Comments

This information should be read in conjunction with the 2024 annual report.

RocketBoots Limited (“ROC”) concluded an important half-year period, progressing significantly with its international expansion. Although ROC recorded a book loss of \$1,374,089, its entrance into the UK marks an important point in the Company's history and will allow ROC to leverage further into the international grocery market. License revenue was up 11% half on half due to existing contract expansions, despite enablement revenue dropping since no new contract roll outs fell within the period.

Directors' Report  
31 December 2024

The directors submit the financial report of RocketBoots Limited and Controlled Entities ("Group") for the half-year ended 31 December 2024.

1. General information

Information on directors

The names of each person who has been a director during the half-year and to the date of this report are:

Hugh Bradlow	Non-Executive Director and Independent Chair	Resigned 18 December 2024
Roy McKelvie	Non-Executive Director and Independent Chair	Appointed 18 December 2024
Karl Medak	Non-Executive Director	
Cameron Petricevic	Non-Executive Director	

2. Operating results and review of operations for the half-year

Review of operations

The directors present their report, together with the interim financial statements, on the consolidated entity (referred to hereafter as The 'Group') consisting of RocketBoots Limited (referred to hereafter as the 'company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2024.

RocketBoots Limited ("ROC") concluded an important half-year period, progressing significantly with its international expansion. Although ROC recorded a half-year loss of \$1,374,089 (31 Dec 2023: loss of \$1,167,098), its entrance into the UK marks an important point in the Company's history and will allow ROC to further leverage into the international grocery market. License revenue was up 11% half on half due to existing contract expansions, despite enablement revenue dropping since no new contract roll outs fell within the period.

ROC signed a major contract with The Southern Co-Op Limited (Southern) in September 2024 to deploy its loss prevention software. This contract provides a material boost to ROC's overall recurring revenue; the first stage of the contract will provide the Company with \$160k annual recurring revenue, and upon final stage completion ROC will be recording \$450k annual recurring revenue. This represents a doubling of ROC's current annual recurring revenue. ROC expects the rollout to commence in calendar year 2025. In addition to Southern, ROC announced a site expansion for a major New Zealand bank. The overall change to annual recurring revenue from this will be \$48k, for a total contract value of \$193k.

Auditor's independence declaration

The auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001* for the half-year ended 31 December 2024 has been received and can be found on page 3 of the financial report.

This report is signed in accordance with a resolution of the Board of Directors.

## RocketBoots Limited and Controlled Entities

ACN: 165 522 887

### Notes to the Financial Statements For the Half-Year Ended 31 December 2024

The interim financial report covers RocketBoots Limited and controlled entities ('the Group'). RocketBoots Limited is a for-profit Company limited by shares, incorporated and domiciled in Australia.

The principal activities of the Group for the half-year ended 31 December 2024 were to operate at scale using proprietary computer vision based machine learning applications to optimise businesses and solve security challenges.

Each of the entities within the Group prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

The financial report was authorised for issue by the Directors on 21 February 2025.

Comparatives are consistent with prior periods, unless otherwise stated.

#### 1 Basis of Preparation

This consolidated interim financial report for the reporting period ending 31 December 2024 has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*.

The interim financial report is intended to provide users with an update on the latest annual financial statements of RocketBoots Limited and Controlled Entities (the Group). As such it does not contain information that represents relatively insignificant changes occurring during the period within the Group. This consolidated interim financial report does not include all the notes normally included in an annual financial report. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2024, together with any public announcements made during the period.

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these consolidated financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

## **Notes to the Financial Statements**

### **For the Half-Year Ended 31 December 2024**

#### **2 Material Accounting Policy Information**

##### **(a) Going concern**

The financial statements have been prepared on the going concern basis which contemplates the continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Group incurred a loss for the half-year ended 31 December 2024 of \$1,374,089 and had a net cash operating outflows of \$1,245,020. As at that date, the Group had net current liability of \$771,951 and net liabilities of \$827,838.

These factors indicate a material uncertainty which may cast significant doubt as to whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The directors believe that it is reasonably foreseeable that the Group will continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report after consideration of the following factors:

- Management has reviewed the cash flow forecasts and assessed that there are sufficient cash reserves and incoming cash to continue operations for at least 12 months from the date of this report. This assessment is based on management's confidence in winning more contracts with customers. Additionally, the consolidated entity has the ability to reduce expenditures if necessary to manage operating cash requirements.
- Management believes that it has the ability to raise further share capital as demonstrated by its ability to raise \$1.3 million during this half-year period as disclosed in Note 12.

Accordingly, the Directors believe that Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Group does not continue as a going concern.

### Notes to the Financial Statements For the Half-Year Ended 31 December 2024

#### 4 Operating Segments

##### Segment information

##### Identification of reportable segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (Chief Operating Decision Maker) in assessing performance and determining the allocation of resources.

Operating segments are presented using the 'management approach' where the information presented is on the same basis as the internal reports provided to the CODM. The CODM are responsible for the avocation of resources to operating segments and assessing their performance.

The Group's principal activities are those of a software Company and therefore identifies only one corporate reportable segment. The results of this segment are the same as the Group's results.

The Group established business in two new markets in 2023 - the United States and the United Kingdom. The Group shall report results by geographical segment when results and cash flow from these two markets become material to the Group.

No changes to note from prior year-end.

## INDEPENDENT AUDITOR'S REVIEW REPORT To The Members Of Rocketboots Limited 31 December 2024

### Conclusion

We have reviewed the accompanying half-year financial report of Rocketboots Limited (company) and its controlled entities (Group) which comprises of the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as of 31 December 2024 and of its performance for the half-year that ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Rocketboots Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

### Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the half-year financial report, which indicates that the Group had net current liabilities of \$771,951, net liabilities of \$827,838, cash outflows from operating activities of \$1,245,020 and incurred a loss of \$1,374,089. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

#### *Directors' Responsibility for the Half-Year Financial Report*

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility for the Review of the Half-Year Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
