Savana US Small Caps Active ETF (ASX: SVNPN) – Trading Halt

Description

The securities of Savana US Small Caps Active ETF ('SVNPN') will be placed in trading halt due to an ASX operational issue associated with the updated ISIN for the name and code change from Fat Prophets Global High Conviction Hedge Fund (ASX:FATP) to Savana US Small Caps Active ETF (ASX: SVNPN). ASX expects trading in SVNPN to resume on 14 November 2024 once the issue has been corrected.
