## URW sells 15% stake in Westfield Forum des Halles to CDC Investissement Immobilier

Unibail-Rodamco-Westfield (URW) today announces the sale of a 15% stake in the iconic Westfield Forum des Halles, a 77,600 sqm Flagship shopping centre located in the heart of Paris, to CDC Investissement Immobilier, on behalf of Caisse des Dépôts (CDC), a leading long-term French institutional investor. The net disposal price is €235 Mn<sup>1</sup>, in line with the last unaffected value.

This transaction marks a strong milestone in the Flagship shopping centre investment market, showcasing one of the most attractive and best-performing retail assets in the European market.

Going forward, the asset will be owned by a joint venture between URW (50%), AXA IM Alts acting on behalf of clients (35%) and CDC (15%). URW will continue to manage the asset, which will remain fully consolidated by URW.

URW has now completed or secured €1.5 Bn of transactions since the start of 2024, which will reduce the Group's proportionate net debt by the same amount. The Group remains in active discussions on further disposals as part of its deleveraging plan, including through joint ventures with long-term institutional partners that allow URW to retain control of its Flagship assets while generating asset and property management fees.

CDC Investissement Immobilier, the property asset management subsidiary of Caisse des Dépôts, pursues the active investment policy began in early 2024 for all segments of its diversified portfolio (more than €10 Bn). It's also the case for retail sector which exposure is above €1 Bn.

This announcement has been authorised by the Chief Executive Officer.
