3. Resolution 1 – Remuneration Report

The Board has submitted its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding advisory resolution in accordance with section 250R of the Corporations Act.

The Remuneration Report is set out in the Directors' Report section of the Annual Report. The report, amongst other things:

In exceptional circumstances, the Chair may change their voting intention on any Resolution, in which case an ASX announcement will be made.

4. Resolution 2 – Re-Adoption of Incentive Options and Performance Rights Plan

4.1 Introduction

Pursuant to Resolution 2, the Company is seeking approval of Shareholders for the issue of securities under the Company's Employee Incentive Option & Performance Rights Plan (**Incentive Plan**) as an exception under Listing Rule 7.2 Exception 13(b) which would enable securities issued under the Incentive Plan over the next three years to be excluded from the calculation of the number of securities issued for the purposes of Listing Rules 7.1 and 7.1A.

The Company utilises the Incentive Plan as a means of rewarding and incentivising its key employees.

A summary of the terms of the Incentive Plan are set out in Schedule 1 to this Explanatory Memorandum.

4.2 Listing Rules

The Company obtained the approval of Shareholders for the adoption of the Incentive Plan under the ASX Listing Rules at its Annual General Meeting on 24 November 2021.

The Company has implemented the Incentive Plan pursuant to which the Company issues securities to the Company's employees to incentivise employees to achieve the long term objectives of the Company and to attract employees of experience and ability (**Incentive Plan Issue**). Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Unless Shareholder approval is obtained pursuant to this Resolution 2, securities issued under the Incentive Plan Issue would reduce the Company's 15% capacity to issue Shares under Listing Rule 7.1 for three years following the 2024 AGM.

Resolution 2 seeks the required Shareholder approval for the Incentive Plan Issue for the three year period after the 2024 AGM, under and for the purposes of Listing Rule 7.1. Specifically, Exception 13 of Listing Rule 7.2 allows the Company to issue up to 30,000,000 securities under the Incentive Plan without the issue of such securities being counted towards the Company's 15% capacity under Listing Rule 7.1 where Shareholders have approved the issue of securities under the Incentive Plan as an exception to Listing Rule 7.1 within three years prior to the issue of the securities. Resolution 2 is being put to Shareholders for this purpose and will allow the

Explanatory Memorandum

Company to utilise Exception 13 of Listing Rule 7.2 for three years from the date of this Resolution being passed.

4.3 Information for Shareholders

In accordance with Exception 13 of Listing Rule 7.2, the Company advises as follows:

- (a) a summary of the key terms of the Incentive Plan are set out in Schedule 1;
- (b) since the Incentive Plan was last approved by Shareholders at the 2021 AGM, a total of 10,507,000 securities have been issued under the Incentive Plan;
- (c) following approval of Resolution 2, the maximum number of equity securities that may be issued within the next three years under the Incentive Plan shall consist of 30,000,000 securities. The maximum number stated above is not intended to be a prediction of the actual number of securities that may be issued under the Incentive Plan, it is simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b). The total number of securities issued under the Incentive Plan within the next three years may be less than the maximum number stated above or may be more than the maximum number stated above (in which case the excess will count as part of the Company's 15% placement capacity under Listing Rule 7.1); and
- (d) a voting exclusion statement is set out in Resolution 2.

4.4 Further considerations

The Company believes that it will derive a significant benefit by incentivising its senior management and key employees through the issue of securities under the Incentive Plan. Additionally, the Company believes it to be in the best interests of the Company to preserve the maximum commercial flexibility to issue Equity Securities that is afforded to it by Listing Rule 7.1.

4.5 Outcome of voting for and against the Resolution

If the Resolution is passed, the Company will be able to issue securities under the Incentive Plan over the next three years without reducing the Company's 15% capacity to issue Shares under Listing Rule 7.1.

If the Resolution is not passed, the Company will not be able to issue securities under the Incentive Plan without either reducing its 15% capacity or seeking approval of Shareholders for every such issue of securities.

