 - (i) seek the Scheme Order, notwithstanding that the Headcount Test has not been satisfied, provided the Target has, in good faith formed the view that the

prospect of the Court exercising its discretion to make the Scheme Order is reasonable; and

- (ii) make such submissions to the Court and file such evidence as counsel engaged by the Target to represent it in all Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test.
- (b) If the Court's approval of the Scheme under section 411(4)(b) of the Corporations Act is given, notwithstanding that the Headcount Test has not been satisfied, the Condition in clause 3.1(c) (*Target Shareholder Approval*) is deemed to be satisfied for all purposes.

- (c) the Scheme does not become Effective by 5.00pm on the business day before the End Date,

then either party may give the other party notice to require the parties to consult in good faith with a view to determining whether:

- (d) the Scheme or Transaction may proceed by way of alternative means or methods and, if so, to agree on the terms of such alternative means or methods;
- (e) to extend the relevant time or date for satisfaction of the Conditions;
- (f) to change the date of the application to be made to the Court for the Scheme Order or adjourning that application (as applicable) to another date agreed by the parties; or
- (g) to extend the End Date,

provided that the Target shall not be in breach of this clause 3.6 (or of any obligations arising under a notice given to the Target by the Bidder under this clause 3.6) by virtue of the Target complying with its obligations under clause 3.5).

3.7 Failure to agree

- (a) If the parties are unable to reach agreement under clause 3.6 within ten business days after the delivery of the notice under that clause (or any shorter period ending at 5.00pm on the business day before the Second Court Date), then unless that Condition is waived in accordance with clause 3.3, either party may terminate this agreement. For the avoidance of doubt, nothing in this clause 3.7(a) affects the

obligation of the Target to pay the Target Break Fee, or the Bidder to pay the Bidder Break Fee, in each case if required to do so under clause 9.

- (b) A party will not be entitled to terminate this agreement pursuant to clause 3.7(a) if:
 - (i) the relevant occurrence or event, the failure of the Condition to be satisfied, or the failure of the Scheme to become Effective arises as a result of:
 - (A) a breach of clause 3.2 by that party, although in such circumstances the other party may still terminate this agreement; or
 - (B) a deliberate act or omission of that party which either alone or together with other circumstances prevents that condition being satisfied; or
 - (ii) the relevant condition is stated to be for the sole benefit of the other party.

- (a) Subject to the terms of the Scheme, the Bidder covenants in favour of the Target and of each Scheme Participant that in consideration for the transfer to the Bidder or the Bidder Sub (as applicable) of the Scheme Shares held by each Scheme Participant under the terms of the Scheme, the Bidder will, in accordance with the Scheme:
- (i) accept, or procure that the Bidder Sub accepts (as applicable), that transfer on the Implementation Date; and

- (c) The obligations of the Target under clause 4.5(b) will be satisfied by the Target (in its absolute discretion):
- (i) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Participant by prepaid post to their address shown in the Register on the Record Date, such cheque being drawn in the name of the Scheme Participant (or in the case of joint holders, in accordance with the procedures set out in clause 4.6);
- (ii) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme

Participant by an appropriate authority from the Scheme Participant to the Target; or

- (iii) where a Scheme Participant has, before the Record Date, made a valid election in accordance with the requirements of the Target's registry to receive dividend payments from the Target by electronic funds transfer to a bank account nominated by the Scheme Participant, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election.
- (d) To the extent that, following satisfaction of the Target's obligations under clause 4.5(b), there is surplus in the amount held by the Target for the benefit of the Scheme Participants in the Trust Account, that surplus shall be paid by the Target to the Bidder or, if applicable, the Bidder Sub.

4.6 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 4.5(c), the Scheme Consideration that is payable in respect of such Scheme Shares under clause 4.5(b) is payable to the joint holders of those Scheme Shares and any cheque required to be sent under this Scheme in respect of such Scheme Consideration will be made payable to the joint holders and sent to either, at the sole discretion of the Target, the holder whose name appears first in the Register as at the Record Date or to the joint holders (unless the joint holders have nominated a bank account under clause 4.5(c)(ii) or 4.5(c)(iii), in which case the amount must be deposited directly to the nominated bank account of the joint holders); and
- (b) any other document required to be sent under the Scheme will be forwarded to either, at the sole discretion of the Target, the joint holders or the holder whose name appears first in the Register as at the Record Date.

4.7 Unclaimed monies

- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Participant to the Target (or its share registry) (which request may not be made until the date which is 30 business days after the Implementation Date), the Target must reissue a cheque that was previously cancelled under clause 4.7(a).
- (c) The *Unclaimed Money Act* 2008 (Vic) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the *Unclaimed Money Act* 2008 (Vic)).

4.8 Orders of a court or Regulatory Authority

If a written notice is given to the Target of an order, direction or notice made by a court of competent jurisdiction or by another Regulatory Authority that, or if a law applicable to the Target otherwise:

- For personal use only
- (a) requires consideration to be provided to a third party in respect of Scheme Shares held by a particular Scheme Participant, which would otherwise be payable to that Scheme Participant by the Target in accordance with this clause 4, then the Target shall be entitled to procure that provision of that consideration is made in accordance with that order, law or direction; and/or
 - (b) prevents the Target from providing consideration to any particular Scheme Participant in accordance with this clause 4, or the payment is otherwise prohibited by applicable law, the Target shall be entitled to retain an amount, in Australian dollars, equal to that Scheme Participant's Scheme Consideration until such time as provision of such Scheme Consideration in accordance with this clause 4 is permitted by that (or another) order or direction or otherwise by law.

4.9 Foreign resident CGT withholding

- (a) The Target confirms that at the time of signing this agreement and the Implementation Date, so far as the Target is aware, none of the Scheme Shares will comprise indirect Australian real property interests as defined in section 855-25 of the Tax Act (on the basis that the 'principal asset test' referred to in paragraph 855-25(1)(b) of the Tax Act should not be satisfied) and therefore the Bidder should not be required by Subdivision 14-D of Schedule 1 to the Tax Act ('**Subdivision 14-D**') to pay an amount to the Commissioner of Taxation ('**Commissioner**') under section 14-200 in Subdivision 14-D in respect of the acquisition of Scheme Shares from Scheme Participants. For the avoidance of doubt, the parties agree that any breach of this clause 4.9(a) (other than a breach which is intentional or reckless) will not give rise to any right to terminate this agreement provided that the Target acts in good faith.
- (b) Notwithstanding clause 4.9(a), if the Bidder is required by Subdivision 14-D or by any other law to pay amounts to the Commissioner in respect of the acquisition of Scheme Shares from certain Scheme Participants, the Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Participants, and remit such amounts to the Commissioner (the **NRCGT Withholding Amount**). The aggregate sum payable to Scheme Participants shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Participants shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Participants.
- (c) The Bidder acknowledges and agrees that it shall not pay any amounts to the Commissioner under clause 4.9(b) with respect to a Scheme Participant where it receives an entity declaration from the Scheme Participant prior to the Implementation Date, where:
 - (i) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date ('**Entity Declaration**'); and
 - (ii) the Bidder does not know that the Entity Declaration is false.
- (d) The Target agrees that the Bidder may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that the Bidder reasonably requires in making any such approach. The Bidder agrees:
 - (i) to provide the Target a reasonable opportunity to review the form and content of all materials to be provided to the ATO, and must incorporate the Target's

reasonable comments on those materials, and more generally to take into account the Target's comments in relation to the Bidder's engagement with the ATO, and provide the Target a reasonable opportunity to participate in any discussions and correspondence between the Target and the ATO in connection with the application of Subdivision 14-D to the Scheme; and

- (ii) not to contact any Scheme Participant in connection with the application of Subdivision 14-D to the Scheme without the Target's prior consent.
- (e) The parties agree to consult in good faith as to the application of Subdivision 14-D. The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation.

