Profit (loss) from ordinary activities after tax attributable to members	838	846	(8)	(1%)

Dividends

On 20 August 2024 the Board of Cryosite Limited declared an unfranked dividend of 2 cents per share which was paid to shareholders on the 10 October 2024, for the financial year ending 30 June 2024. This compares with a 1.5 cent unfranked final dividend, paid to shareholders, during the half-year ending 31 December 2023 (for the financial year ending 30 June 2023).

The profit for the Group after providing for income tax amounted to \$838,000 (31 December 2023: \$846,000).

Commentary on the results to the market

Results for half-year ending 31 December 2024 reflect a strengthening of trading conditions.

- Gross profit of \$4,251,000, up 7.5%.
- Earnings before interest, tax, depreciation and amortisation (**EBITDA**) of \$1,518,000, up 15%.
- Earnings before interest and tax (**EBIT**) of \$1,107,000, up 19%.
- 2 cents per share unfranked final dividend paid on 10 October 2024, for the financial year ending 30 June 2024 up 33%.
- The Group had carried-forward tax credits to offset income tax expenses in the prior period, but nil for the current period.
- No bank borrowings.

A further explanation of the result of the current period is set out in the Directors' Report contained in the attached audit reviewed Interim Report.

3. Net tangible assets backing

	Reporting period Cents	Previous period Cents
Net tangible assets per ordinary security	3.15	6.20

The calculation of net tangible assets excludes right-of-use assets, intangible assets, and lease liabilities.

The key driver of the reduction of net tangible assets backing was due to the Group making an equal share reduction of 5c per share (\$2.4m) in February 2024.

Overview

The Directors are delighted to advise that the financial results for the half-year ended 31 December 2024, overall, exceeded the previous financial result for the half-year ended 31 Dec 2023 (prior corresponding period) in terms of Revenue, Operating Profit, EBIT and EBITDA, continuing to build upon our long-term strategy and year-on-year positive momentum at Cryosite.

The Group reported revenue from ordinary activities of \$6,640,000 (31 December 2023: \$6,402,000) and delivered net profit after tax of \$838,000 (31 December 2023: \$846,000) for the first half of the 2025 financial year.

