: Shares approved under this Resolution 3 will be issued and allotted by the Company no later than three months from the date of the Annual General Meeting. The Company may not issue all the securities for which approval is given. The Company may issue and allot the securities progressively as the Company places the securities with investors.

Listing Rule 7.3.5: The shares will be issued at a price per share that is at least 80% of the volume weighted average market price for the share calculated over the last 5 days on which sales in the shares were recorded before the day on which the issue is made.

Listing Rule 7.3.6: The amount to be raised is to be applied to fund the Company's business activities, appraisal of corporate opportunities, investment in new ventures, if any, repayment of debts, the cost of placement of the shares and for general working capital.

Listing Rule 7.3.7: Not applicable.

Listing Rule 7.3.8: Not applicable.

Listing Rule 7.3.9: See the voting exclusion on page 1.

Application of Listing Rules of ASX Limited to Resolution 3

Subject to a number of exceptions, Listing Rule 7.1 of ASX Limited limits the amount of equity securities that the Company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Future Issue does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the Future Issue and raise capital as may be required to fund its activities. In addition, the Future Issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the Future Issue and will be restricted to raise capital with the issue of new shares without shareholder approval within the 15% limit in Listing Rule 7.1.

Resolution 3 seeks the required shareholder approval to the Future Issue under and for the purposes of Listing Rule 7.1.

Recommendation of Directors

The Directors recommend shareholders to vote in favour of all resolutions.