Shareholders should note that the Company's ability to rely on Listing Rule 7.2 Exception 13 pursuant to Shareholder approval for this Resolution will cease if there is a material change to the terms of the Incentive Plan as provided in this Notice of Meeting.

4.6 Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 2.

5. Resolution 2 – Re-Election of Brett Lambert as a Director

In accordance with Clause 14.2 of the Constitution, at every annual general meeting, one third (1/3) of the directors in office (other than any managing director) must retire by rotation and are eligible for re-election. The Directors to retire are those who have been longest in office since their last election. In addition, Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at every annual general meeting.

Explanatory Memorandum

Brett Lambert retires in accordance with Clause 14.2 of the Company's Constitution and ASX Listing Rule 14.5 and, being eligible, offers himself for re-election as a Director.

Mr Lambert has been a director of the Company since 9 April 2020.

The Directors (with Mr Lambert abstaining) recommend that you vote in favour of this Ordinary Resolution.

6. Resolution 4 – Re-Election of Andrew Venn as a Director

As outlined above in section 5, in accordance with Clause 14.2 of the Constitution, one third (1/3) of the directors in office at every annual general meeting must retire by rotation and are eligible for re-election. In addition, Listing Rule 14.5 provides for an annual election of directors.

Andrew Venn retires in accordance with Clause 14.2 of the Company's Constitution and ASX Listing Rule 14.5 and, being eligible, offers himself for re-election as a Director.

Mr Venn has over 20 years of mining industry experience. Mr Venn has previously held senior positions across financing and operations for Argonaut Limited, Orica Mining Services, ICI Explosives and DDH1 Limited and is a Fellow of the Financial Services Institute of Australia.

Mr Venn has been a director of the Company since 21 September 2017.

The Directors (with Mr Venn abstaining) recommend that you vote in favour of this Ordinary Resolution.

7. Resolutions 5 to 9 – Issue of Equity Securities to Related Parties

Resolution 5 seeks Shareholder authorisation to issue a total of 1,200,000 Performance Rights (**Director Performance Rights**) to Managing Director Ian Bamborough and Resolutions 6 to 9 seek Shareholder authorisation to issue a total of 3,100,000 Options (**Director Options**) to Non-Executive Directors Brett Lambert, Andrew Venn, Robert Tyson and Adrian Goldstone (or their nominees) (collectively, the **Related Parties**) (the Director Performance Rights and Director Options collectively, the **Director Equity**).

Approval for the issue of the Director Equity is sought in accordance with Listing Rule 10.11, Part 2D.2 of the Corporations Act, Chapter 2E of the Corporations Act and section 195(4) of the Corporations Act. As approval is being sought under Listing Rule 10.11, approval will not be required under Listing Rule 7.1.

7.1 Director Performance Rights & Director Options terms

A summary of the terms and conditions of the Director Performance Rights and Director Options proposed to be issued are set out at Schedule 3 of this Explanatory Memorandum, including the performance hurdles associated with the Director Performance Rights, linked to Company performance, and vesting conditions associated with the Director Options, which are not linked to Company performance.

Explanatory Memorandum

7.2 Relevant legislation – Part 2D.2, Chapter 2E and section 195(4) of the Corporations Act and Listing Rule 10.11

(a) Chapter 2E and section 195(4) of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a Financial Benefit to a Related Party of the public company unless providing the benefit falls within a prescribed exception to the general prohibition. Relevantly, there is an exception under section 208 of the Corporations Act if the company first obtains the approval of its shareholders in a general meeting in circumstances where certain requirements specified in Chapter 2E in relation to the convening of that meeting have been met.

A “Related Party” is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, a director of any entity that controls (or is reasonably likely to control) a public company, any entity that is controlled by a person or entity which is otherwise a Related Party, and entities where there are reasonable grounds to believe that a person/entity is likely to become a Related Party of the public company.

A “Financial Benefit” for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the Related Party. In determining whether or not a Financial Benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the Financial Benefit is to be disregarded, even if it is full or adequate.