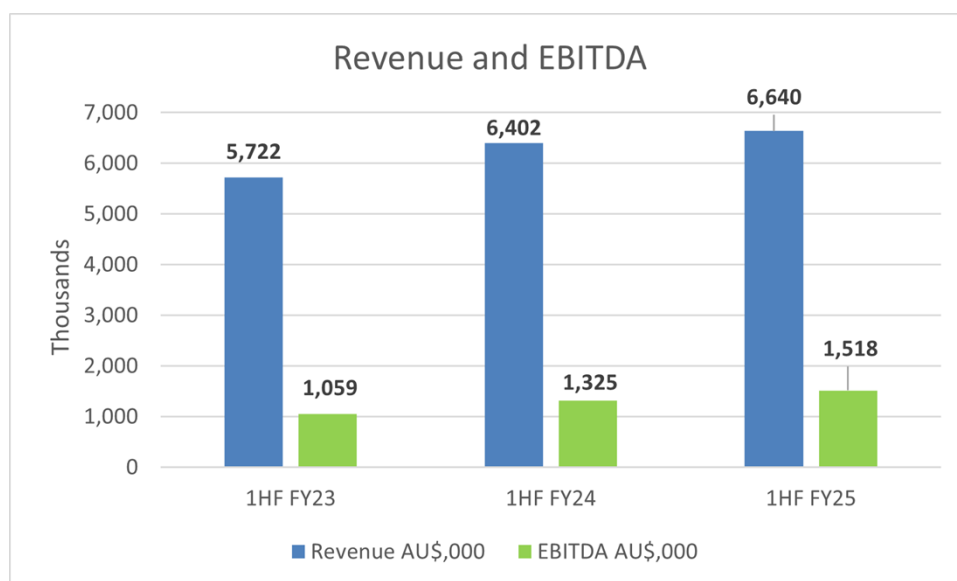

The Directors consider Earnings Before Interest and Tax ('EBIT') and Earnings Before Interest, Tax, Depreciation and Amortisation ('EBITDA') to reflect the core earnings of the Group. EBIT and EBITDA are financial measures which are not prescribed by Australian Accounting Standards ('AAS') and represent the profit under AAS adjusted for non-cash and significant items. The Group's reconciliation of its statutory net profit after tax ('NPAT') for the current and previous year to EBIT and EBITDA is as follows:

	31 Dec 2024 \$'000	31 Dec 2023 \$'000	Change \$'000	Change %
Reported financials				
Revenue	6,640	6,402	238	4%
Cost of providing services	(2,389)	(2,447)	58	(2%)
Gross profit	4,251	3,955	296	7%
Net profit after tax	838	846	(8)	(1%)
Add: Income tax expense	280	115	165	143%
Add: Interest expenses	77	83	(6)	(7%)
Less: Interest revenue calculated using effective interest method	(88)	(110)	22	(20%)
EBIT	1,107	934	173	19%
Add: Depreciation and amortisation expense	411	391	20	5%
EBITDA	1,518	1,325	193	15%

It is particularly pleasing to report a 19% increase in EBIT and a 15% increase in EBITDA in the first-half of 2025. The Group achieved strong operational efficiencies by tightly controlling costs while purposefully investing in our facilities, systems and staff, to optimally position the Group for continued growth.

- Revenue from ordinary activities increased by 4% to \$6,640,000 in the current period from \$6,402,000 in the prior corresponding period. It is particularly pleasing to note strong momentum in the revenue from inbound, storage, and outbound activities that present the highest margin opportunity for Cryosite.
- Gross profit increased by 7% to \$4,251,000 as costs were tightly controlled in the period.
- EBIT increased by 19% to \$1,107,000.
- EBITDA increased by 15% to \$1,518,000 demonstrating the low incremental cost of scaling our business in the immediate future.
- NPAT decreased by 1% to \$838,000 driven by an increase in the Group's income tax expense (up \$165,000 on the prior corresponding period) as there were no carried-forward tax credits remaining in the period.

The graph below demonstrates the expanding revenue and EBITDA growth profile of Cryosite against prior comparable periods:

The Board declared a final unfranked dividend of 2.0 cents per share for FY2024, a 33% increase from FY2023 (1.5 cent per share).

In addition, the Group returned 5c per share (\$2.4m) to shareholders in February 2024 via a capital reduction.

During the first half of FY2025, the Group undertook a major capital works project and increased the footprint of its existing facility by 17%. The project was fully completed in February 2025. This will allow Cryosite to double the number of freezers and liquid nitrogen tanks on site.

On 15 January 2025, the Group launched a new and interactive Investor Hub for dedicated investor engagement. The Investor Hub enables Cryosite's shareholders, stakeholders and prospective investors to learn more about the entity's activities and communicate with the Group's leadership team directly.

The Directors are extremely pleased with the positive momentum demonstrated in our half-year December 2024 results. Cryosite is poised for further growth in 2025 as we build upon the investments made to date in our people, processes and facility.

The Board would like to thank the Cryosite staff for their outstanding performance and shareholders for their ongoing trust and support.

