Jayride Group operates an airport transfers marketplace where travellers compare and book rides around the world. With Jayride, travellers can compare and book with 2,800+ ride service companies, servicing 1,600+ airports in 110+ countries around the world which cover 95% of world airport trips, including across the Americas, Europe, Middle East, Africa, Asia and the Pacific.

Jayride earns the majority of its revenue from passenger trips booked, where the Company connects travellers with the transport company and earns a commission on sales. Travellers visit Jayride.com or a Jayride travel brand partner to book passenger trips.

Jayride receives the Total Transaction Value ('TTV') for Passenger Trips Booked and holds the funds on behalf of the traveller until after travel, at which point Jayride remits payment to the transport company, retaining its commission. This commission, net of refunds, is the Company's Net Revenue, which forms the majority of the Company's revenue.

Total revenue and other income declined to \$1,767,937 from \$2,803,023 in the prior period. Total expenses fell to \$4,189,098 from \$8,836,992 in the previous period. The current expense base includes technology costs previously capitalised and the prior expense base includes amortisation of capitalised technology from H1 FY24 and prior periods. The amount of amortisation of capitalised technology from prior periods is \$1,757,200. The total savings achieved through business rationalisation and restructuring activities delivered between the two periods is \$2,890,694.

Note 1. General information

The financial statements cover Jayride Group Limited as an individual entity. The financial statements are presented in Australian dollars, which is Jayride Group Limited's functional and presentation currency.

Jayride Group Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 10 Suite 1005
4 Bridge Street
Sydney NSW 2000

A description of the nature of the Company's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 28 February 2025.

Note 2. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 Jun 2024 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The Company has adopted all of the new and amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Company during the financial half-year ended 31 December 2024 and are not expected to have a significant impact for the full financial year ending 30 June 2025.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Company incurred a loss of \$2,421,161 and had net cash outflows from operating activities of \$187,543 for the year ended 31 December 2024. Additionally, as at that date, the Company has net current liabilities and net liabilities of \$5,042,097 and \$6,584,917 respectively. The ability to continue as a going concern is dependent on a number of factors, the most significant of which is sourcing additional funding as well as the conversion of the convertible notes to equity.

The above factors indicate a material uncertainty which may cast significant doubt as to whether the Company will continue as a going concern and, therefore, whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the statements.

Note 2. Material accounting policy information (continued)

The Directors believe that there are reasonable grounds to believe that the Company will be able to continue as a going concern, after consideration of the following factors:

- As disclosed on the balance sheet, the Company had cash and cash equivalents of \$487,497 as at 31 December 2024.
- As disclosed in Note 17, on 24 February 2025, the company announced a corporate restructuring and the launch of a renounceable rights offer. The key terms of this announcement include:
 - A partially underwritten entitlement offer to be launched seeking to raise up to \$4.3 million at \$0.003 per share with no attaching options underwritten to \$1 million by a new lead investor.
 - Significant changes to the Board including the appointment of a new Director of Finance, a new Chief Marketing Officer, a new Non-Executive Director, the retirement of the founder and current Non-Executive Director and the return of the Executive Chairman to a Non-Executive Chairman position.
 - The new Board and management team are commencing with a significant operational cost reduction programme and review of all technology and manual processing.
 - All secured convertible notes are to be converted into equity at \$0.003 being on equivalent terms to the entitlement offer resulting in a simplified capital structure on completion, with no remaining notes.
 - Improving relationships with suppliers remains an important focus for Jayride, with new leadership team set to engage directly with affected suppliers towards normalising relations.

The Directors believe that the corporate restructuring plans will enable the Company to continue as a going concern and that it is therefore appropriate to adopt the going concern basis in the preparation of the financial statements.

The financial statements do not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Company does not continue as a going concern.

Note 3. Operating segments

Identification of reportable operating segments

The Company's operating segments are based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Maker ('CODM')) in assessing performance and in determining the allocation of resources.

The directors are of the opinion that there is one reportable segment in the Company as the CODM reviews results, assesses performance and allocates resources at a Company level.

As the information reported to the CODM is the results of the Company as a whole, the segment results are as shown throughout these financial statements and are not duplicated here.

Major customers

During the half-year ended 31 December 2024, approximately 24.37% (31 December 2023: 32.80%) of the Company's external revenue was derived from sales to three (31 December 2023: four) major customers.

The total revenue contributed by the major customers is set below:

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of Jayride Group Limited

Conclusion

We have reviewed the accompanying half-year financial report of Jayride Group Limited ('the Company'), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year then ended, notes comprising a summary of material accounting policy information and other explanatory information, and the director's declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Jayride Group Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* ('ASRE 2410'). Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Jayride Group Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty related to Going Concern

We draw attention to Note 2 in the half-year financial report, which indicates that the Company incurred a loss of \$2,421,161 and had net cash outflows from operating activities of \$187,543 for the year ended 31 December 2024. Additionally, as at that date, the Company has net current liabilities and net liabilities of \$5,042,097 and \$6,584,917 respectively. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' Responsibility for the Half-Year Financial Report

The directors of Jayride Group Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Company's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
