Yandal Resources Limited ("**Yandal**" or the "**Company**") advises it has entered into an underwriting agreement ("**Underwriting Agreement**") with Blackpeak Capital Pty Ltd ("**Blackpeak Capital**" or the "**Underwriter**") pursuant to which the Underwriter has agreed to underwrite the exercise of up to 20,541,088 of the remaining unexercised Options exercisable at \$0.24 on or before 31 October 2024 ("**Underwritten Options**"). To the extent the Underwritten Options are not exercised prior to their expiry date, the Underwriter will subscribe for Shares (or procure the subscription for Shares) ("**Underwritten Shares**") and pay (or procure the payment of) the exercise price for the Underwritten Options, and the Company will issue the Underwriter Shares to raise total new funds of up to approximately \$4.93m ("**Underwritten Amount**") (before costs).

Up until 25 October 2024 and prior to the execution of the Underwriting Agreement, the Company had received valid exercise forms together with funds totalling \$0.56m for some of the existing \$0.24 Options. When added to the Underwritten Amount, this will see the Company collect a total of \$5.5m (before costs of the Underwriting Agreement) following their expiry on 31 October 2024.

Following receipt of the above mentioned funds the Company will be well funded to accelerate exploration activity at the Siona, Irulan and Caladan prospects.

Commenting on the Underwriting Agreement, Yandal Resources' Managing Director, Mr. Chris Oorschot, said: "We are very pleased with this show of support by our option holders and the broader market which provides us with the requisite capital to enable us to aggressively pursue further exploration in our Siona discovery and follow up on both Caladan and Irulan together with our ongoing programs across our other prospects."
