ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$18.07 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity

to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the continued execution of the Company's growth strategy, continued expenditure on the Company's current business operations and projects and continued development of the Company's current assets and/or general working capital.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing

Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised

- (b) Based on the closing price of the Company's Shares on ASX as at 22 October 2024.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Issue of Shares to Director in Lieu of Director Fees

Resolution 4 – Approval of Issue of Shares to Michael McConnell, a Director of the Company in Lieu of Director Fees and Board Chairman fees

Background

Resolution 4 seeks shareholder approval to issue up to 3,155,508 fully paid ordinary shares (**Director Fee Shares**) in lieu of Director Fees to Michael McConnell, (or his nominee), Director of the Company.

The Deemed Issue Price for the Director Fee Shares is \$0.02461, calculated on the basis of the 30-day VWAP of the Company's Shares from 9 September 2024 to 9 October 2024.

Resolution 4 seeks Shareholder approval to issue and allot up to 3,155,508 fully paid ordinary shares to Mr McConnell, in lieu of \$60,000 in director's fees for the period 1 July 2024 to 30 June 2025 and \$17,671.23 as the Board's Chairman fees calculated on pro rata basis for the period 27 November 2024 to 30 June 2025 owing to Mr McConnell. Mr McConnell was appointed as a Director of the Company on 1 July 2024. Mr McConnell agreed to receive his directors' fees and Board Chairman fees as shares in lieu of a cash payment subject to Shareholder approval being obtained.

Mr McConnell elected to sacrifice all or a portion of his remuneration to acquire Shares in the Company over the relevant period. The proposed issue will be a cost effective and efficient method to remunerate the Director and preserve the Company's cash reserves.

The purpose of the proposed issue to Mr McConnell is to replace the obligation of the Company to pay Director fees and salary equivalent to Director fees and the Board Chairman fees to Mr McConnell, for certain period.

Accordingly, Shareholder approval is being sought under Resolution 4 to issue the Director Fee Shares to Mr McConnell. The number of Director Fee Shares and as Board Chairman fees proposed to be issued to Mr McConnell has been calculated as follows:

Director	Director Fees (to be converted to Director Fee Shares) (AUD)	Deemed Issue Price Per Director Fee Share (AUD)	Number of Director Fee Shares
----------	--	---	-------------------------------

Michael McConnell	\$60,000	\$0.02461	2,437,588
-------------------	----------	-----------	-----------

Director	Board Chairman Fees for the period 27 November 2024 to 30 June 2025 (to be converted to Shares) (AUD)	Deemed Issue Price Per Share (AUD)	Number of Shares
Michael McConnell	\$17,671.23	\$0.02461	717,920

Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval. A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- a related party;
- a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- an Associate of a person referred to in (a) to (c) above; and
- a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

As Mr McConnell is a Director of the Company, the proposed issue of the Director Fee and Board Chairman fees shares falls within Listing Rule 10.11.1 (or Listing Rule 10.11.4 if he elects for the Director Fee Shares to be issued to their nominees).

The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11. To this end, Resolution 4 seek the required Shareholder approval to issue the Director Fee Shares and Board Chairman Fee Shares under and for the purposes of Listing Rule 10.11. If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to proceed with the proposed issue. If Resolution 4 is not passed, the Company will not be able to proceed with the proposed issue and the Company

will be required to consider other mechanisms to properly remunerate Mr McConnell, including the payment of the relevant director's fees in cash, which may not be as cost effective for the Company.

If Resolution 4 is passed and the proposed issue of Director Fee Shares and Board Chairman Fee Shares is completed it is noted that a portion of those Director Fee Shares and Board Chairman Fee Shares will have been issued for services that have not yet been performed (being the period between the issue date and 1 July 2024 or 30 June 2025, as applicable, (**Future Service Period**)).

Should Mr McConnell cease to be a Director of the Company during the Future Service Period, he has agreed to pay back (in cash) the deemed market value of the Director Fee Shares and Board Chairman Fee Shares which represent the period of time unserved.