 - (A) enable the removal of any restrictions (including vesting conditions, disposal restrictions, holding locks, forfeiting restrictions or service conditions) applicable to the Target Shares to be issued following exercise of such Vesting Performance Rights and Vested Performance Rights so that the holders of such Target Shares can participate as Scheme Participants in the Scheme and receive the

Scheme Consideration and the Target Permitted Special Dividend;
and/or

- (B) enable the Target to do anything else contemplated by this clause 4.10(b).
- (c) The Target confirms and the Bidder acknowledges that the Target will take all such actions as are necessary to ensure that all Lapsing Performance Rights shall lapse or be cancelled on or prior to the Implementation Date in accordance with the terms of the Cancellation Deeds.
- (d) Except to the extent otherwise directed in writing by the Bidder, the Target must:
- (i) without limiting any paragraph of the definition of Prescribed Occurrence, procure that the Target Board does not exercise any discretion, including under the Performance Rights Plan, which has the effect of accelerating the vesting of the Lapsing Performance Rights or causing them to vest where they would otherwise not vest but for the exercise of that discretion, for any reason, including, but not limited to, the Transaction;
 - (ii) both:
 - (A) not, without the Bidder's prior written approval, amend, vary or waive any right under any Cancellation Deed; and
 - (B) perform its obligations under each Cancellation Deed entered into and otherwise enforce its rights under those documents;
 - (iii) keep the Bidder fully informed of all communications with Lapsing Performance Right Holders and other parties under this clause 4.10, and provide to the Bidder copies of all pro forma documents and correspondence to Lapsing Performance Right Holders, and where applicable, all material individual written communication with such persons;
 - (iv) apply to ASX for a waiver of ASX Listing Rule 6.23.2 to allow the Lapsing Performance Rights to be cancelled on the terms of the Cancellation Deeds and:

 - (v) to the extent required following discussions between ASX and the Target:
 - (A) apply to ASX for a waiver of ASX Listing Rule 6.23.3 to allow the accelerated vesting, and the amendment of the exercise period, of the Vesting Performance Rights;
 - (B) obtain the Bidder's prior written approval to the form of the waiver application; and
 - (C) consult with the Bidder on all matters relating to the waiver application; and
 - (vi) if ASX does not grant the waiver contemplated by clause 4.10(d)(iv) prior to the date for lodgement of the Regulator's Draft with ASIC, the Target must, to

the extent requested by the Bidder, use its reasonable endeavours to allow the Bidder to acquire the Lapsing Performance Rights for the same consideration as is provided for under the Cancellation Deed to cancel the Lapsing Performance Rights.

- (e) For the avoidance of doubt, the parties agree that the exercise of any discretion by the Target Board, or any other action, which is in accordance with this clause 4.10 will not be a Prescribed Occurrence or a breach of any provision of this agreement, or give rise to any right to terminate this agreement, and will be disregarded when assessing the operation of any other part of this agreement.

4.11 Change of control obligations

- (a) Following the execution of this agreement, the Target and Bidder must use reasonable endeavours to identify any Change of Control Obligations set out in any Material Contract.
- (b) The Bidder, acting reasonably, will determine which of any consents, approvals or waivers required in accordance with any Change of Control Obligations identified under clause 4.11(a) ('**Counterparty Consents**') will be required to be sought from the relevant counterparties to the relevant Material Contracts ('**Relevant Counterparties**').
- (c) Subject to clause 4.11(d), the Target and the Bidder must each use their reasonable endeavours to obtain the Counterparty Consents from the Relevant Counterparties, including:
 - (i) in the case of the Bidder, promptly taking all action reasonably necessary to comply with any requirements of a Relevant Counterparty that are reasonably necessary to obtain the relevant Counterparty Consent, which may include:
 - (A) subject to any legal restrictions and entering into reasonable confidentiality undertakings, promptly providing any information reasonably required by the Relevant Counterparty (or by the Target for the purposes of providing such information to the Relevant Counterparty), including briefing material and information about the Bidder's or Bidder Group's financial standing, financial resources and business experience; and

 - (B) the Bidder with a draft template for the proposed consent or notification request from the Relevant Counterparty (as applicable), for approval by the Bidder (approval not to be unreasonably withheld, conditioned or delayed); and
 - (C) any information reasonably required by a Relevant Counterparty, provided that nothing in this clause 4.11 imposes any obligation on

any Target Group Company to pay any money or provide any financial compensation, valuable consideration or other incentive to or for the benefit of any person.

- (d) The Bidder must not have any contact or communication with any Relevant Counterparties in relation to or in any way in connection with the Target, the Transaction or the contract with the Target to which the Relevant Counterparty is a party, other than jointly with the Target or with (and to the extent permitted by) the Target's prior written consent.
- (e) For the avoidance of doubt, a failure to obtain any Counterparty Consent (notwithstanding that a party has used its reasonable endeavours to do so) will not constitute a breach of this agreement by any party and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this agreement.
- (f) The Target must if requested by the Bidder, but only to the extent reasonably practicable and without causing unreasonable disruptions to, or unreasonable interference with, the Target Group's business and day to day operations, provide copies of contracts to which the Target Group Companies are party which are not Material Contracts to permit the Bidder to identify Change of Control Obligations in such contracts. To the extent any Change of Control Obligations are identified in any contract to which a Target Group Company is a party that is not a Material Contract, the parties agree to discuss in good faith such Change of Control Obligations and agree whether such Change of Control Obligations are to be treated as Change of Control Obligations set out in a Material Contract for the purposes of this clause 4.11.

After such processes have been completed the Target will provide such documentation to evidence such verification that the Bidder may reasonably request, including a verification certificate signed by Representatives of the Target responsible for verification and an affidavit to the Court on or before the First Court Date, confirming the verification processes undertaken and their completion.
- (f) The Target will ensure that the Target Information, and all information provided by or on its behalf to the Independent Expert, is not misleading or deceptive in any material respect (whether by omission or otherwise).

5.4 Preparation of the Bidder Information

- (a) The Bidder must:
- (i) as soon as possible after the date of this agreement, prepare the Bidder Information and provide the Bidder Information to the Target for inclusion in the Scheme Booklet;
- (ii) consult with the Target in relation to the content of the Bidder Information;
- (iii) consider in good faith, for the purpose of amending the Bidder Information, any comments received from the Target and its Representatives;
- (iv) ensure that the Bidder Information is not misleading or deceptive in any material respect (whether by omission or otherwise); and
- (v) provide to the Target all such further or new information which may arise or become known to the Bidder after the Scheme Booklet has been despatched until the date of the Scheme Meeting which is necessary to ensure that the Bidder Information is not misleading or deceptive in any material respect (whether by omission or otherwise).

