REVIEW OF RESULTS AND FINANCIAL POSITION

Metal Hawk Limited is listed on the Australia Securities Exchange (**ASX: MHK**), classified as a West Australian junior gold explorer, and has approximately 115.25 million shares on issue at the date of this report. The Company has not reached a stage in its development where it is generating an operating profit.

The net loss after income tax for the half-year was \$9,223,562 (31 December 2023: \$2,120,692), which included impairment of capitalised exploration of \$7,746,226 and exploration expenditure of \$113,170 (31 December 2023: impairment of capitalised exploration of \$842,647 and exploration expenditure of \$320,475).

REVIEW OF OPERATIONS AND CORPORATE

The Company's main objective is to build shareholder value by making early-stage mineral discoveries through low-cost exploration.

The Company's main focus during the period ended 31 December 2024 was the gold discovery at the Leinster South Project in Western Australia.

In August 2024, the Company reported good results from its maiden reconnaissance exploration program at the Leinster South project, located 30km south of Leinster in the West Australian goldfields. The recently granted project tenements cover over 200km² and present a significant new gold discovery opportunity for the Company. Metal Hawk's field activities at Leinster South continue to encounter more significant outcropping high grade gold mineralisation at new prospects. Please refer to the Company's announcements for further information.

The Company's nickel sulphide and lithium exploration at the Yarmany Project north-west of Coolgardie has been fully impaired during the period.

On 20 November 2024, the Company issued 12,200,000 fully paid ordinary shares at an issue price of \$0.20 per share pursuant to a Placement raising \$2,440,000 (before costs). 300,000 out of the total 12,500,000 Placement Shares subscribed for by Metal Hawk Directors, William Belbin, David Pennock and Michael Edwards (or with their related entities) will be issued subject to shareholder approval at a General Meeting.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

In the opinion of the Directors there were no matters that significantly affected the state of affairs of the Company during the financial period, other than those matters referred to in the overview above.

SECTION 1 BASIS OF PREPARATION

This financial report for the half-year ended 31 December 2024 is a condensed general purpose financial report prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half-year financial report does not include all notes of the type normally included within the financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Company as the full financial report.

The half-year financial report should be read in conjunction with the most recent annual financial report for the year ended 30 June 2024.

It is also recommended that the half-year financial report be considered together with any public announcements made by Metal Hawk Limited during the half-year ended 31 December 2024 in accordance with the continuous disclosure obligations arising under the ASX Listing Rules.

1.1 MATERIAL ACCOUNTING POLICIES

The Company has adopted all the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ("AASB") that are mandatory for the current reporting period.

Standards and interpretations applicable to 31 December 2024

For the half-year ended 31 December 2024, the Directors have reviewed all new and revised Standards and Interpretations issued by the AASB that are relevant to the Company and effective for the reporting periods beginning on or after 1 July 2024.

As a result of this review, the Directors have determined that there is no material impact of the new and revised Standards and Interpretations on the Company and therefore no material change is necessary to Company accounting policies.

Standards and Interpretations in issue not yet adopted

The Directors have also reviewed all of the new and revised Standards and Interpretations in issue not yet adopted that are relevant to the Company and effective for the reporting periods beginning on or after 1 January 2024.

In preparing this interim financial report, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements as at and for the year ended 30 June 2024.

METAL HAWK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1.3 GOING CONCERN

The financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and realisation of assets and settlement of liabilities in the normal course of business. The Directors have reviewed the business outlook and the assets and liabilities of the Company and are of the opinion that the going concern basis of accounting is appropriate as they believe the Company will continue to be successful in securing additional funds through equity issues as and when the need to raise funds arises.

Based on the quantitative thresholds included in AASB 8, there is only one reportable segment, being base minerals exploration and evaluation in Australia.

The results of this segment are those of the Company as a whole and are set out in the statement of profit or loss and other comprehensive income and the assets and liabilities of the Company as a whole are set out in the statement of financial position.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Metal Hawk Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Metal Hawk Limited (the Company), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Company does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Company's financial position as at 31 December 2024 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
