

ASX ANNOUNCEMENT

Update regarding TGA proceedings against CDA Clinics Qld Pty Ltd

14 JANUARY 2025

Melbourne, Australia – As previously announced by Vitura Health Limited (ASX:VIT) (**Vitura and Company**) on 4 December 2023, a wholly-owned subsidiary of the Company, CDA Clinics Qld Pty Ltd (**CDA Clinics Qld**), is the subject of proceedings initiated by the Secretary of the Department of Health and Aged Care, on behalf of the Therapeutic Goods Administration (**TGA**) in the Federal Court, Brisbane Registry (**Proceedings**).

The Proceedings relate to alleged contraventions of s 42DLB of the Therapeutic Goods Act 1989 (the **TG Act**) during the period from 27 April 2021 to 30 July 2021.

The Proceedings seek declarations against CDA Clinics Qld and others, pecuniary penalties and costs and relating to alleged advertisements of products on a website associated with a legacy business known as “CDA Express”. The period of time that the Proceedings relate to predates the merger between Cronos Australia Limited (that was subsequently renamed Vitura) and CDA Health Pty Ltd, which occurred on 16 December 2021.

CDA Clinics Qld is a dormant company and does not operate Vitura’s current CDA Clinics operation. The Company was in the process of seeking to deregister CDA Clinics Qld, along with three other dormant subsidiaries of the Company that were surplus to the Group’s requirements, when the Proceedings were filed.

Without making any admissions regarding the Proceedings, as Vitura was not involved in the historical alleged breaches of the TG Act and is not a party to the Proceedings, Vitura has discontinued funding the defence of CDA Clinics Qld.

Therefore, the current director of CDA Clinics Qld has taken steps to place CDA Clinics Qld into liquidation and Mr Neil Mclean and Mr Brodie Hilet from Rodgers Reidy have been appointed as the joint and several liquidators of CDA Clinics Qld. The TGA has been duly notified about the appointment of the liquidators.

The Proceedings have now automatically been stayed as against CDA Clinics Qld (see Corporations Act section 471B). The TGA can seek leave of the Court to continue the Proceedings against CDA Clinics Qld.

As Vitura was not a party to, nor responsible for, the historical alleged breaches of the TG Act by CDA Clinics Qld, it will not be affected by any judgement or other orders that may be made by the Court against CDA Clinics Qld and Vitura will not be involved in funding any defence.

Vitura remains committed to being a market leader and a responsible participant in the medicinal cannabis industry. Accordingly, it seeks to work cooperatively with the TGA and all other regulators in this area.

About Vitura Health Limited (ASX: VIT)

www.vitura.com.au

Vitura Health Limited is diversified digital health business listed on the ASX (ASX: VIT) and, via its wholly owned subsidiaries, operates the following businesses:

- www.burleighheadscannabis.com
Burleigh Heads Cannabis operates the market leading prescriber, patient, pharmacy, and supplier online ecosystem, Canview, which sells and distributes 430+ therapeutic product and device SKUs within Australia from roughly 60 international and domestic brands.
- www.canview.com.au
Canview is being developed to be a complete end-to-end healthcare ecosystem designed to provide doctors, pharmacists, and patients with a simple and cost-effective way to facilitate the treatment of patients with increased efficiency and compliance. The Canview system is based on a medicines wholesaling platform which seamlessly brings together several disparate SAAS (software-as-a-service) providers including inventory control, invoicing, customer management, reporting and analytics, all linked together through customised integration from third party providers. Underpinning the suite of SAAS elements are several bespoke, internally generated operating procedures and intellectual property assets, supported by the Canview customer support and infield customer engagement teams. Through the integration of the different elements which together make up Canview, the platform provides the best user experience in the industry.

Through the Company's relationships with third party integrators, Canview provides Australian doctors with the ability to integrate their patient management systems directly with the platform and to use their patient information to generate electronic prescriptions within the Canview platform, without the need to input the patient's details. Prescriptions are then sent directly to the Canview patient app where patients can manage their treatment and submit the prescription and subsequent repeats to one of the nearly 4,500 Australian pharmacies with accounts on Canview for dispensing.

While the Company's current operations focus on the sale and distribution of medicinal cannabis products, Vitura is fully licensed and equipped, via its two state-of-the-art distribution centres in Melbourne and the Gold Coast, to distribute all products under Schedules 2, 3, 4, 8 and 9. The establishment during the year of the Company's joint venture to distribute psychedelic products, including MDMA and Psilocybin, is a timely example of the many opportunities that the Company believes can be seamlessly integrated into its existing digital health platform business.

- www.doctorsondemand.com.au
The Company owns Doctors on Demand Pty Ltd, a nationwide 24/7 x 365 telehealth platform business that provide innovative primary health solutions to hundreds of thousands of B2C and B2B patients annually. Services include general medical consults, urgent care, medical certificates, pathology referrals, specialist referrals, men's health, women's health, medicated weight loss and smoking cessation.
- www.cortexa.com.au
The Company owns 50% of Cortexa Pty Ltd, an incorporated joint venture with Canadian-based PharmAla Biotech (CSE: MDMA). Cortexa aims to be the leading supplier of psychedelics, GMP MDMA and GMP psilocybin, for research and therapeutic use in Australia.
- www.cdaclinics.com.au
The Company owns CDA Clinics that undertakes nationwide telehealth consultations with patients seeking access to medicinal cannabis.
- www.cannadoc.com.au
The Company owns 75.5% of Cannadoc Health Pty Ltd, a medicinal cannabis clinic business that undertakes nationwide telehealth consultations with patients seeking access to medicinal cannabis.