- For personal use only
- (b) The Bidder must implement an appropriate verification process to verify the Bidder Information, and any statements directly derived from the Bidder Information, contained in the Scheme Booklet and undertake verification in accordance with that process. After such processes have been completed the Bidder will provide such documentation to evidence such verification that the Target may reasonably request, including a verification certificate signed by Representatives of the Bidder responsible for verification and an affidavit to the Court on or before the First Court Date, confirming the verification processes undertaken and their completion.
 - (c) The Bidder will ensure that the Bidder Information, and all information provided by or on its behalf to the Independent Expert, is not misleading or deceptive in any material respect (whether by omission or otherwise).

5.5 Responsibility statements

The Scheme Booklet will contain statements to the effect that:

- (a) the Bidder is responsible for the Bidder Information contained in the Scheme Booklet and that no Target Group Member assumes any responsibility for the accuracy or completeness of the Bidder Information; and
- (b) other than the Bidder Information and the Independent Expert's Report, the Scheme Booklet has been prepared by the Target and the Target is responsible for all the Target Information contained in the Scheme Booklet and that no Bidder Group Company assumes any responsibility for the accuracy or completeness of the Scheme Booklet (other than the Bidder Information); and
- (c) the Independent Expert's Report has been prepared by the Independent Expert and is the responsibility of the Independent Expert, and that no Target Group Member nor Bidder Group Company assumes any responsibility for the accuracy or completeness of the Independent Expert's Report.

For the avoidance of doubt, the Scheme Booklet and all public announcements by the Target in relation to the Scheme (other than announcements as to purely administrative matters) must also include the Recommendation and Voting Intention Statement required under clause 5.9(a)(iii).

5.6 Compliance with obligations

The Target and the Bidder each agree to use all reasonable endeavours and utilise all necessary resources (including management resources and the resources of external Advisers) to comply with their respective obligations in this clause 5 and to produce the Scheme Booklet in accordance with the Timetable.

5.7 Court proceedings

- (a) If the Court refuses to make an order convening the Scheme Meeting or approving the Scheme, at the Bidder's request, the Target must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel indicates that, in his or her view, an appeal would have a less than 50% prospect of success, in which case either party may terminate this agreement).
- (b) Each of the Bidder and the Target must vigorously defend, or must cause to be vigorously defended (except to the extent that the parties agree otherwise, or an independent senior counsel indicates that, in his or her view, such a defence would

have a less than 50% prospect of success), any lawsuits or other claims or proceedings (including any Takeovers Panel proceedings) brought against it (or any Bidder Group Company or Target Group Company) challenging this agreement or the completion of the Transaction. Neither the Bidder nor the Target may settle or compromise (or permit any Bidder Group Company or Target Group Company to settle or compromise) any claim brought in connection with this agreement without the prior written consent of the other, such consent not to be unreasonably withheld.

- (c) Any costs incurred as a result of the operation of this clause will be borne equally by the Bidder and the Target.

5.8 Board and management changes

As soon as practicable after the Bidder provides the Aggregate Scheme Consideration in accordance with the Deed Poll:

- (a) the Target must cause the appointment as directors of each Target Group Company of such number of persons nominated by the Bidder as would constitute those nominees (acting together) as a majority of the directors on the Target Board and the board of any Target Group Company; and
- (b) the Target must use its reasonable endeavours to ensure that such members of the Target Board and the board of any Target Group Company as are nominated by the Bidder resign from the Target Board and the board of any Target Group Company with effect from the implementation of the Scheme, and that each such director provides written notice to the effect that they have no claim outstanding for loss of office, remuneration or otherwise against the Target (in a form acceptable to the Bidder acting reasonably).

5.9 Target Directors' recommendation

- (a) Subject to clause 5.9(d), the Target must ensure that:
 - (i) the Target Board unanimously recommends that Target Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders (the **Recommendation**);
 - (ii) each Target Director states that they will, in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders, vote (or procure the voting of) all Target Shares held or controlled by them at the time of the Scheme Meeting in favour of the Scheme (the **Voting Intention Statement**); and
 - (iii) the Scheme Booklet and all public announcements by the Target in relation to the Scheme (other than announcements as to purely administrative matters) will include a statement to the effect of clauses 5.9(a)(i) and 5.9(a)(ii).
- (b) The Target represents and warrants to the Bidder that it has been advised by each Target Director in office as at the date of this agreement that he or she will, as at the date of the Target Announcement, recommend that Target Shareholders vote in favour of the Scheme, qualified by the words:

- (i) “in the absence of a Superior Proposal”; and
- (ii) “subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders”,

and, since giving such confirmation, each such Target Director has not withdrawn, adversely changed, adversely modified or adversely qualified such confirmation or advised the Target Board that they intend to do so.

- (c) Subject to clause 5.9(d), the Target must ensure that the Scheme Booklet includes:
 - (i) a statement to the effect of clause 5.9(a)(i), that all of the Target Directors recommend that Target Shareholders vote in favour of the Scheme qualified by the words “in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders” or such other words agreed between the parties; and
 - (ii) a statement to the effect of clause 5.9(a)(ii) by all the Target Directors, each stating that he or she will vote in favour of the Scheme, in respect of all Target Shares controlled or held by or on behalf of that director, qualified by the words “in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders” or such other words agreed between the parties.
- (d) The Target must use its best endeavours to ensure that no Target Director:
 - (i) withdraws or adversely changes or modifies his or her recommendation that Target Shareholders vote in favour of the Scheme; or
 - (ii) makes a public statement or takes any action that is inconsistent with his or her recommendation that Target Shareholders vote in favour of the Scheme,
 in each case except where:
 - (iii) the Target receives a Third Party Proposal and Target Directors determine, after all of the Bidder’s rights under clause 8.6 have been exhausted, that the Third Party Proposal constitutes a Superior Proposal and the Target has otherwise complied with clause 8;
 - (iv) the Independent Expert concludes that the Scheme is not in the best interests of Target Shareholders; or
 - (v) the relevant Target Director(s) do anything described in clauses 5.9(d)(i) or 5.9(d)(ii) as a result of a requirement, request, direction or order of a court of competent jurisdiction, ASIC or the Takeovers Panel.
- (e) For the avoidance of doubt, for the purposes of clause 5.9(d), customary qualifications and explanations contained in the Scheme Booklet and any public announcements in relation to any recommendation that Target Shareholders vote in favour of the Scheme to the effect that such recommendation is made:

- (i) "in the absence of a Superior Proposal"; and
- (ii) in respect of:
 - (A) any public announcement issued before the issue of the Scheme Booklet, "subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders"; and
 - (B) the Scheme Booklet or any public announcement issued at or after the time of issue of the Scheme Booklet, "subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders",

will not be regarded as a withdrawal, or adverse change or modification, of such recommendation, or a public statement or action that is inconsistent with such recommendation.

6 Integration Committee

- (a) On and from the date of this agreement, the Target and Bidder agree to establish a committee (the **Integration Committee**) initially comprising two nominated representatives of the Bidder and Target respectively.