Relevantly, there is also an exception to Chapter 2E where the financial benefit to be given constitutes objectively reasonable remuneration. Further, section 195(1) of the Corporations Act provides that a director of a public company who has a material personal interest in a matter that is being considered at a directors' meeting must not be present while the matters are being considered at the meeting or vote on the matter. However, section 195(4) provides that if there are then not enough directors to form a quorum for a directors' meeting, one (1) or more of the directors (including those who have a material personal interest in that matter) may call a general meeting and the general meeting may pass a resolution to deal with the matter.

The Board believes that the issue of the Director Equity constitutes reasonable remuneration and an appropriate incentive to the Directors. However, in the interests of good governance, given all Directors are proposed to receive Director Equity, the Board believes it is appropriate to give Shareholders the right to vote on Resolutions 5 to 9 under the Chapter 2E of the Corporations Act and section 195(4) of the Corporations Act approval regime.

A copy of this Notice and the Explanatory Memorandum has been lodged with ASIC in accordance with section 218 of the Corporations Act.

(b) Listing Rule 10.11

Listing Rule 10.11 provides that unless of the exceptions un Listing Rule 10.12 applies, a listed company must not issue or agree to issue securities to:

- (1) a related party;
- (2) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- (3) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;

Explanatory Memorandum

- (4) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- (5) a person whose relationship with the entity or a person referred to in items 7.2(b)(1) to 7.2(b)(4) is such that, in ASX's opinion, the issue or agreement should be approved by security holders,

(individually referred to as an **Allottee** and jointly as **Allottees**) and in doing so must provide the information specified in Listing Rule 10.13, unless an exception applies.

If Resolutions 5 to 9 are passed, the Director Performance Rights and Director Options must be issued within one (1) month of that approval or else the approval will lapse.

(c) **Listing Rule 7.1 – Issues exceeding 15% of capital**

Listing Rule 7.1 prohibits a company, except in certain cases, from issuing new equity securities equivalent in number to more than 15% of its capital in the 12 month period immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for 12 months or more) or the period from the date the entity was admitted to the official list to the date immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for less than 12 months) without the prior approval of its shareholders (15% Capacity). However, under Listing Rule 7.2 (Exception 14), if approval is being sought under Listing Rule 10.11, further approval will not be required under Listing Rule 7.1. Therefore, issue of Performance Rights and Options will not count towards the Company's 15% Capacity under Listing Rule 7.1.

(d) **Part 2D.2 (including sections 200B and 200E of the Corporations Act) of the Corporations Act**

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a person's retirement from a managerial or executive office, the Company must obtain Shareholder approval in the manner set out in section 200E of the Corporations Act.

Section 200B of the Corporations Act applies where the benefit is given to, among other persons, a person whose details were included in the Director's Report for the previous financial year. The details of the Directors to which Resolutions 5 to 9 relate to are included in the Director's Report for the financial year ending 30 June 2024.

The term "benefit" is open to a potentially wide interpretation and may include automatic, or accelerated, vesting of share-based payments for a person or the exercise of discretion to allow a person to maintain a benefit they would not otherwise be entitled to retain, on, or as a result of, retirement from their position of employment in a company.

The benefits for which approvals are sought under Resolutions 5 to 9 include benefits that result from the Board exercising its discretions conferred under the terms of the Performance Rights (detailed in Schedule 2) and/or Options (detailed in Schedule 3). In particular, the Board will have the discretion to determine that, in certain circumstances, some or all of the Director Equities will not lapse at that time (if they would otherwise lapse), and such Equity Securities may vest or be retained.

One of the benefits for which approvals are sought under Resolutions 5 to 9 is the potential issue or transfer of Shares to the relevant Director(s) upon conversion or exercise of the Director Equities as a result of the Board exercising its discretion to vest those Director Equities as termination benefit.

The Company is therefore seeking Shareholder approval under section 200B of the Corporations Act in connection with the potential vesting or retention of the Director Equities proposed to be granted to the Directors pursuant to Resolutions 5 to 9.