The deemed market value would be calculated as the lower of:

- the 30-day VWAP of the Company's Shares leading up to the date a Director ceases to be a Director; and
- \$0.02461 being the deemed issue price of the Director Fee and the Board Chairman fees.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of shares (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Robert Alexander, Kirsty Rankin and William Tucker and Mark Devadason) carefully considered the issue of these shares to Michael McConnell and formed the view that the giving of this financial benefit is on arm's length terms, as part of his director fees and Board Chairman fees.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these shares to Michael McConnell fall within the "arm's length terms" exception as set out in section 210 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of shares to Michael McConnell requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information required by ASX Listing Rule 10.13

The following information in relation to the issue of the Shares to Michael McConnell is provided to Shareholders for the purposes of ASX Listing Rule 10.13:

- (a) The allottee is Michael McConnell (or his nominee).
- (b) Michael McConnell is a related party of the Company by virtue of being a Director of the Company, pursuant to Listing Rule 10.14.1.
- (c) The maximum number of Shares to be issued is 3,155,508.
- (d) The Shares will be fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (e) The Shares will be issued within 1 month of Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of their discretion).

- (f) The shares will be offered for nil cash consideration.
- (g) The purpose of the issue of the Director Fee Shares and Board Chairman Fee Shares is to preserve the cash reserves of the Company and convert debt accrued and owing to Michael McConnell (being, the outstanding directors' fees for the period between 1 July 2024 or 30 June 2025 to equity;
- (h) Funds will not be raised from the issue of these shares as the issue is proposed to be made to Michael McConnell as a part of his director fees and Board Chairman fees.
- (i) The current total remuneration package received by Michael McConnell is \$60,000 per annum as Director fees.
- (j) The Company's 30-day VWAP up to and including 9 October 2024 was \$0.02461. Mr McConnell will receive \$60,000 worth of fully paid ordinary shares as the director fees in respect of the FY25 financial year and \$17,671.23 worth of fully paid ordinary shares as the Board Chairman fees calculated on pro rata basis for the period 27 November 2024 to 30 June 2025.

Directors' recommendation

The Board of Directors (excluding Mr McConnell) recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Adoption of Beonic's Rights Plan

Resolution 5 – Adoption of Beonic's Rights Plan

Background

Shareholder approval is sought to adopt Beonic Limited's Rights Plan (Rights Plan) under Resolution 5 of this Notice of Meeting.

A summary of the key terms of the Beonic's Rights Plan is set out in **Annexure A**, and a copy of the rules of the Beonic's Rights Plan is available upon request from the Company.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If this Resolution is approved by Shareholders for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Rights Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

The Company advises that Shareholder approval for the Rights Plan has not been previously sought from Shareholders under ASX Listing Rule 7.2 (exception 13(b)). Accordingly, this would be the first time that the Company has sought Shareholder approval for the Rights Plan for the purposes of ASX Listing Rule 7.2 (exception 13(b)).

If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 5% of issued capital being up to 40,150,780 securities under the Rights. during the three-year period following approval (for the purposes of exception 13).

If this Resolution is not approved by Shareholders, the Company will be able to proceed with the issue of securities under the Company's Rights Plan to eligible participants, but any issues of securities will not fall within an exception under Listing Rule 7.2 and therefore will utilize the Company's placement capacity under Listing Rule 7.1.

Directors Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Issue of Incentive Securities to CEO and Executive Director of the Company

Resolution 6 – Approval of Issue of Shares to William Tucker, CEO and Executive Director of the Company

Background

This Resolution seeks shareholder approval to issue and allot up to 3,626,823 fully paid ordinary shares to William Tucker, CEO and Executive Director of the Company.

The Deemed Issue Price for the Shares is \$0.02322, calculated on the basis of the 5-day VWAP of the Company's Shares from 26 August 2024 to 30 August 2024.

Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval.

A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an Associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

As William Tucker is the CEO and Executive Director of the Company, he is a person in a position of influence for the purposes of Listing Rule 10.11. The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

To this end, this Resolution seeks the required Shareholder approval to issue the Shares to William Tucker under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Shares to William Tucker.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of Shares to William Tucker and the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash payment.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of shares (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Robert Alexander, Kirsty Rankin and Michael McConnell and Mark Devadason) carefully considered the issue of these shares to William Tucker and formed the view that the giving of this financial benefit is on arm's length terms, as part of his performance review, and responsibilities held by William Tucker in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these shares to William Tucker fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of Resolution 6.

Therefore, the proposed issue of shares to William Tucker requires Shareholder approval under both Chapter 2E of the Corporations Act and Listing Rule 10.11.

In reaching this view, the following considerations were taken into account by the non-conflicted Directors:

- (a) the issue of shares allows the Company to attract and maintain high quality professionals to the Board of the Company, without impacting the Company's cash reserves.