- (ii) the members of the Integration Committee must only share information, and must only disseminate information within their respective organisations, to the extent necessary to undertake the activities in clause 6(b), and information shared between members of the Integration Committee must not be used for any other purpose (other than to the extent required by law);
- (iii) nothing in this agreement (including this clause 6) is intended to create a relationship of partnership, joint venture or similar relationship between the parties or requires a party to act at the direction of the other party or to take any action that would reasonably be expected to conflict with or violate any applicable law or regulation or the constituent document of such party;
- (iv) the Bidder and the Target must not make any agreement regarding, or attempt to influence, prior to Implementation of the Scheme, each other's:

- (vii) without limiting clauses 6(f)(i) to 6(f)(vi), nothing in this clause 6 will require the Target to provide, or procure the provision of, any information which would constitute a breach, or would be reasonably likely to result in a breach, of any applicable antitrust or competition law.

7.3 Target Permitted Special Dividend

- (a) Subject to this clause 7.3, the Target may determine and pay the Target Permitted Special Dividend to each Target Shareholder that is recorded in the Register as a holder of Target Shares at the relevant record date in respect of such Target Permitted Special Dividend.
- (b) Determination and payment of the Target Permitted Special Dividend is subject to the Target having received, by the Effective Date, a draft class ruling or other indicative confirmation from the ATO in a form acceptable to the Bidder and the Target, each acting reasonably, that confirms the Target Permitted Special Dividend will be a frankable distribution under the Tax Act, the shareholders will be qualifying persons under the Tax Act, the exempting credits rules will not apply and the Commissioner will not deny franking benefits under any other provision of the Tax Act ('**ATO Guidance**').
- (c) The Target Permitted Special Dividend may be franked utilising the franking account balance of the Target if and to the extent determined by the Target Board in its discretion, provided:
 - (i) the Target's franking account must not be in deficit (or deemed to be in deficit) immediately prior to the Implementation Date, taking into account any reasonably expected tax refund in respect of any tax payments or instalments made for the period up to the Implementation Date;
 - (ii) the Target Permitted Special Dividend is not in breach of the benchmark rules in section 203-25 of the Tax Act;
 - (iii) the Target Permitted Special Dividend does not cause the Target to incur any franking deficit tax in respect of the income year in which the Target Permitted Special Dividend is paid;
 - (iv) the Target must provide a copy of the Target franking account on the following dates:
 - (A) 5 Business Days before the determination or resolution to pay the Target Permitted Special Dividend; and
 - (B) 5 Business Days prior to the Implementation Date; and
 - (v) if a franking credit would arise in the Target's franking account as a result of a payment to the ATO to be made in the period from immediately after execution of this document until the Implementation Date in respect of:
 - (A) an instalment where a variation has been made to the amount that would otherwise be required to be paid to the ATO to increase the amount of the instalment to be paid; or
 - (B) a lodgement of a tax return with the ATO,

in each case to the extent such payment is to ensure any Target Permitted Special Dividend is fully franked, then the Target must provide a draft calculation of the variation or draft tax return to the Bidder no later than 5 Business Days prior to making the payment to the ATO with both parties undertaking the following steps:

- (C) the Bidder may provide any reasonable comments on such draft tax calculation or draft tax return no later than 3 Business Days after receiving the information; and
 - (D) the Target will consider any reasonable comments by the Bidder before payment of the instalment or lodgement of the tax return.

 - (i) the record date in respect of the Target Permitted Special Dividend must be before the Record Date; and
 - (ii) the payment date for the Target Permitted Special Dividend will be determined by the Target in its absolute discretion, but must occur before the Record Date.

 - (i) the decision whether to pay a Target Permitted Special Dividend is entirely within the discretion of the Target Board and the Bidder shall have no right to influence that decision;
 - (ii) the Scheme is not conditional on payment or otherwise of the Target Permitted Special Dividend; and
 - (iii) the Target Permitted Special Dividend must be determined and paid in accordance with the Target's constitution and the Corporations Act.
- (f) The Target undertakes that no amount of the Target Permitted Special Dividend shall be directly or indirectly funded from the issue of equity interests (as defined in section 995-1 of the Tax Act) by any Target Group Company where such equity interests are issued before the implementation of the Scheme.
- (g) The Target covenants and agrees that it shall deduct and withhold from the Target Permitted Special Dividend such amounts as Target may be required to deduct or withhold with respect to such payment under the Tax Act, or any provision of any applicable tax law or treaty, in each case, as amended. To the extent that amounts are so deducted or withheld, such deducted or withheld amounts shall be treated for all purposes hereof as having been paid to the relevant recipient in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted to the appropriate taxing or governmental authority by Target.
- (h) The Bidder:
 - (i) must not in any way finance, assist or facilitate the payment of the Target Permitted Special Dividend (including by raising new capital) unless otherwise agreed between the parties or as otherwise disclosed to the ATO as part of the ATO Guidance process; and

To the extent that amounts are so deducted or withheld, such deducted or withheld amounts shall be treated for all purposes hereof as having been paid to the relevant recipient in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted to the appropriate taxing or governmental authority by the Target.
- (c) For the avoidance of doubt, the Scheme Consideration will not be reduced by the value of the Previously Determined Dividend or any associated franking credits with respect to that dividend.

 - (iv) breach of this clause 8.

8.6 Response to Third Party Proposals and Matching Rights

- (a) If the Target receives a Third Party Proposal during the Exclusivity Period and, as a result:
- (i) any one or more Target Directors propose to withdraw or adversely change or adversely modify or, adversely qualify:
 - (A) their support of the Scheme;
 - (B) their respective Recommendations (under clause 5.9(a)(i));
 - (C) their respective Voting Intention Statement (under clause 5.9(a)(ii)); or
 - (D) publicly recommend, support or endorse a Third Party Proposal,
 or make any public statement to the effect that they may do so at a future point; or
 - (ii) the Target or another member of the Target Group proposes to enter into any agreement, commitment, arrangement or understanding (whether or not in writing) pursuant to which the Target or another member of the Target Group proposes to undertake or implement or otherwise give effect to an actual,

proposed or potential Third Party Proposal (which for the avoidance of doubt does not include a confidentiality agreement),

the Target must ensure that no action referred to in clauses 8.6(a)(i) or 8.6(a)(ii) is taken unless:

- (iii) the Third Party Proposal is bona fide;
- (iv) the Target Board has determined that the Third Party Proposal is a Superior Proposal;
- (v) the Target has provided the Bidder with a notice stating that the Target proposes to take the action referred to in clauses 8.6(a)(i) or 8.6(a)(ii) (as applicable) and setting out all material details of the actual, proposed or potential Third Party Proposal, which will include the terms and conditions (including the identity of the person making or proposing the Third Party Proposal and details of any relationship with the Target Group, price, conditions precedent, timetable and break fee or reimbursement fee (if any) or any other similar terms and material details of any scheme implementation deed, merger implementation agreement or other binding agreement that is proposed to be executed by the Target and a Third Party of the Third Party Proposal (to the extent known) ('together, the **Relevant Notice**');
- (vi) the Bidder has not provided to the Target a Counter Proposal by the expiry of the 5 business day period in clause 8.6(b); and
- (vii) the Target Board has made all determinations contemplated by clauses 8.7(a), 8.7(b)(i) and 8.7(b)(ii) in respect of that Third Party Proposal after the evaluation of a Counter Proposal (defined below) and the exhaustion of the Bidder's rights under and in accordance with clause 8.6(b),

provided that a statement made by the Target, the Target Board or any Target Director to the effect that no action should be taken by Target Shareholders pending the assessment of a Third Party Proposal by the Target Board or the completion of the matching right process set out in this clause 8.6 will not, by itself, contravene this clause 8.6 provided that, when any such statement is made, the Target Board publicly re-affirms that:

- (viii) the Target Directors recommend that Target Shareholders vote in favour of the Scheme in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders (or such other words agreed between the parties); and
 - (ix) the Target Directors who control or hold Target Shares intends to vote their Target Shares in favour of the resolution(s) to be proposed at the Scheme Meeting to approve the Scheme in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders (or such other words agreed between the parties).
- (b) If the Target gives a Relevant Notice to the Bidder under clause 8.6(a)(v), the Bidder will have the right, but not the obligation, at any time during the period of five business days after the day on which the Bidder receives the Relevant Notice, to announce or

provide a counterproposal (which may include amendments to the terms of the Transaction or Scheme, including by increasing the amount of consideration offered under the Transaction, waiving any Conditions under this agreement or proposing any other form of transaction (each a '**Counter Proposal**').

- (c) If the Bidder provides a Counter Proposal to the Target, then the Target must procure that the Target Board must review and consider the Counter Proposal in good faith. If the Target Board, acting reasonably and in good faith, determines that the Counter Proposal would provide a matching or superior outcome to the Target Shareholders as a whole compared with the Third Party Proposal, taking into account all of the terms and conditions of the Counter Proposal, then the Target and the Bidder must, as soon as reasonably practicable and acting in good faith, use their best endeavours to agree the amendments to this agreement, the Scheme and Deed Poll (as applicable) that are reasonably necessary to reflect the Counter Proposal and to enter into an amended agreement to give effect to those amendments and to implement the Counter Proposal, and the Target must procure that each Target Director continues to recommend the Transaction (as modified or replaced by the Counter Proposal) to the Target Shareholders (in the absence of a Superior Proposal, and subject to the Independent Expert concluding that the Scheme is in the best interests of Target Shareholders and not subsequently changing that conclusion to be that the Scheme is not in the best interests of Target Shareholders) and do not recommend the applicable Third Party Proposal.

8.7 Fiduciary carve-out

In respect of a written Third Party Proposal received by the Target without any breach of its obligations under clauses 8.1 or 8.2, the restrictions in clauses 8.3 and 8.4(a) do not apply to the extent they restrict the Target, the Target Board or any Target Director from taking or refusing to take any action with respect to a genuine actual, proposed or potential Third Party Proposal which was not solicited, invited, encouraged or initiated in breach of clause 8.2, provided that the Target Board determines, acting in good faith and acting reasonably, that:

- (a) the Third Party Proposal is bona fide and is made by or on behalf of a person that the Target Board reasonably considers is of sufficient commercial standing to implement the Third Party Proposal; and
- (b) the Target Board has determined in good faith after consultation with the Target's external financial and legal advisers that:
- (i) the Third Party Proposal is or may reasonably be expected to lead to a Superior Proposal; and
- (ii) failing to take the action or refusing to take the action (as the case may be) with respect to the Third Party Proposal would be reasonably likely to constitute a breach of the fiduciary or statutory duties of a Target Director.

8.8 Revisions to a Third Party Proposal

Each successive material modification of any actual, proposed or potential Third Party Proposal or the provision by the Target of any new details in respect of any actual, proposed or potential Third Party Proposal under clause 8.6(a)(v) which has not previously been provided to the Bidder will be deemed to make that proposal a new actual, proposed or potential Third Party Proposal in respect of which the Target must comply with its obligations and procedures under clauses 8.5 and 8.6 prior to any member of the Target Group entering

into any definitive agreement of the type referred to in clause 8.6(a)(ii) in respect of such actual, proposed or potential Third Party Proposal.

8.9 Legal advice

The Target warrants to the Bidder that, prior to entering into this agreement, the Target has received legal advice on this agreement and the operation of this clause 8, the Target Board considers this clause 8 to be fair and reasonable and that it is appropriate to agree to the terms of this clause in order to secure the significant benefits to the Target and the Target Shareholders resulting from the transactions contemplated by this agreement.

9 Break Fee

9.1 Background

This clause 9 has been agreed to in circumstances where:

- (a) each of the Bidder and the Target believes it and its shareholders and investors will derive significant benefits from the implementation of the Scheme;
- (b) each of the Bidder and the Target has incurred, and will further incur significant costs in connection with the Scheme, which will include significant opportunity costs if the Scheme is not implemented;
- (c) the Bidder and the Target have each requested that provision be made for the payment of, respectively, the Target Break Fee and the Bidder Break Fee, and neither party would have entered into this agreement had such respective payment obligation not been included, in each case on the terms and conditions set out in this clause 9;
- (d) each of the Bidder and the Target believes that it is appropriate to agree to the payment which it agrees to under this clause 9 to secure the other party's entry into this agreement; and
- (e) each of the Bidder and the Target has received legal advice in relation to this agreement and the operation of this clause 9.

The Bidder and the Target acknowledge and agree that the costs referred to in clause 9.1(b) are of such a nature that they cannot be precisely quantified, but that the amount of the applicable payment under this clause 9 is a genuine and reasonable pre-estimate of those costs.

9.2 Payment of Target Break Fee

Subject to clauses 9.4 and 9.8, the Target must pay to the Bidder the Target Break Fee, without set-off or withholding (unless the withholding is required by law) and within 10 business days after receipt of a written demand from the Bidder, if:

- (a) prior to the end of the Exclusivity Period, one or more Target Directors:
 - (i) withdraws or adversely changes or qualifies their support of the Scheme or modify their Recommendation that Target Shareholders vote in favour of the Scheme;
 - (ii) withdraws or adversely changes or qualifies their support of the Scheme or modify their respective Voting Intention Statement in favour of the Scheme in respect of all Target Shares controlled or held by or on behalf of them;

- (iii) fails to recommend that Target Shareholders vote in favour of the Scheme; or
- (iv) makes a public statement indicating that they no longer recommend the Scheme or recommends that Target Shareholders accept or vote in favour of, or otherwise supports or endorses, a Third Party Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions),

unless:

- (v) the Independent Expert concludes either in the Independent Expert's Report or in any written update of, or revision, amendment or supplement to, that report that the Scheme is not in the best interests of Target Shareholders, except where that conclusion is wholly or directly due to the existence, announcement or publication of a Third Party Proposal;
- (vi) the relevant Target Director(s) do anything described in clauses 9.2(a)(i) or 9.2(a)(ii) as a direct result of a requirement, request, direction or order of a court of competent jurisdiction, ASIC or the Takeovers Panel; or
- (vii) the Target is entitled to terminate this agreement under clauses 15.2(a), 15.2(c) or 15.4(b) and has given the appropriate termination notice to the Bidder (except where the termination is pursuant to clause 3.7(a) due to the failure of the Condition 3.1(d) (*Independent Expert*) and conclusion of the Independent Expert is wholly or directly due to the existence, announcement or publication of a Third Party Proposal),

provided that, for the avoidance of doubt, a statement made by the Target, the Target Board or any Target Director to the effect that no action should be taken by Target Shareholders pending the assessment of a Third Party Proposal by the Target Board or the completion of the matching right process set out in clause 8.6 will not, by itself, require the Target to pay the Target Break Fee to the Bidder provided that, when any such statement is made, the Target Board publicly re-affirms the matters referred to in clauses 8.6(a)(viii) and 8.6(a)(ix) and will continue to comply with its obligations under this agreement pending such assessment of the Third Party Proposal;

- (b) a Third Party Proposal of any kind is announced during the Exclusivity Period (whether or not such Third Party Proposal is stated to be subject to any pre-conditions) and, within 12 months of the date of such announcement, the Third Party or any Associate of that Third Party:
 - (i) where the Third Party Proposal is a Third Party Proposal of a kind referred to in (a), (b) or (c) of the definition of Third Party Proposal – completes the Third Party Proposal; or
 - (ii) where the Third Party Proposal is a Third Party Proposal of a kind referred to in (d) of the definition of Third Party Proposal – enters into an agreement, arrangement or understanding with the Target or the Target Board of the kind referred to in (d) of the definition of Third Party Proposal; or
- (c) the Bidder has terminated this agreement pursuant to:
 - (i) clauses 15.3(b), 15.3(d), or 15.4(a); or
 - (ii) clause 3.7(a) due to the non-fulfilment of a Condition set out in clause 3.1(b) (*No Prescribed Occurrence*) or 3.1(f) (*No Material Adverse Change*) where

the event, change, circumstance, occurrence or matter giving rise to the non-fulfilment of such Condition was within the control of a Target Group Company.

9.3 Payment of Bidder Break Fee

Subject to clauses 9.4 and 9.8, the Bidder, either directly or through Bidder Sub, must pay to the Target the Bidder Break Fee, without set-off or withholding (unless required by law) and within 10 business days after receipt of a written demand from the Target, if the Target terminates this agreement under clause 15.2(a), 15.2(c) or 15.4(b).

9.4 Payment conditions

- (a) Notwithstanding the occurrence of any event described in clause 9.2 or 9.2(a), no amount will be payable under this clause 9 if the Scheme becomes Effective. If an amount has been paid and then the Scheme subsequently becomes Effective, such amount must immediately be refunded by the payee to payor.
- (b) Any amount payable by the Target or the Bidder (as applicable) under this clause 9 is only payable once.

9.5 Limitation of liability for the Target

- (a) The maximum aggregate amount that the Target is required to pay to the Bidder in relation to a Claim under this agreement (including under clause 10.2, any breach of this agreement or entry into this agreement) is the amount of the Target Break Fee and in no event will the aggregate liability for Claims in connection with this agreement exceed the amount of the Target Break Fee.
- (b) Notwithstanding any clause in this agreement, if an amount is paid under clause 9.2, that amount is received in complete settlement of any and all Claims, whether known (actually or constructively) or unknown to the Bidder and/or its Related Entities at the date of receipt, that the Bidder may have against the Target in respect of the Scheme or in connection with this agreement. If the Target Break Fee is paid to the Bidder under this agreement, the Bidder cannot make any claim against the Target or the other Target Indemnified Parties in relation to any matter, event or occurrence in relation to this agreement.
- (c) The limitation in clause 9.5(a) does not:
 - (i) prevent the Bidder (in its own right or as trustee for another person, as the case may be under this agreement) from seeking orders from a court of competent jurisdiction for the specific performance by the Target of any obligations under this agreement; and
 - (ii) extinguish or limit the liability of the Target for any:
 - (A) interest payable on any amount payable by that party under or in connection with this agreement; or
 - (B) liability arising from criminal acts, fraud or wilful or deliberate default, misconduct or concealment by or on behalf of any Target Group Company, its Officers or employees.

9.6 Limitation of liability for the Bidder

- (a) The maximum aggregate amount that the Bidder is required to pay to the Target in relation to a Claim under this agreement (including under clause 10.4, any breach of this agreement or entry into this agreement) is the amount of the Bidder Break Fee and in no event will the aggregate liability for Claims in connection with this agreement exceed the amount of the Bidder Break Fee.
- (b) Notwithstanding any clause in this agreement, if an amount is paid under clause 9.2(a), that amount is received in complete settlement of any and all Claims, whether known (actually or constructively) or unknown to the Target and/or its Related Entities at the date of receipt, that the Target may have against the Bidder in respect of the Scheme or in connection with this agreement. If the Bidder Break Fee is paid to the Target under this agreement, the Target cannot make any claim against the Bidder or the other Bidder Indemnified Parties in relation to any matter, event or occurrence in relation to this agreement.
- (c) The limitation in clause 9.6(a) does not:
 - (i) prevent the Target (in its own right or as trustee for another person, as the case may be under this agreement) from seeking orders from a court of competent jurisdiction for the specific performance by the Bidder of any obligations under this agreement; and
 - (ii) extinguish or limit the liability of the Bidder for any:
 - (A) interest payable on any amount payable by that party under or in connection with this agreement; or
 - (B) liability arising from criminal acts, fraud or wilful or deliberate default, misconduct or concealment by or on behalf of the Bidder, its Officers or employees.

9.7 Nature of payment

Each of the Bidder and the Target acknowledges that any amount payable by it under this clause 9 is an amount to compensate the other party for the following costs and expenses:

- (a) external advisory costs (excluding success fees);
- (b) internal costs such as costs of management and directors' time, risk management costs and capital costs;
- (c) out-of-pocket expenses; and
- (d) that any excess of the amount payable by it under this clause 9 over such costs and expenses is intended to represent consideration for the disposition by the recipient of its rights under this Agreement.

9.8 Compliance with law

This clause 9 imposes obligations on the Target and the Bidder only to the extent that the performance of those obligations:

- (a) does not constitute unacceptable circumstances as declared by the Takeovers Panel;
- (b) does not breach the fiduciary or statutory duties of any Target Director or Bidder director; and

- (c) is not otherwise unlawful or held to be unenforceable by a court.

If the performance of the obligations imposed on the Target or the Bidder (as applicable) by this clause 9 would constitute unacceptable circumstances as declared by the Takeovers Panel, breach the fiduciary or statutory duties of any Target Director or Bidder director, or otherwise be unlawful (or be held to be unenforceable by a court):

- (d) the applicable amount payable under this clause 9 ('**Applicable Amount**') will be deemed to be reduced by such amount as is necessary to ensure that the payment of that amount does not constitute unacceptable circumstances as declared by the Takeovers Panel, does not breach the fiduciary or statutory duties of any Target Director or Bidder director, and is not otherwise unlawful (and is not held to be unenforceable by a court) ('**Reduction Amount**'); and
- (e) if the Applicable Amount has already been paid, the payee must immediately reimburse the relevant payor for the Reduction Amount.

