## 2. MAKO OPTIONS

The Option Offers closed on 4 December 2024.

As announced to ASX on 3 December 2024 the Option Offers were subject to defeating conditions, including that ASX granted a waiver of Listing Rule 6.23.4 to permit the amendment, without shareholder approval, of the terms and conditions of the Mako Options, to facilitate their transfer to Aurum on the following conditions:

- (a) the Share Offer has been declared unconditional; and
- (b) Aurum has acquired voting power in Mako of at least 50.1%.

ASX granted Mako a waiver of Listing Rule 6.23.4 (**ASX Waiver**). One of the conditions of the ASX Waiver having effect is that Aurum has acquired voting power in Mako of at least 90% (**90% Waiver Condition**). The 90% Condition was not satisfied before the closing date of the Option Offers and Aurum could not waive the condition. Accordingly, the Option Offers have lapsed and will not proceed. Those Mako Optionholders who have accepted the Option Offers will retain their Mako Options and will be free to deal with their Mako Options as they determine, subject to the terms of those Options.

If Aurum acquires a voting power in Mako of at least 90% and subject to close of the Share Offer, pursuant to section 663A of the Corporations Act, Aurum will make an offer to acquire all remaining Mako convertible securities from the holders of those securities.