Explanatory Memorandum

7.3 Shareholder approval requirement

Resolutions 5 to 9, if passed, will confer Financial Benefits and involve the issue of Equity Securities (namely, the Director Equity) to the Related Parties. Therefore, the Company seeks to obtain Shareholder approval in accordance with the requirements of Chapter 2E, section 195(4) of the Corporations Act and Listing Rule 10.11. As approval is being sought under Listing Rule 10.11, in accordance with Listing Rule 7.2 (Exception 14) approval will not be required under Listing Rule 7.1.

Resolutions 5 to 9, if passed, will allow also the Company to provide termination benefits to Director(s) (and/or their respective nominee(s)) upon termination or cessation of employment of that or those Director(s), by virtue of allowing the Director to retain or vest their relevant Director Equities.

7.4 Information for Shareholders

Chapter 2E of the Corporations Act

For the purposes of Chapter 2E and section 219 of the Corporations Act, and for all other purposes, the following information is provided to Shareholders:

(a) **The Related Parties to whom Resolutions 5 to 9 would permit the Financial Benefit to be given (section 219(1)(a))**

The proposed Financial Benefit will be given to Ian Bamborough, Brett Lambert, Andrew Venn, Robert Tyson and Adrian Goldstone who are each a Related Party of the Company because they are Directors of the Company.

(b) **The nature of the Financial Benefit (section 219(1)(b))**

The nature of the proposed Financial Benefit to be given is the issue of the Director Equity with the specific number of Director Equity provided to each Director described in section 7.4(b).

(c) **Directors' recommendation (section 219(1)(c))**

Each Director has a material personal interest in the outcome of Resolutions 5 to 9 on the basis that all Directors (or their nominees) are to be issued Director Equity should the Resolutions be passed. For this reason, in current circumstances, the Directors do not believe that it is appropriate to make recommendations on Resolutions 5 to 9.

Resolutions 6 to 9 propose the issue of Director Options to Non-Executive Directors, which is not consistent with the Recommendations of the ASX Corporate Governance Council (Principle 8) 4th Edition. The Executive Director considers that the issue of the Director Options to the Non-Executive Directors (if approved by Shareholders) would not lead to bias in their decision making or compromise their objectivity, but rather considers that it would align their interests with those of existing security holders in general.

(d) **Directors' interest and other remuneration (section 219(1)(d))**

The Related Parties each have a material personal interest in the outcome of Resolutions 5 to 9, as it is proposed that the Director Equity be issued to them (or their nominee) as set out in Resolutions 5 to 9 respectively.

Excluding the Director Performance Rights and Director Options to be issued subject to Shareholder approval at this Meeting, the Related Parties each hold the following Shares, Performance Rights and Options in the Company:

Explanatory Memorandum

Shareholder	Shares Directly and Indirectly Held	Options Directly and Indirectly Held	Performance Rights Directly and Indirectly Held	% of total Share Capital (Shares on issue)
Ian Bamborough	6,918,730	-	2,800,000	2.24%
Brett Lambert	-	2,400,000	-	0.00%
Robert Tyson	1,400,000	1,700,000	-	0.45%
Andrew Venn	1,080,000	1,700,000	-	0.35%
Adrian Goldstone	110,239	1,700,000	-	0.04%

If all of the Director Performance Rights and Director Options are issued, and converted into Shares, it will have the following effect on their holdings in the Company and the dilutionary impact on current Shareholders of the Company:

Shareholder	Current Share Holding	% of total Share Capital (Shares on issue)	Shares held upon issue of Director Equity and assumed conversion ¹	% of total Diluted Share Capital (Shares on issue)
Current Shareholders	299,375,915	96.92%	299,375,915	95.59%
Ian Bamborough	6,918,730	2.24%	8,118,730	2.59%
Brett Lambert	-	0.00%	1,000,000	0.32%
Robert Tyson	1,400,000	0.45%	2,100,000	0.67%
Andrew Venn	1,080,000	0.35%	1,780,000	0.57%
Adrian Goldstone	110,239	0.04%	810,239	0.26%
Total	308,884,884	100.00%	313,184,884	100.00%

Notes:

1. Assuming that no other Shares are issued, and no existing Options or Performance Rights are exercised.

(e) Valuation

The Directors of the Company have considered the indicative theoretical value attributable to the Director Equity at a valuation date of 11 October 2024, and is set out in Schedule 4 and Schedule 5 respectively. Based on that valuation, the theoretical valuation of the financial benefit is set out below:

Directors Name	Number of Director Performance Rights	Number of Director Options	Value based on valuation
Ian Bamborough	1,200,000	-	\$336,000
Brett Lambert	-	1,000,000	\$ 127,000
Robert Tyson	-	700,000	\$88,900
Andrew Venn	-	700,000	\$88,900
Adrian Goldstone	-	700,000	\$88,900

Explanatory Memorandum

- (f) **Any other information that is reasonably required by Shareholders to make a decision and that is known to the Company or any of its Directors (section 219(1)(e) and 219(2))**

There is no other information known to the Company or any of its Directors save and except as follows:

Trading history

In the 12 months prior to 12 October 2024, the Company's trading history is as follows:

- (1) the highest trading price was \$0.345 on 23 September 2024;
- (2) the lowest trading price was \$0.130 on 16 to 27 October 2023, 7 to 9, 27 and 28; and

The trading price of the Shares on the close of trading on 12 October 2023 was \$0.16.

Opportunity costs

The opportunity costs and benefits foregone by the Company issuing the Director Equity is the potentially dilutionary impact on the issued share capital of the Company. To the extent that the dilutionary impact caused by the issue of the Director Equity will be detrimental to the Company, this is considered to be more than offset by the benefits. For accounting purposes, the Director Equity will be recognised as an expense.

The grant of the Director Equity is considered an appropriate remuneration strategy to align the interests of the individual with those of the Company's strategic plan focusing on optimising performance with the benefits flowing through to enhanced Shareholder returns, whilst also protecting the Company's cash reserves so that they can be directed towards the Company's operations.

Taxation consequences

No stamp duty will be payable in respect of the grant of the Director Equity. No GST will be payable by the Company in respect of the grant of the Director Equity (or if it is then it will be recoverable as an input credit).

Dilutionary effect

The effect of the issue of the Director Equity, assuming that none of the existing Performance Rights or Options on issue in the Company have been exercised, is as follows:

Explanatory Memorandum

Security Type	Current		Post Share issue/conversion of Director Equity	
	Securities	Percentage	Securities	Percentage
Ordinary shares - current Shareholders (excluding unquoted convertible securities)	308,884,884	100%	308,884,884	98.63%
Performance Rights	-	0%	1,200,000	0.38%
Options	-	0%	3,100,000	0.99%
Total ordinary shares	308,884,884	100.00%	313,184,884	100.00%

Save as set out in this Explanatory Memorandum, the Directors are not aware of any other information that will be reasonably required by Shareholders to make a decision in relation to the benefits contemplated by Resolutions 5 to 9.

- (a) The value of the benefit relating to the Director Equities held by the Directors and/or their nominee(s) which may arise in connection with their retirement from a managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to affect the calculation of that value include:
 - (i) the number of Director Equities held prior to ceasing employment;
 - (ii) the outstanding conditions (if any) of vesting of the Director Equities and the number that the Board determines to vest, lapse or leave on foot;
 - (iii) the applicable performance measures and the achievement of such measures (and the personal performance of relevant Director(s));

We note that the issue of Director Options to Brett Lambert and Andrew Venn under Resolutions 6 and 8, respectively, assumes that Messrs Lambert and Venn will have received Shareholder approval for election as Directors under Resolutions 3 and 4. In the event Resolutions 3 and/or 4 are not approved by Shareholders, the issue of Director Options pursuant to Resolutions 6 and/or 8 to Messrs Lambert and Venn will not proceed.

Explanatory Memorandum

8. Resolution 10 - Change of Auditor

8.1 Explanation

Section 327C(1) of the Corporations Act provides that if a vacancy occurs in the office of auditor of a public company the directors must within 1 month appoint an auditor to fill the vacancy. Section 327C(2) of the Corporations Act provides that an auditor so appointed holds office until the Company's next annual general meeting.

