ASX Announcement

\$8.2 million European contract

- A repeat order from a European government agency of \$8.2 million
- Delivery is expected over the next 3 months

DroneShield Ltd (ASX:DRO) (DroneShield or the Company) is pleased to announce it has received a repeat order of \$8.2 million from a major European military customer for dismounted and vehicle-mounted systems Counter-UxS systems.

DroneShield expects to deliver over the next 3 months, including from available stock. Full cash payment is expected in 1Q2025.

Oleg Vornik, DroneShield CEO, commented: “Larger orders of this type from repeat customers of this calibre are a validation that DroneShield products are meeting the challenge set by sophisticated military customers. As the threat of drones is increasing across the entire battlespace, militaries need broader packages like this one.”

“DroneShield is unique globally in that we can provide an entire ecosystem of dismounted, vehicle and fixed systems and link them all together.”