Cashflow

The Group has no debt facilities and continues to hold \$4,487,000 cash on hand as at 31 December 2024 compared to \$4,703,000 cash on hand as at 30 June 2024. The material drivers for the change in cashflow are itemised below:

- **Cash balance – 30 June 2024: \$4,703,000**
 - **Net cash inflow from operations: \$1,140,000** (1HY24: \$1,219,000)
 - Small timing differences of receivables/payables compared to 1HY24.
 - **Net cash outflow from investing activities: (\$225,000)** (1HY24: \$859,000)
 - Interest income received: \$79,000 (1HY24: \$55,000).
 - Capital expenditure on mezzanine extension: (\$305,000) (1HY24: (\$196,000))
 - Note: A \$1m long-term deposit was reclassified as cash from non-current assets in 1HY24 (no such adjustment occurred in this period).
 - **Net cash outflow from financing activities: (\$1,131,000)** (1HY24: (\$882,000))
 - Dividend payment of 2c per share – October 2024: (\$976,000) (1HY24: (\$732,000))
 - Facility lease expenses: (\$155,000) (1HY24: (\$150,000)).
- **Cash balance – 31 December 2024: \$4,487,000**

Environmental, social and governance (ESG)

Our facility improvements reflect decisions to improve the design, construction, and operations of the facility to reduce our environmental impact. Past and current investments in new capital equipment contributes to our GHG reduction strategy. Our unwavering commitment to sustainability has resulted in our recent achievement of a silver medal from EcoVadis in February 2024. Our updated Governance Policies reflect our commitment to ethical, transparent, and responsible business practices.

We are committed to reducing GHG emissions in line with climate science targeting net zero by 2050. Our objective is to understand, manage, and reduce our greenhouse gas emissions across all operational activities. Our Scope 1 and Scope 2 greenhouse gas emissions for the calendar year 2024 was 445 tonnes (Est.) of carbon dioxide equivalent (CO₂e). We continue to investigate and refine our reporting of Scope 3 emissions in line with our commitment to our GHG reduction strategy.

Stability in the state of affairs

Our stability in a changing industry landscape reflects effective strategic planning and execution. It highlights our ability to maintain a steady course while adapting to the evolving needs of our clients and the market.

Governance and Management

In Governance and Management, our Board steadfastly upholds the highest standards of corporate governance and ethical behaviour. We continue to enhance our ESG policies, integrating our GHG reduction strategy to our environmental guidelines. These updates are designed to align with and reinforce our Group's strategic objectives with our customers and stakeholders, while enhancing transparency and accountability at all levels.

Further demonstrating our commitment to continuous improvement, we actively engage in external assessments through the EcoVadis platform. These assessments not only provide valuable insights but also serve as a crucial benchmark against industry standards, guiding our ongoing efforts to elevate our operational practices and ethical standards.

Material business risks

We remain vigilant in the face of macroeconomic risks, climate change and regulatory compliance challenges. We continue to update and invest in the latest technology and equipment to manage and monitor the impact of the climate on our operations. Our diverse customer base and strategic partnerships are key in helping us manage these risks.

Macroeconomic

Despite our strong position in the specialist clinical trials storage and logistics sector, we recognise that we are not immune to external economic factors such as inflation, supply chain disruptions and new competitors. Our strategy involves monitoring economic indicators, maintaining strict internal controls, and diversifying our customer base into the new growth sectors such as biological storage and cell & gene therapies storage and depot services leveraging our 23 years of cryogenic cord blood expertise.

Regulatory compliance

The Group's purpose-built, modern facility is licensed by the Therapeutic Goods Administration (TGA) of Australia and is Good Manufacturing Practice (GMP) certified to support the specialised needs of highly regulated, temperature-sensitive products. We take our quality obligations and responsibilities seriously. Cryosite maintains accreditations, has thorough knowledge of regulatory systems and utilises best-in-class management systems to ensure our quality processes.

Cryosite employs regular and extensive audits to mitigate our risk and ensure our storage facilities meet TGA and our customers' standards. Additionally, the Group maintains sufficient internal controls to ensure continued compliance with its regulatory obligations as well as all Australian laws and regulations.

Privacy and cybersecurity

In an era where data security is paramount, the Group has continuously invested in staff training and infrastructure to protect sensitive information and maintain cybersecurity. Cryosite has initiated its journey to align with the Australian Signals Directorate (ASD) Essential Eight Maturity Model.