16 Goods and services tax

16.1 Interpretation

In this clause 16, a word or expression defined in the GST Act has the meaning given in that act.

16.2 Consideration exclusive of GST

All consideration, including monetary and non-monetary consideration, provided under this agreement is exclusive of GST, unless it is expressed to be GST-inclusive.

16.3 Recovery of GST on supplies and adjustments under this agreement

- (a) Where a party ('**Supplier**') makes a supply to another party ('**Recipient**') under or in connection with this agreement that is subject to or becomes subject to GST, the Recipient must pay to the Supplier an additional amount ('**Additional Amount**') equal to the GST payable on the supply (unless the consideration for that taxable supply is expressly stated to include GST). The Additional Amount must be paid by the Recipient at the same time and in the same manner as the consideration for the taxable supply is first paid or provided for the supply. However, the Additional Amount is only payable when the Supplier issues a tax invoice to the Recipient.
- (b) If, under or in connection with this agreement, the Supplier has an adjustment for a supply under the GST Act that varies the amount of GST payable by the Supplier, the Supplier will adjust the amount payable by the Recipient to take account of the varied GST amount and a valid adjustment note must be provided to the Recipient.

16.4 Other GST matters

- (a) Subject to an express provision in this agreement to the contrary, any payment, amount, reimbursement or indemnity required to be made to a party ('**Payee**') under this agreement that includes any calculation by reference to a cost, expense, liability or other amount paid or payable by the Payee to a third party ('**Expense**') will be calculated by reference to that Expense inclusive of GST, less the amount of any input tax credit which the Payee is entitled to claim on that Expense.
- (b) Any reference in this agreement to sales, revenue, income, value or similar amount ('**Revenue**') is a reference to that Revenue exclusive of GST (unless that Revenue is expressed to be GST inclusive).
- (c) If part of a supply is a separate supply under the GST Law (including for the purpose of attributing GST payable to tax periods), that part is a separate supply for the purposes of this clause.
- (d) Where the context requires, a reference to the Supplier, Recipient or Payee in this clause includes the representative member of a GST Group of which the Supplier, Recipient or Payee respectively is a member.

In the latter case, this agreement takes effect when the separately executed documents are exchanged between the parties. Delivery of an executed counterpart of this agreement by PDF file (portable document file) will be effective as manual delivery of an executed counterpart of this agreement.
- (b) Subject to compliance with applicable laws, this agreement may be executed electronically and an executed facsimile or electronic copy of the same will serve as a legal and binding contract with the same force and effect as the original.

18.6 Exercise of rights

A party may exercise a right, power or remedy separately or concurrently with another right, power or remedy available to it at law or under this agreement. A single or partial exercise of a right, power or remedy by a party does not prevent a further exercise of that or of any other right, power or remedy and a failure by a party to exercise, or delay by a party in exercising, a right, power or remedy does not prevent its exercise.

18.7 Further acts

Each party must at its own expense promptly execute all documents and do, or use reasonable endeavours to cause a third party to do, all things that another party from time to time may reasonably request in order to give effect to, perfect or complete this agreement and all transactions incidental to it.

No party may set off against a payment due to another party under this agreement an amount which is payable by that other party under this agreement.

18.14 Severability

Each provision of this agreement is individually severable. If any provision is, or becomes illegal, unenforceable or invalid in any jurisdiction it is to be treated as being severed from this agreement in the relevant jurisdiction, but the rest of this agreement is not affected and the legality, validity and enforceability of the provision in any other jurisdiction is not affected.

- (g) The Target agrees that the Bidder may approach the Australian Taxation Office ('ATO') to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that the Bidder reasonably requires in making any such approach. The Bidder agrees:
- (i) to provide the Target a reasonable opportunity to review the form and content of all materials to be provided to the ATO, and must incorporate the Target's reasonable comments on those materials, and more generally to take into account the Target's comments in relation to the Bidder's engagement with the ATO, and provide the Target a reasonable opportunity to participate in any discussions and correspondence between the Target and the ATO in connection with the application of Subdivision 14-D to the Scheme; and
- (ii) not to contact any Scheme Participant in connection with the application of Subdivision 14-D to the Scheme without the Target's prior consent.
- (h) The Bidder, the Bidder Sub (if applicable) and the Target agree to consult in good faith as to the application of Subdivision 14-D, and to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation.

5.3 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 5.2(c), the Scheme Consideration that is payable in respect of such Scheme Shares is payable to the joint holders of those Scheme Shares and any cheque required to be sent under this Scheme in respect of such Scheme Consideration will be made payable to the joint holders and sent to either, at the sole discretion of the Target, the holder whose name appears first in the Target Register as at the Record Date or to the joint holders (unless the joint holders have nominated a bank account under clause 5.2(c)(i) or 5.2(c)(ii), in which case the amount must be deposited directly to the nominated bank account of the joint holders); and
- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of the Target, the joint holders or the holder whose name appears first in the Register as at the Record Date.

5.4 Fractional entitlements

Where the calculation of the Scheme Consideration to be issued to a particular Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest cent.

5.5 Unclaimed monies

- (a) The Target may cancel a cheque issued under this clause 5 if the cheque:
- (i) is returned to the Target; or
- (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Participant to the Target (or the Target Registry) (which

request may not be made until the date which is 30 business days after the Implementation Date), the Target must reissue a cheque that was previously cancelled under clause 5.5(a).

- (c) The *Unclaimed Money Act 2008* (Vic) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the *Unclaimed Money Act 2008* (Vic)).

5.6 Orders of a court or Regulatory Authority

If written notice is given to the Target (or the Target Registry) of an order, direction or notice made by a court of competent jurisdiction or by another Regulatory Authority that, or if a law applicable to the Target otherwise:

- (a) requires consideration to be provided to a third party in respect of Scheme Shares held by a particular Scheme Participant, which would otherwise be payable to that Scheme Participant by the Target in accordance with this clause 5, then the Target shall be entitled to procure that provision of such consideration is made in accordance with that order, law or direction; or
- (b) prevents the Target from providing consideration to any particular Scheme Participant in accordance with this clause 5, or the payment is otherwise prohibited by applicable law, the Target shall be entitled to retain an amount, in Australian dollars, equal to the Scheme Consideration to which that Scheme Participant would otherwise be entitled under this clause 5 until such time as provision of such Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by law,

and any such payment or retention by the Target will constitute a full discharge of the Target's obligations under this clause 5 with respect to the amount so paid or retained (in the case of 5.6(b), until it is no longer required to be retained).

6 Scheme Participants

6.1 Appointment of Bidder as sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Participant and until the Target registers the Bidder or, if applicable, the Bidder Sub as the holder of all the Scheme Shares in the Target Register, each Scheme Participant:

- (a) is deemed to have irrevocably appointed the Bidder or, if applicable, Bidder Sub as its attorney and agent (and directed the Bidder or, if applicable, Bidder Sub in such capacity) to appoint such director, secretary, officer or agent nominated by the Bidder or, if applicable, Bidder Sub to be its sole proxy and, where applicable or appropriate, corporate representative, to attend shareholders' meetings of the Target, exercise the votes attaching to Scheme Shares registered in its name and sign any shareholders' resolution, whether in person, by proxy or by corporate representative;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 6.1(a));
- (c) must take all other actions in the capacity of the registered holder of Scheme Shares as the Bidder or, if applicable, Bidder Sub directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 6.1(a), Bidder or, if applicable, Bidder Sub and any director, officer, secretary or

agent nominated by Bidder or, if applicable, Bidder Sub under clause 6.1(a) may act in the best interests of Bidder or, if applicable, Bidder Sub as the intended registered holder of the Scheme Shares.