As announced by the Company to ASX on 31 May 2024, BDO Audit Pty Ltd (**BDO Audit**) was appointed as auditor of the Company. The appointment follows the resignation of BDO Audit (WA) Pty Ltd (**BDO WA**) and ASIC's consent to the resignation in accordance with s329(5) of the Corporations Act. The change of auditor arose as a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA.

Under Section 327(C)(2) of the Corporations Act BDO Audit retires at the Annual General Meeting. As BDO Audit is eligible for election as auditor of the Company as and from the Annual General Meeting, Resolution 10 proposes the election of BDO Audit as auditor of the Company.

BDO Audit Pty Ltd has given its written consent to act as the Company's auditor, subject to Shareholder approval. If Resolution 10 is passed, the appointment of BDO Audit Pty Ltd as the Company's auditor will take effect from the close of the Annual General Meeting.

In accordance with section 328B(1) of the Corporations Act, the Company has sought and obtained a nomination from a Shareholder for BDO Audit Pty Ltd to be appointed as the Company's auditor. A copy of this nomination is attached to this Explanatory Statement as Schedule 6.

8.2 Directors recommendation

The Directors unanimously recommend that you vote in favour of Resolution 10.

9. Resolution 11 – Approval to issue an additional 10% of the issued capital

9.1 Introduction

Resolution 11 seeks Shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to Listing Rule 7.1A. If passed, this Resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Additional Placement Securities**) each at an issue price of at least 75% of the VWAP for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Additional Placement Securities are to be issued is agreed, or if the Additional Placement Securities are not issued within five (5) trading days of that date, the date on which the Additional Placement Securities are issued).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A, small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the annual general meeting (**Additional 10% Placement**). The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without Shareholder approval over a 12 month period pursuant to Listing Rule 7.1. The Company may issue the Additional Placement Securities to raise funds for the Company. Funds raised from the issue of Additional Placement Securities, if undertaken, would be applied towards progressing the Apollo Hill Gold Project, exploring the prospective Apollo Hill regional tenement package, funding, where warranted, the West Wyalong Joint Venture activities and additional working capital.

Explanatory Memorandum

If Resolution 11 is not passed, the Company will not be able to access the Additional 10% Placement to issue Equity Securities without Shareholder approval provided in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval under Listing Rule 7.1.

The Directors of the Company recommend that Shareholders vote in favour of Resolution 11.

9.2 Listing Rule 7.1A

(b) General

(1) Eligibility

An entity is eligible to undertake an Additional 10% Placement if at the time of its annual general meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index (**Eligible Entity**).

The Company has a market capitalisation of less than \$300 million and is not included in the S&P/ASX300 Index and is therefore an Eligible Entity and able to undertake an Additional 10% Placement under Listing Rule 7.1A.

In the event that the Company for any reason ceases to be an Eligible Entity after the Company has already obtained Shareholders' approval pursuant to this Resolution 11, the approval obtained will not lapse and the Company will still be entitled to issue the Additional Placement Securities.

(2) Special Resolution

Listing Rule 7.1A requires this Resolution 11 to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to Listing Rule 7.1A, no Additional Placement Securities will be issued until and unless this Special Resolution is passed at the Meeting.

(3) Shareholder approval

The ability to issue the Additional Placement Securities is conditional upon the Company obtaining Shareholder approval by way of a Special Resolution at the Meeting.

(c) Additional 10% Placement period – Listing Rule 7.1A.1

Assuming Resolution 11 is passed, Shareholder approval of the Additional 10% Placement under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- (1) the date that is 12 months after the date of the AGM;
- (2) the time and date of the Company's next annual general meeting; or
- (3) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX.

If approval is given for the issue of the Additional Placement Securities, then the approval will expire on 26 November 2025, unless the Company holds its next annual general meeting or Shareholder approval is granted pursuant to Listing Rule 11.1.2 or Listing Rule 11.2 prior to that date.