Information required by ASX Listing Rule 10.13

The following information in relation to the issue of the Shares to William Tucker is provided to Shareholders for the purposes of ASX Listing Rule 10.13:

- (a) The allottee is William Tucker.
- (b) William Tucker is a related party of the Company by virtue of being a Director of the Company, pursuant to Listing Rule 10.11.1.
- (c) Under the key terms of William Tucker's agreement:
 - the Short-Term Incentive was agreed at 50% Total Fixed Remuneration (TFR) (25% payable in cash & 75% equity) with targets to be agreed; and
 - Long Term Incentive was agreed at 50% TFR (100% equity) with targets to be agreed.

Accordingly, the STI split was calculated on pro rata basis for a total 231 days in FY24 as follows for \$112,292.25:

- Cash (25%) – Prorated - \$28,073.06
- Equity (75%) – Prorated - \$84,219.19

- (d) The maximum number of Shares to be issued under the Equity (75%) – Prorated is 3,626,823.
- (e) The Deemed Issue Price for the Shares is \$0.02322, calculated on the basis of the 5-day VWAP of the Company's Shares from 26 August 2024 to 30 August 2024. Mr Tucker will receive \$84,219.19 worth of fully paid ordinary shares in respect of the STI for FY24 financial year.
- (f) The current total remuneration package received by William Tucker as the CEO is \$440,000 per annum including superannuation. The Shares will be fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.

The Board of Directors (excluding Mr Tucker) recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As William Tucker is the CEO and Executive Director of the Company, the proposed issue of FY24 Performance Rights constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the FY24 Performance Rights to William Tucker under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of FY24 Performance Rights to William Tucker subject to the achievement of the vesting conditions, being continued service with the Company during the Measurement Period.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash payment.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- a. the giving of the financial benefit falls within one of the exceptions to the provisions; or
- b. Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Performance Rights constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Robert Alexander, Kirsty Rankin and Michael McConnell and Mark Devadason) carefully considered the issue of these FY24 Performance Rights to William Tucker and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Performance Rights, and the responsibilities held by William Tucker.

The issue of FY24 Performance Rights allows the Company to attract and maintain high quality professionals to the Board of the Company, without impacting the Company's cash reserves.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these FY24 Performance Rights to William Tucker fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Performance Rights to William Tucker requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

The FY24 Performance Rights are valued at \$138,852.46.00. The Share Price used to calculate the grant of FY24 Performance Rights was based on a volume weighted average price (VWAP) over the 5 trading days following the release of FY24 financial results, of \$0.02322.
- (h) The FY24 Performance Rights will be issued as soon as practicable but no later than 3 years from the date of this Meeting, if approved by Shareholders of the Company.
- (i) The FY24 Performance Rights are being issued for nil consideration pursuant to the terms of the Beonic's Rights Plan.

Directors' recommendation

The Board of Directors (excluding Mr Tucker) recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities unless it obtains the approval of its shareholders:

- a director of the Company;
- an associate of a director of the Company; or
- a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As William Tucker is the CEO and Executive Director of the Company, the proposed issue of FY25 Performance Rights constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the FY25 Performance Rights to William Tucker under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of FY25 Performance Rights to William Tucker subject to the achievement of the vesting conditions, being continued service with the Company during the Measurement Period.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash payment.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- a. the giving of the financial benefit falls within one of the exceptions to the provisions; or
- b. Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of FY25 Performance Rights constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Robert Alexander, Kirsty Rankin and Michael McConnell and Mark Devadason) carefully considered the issue of these FY25 Performance Rights to William Tucker and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the FY25 Performance Rights, and the responsibilities held by William Tucker.

The issue of FY25 Performance Rights allows the Company to attract and maintain high quality professionals to the Board of the Company, without impacting the Company's cash reserves.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these FY25 Performance Rights to William Tucker fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Performance Rights to William Tucker requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Consolidation of Capital

Resolution 9 – Consolidation of Capital

Background

Under section 254H of the Corporations Act, a company may consolidate its shares if the consolidation is approved by an ordinary resolution of shareholders at a general meeting.

The Company proposes to consolidate its share capital through the consolidation of every ten Shares into one Share (**Share Consolidation**).

The Share Consolidation ratio was determined so that the share price of the Company following implementation of the Share Consolidation would be approximately \$0.025 (2.5 cents) per Share, based on the closing price of the Shares of \$0.025 on 9 October 2024. If the Share Consolidation is approved, it is expected that it will take effect on and from 28 November 2024.