Work, health and safety ('WHS')

The Group has a zero-risk tolerance for serious safety incidents. The Group deploys a continuous improvement process to its WHS practices, emphasising its established safety culture throughout the organisation, and providing scheduled training for the workforce.

Operating risks

- **Supply Chain disruption.** The Group is part of a global supply chain facilitating the conduct of clinical trials in Australia. Disruption to this supply chain, as we saw during Covid, brings both challenges and opportunities requiring the Group to remain agile in its response.
- **Commercial Partners:** The Group is aware of the importance of global pharmaceutical and bio-tech companies within its Clinical Trials division and mitigates risk through consistently high levels of customer service, the attraction of new clients, and expansion of its licenses and services.
- **Competition:** The Group is vigilant regarding the possibility of a new market entrant or a change in the delivery model for Clinical Trials in Australia. It mitigates this risk by holding a number of licenses and certifications, investing in its facilities, services and people and by remaining closely connected to its customers. The Group continually invests in its brand and enjoys a high reputation in Australia and internationally.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the Group during the financial half-year.

Rounding of amounts

The Group is of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding-off'. Amounts in this report have been rounded off in accordance with that Corporations Instrument to the nearest thousand dollars, or in certain cases, the nearest dollar.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

Note 1. General information

The financial statements cover Cryosite Limited as a Group consisting of Cryosite Limited and the entity it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Cryosite Limited's functional and presentation currency.

Cryosite Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

13a Ferndell Street
South Granville
NSW 2142

A description of the nature of the Group's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 20 February 2025.

Note 2. Material accounting policies

These general purpose financial statements for the interim half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the *Corporations Act 2001*, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Group during the half-year ended 31 December 2024 and are not expected to have a significant impact for the full financial year ending 30 June 2025.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Note 3. Operating segments

Identification of reportable operating segments

The Group is organised into two operating segments: Clinical trials and biological services logistics and Cord blood and tissue storage. These operating segments are based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources. There is no aggregation of operating segments.

Clinical trials and biological services logistics Specialist temperature-controlled storage, sourcing, labelling, status management, secondary packaging, schedule drug distribution, destruction, returns and biological services.

Cord blood and tissue storage Storage of cord blood and tissue samples.

The CODM review EBITDA (earnings before interest, tax, depreciation and amortisation). The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

The information reported to the CODM is on a monthly basis.

Major customers

The Group services a highly specialised and often concentrated market segment, of which during the half-year ended 31 December 2024, approximately 76% of the Group's external revenue was derived from sales to three major global clients.

Note 16. Fair value measurement

Fair value hierarchy

The following tables detail the Group's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the asset or liability

The carrying amounts of trade and other receivables and trade and other payables are assumed to approximate their fair values due to their short-term nature.

Note 17. Contingent liabilities

Bank guarantees of \$198,000 (30 June 2024: \$198,000) exist at year-end in respect of the Group's obligations under the premises lease arrangements.

Note 19. Events after the reporting period

No matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

For personal use only

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Independent Auditor's Review Report to the Members of Cryosite Limited

Conclusion

We have reviewed the accompanying half-year financial report of Cryosite Limited and its controlled entity (the "Group"), which comprises the consolidated statement of financial position as at 31 December 2024 and consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, significant accounting policies, explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cryosite Limited and its controlled entity is not in accordance with *the Corporations Act 2001*, including:

- (i) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Other matter

The prior year financial statements of the Group were reviewed by another auditor who expressed an unmodified conclusion. As part of our review, we have undertaken procedures considered necessary to satisfy ourselves regarding the veracity of opening consolidated balances and consolidated comparative information presented in these reports.

Basis for conclusion

We conducted our review in accordance with *ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410)*. Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' responsibility for the half-year financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors' determine is necessary to enable the presentation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date, and complying with Accounting Standard *AASB 134 Interim Financial Reporting and the Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