Explanatory Memorandum

(d) Calculation for Additional 10% Placement – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the period of the approval, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of ordinary securities on issue at the commencement of the Relevant Period,

- (1) plus the number of fully paid ordinary securities issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (2) plus the number of fully paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- (3) plus the number of fully paid ordinary securities issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the Relevant Period; or
 - (B) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- (4) plus the number of partly paid ordinary securities that became fully paid in the Relevant Period;
- (5) plus the number of fully paid ordinary securities issued in the Relevant Period with approval of holders of ordinary securities under Listing Rule 7.1 or Listing Rule 7.4 (but note that this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without shareholder approval); and
- (6) less the number of fully paid ordinary securities cancelled in the Relevant Period.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by the shareholders under Listing Rule 7.4.

(e) Listing Rule 7.1A.3

Explanatory Memorandum

(2) Minimum issue price

The issue price for the Additional Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (2) give to the ASX immediately after the issue a list of allottees of the Additional Placement Securities and the number of Additional Placement Securities allotted to each (this list will not be released to the market).

(g) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 308,884,884 Shares and 17,995,000 unlisted securities (being Options of various expiry dates and exercise prices and also Performance Rights with various performance conditions).

The Company will have the capacity to issue the following Shares on the date of the Meeting:

9.3 Specific information required by Listing Rule 7.3A

(h) **The period for which the approval will be valid – Listing Rule 7.3A.1**

Explanatory Memorandum

As required by Listing Rule 7.1A.1, the Company will only issue and allot the Additional Placement Securities during the relevant approval period. The approval under Resolution 11 for the issue of the Additional Placement Securities will cease to be valid on the earlier of the date that is 12 months from the date on which this Resolution 11 is approved, in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities of the Company) or Listing Rule 11.2 (the disposal of the main undertaking of the Company), or if the Company holds its next annual general meeting before the 12 month anniversary of the AGM.

(i) **Minimum price of securities issued under Listing Rule 7.1A – Listing Rule 7.3A.2**

Pursuant to and in accordance with Listing Rule 7.1A.3, the Additional Placement Securities issued pursuant to approval under Listing Rule 7.1A must be issued for cash consideration and have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 trading days on which trades in that class were recorded immediately before:

- (1) the date on which the price at which the Additional Placement Securities are to be issued is agreed; or
- (2) if the Additional Placement Securities are not issued within 10 trading days of the date in paragraph 1.1(i)(1) above, the date on which the Additional Placement Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the Additional Placement Securities.

(j) **Purpose – Listing Rule 7.3A.3**

As noted above, the purpose for which the Additional Placement Securities may be issued include to raise funds for the Company. Funds raised from the issue of Additional Placement Securities, if undertaken, would be applied towards progressing the Apollo Hill Gold Project, exploring the prospective Apollo Hill regional tenement package, funding, where warranted, the West Wyalong Joint Venture activities and additional working capital.

(k) **Risk of economic and voting dilution – Listing Rule 7.3A.4**

If Resolution 11 is passed and the Company issues the Additional Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 308,884,884 Shares. The Company could issue 30,888,488 Additional Placement Securities on the date of the Meeting if Resolution 11 is passed (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 details of which are set out above). Any issue of Additional Placement Securities will have a dilutive effect on existing shareholders.

There is a specific risk that:

- (1) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of any Additional Placement Securities than it is on the date of the Meeting; and
- (2) the Additional Placement Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Additional Placement Securities.

Explanatory Memorandum

As required by Listing Rule 7.3A.4, the table below shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled, and the market price of the shares has halved. The table also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the market price of the shares has:

- (1) decreased by 50%; and
- (3) increased by 100%.

Issued Share capital	50% decrease in market price \$0.14		Current market price \$0.28		100% increase in market price \$0.56

50% Increase in Share capital = 463,327,326 Shares	46,332,733	\$6,486,583	46,332,733	\$12,973,165	46,332,733	\$25,946,330

Assumptions and explanations

- (1) The market price is \$0.28 based on the closing price of the Shares on ASX on 11 October 2024.
- (2) The above table only shows the dilutionary effect based on the issue of the Additional Placement Securities (assuming only Shares are issued), and not any Shares issued from the 15% capacity under Listing Rule 7.1.
- (3) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- (4) The Company issues the maximum number of Additional Placement Securities.
- (5) The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 11 October 2024.
- (6) The issue price of the Additional Placement Securities used in the table is the same as the market price and does not take into account a discount to the market price (if any).