Effect on Shareholders

As the Share Consolidation applies equally to all Shareholders, individual shareholdings will be reduced in the same ratio as the total number of Shares (subject only to the rounding of fractions). As such, the Share Consolidation will have no material effect on the percentage interest of each individual Shareholder.

Similarly, other than minor changes as a result of rounding, the aggregate value of each Shareholder's Shares (and the Company's market capitalisation) should not change as a result of the Share Consolidation alone (that is, assuming no other market movements or impacts occur).

Shareholders should note that the Share Consolidation, if approved, would also have an effect on the Company's share price. The price per Share may increase proportionately to reflect the reduced number of Shares on issue (although this is not certain and may be impacted by market movements or other events). As noted above in section 1, the Company has chosen the ratio of 10:1 to achieve a price per Share of approximately \$0.025 (2.5 cents).

If Resolution 9 is passed, the Share Consolidation will be implemented and binding upon all Shareholders, regardless of how (or if) they vote on the resolution.

Reasons for Share Consolidation

At the date of this Notice, the Company has a total of 645,512,160 Shares on issue. The Share Consolidation is expected to result in a more appropriate and effective capital structure for the Company and a more appealing share price to a wider range of investors.

The Board also considers the Share Consolidation will have the following benefits:

- better market perception from investors who equate a low share price with the perception of a poorly performing company; and
- interest from quality, long term institutional investors, equity funds and lending institutions who seek stability and long-term growth.

Following implementation of the Share Consolidation, the Company expects there will be 64,551,216 Shares on issue (rounded up to the nearest whole number for each holder and assuming no further share issues occur between the date of this Notice and the effective date for the Share Consolidation).

Treatment of Fractions

Where the consolidation of a Shareholder's Shares results in an entitlement to a fraction of a Share, the fraction will be rounded up to the next whole number of Shares.

Options

At the date of this Notice, the Company has 157,503,441 unlisted Options on issue, held by employees, former Directors and directors of the Company and its subsidiaries. Out of the 157,503,441 unlisted Options, 43,639,028 were issued under the Executive Option Plan.

The Options comprise:

- 111,864,413 Unlisted Options with an exercise price of \$0.044 per Option
- 43,639,028 Unlisted options with an exercise price of \$0.010 per Option (Employee Options)

Listing Rule 7.22 provides that, in a consolidation of capital, the number of options on issue must be consolidated in the same ratio as the entity's ordinary capital and the exercise price must be amended in inverse proportion to that ratio.

Accordingly, if Resolution 9 is passed, the Options will also be consolidated on a 10:1 basis, and the applicable exercise price will be revised upwards in inverse proportion to that ratio.

The following table sets out the number of Options that will be on issue and their applicable exercise price if the Share Consolidation is implemented:

Pre-consolidation		Post-consolidation	
Options			
No. of Options	111,864,413	No. of Options	11,386,441
Exercise Price	\$0.044	Exercise Price	\$0.44
Employee Options			
No. of Options	43,639,028	No. of Options	4,363,903
Exercise Price	\$0.010	Exercise Price	\$0.10

Timetable

An indicative timetable to implement the consolidation of capital is set out in Annexure B to this Notice.

The Board of Directors recommend that Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Amendments to Constitution

Resolution 10 – Amendment to Constitution – Virtual Meetings

Background

The Company's current constitution was adopted by the Company on 16 July 2004.

For the following reasons, the Board of the Company wishes to amend its existing Constitution:

- (a) The *Corporations Amendment (Meetings and Documents) Act 2022* received Assent on 22 February 2022 which makes permanent changes to existing requirements under the Corporations Act that will enable companies and registered schemes to use technology to hold meetings, execute company documents, and sign and distribute meetings-related documents.
- (b) Clause 11.1 of the Constitution states that an annual general meeting shall be held in accordance with the requirements of the Corporations Act, however, to hold a meeting using virtual technology only, pursuant to the amended s 249R it must be expressly permitted by the Company's Constitution.

Accordingly, the Company has prepared an updated Constitution (**New Constitution**) which incorporates the following key amendment:

- (a) By replacing the existing clause 11.6:

11.6 General Meeting

A general meeting (including an annual general meeting) shall be held in accordance with the requirements of the Corporations Act, the Listing Rules and any applicable law and may be held:

(a) at one or more physical venues; or

(b) at one or more physical venues and using virtual meeting technology; or

(c) using virtual meeting technology only.