6.2 Appointment of Target as sole attorney and agent

Each Scheme Participant, without the need for any further act, irrevocably appoints the Target and each of the directors and officers of the Target, jointly and severally, as the Scheme Participant's attorney and agent for the purpose of:

- (a) enforcing the Deed Poll against the Bidder and, if applicable, the Bidder Sub;
- (b) executing any document necessary or expedient to give effect to the Scheme (including (without limitation) executing a Scheme Transfer and any instrument appointing the Bidder as sole proxy for or, where applicable, corporate representative of each Scheme Participant as contemplated by clause 6.1); or
- (c) doing any other act necessary or desirable to give full effect to the Scheme and the transactions contemplated by it,

and the Target accepts each such appointment. The Target as attorney and agent of each Scheme Participant, may sub-delegate its functions, authorities or powers under this clause 6.2 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

6.3 Scheme Participants' consents and agreements

Each Scheme Participant:

- (a) consents to the Target doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of the Scheme and the Target, as agent of each Scheme Participant, may sub-delegate its functions under this clause 6.3 to any of its directors and officers, severally;
- (b) agrees to the transfer of their Target Shares, together with all rights and entitlements attaching to those Target Shares to the Bidder or, if applicable, the Bidder Sub, in accordance with the Scheme;
- (c) agrees to the variation, cancellation or modification of the rights attached to their Target Shares constituted by or resulting from this Scheme;
- (d) following the provision of the Scheme Consideration to each Scheme Participant, agrees to, on the direction of the Bidder or, if applicable, Bidder Sub, destroy any holding statements or share certificates relating to their Target Shares; and
- (e) who holds their Target Shares in a CHES Holding agrees, following the provision of the Scheme Consideration to each Scheme Participant, to the conversion of those Target Shares to an Issuer Sponsored Holding and irrevocably authorises Target to do anything necessary or expedient (whether required by the Settlement Rules or otherwise) to effect or facilitate such conversion.

6.4 Warranties by Scheme Participants

Each Scheme Participant is deemed to have warranted to the Target and the Bidder and, if applicable, Bidder Sub on the Implementation Date, and appointed and authorised the Target as its attorney and agent to warrant to the Bidder and, if applicable, the Bidder Sub on the Implementation Date, that:

- For personal use only
- (a) all of their Target Shares (including any rights and entitlements attaching to those shares) which are transferred to the Bidder or, if applicable, the Bidder Sub under the Scheme will be so transferred fully paid and free from all mortgages, pledges, charges, liens, encumbrances, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and restrictions on transfer of any kind. The Target undertakes that it will provide such warranty to Bidder and, if applicable, Bidder Sub as agent and attorney of each Scheme Participant;
 - (b) they have full power and capacity to sell and transfer their Target Shares to the Bidder or, if applicable, the Bidder Sub, including any rights and entitlements attaching to those shares. The Target undertakes that it will provide such warranty to Bidder and, if applicable, Bidder Sub as agent and attorney of each Scheme Participant; and
 - (c) they hold no Target Shares other than the Scheme Shares and they have no existing right to be issued any Target Shares, Performance Rights, or any other Target equity securities. The Target undertakes that it will provide such warranty to the Bidder and, if applicable, Bidder Sub as agent and attorney of each Scheme Participant.

7 Dealings in Target Shares

7.1 Determination of Scheme Participants

- (a) For the purpose of establishing the persons who are the Scheme Participants, dealings in Scheme Shares will only be recognised if:
 - (i) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Target Register as the holder of the relevant Target Shares before the Record Date; and
 - (ii) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received at or before 5.00pm on the day on which the Record Date occurs at the place where the Target Register is kept.
- (b) The Target must register, or must procure the registration of, registrable transmission applications or transfers of the kind referred to in clause 7.1(a)(ii) by or as soon practicable after the Record Date.
- (c) The Target will not accept for registration nor recognise for any purpose any transmission applications or transfers or other request in respect of Target Shares received after 5.00pm on the day on which the Record Date occurs or received prior to that time, but not in registrable form, other than a transfer to the Bidder or, if applicable, the Bidder Sub in accordance with the Scheme and any subsequent transfer by the Bidder or, if applicable, the Bidder Sub, or its successors in title.
- (d) If this Scheme becomes Effective, a Scheme Participant (and any person claiming through that Scheme Participant) must not dispose of or otherwise deal with, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them on or after the Record Date otherwise than pursuant to this Scheme and any attempt to do so will be void and have no effect and the Target will be entitled to disregard any such disposal or dealing.

7.2 Maintenance of Target Register

- (a) For the purpose of determining entitlements to the Scheme Consideration, the Target will maintain, or procure the maintenance of, until the Scheme Consideration has been provided, the Target Register in accordance with the provisions of this clause 7 and the Target Register in this form will solely determine entitlements to the Scheme Consideration.
- (b) All certificates and holding statements for Target Shares (other than holding statements in favour of the Bidder or, if applicable, the Bidder Sub and its successors in title after the Implementation Date) will cease to have any effect from the Record Date as documents of title in respect of those shares. After the Record Date, each entry current at that date on the Target Register will cease to be of any effect other than as evidence of entitlement to the Scheme Consideration in respect of the Target Shares relating to that entry.

7.3 Information to be made available to Bidder

The Target will procure that, as soon as reasonably practicable after the Record Date, and in any event by 5.00pm on the first Business Day after the Record Date, details of the names, registered addresses and holdings of Target Shares of every Scheme Participant, in each case as shown in the Target Register as at the Record Date, are made available to the Bidder in such form as the Bidder reasonably requires.

8 Quotation of Target Shares

- (a) The Target must apply to ASX to suspend trading on ASX in Target Shares with effect from close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by the Bidder, the Target must apply for termination of the official quotation of Target Shares on ASX and the removal of the Target from the official list of ASX.

9.3 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Target Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10.4 Further assurances

The Target will execute all documents and do all acts and things (on its own behalf and on behalf of each Target Shareholder) necessary or expedient for the implementation of, and performance of its obligations under, the Scheme.

10.5 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in the State of Victoria, Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in the State of Victoria, Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

10.6 GST

The Target must pay to the Scheme Participants an amount equal to any GST for which the Scheme Participants are liable on any supply by the Scheme Participants under or in connection with the Scheme, without deduction or set off of any other amount.

10.7 No liability when acting in good faith

Each Scheme Participant agrees that neither the Bidder, the Bidder Sub (if applicable), the Target nor any director, officer or employee of any of those companies shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

10.8 Target and Scheme Participants bound

The Scheme binds the Target and all Scheme Participants (including Scheme Participants who do not attend the Scheme Meeting, do not vote at that meeting or vote against the Scheme) and will, for all purposes, to the extent of any inconsistencies, have effect notwithstanding any provision in the constitution of the Target.
