Savana US Small Caps Active ETF (ASX: SVNP) – Lift of Trading Halt

Description

The securities of Savana US Small Caps Active ETF ('SVNP') were placed in a trading halt due to an ASX operational issue associated with the updated ISIN for the name and code change from Fat Prophets Global High Conviction Hedge Fund (ASX: FATP) to Savana US Small Caps Active ETF (ASX: SVNP) on 13 November 2024. The issue has now been corrected.

The trading halt of the securities of SVNP will be lifted immediately.
