

MARKET UPDATE FOR QUARTER ENDED 31 DECEMBER 2024

BauMart Holdings Limited (ASX: BMH) ("BauMart" or the "Company") provides the following operational update along with the Appendix 4C for the quarter ended 31 December 2024.

Trade Expo Indonesia 2024 – Strengthening Network and Market Access

- BauMart participated in Trade Expo Indonesia, engaging with potential partners, suppliers, and buyers within the Indonesian market. The participation allowed BauMart to foster relationships with key government representatives and business communities. The presence at this global platform reinforced BauMart's visibility and established connections that align with its expansion goals in Indonesia.

Progress with Singlo Corporation and Red Stone Collaboration

- The Company has made notable progress in advancing its marketing and sales pipeline for Washpod, with Singlo Corporation positioned as a distributor. Singlo's strategic association with Red Stone, a prominent facilities management company, presents an opportunity to secure initial orders and develop case studies to address identified market requirements. This collaboration is expected to strengthen BauMart's distribution network and support the Company's efforts to expand its footprint within the Australian market.

Securing Pipelines for Western Australia Property Development

- BauMart is working with property developers in Western Australia to create a project plan addressing the region's growing demand for specialist labour and building materials. The aim of this initiative is to position BauMart as a holistic supplier in the property development sector.

Advancements in Strategic Partnerships with International Suppliers

- BauMart has made positive progress in nurturing relationships with international suppliers to establish international strategic partnerships. This development will enhance the Company's ability to source competitive, high-quality building materials and supplies.

Progress in Mining Equipment Procurement and Strategic Partnership Discussions

- The Company has successfully bought back mining equipment previously sold and is progressing toward purchasing additional equipment. Additionally, BauMart is in active discussions with a mining development company to establish a potential long-term wet-hire contract. This partnership is aimed at servicing their planned development

requirements, further solidifying BauMart's presence in the mining sector and supporting its growth objectives.

Related Party Payments and Other Overheads

- Payments to Related Parties totalled \$16K for the December quarter, comprised of directors' remuneration.
- Other operating overheads during the December quarter were largely in line with management expectations.
- The Company continues to manage overhead costs to enable the Company to better fund future orders of mining equipment and forecasted costs associated with the assessment and development of new business and investment activities.

Summary

- The December quarter reflects BauMart Holdings' commitment to strengthening strategic partnerships, fostering international collaboration, and identifying market demands. These achievements highlight our proactive approach in aligning with market trends, broadening our network, and positioning BauMart as a key player across multiple sectors.

This announcement was authorised by the Board of BauMart Holdings Limited.

About BauMart Holdings Limited

BauMart Holdings Limited (ASX: BMH) is an Australian public company listed on the Australian Securities Exchange. The origins of the Company began with securing distribution partnerships with suppliers of building materials and its investment and leasing of automated glass-processing equipment. Since its listing in June 2015, the Company has diversified its business across a broad range of divisions including, but not limited to:

- sourcing, procurement and end-to-end supply chain services;
- supply and distribution of industrial products, including the Washpod product; and
- other managed services.

Headquartered in Perth, the Company has a robust network of suppliers and infrastructure that is positioned for growth for its sourcing and procurement services.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