If, before or during a general meeting of members, any technical difficulty occurs, such that the members, as a whole, do not have a reasonable opportunity to participate, the chair of the meeting may:

(d) adjourn the meeting until the technical difficulty is remedied; or

(e) where a quorum remains present (either at the place at which the chair is present or by technology contemplated by this clause) and able to participate, subject to the Corporations Act, continue the meeting (in which case no member may object to the meeting being held or continuing.

Prior to the Meeting, a copy of the New Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the New Constitution can also be sent to Shareholders of the Company upon a request being made to the Company Secretary Ms Pia Rasal at Pia.Rasal@automicgroup.com.au.

A complete signed copy of the New Constitution will be tabled at the Meeting.

Section 136 of the Corporations Act

Pursuant to section 136(2) of the Corporations Act, a modification to the Company's Constitution can only be effected by way of a Special Resolution passed by its Shareholders. Therefore, this Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution. The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 11 – Amendment to Constitution – Adoption of Proportional Takeover Provisions

The Board of the Company wishes to amend its existing Constitution to incorporate the proportional takeover provisions.

Accordingly, the Company has prepared an amended Constitution (**Amended Constitution**) which incorporates the proportional takeover provisions.

The Corporations Act requires the Company to provide shareholders with an explanation of the proposed proportional takeover approval provisions, as set out below, so that shareholders may make an informed decision on whether to support or oppose the resolution.

What is a proportional takeover bid and why do we need the proportional takeover approval provisions?

A proportional takeover bid includes the bidder offering to buy a proportion only of each shareholder's Shares in the Company. This means that control of the Company may pass without members having the chance to sell all of their Shares to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

In order to deal with this possibility, the Company may provide in its Constitution that:

- a. in the event of a proportional takeover bid being made for Shares in the Company, members are required to vote by ordinary resolution and collectively decide whether to accept or reject the offer; and
- b. the majority decision of the Company's members will be binding on all individual members.

The Directors consider that members should be able to vote on whether a proportional takeover bid ought to proceed given such a bid might otherwise allow control of the Company to change without members being given the opportunity to dispose of all of their Shares for a satisfactory control premium. The Directors also believe that the right to vote on a proportional takeover bid may avoid members feeling pressure to accept the bid even if they do not want it to succeed.

What is the effect of the proportional takeover approval provisions?

If a proportional takeover bid is made, the Directors must ensure that shareholders vote on a resolution to approve the bid more than 14 days before the bid period closes. The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote, but the bidder and its associates are not allowed to vote. If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn.

If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's Constitution.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for three years after the date of approval. The provisions may be renewed, but only by a special resolution.

No present acquisition proposals

At the date this Notice of Meeting was prepared, no Director is aware of a proposal by a person to acquire, or to increase, a substantial interest in the Company.

Potential advantages and disadvantages

While the insertion of the proportional takeover provisions will allow the Directors to ascertain members' views on a proportional takeover bid, it does not otherwise offer any advantage or disadvantage to the Directors who remain free to make their own recommendations as to whether the bid should be accepted.

The provisions will ensure that all members have an opportunity to study a proportional bid proposal and vote on the bid at a general meeting. This is likely to ensure a potential bidder structures its offer in a way which is attractive to a majority of members, including appropriate pricing. Similarly, knowing the view of the majority of members may help individual members assess the likely outcome of the proportional takeover when determining whether to accept or reject the offer.

However, it is also possible that the inclusion of such provisions in the Constitution may discourage proportional takeover bids and may reduce any speculative element in the market price of the Company's Shares arising from the possibility of a takeover offer being made. The inclusion of the provisions may also be considered to constitute an unwarranted additional restriction of the ability of members to freely deal with their shares.

The Directors consider that the potential advantages for members of the proportional takeover approval provision outweighs the potential disadvantages.

Prior to the Meeting, a copy of the Amended Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the Amended Constitution can also be sent to Shareholders of the Company upon a request being made to the Company Secretary Ms Pia Rasal on Pia.Rasal@automicgroup.com.au.

A complete signed copy of the Amended Constitution will be tabled at the Meeting.