(I) Company's allocation policy – Listing Rule 7.3A.5

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Additional Placement Securities. The identity of the allottees of Additional Placement Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

Explanatory Memorandum

- (1) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which existing Shareholders can participate;
- (2) the effect of the issue of the Additional Placement Securities on the control of the Company;
- (3) the financial situation and solvency of the Company; and
- (4) advice from corporate, financial and broking advisers (if applicable).

The allottees of the Additional Placement Securities have not been determined as at the date of this Notice but may include existing substantial Shareholders and new Shareholders who are not related parties or Associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments for which Additional Placement Securities are issued as consideration, it is likely that the allottees of some of the Additional Placement Securities will be the vendors of the new assets or investments.

(m) **Previous issues under Listing Rule 7.1A.2 - Listing Rule 7.3A.6**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting on 29 November 2023. A total of 22,368,400 Shares has been issued pursuant to this approval. Details of these Equity Securities are provided below:

The issue of these securities represents 10.98% of the total number of Equity Securities on issue at the commencement of the 12 month period (being 29 November 2023), which was 203,640,254 on a fully diluted basis.

9.4 Voting exclusion statement

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice of Meeting, the proposed allottees of any Additional Placement Securities are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rule 7.1 and Listing Rule 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is

Explanatory Memorandum

not known who will participate in the proposed issue, Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

- (5) the Board deems that a Director Option lapses due to fraud, dishonesty or other improper behaviour of the Relevant Director under clause (e);

the Board may, by written notice to the holder, deem any unvested, or vested but unexercised, Director Options of the relevant holder to have lapsed or require that holder to do all such things necessary to cancel any Shares issued on exercise of the Options.

(f) **Exercise Period:** Subject to the applicable Vesting Condition (specified in the table in paragraph (b) above) being satisfied, the Director Options are exercisable at any time on or prior to the Expiry Date (**Exercise Period**).

(g) **Notice of Exercise:** The Director Options may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Director Option certificate (**Notice of Exercise**) and payment of the Exercise Price for each Director Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

(i) **Timing of issue of Shares on exercise:** Within 15 Business Days after the Exercise Date, the Company will:

- (1) issue the number of Shares required under these terms and conditions in respect of the number of Director Options specified in the Notice of Exercise and for which cleared funds have been received by the Company;

- (3) if admitted to the Official List of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Director Options.

Explanatory Memorandum

If a notice delivered under (i)(2) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

- (l) **Participation in new issues:** There are no participation rights or entitlements inherent in the Director Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Director Options without exercising the Director Options.
- (m) **Change in exercise price:** A Director Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Director Option can be exercised.
- (n) **Transferability:** The Director Options are not transferable.
- (o) **Cashless Exercise Facility:** in lieu of paying the aggregate Exercise Price to purchase Shares, the holder may elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Director Options to the Company, a number of Shares determined in accordance with the following formula (**Cashless Exercise Facility**):
- (p) **Change of Control:** If a Change of Control occurs:
- (1) the Director Options will automatically vest and the holder may exercise the Director Options (on or before the Expiry Date); and
 - (2) if the Board has procured an offer for the Director Options on like terms (having regard to the nature and value of the Director Options) to the terms of the proposed Change of Control event and the Board has specified (in its absolute discretion) a period during which the holder of the Director Options may elect to accept the offer and, if the holder has not so elected at the end of that offer period, the Director Options, if not exercised within 10 days of the end of that offer period, shall expire.
- (q) **Exchange due to Change of Control:** if a company (**Acquiring Company**) obtains control of the Company as a result of a Change of Control and the Company, Acquiring Company and the holder agree, the holder may, in respect of vested Director Options that are exercised, be provided with shares of the Acquiring Company, or its parent, in lieu of Shares, on substantially the same terms and subject to substantially the same conditions as the Shares, but with appropriate adjustments to the number and kind of shares subject to the Director Options.
- (r) **Definitions:**
