Successful Completion of Institutional Placement

BRISBANE, Australia, November 27, 2024 - NOVONIX Limited (NASDAQ: NVX, ASX: NVX) (“NOVONIX” or “the Company”) today announced the successful completion of its fully underwritten \$44.4 million placement of new fully paid ordinary shares (“New Shares”) to institutional and sophisticated investors at an offer price of \$0.60 per New Share (“Institutional Placement”). Under the Institutional Placement, the Company will issue approximately 74.1 million New Shares pursuant to the Company’s existing placement capacity under ASX Listing Rule 7.1.

NOVONIX Chairman, Admiral Robert J. Natter, USN Ret., said: “The Institutional Placement was supported by the Company’s existing institutional shareholders. It is also pleasing to have the opportunity to welcome a number of new high quality domestic and international institutional investors to our register. As well, it is encouraging to receive the support of existing investors and major shareholder Phillips 66, for the Company’s strong growth agenda.”

NOVONIX CEO, Dr. Chris Burns, said: “We are pleased to have secured the funding required to support growth in the NOVONIX Anode Materials business following announcements this month of offtake agreements with both Stellantis and PowerCo. This funding will be used to achieve 3,000 tonnes per annum of production capacity at our Riverside facility in 2025 and enable continued access of our Department of Energy’s Office of Manufacturing & Energy Supply Chains grant of up to US\$100 million.”

Settlement of the Institutional Placement is expected to occur on Friday, 29 November 2024 with allotment of New Shares expected to occur on Monday, 2 December 2024. The 74.1 million of New Shares issued under the Institutional Placement will rank equally with existing shares on issue.

Approximately 12.8 million shares will be issued under the Conditional Placement to existing major shareholder Phillips 66, subject to shareholder approval at an Extraordinary

General Meeting to raise approximately US\$5.0 million or A\$7.7 million¹. If shareholders approve the issuance of New Shares under the Conditional Placement, settlement will occur shortly after an Extraordinary General Meeting, which is scheduled to occur on or around Wednesday, 22 January 2025.

Following the successful completion of the Institutional Placement, the Company's shares will recommence trading on the ASX today and the Company has requested that the trading halt be lifted on opening of the market today.

Citigroup Global Markets Australia Pty Limited and Jefferies (Australia) Pty Limited (together, the "Joint Lead Managers") acted as joint lead managers, bookrunners and underwriters to the Institutional Placement.

Share Purchase Plan Details

As announced on Tuesday, 26 November 2024, NOVONIX will separately offer a non-underwritten Share Purchase Plan ("SPP") to eligible shareholders in the Company with a registered address in Australia and New Zealand as at 7.00pm (Sydney, Australia time) on Monday, 25 November 2024.

The SPP aims to raise approximately A\$5.0 million and will provide each eligible shareholder with the opportunity to apply for up to \$30,000 worth of NOVONIX shares. If demand exceeds A\$5.0 million, NOVONIX may scale back applications under the SPP at its absolute discretion.

The price of New Securities to be issued under the SPP will be the same price as the Offer Price under the Institutional Placement and Conditional Placement, (as opposed to the maximum discount of 20% of the volume weight average price over the last 5 days on which trades were recorded before the day on which the SPP was announced allowable under exception 5 of Listing Rule 7.2). Accordingly, the Company is required to seek and has applied for a waiver of ASX Listing Rules 7.1 and 10.11 to permit the Company to issue New Securities under the SPP without shareholder approval at the same issue price as the Institutional Placement ("Waivers").

In the event that the Waivers are not granted, the Company intends to seek shareholder approval to issue the New Securities under the SPP. Accordingly, the issue of New