Pursuant to section 136(2) of the Corporations Act, a modification to the Company's Constitution can only be effected by way of a Special Resolution passed by its Shareholders. Therefore, this Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

If this Resolution is approved, the proportional takeover provisions will be inserted into the Amended Constitution adopted under Resolution 11 and will take effect from the close of the Meeting. If Resolution 11 is passed, the proportional takeover provisions will only apply until 27 November 2026 (being 3 years after the date of this Annual General Meeting), unless again renewed by Shareholders. The provisions will not impact upon a full takeover bid being made for the Company.

CLAUSE 8.15 (SCHEDULE 2) OF THE AMENDED CONSTITUTION

1 RESOLUTION REQUIRED FOR TRANSFER UNDER PROPORTIONAL TAKEOVER BID

Subject to paragraph 7 but despite any other provision of this constitution, a transfer of shares or other securities in the company giving effect to a contract resulting from acceptance of an offer made under a proportional takeover bid must not be registered unless and until a resolution approving the bid is passed or taken to be passed in accordance with paragraph 6.

2 BOARD'S OBLIGATIONS WHERE OFFERS MADE UNDER PROPORTIONAL TAKEOVER BID

If offers are made under a proportional takeover bid for any class of shares or other securities in the company, the board must:

- (a) either convene a meeting of the persons entitled to vote on the approving resolution in accordance with paragraph 4 or conduct a postal ballot of all persons entitled to vote on the approving resolution in accordance with paragraph 5; and
- (b) ensure that the approving resolution is voted on at that meeting or by means of that ballot before the day that is 14 days before the last day of the bid period.

3 PERSONS ENTITLED TO VOTE

The only persons entitled to vote on the approving resolution are those persons (other than the bidder or any associate of the bidder) who, as at the end of the day on which the first offer under the proportional takeover bid was made, held shares or other securities of the company in the bid class. Each person who is entitled to vote is entitled to one vote for each share or other security in the bid class held by that person at that time.

4 PROCEDURE FOR MEETING

If the board determines under paragraph 2(a) to convene a meeting of persons entitled to vote on the approving resolution, then, subject to paragraph 3, that meeting must be convened and conducted, as if it were a general meeting of the company convened and conducted in accordance with this constitution and the Corporations Act with such modifications as the board determines are required in the circumstances.

5 PROCEDURE FOR BALLOT

If the board determines under paragraph 2(a) to conduct a postal ballot of persons entitled to vote on the approving resolution, then:

- (a) notice of the postal ballot and a personalised ballot paper specifying the name of the person entitled to vote must be sent to all persons entitled to vote on the resolution not less than 14 days before the date specified in the notice for closing of the postal ballot, or such lesser period as the board determines;
- (b) the notice must contain the text of the approving resolution and specify the date for closing of the ballot, may specify circumstances in which and the process by which a postal ballot may be revoked and may contain such other information as the directors think fit;
- (c) a postal ballot is only valid if the ballot paper is duly completed and:
 - (i) if the person entitled to vote is an individual, signed by the individual or a duly authorised attorney; or
 - (ii) if the person entitled to vote is a corporation, executed under seal or as permitted by the Corporations Act or by a duly authorised officer or duly authorised attorney;
- (d) a postal ballot is only valid if the ballot paper and the power of attorney or other authority, if any, under which the ballot paper is signed or a certified copy of that power or authority is or are received by the company before close of business on the date specified in the notice of postal ballot for closing of the postal ballot at the

company's registered office or at such other place as is specified for that purpose in the notice of postal ballot;

- (e) the non-receipt of a notice of postal ballot or ballot paper by, or the accidental omission to give a notice of postal ballot or ballot paper to, a person entitled to receive them does not invalidate the postal ballot or any resolution passed under the postal ballot.

6 WHEN APPROVING RESOLUTION PASSED OR REJECTED

If an approving resolution is voted on in accordance with this Schedule 2 then it is to be taken to have been passed if more than 50% of the votes cast on it are in favour of it and otherwise is taken to have been rejected. If an approving resolution has not been voted on in accordance with this Schedule 2 by the end of the day that is 15 days before the last day of the bid period, then an approving resolution is taken to have been passed.

7 WHEN PROPORTIONAL TAKEOVER RULES CEASE TO HAVE EFFECT

This Schedule 2 ceases to have effect:

- (a) if the rules contained in this Schedule 2 have not been renewed in accordance with the Corporations Act, on the day which is 3 years after the date on which those rules were adopted by the company; and
- (b) if those rules have been renewed in accordance with the Corporations Act, on the day which is 3 years after the date on which those rules were last renewed.
