

## Exclusive Cat Coins Offer

To celebrate the commencement of gold production at our Paulsens Gold Operation (“**Paulsens**”), Black Cat Syndicate Limited (“**Black Cat**” or the “**Company**”) is excited to offer shareholders an exclusive opportunity to purchase a Black Cat embossed, one ounce (1oz) commemorative gold coin to mark this milestone (“**Cat Coin**”).

In partnership with our refiner, ABC Refinery, this exceptional gold bullion coin is exquisitely presented in a specialised gift box and includes a certificate of purity (1 oz @ 99.99% gold) and authenticity:

- The coins are crafted from Black Cat’s first gold at Paulsens; and
- The coins feature a minted finish, with the Black Cat logo (image and lettering) on one side and the ABC Refinery stamp on the reverse (see image below).

**In order to receive an application form to purchase the Cat Coin, an applicant must be a Black Cat shareholder with a registered address in Australia as at the close of trading on 21 February 2025.** A limited number of Cat Coins will be issued on a first-come, first-served basis and will be issued at the discretion of the Board. The Cat Coins will be priced using the prevailing spot price of gold.

Shareholders will be sent a personalised application form with details on how a Cat Coin can be applied for. The Company encourages Shareholders to sign up for communications digitally – instructions on how to do this are shown below. Shareholders wishing to purchase a Cat Coin should ensure the application is returned before 5pm (WST) 7 March 2025.
